CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 1152

**Introduced by Assembly Member Anderson
(Coauthor: Assembly Member Ma)**

February 27, 2009

An act to amend Sections 19510, 19520, ~~19604, and 19616.51~~ *and 19604* of the Business and Professions Code, relating to horse racing, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

AB 1152, as amended, Anderson. Horse racing: outriders: advance deposit wagering: jockey retirement ~~plan: license fee: plan.~~

Existing law, effective January 1, 2011, requires an outrider to be licensed by the California Horse Racing Board pursuant to certain provisions of law relating to stewards and racing officials.

This bill would delete the requirement that outriders be licensed under those provisions.

Existing law requires certain persons who participate in, or have anything to do with, the racing of horses to be licensed by the board pursuant to rules and regulations that the board may adopt, and upon the payment of a license fee fixed and determined by the board.

This bill would require the licensure of outriders pursuant to those provisions. By requiring outriders to be licensed, the violation of which would be a crime pursuant to other provisions of existing law, this bill would create new crimes and would thereby impose a state-mandated local program.

This bill would require the board to adopt regulations to require outrider license applicants to pass both a written and an oral examination and to authorize outriders to exercise certain duties and powers of the board as are delegated by the board.

Existing law authorizes advance deposit wagering to be conducted, with the approval of the board. Existing law requires amounts distributed under certain provisions of law relating to advance deposit wagering to be proportionally reduced by an amount equal to 0.00295 multiplied by the amount handled on advanced deposit wagers originating in California for each racing meeting, not to exceed \$2,000,000.

This bill would exempt from that calculation amounts handled on advanced deposit wagers originating in California for harness racing meetings.

Existing law requires the amount deducted, as per the above calculation, to be distributed as specified, with 50% of the money to the board to establish and to administer jointly with a certain jockey organization, a defined contribution retirement plan for California licensed jockeys who retired from racing on or after January 1, 2009, and who, as of the date of retirement, had ridden in a minimum of 1,250 parimutuel races conducted in California.

This bill would delete that requirement relating to a minimum number of races ridden.

~~Existing law provides that, notwithstanding any other law and in lieu of any license fee payable to the state prescribed for or referred to in specified provisions of the Horse Racing Law, any association or fair that conducts a racing meeting shall only pay its proportional amount, as determined by the formula devised by the board in consultation with the industry, as a license fee to the state, to be deposited into the Horse Racing Fund, to fund the board and the equine drug testing program, as provided.~~

~~This bill would require that license fee to also fund safety standard research and development.~~

~~Existing law provides for the baseline funding for the board and equine drug testing program and provides that adjustments to the funding~~

~~in subsequent budget years may only be made by an act of the Legislature.~~

~~This bill would delete those provisions relating to the baseline funding and the adjustments to the funding.~~

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.

State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 19510 of the Business and Professions
2 Code, as amended by Section 1 of Chapter 650 of the Statutes of
3 2009, is amended to read:

4 19510. (a) Every steward and racing official not required to
5 be licensed under Article 4 (commencing with Section 19480)
6 shall be licensed by the board pursuant to this article. Any license
7 issued pursuant to this article shall include a current photograph
8 of the licensed person.

9 (b) No person required to be licensed pursuant to this article
10 may participate in any capacity in any horse race meeting without
11 a valid and unrevoked license. The board shall determine the fixed
12 license fee which shall be paid in order to receive a license pursuant
13 to this article.

14 (c) As used in this section, “racing official” means the starter,
15 timer, paddock judge, horseshoe inspector, horse identifier, official
16 veterinarian, racing veterinarian, associate judge, placing judge,
17 patrol judge, clerk of scales, clerk of the course, and any other
18 person acting as an official at any horse racing meeting.

19 SEC. 2. Section 19520 of the Business and Professions Code
20 is amended to read:

21 19520. (a) Every person not required to be licensed under
22 Article 4 (commencing with Section 19480) who participates in,
23 or has anything to do with, the racing of horses, including a horse
24 owner, jockey, driver, apprentice, exercise rider, agent trainer,

1 stable foreman, groom, valet, horseshoer, stable watchman,
2 outrider, and every employee of a parimutuel department, shall be
3 licensed by the board pursuant to rules and regulations that the
4 board may adopt, and upon the payment of a license fee fixed and
5 determined by the board. Any license issued pursuant to this article
6 shall include a current photograph of the licensed person.

