An act to amend Section 49085 of the Education Code, relating to public schools.

LEGISLATIVE COUNSEL'S DIGEST

AB 391, as introduced, Torlakson. California School Information Services.

Existing law requires the State Department of Education to ensure that the California School Information Services system meets the needs of pupils in foster care and includes disaggregated data on those pupils.

This bill would make a technical, nonsubstantive change to that provision.

The people of the State of California do enact as follows:
