

ASSEMBLY BILL

No. 1009

Introduced by Assembly Member V. Manuel Perez

February 27, 2009

An act to amend Section 14030 of, and to add Section 14077 to, the Corporations Code, relating to small business, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 1009, as introduced, V. Manuel Perez. Small business: Direct Loan Program.

The California Small Business Financial Development Corporation Law authorizes the formation of small business financial development corporations to grant loans or loan guarantees for the purpose of stimulating small business development and imposes certain duties with respect thereto on a director designated by the Secretary of Business, Transportation and Housing. The California Small Business Expansion Fund, a continuously appropriated fund, provides funds to be used to pay for defaulted loan guarantees and administrative costs of these corporations.

This bill would require the secretary to develop and implement a Direct Loan Program to provide loans to small businesses meeting certain requirements. The bill would require the maximum loan limit to be \$500,000 and would require all loans to have a guarantee from a federal agency or department. The bill would establish the Direct Loan Account in the California Small Business Expansion Fund and would continuously appropriate all moneys in that account for purposes of implementing and administering the program. The bill would require the director to report annually on the activities of the program, as

specified, and would also require the director, no later than January 1, 2012, to submit to the Governor and the Legislature the results of a specified audit of the program.

Vote: majority. Appropriation: yes. Fiscal committee: yes.
State-mandated local program: no.
