

ASSEMBLY BILL

No. 1092

Introduced by Assembly Member Fong

February 27, 2009

An act relating to health care.

LEGISLATIVE COUNSEL'S DIGEST

AB 1092, as introduced, Fong. Personalized health medicine.

Existing law provides for the licensure and regulation of health care service plans by the Department of Managed Health Care and for the regulation of health insurers by the Department of Insurance. Existing law provides for the creation of various programs to provide health care coverage to persons who have limited incomes and meet various eligibility requirements.

This bill would state the intent of the Legislature to enact legislation that would encourage the development and utilization of personalized health medicine in order to increase positive health outcomes for patients and to provide overall savings to the health care system.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation that would encourage the development and utilization
- 3 of personalized health medicine in order to increase positive health

- 1 outcomes for patients and to provide overall savings to the health
- 2 care system.
