An act to amend Section 1960.5 of the Welfare and Institutions Code, relating to juveniles.

LEGISLATIVE COUNSEL'S DIGEST

AB 787, as introduced, Hill. State Commission on Juvenile Justice: report.

This bill would specify additional information to be included in the report of the commission relating to the number of youth transferred to each county, each county's recidivism rate, nonresidential dispositions, supervision programs, reentry and aftercare programs, county costs for caring for the transferred population, and specified pilot projects.
