An act to amend Section 10285 of the Public Contract Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 759, as introduced, Ma. Public contracts: ineligibility to contract.

Existing law authorizes contracting between state agencies and private contractors and describes circumstances in which private contractors are ineligible to contract with state agencies. Existing law defines those persons subject to ineligibility.

This bill would make a technical, nonsubstantive change to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
