CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 672

Introduced by Assembly Members Bass and Eng

February 25, 2009

An act to add Section 8879.501 to the Government Code, relating to transportation.

LEGISLATIVE COUNSEL'S DIGEST

AB 672, as amended, Bass. Transportation: bond-funded projects: letter of no prejudice.

Existing law, the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, authorizes the issuance of \$19.925 billion of general obligation bonds for various transportation purposes. Existing law designates the state agency responsible for programming bond funds under the act as the administrative agency for those purposes.

This bill would authorize a regional or local agency that is a lead agency for a project that ~~has been approved~~ *is programmed* for bond funding *on or after July 1, 2008*, to apply to the administrative agency for a letter of no prejudice that would allow the regional or local agency to expend its own funds for any bond-funded component of the project, subject to later reimbursement from bond proceeds, as specified.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature in enacting this act to enhance the ability of regional and local government entities to deliver critical transportation capital improvement projects in an expeditious manner.

SEC. 2. Section 8879.501 is added to the Government Code, to read:

If approved by the administrative agency, the letter of no prejudice shall allow the regional or local agency to expend its own funds for any bond-funded component of the project.

(b) A project may be considered for a letter of no prejudice and, upon issuance of the letter of no prejudice, shall be eligible for reimbursement under this section if all of the following apply:

(2) The project component for which the letter of no prejudice was requested has been completed.