7 (b) No person required to be licensed by this article may
8 participate in any capacity in any horse race meeting without a
9 valid and unrevoked license authorizing the participation.

10 (c) The board may adopt regulations to require outrider license
11 applicants to pass both a written and an oral examination and to
12 authorize outriders to exercise the duties and powers of the board
13 set forth in Section 19440 as are delegated by the board.

14 SEC. 3. Section 19604 of the Business and Professions Code
15 is amended to read:

16 19604. The board may authorize any racing association, racing
17 fair, betting system, or multijurisdictional wagering hub to conduct
18 advance deposit wagering in accordance with this section. Racing
19 associations, racing fairs, and their respective horsemen's
20 organizations may form a partnership, joint venture, or any other
21 affiliation in order to further the purposes of this section.

22 (a) As used in this section, the following definitions apply:

23 (1) "Advance deposit wagering" (ADW) means a form of
24 parimutuel wagering in which a person residing within California
25 or outside of this state establishes an account with an ADW
26 provider, and subsequently issues wagering instructions concerning
27 the funds in this account, thereby authorizing the ADW provider
28 holding the account to place wagers on the account owner's behalf.

29 (2) "ADW provider" means a licensee, betting system, or
30 multijurisdictional wagering hub, located within California or
31 outside this state, that is authorized to conduct advance deposit
32 wagering pursuant to this section.

33 (3) "Betting system" means a business conducted exclusively
34 in this state that facilitates parimutuel wagering on races it
35 simulcasts and other races it offers in its wagering menu.

36 (4) "Breed of racing" means as follows:

37 (A) With respect to associations and fairs licensed by the board
38 to conduct thoroughbred, fair, or mixed breed race meetings, "breed
39 of racing" shall mean thoroughbred.

1 (B) With respect to associations licensed by the board to conduct
2 quarter horse race meetings, “breed of racing” shall mean quarter
3 horse.

4 (C) With respect to associations and fairs licensed by the board
5 to conduct standardbred race meetings, “breed of racing” shall
6 mean standardbred.

7 (5) “Contractual compensation” means the amount paid to an
8 ADW provider from advance deposit wagers originating in this
9 state. Contractual compensation includes, but is not limited to, hub
10 fee payments, and may include host fee payments, if any, for
11 out-of-state and out-of-country races. Contractual compensation
12 is subject to the following requirements:

13 (A) Excluding contractual compensation for host fee payments,
14 contractual compensation shall not exceed 6.5 percent of the
15 amount wagered.

16 (B) The host fee payments included within contractual
17 compensation shall not exceed 3.5 percent of the amount wagered.
18 Notwithstanding this provision, the host fee payment with respect
19 to wagers on the Kentucky Derby, Preakness Stakes, Belmont
20 Stakes, and selected Breeders’ Cup Championship races may be
21 negotiated by the ADW provider, the racing associations accepting
22 wagers on those races pursuant to Section 19596.2, and the
23 horsemen’s organization.

24 (C) In order to ensure fair and consistent market access fee
25 distributions to associations, fairs, horsemen, and breeders, for
26 each breed of racing, the percentage of wagers paid as contractual
27 compensation to an ADW provider pursuant to the terms of a hub
28 agreement with a racing association or fair when that racing
29 association or fair is conducting live racing shall be the same as
30 the percentage of wagers paid as contractual compensation to that
31 ADW provider when that racing association or fair is not
32 conducting live racing.

33 (6) “Horsemen’s organization” means, with respect to a
34 particular racing meeting, the organization recognized by the board
35 as responsible for negotiating purse agreements on behalf of
36 horsemen participating in that racing meeting.

37 (7) “Hub agreement” means a written agreement providing for
38 contractual compensation paid with respect to advance deposit
39 wagers placed by California residents on a particular breed of
40 racing conducted outside of California. In the event a hub

1 agreement exceeds a term of two years, then an ADW provider,
2 one or more racing associations or fairs that together conduct no
3 fewer than five weeks of live racing for the breed covered by the
4 hub agreement, and the horsemen's organization responsible for
5 negotiating purse agreements for the breed covered by the hub
6 agreement shall be signatories to the hub agreement. A hub
7 agreement is required for an ADW provider to receive contractual
8 compensation for races conducted outside of California.

9 (8) "Hub agreement arbitration" means an arbitration proceeding
10 pursuant to which the disputed provisions of the hub agreement
11 pertaining to the hub or host fees from wagers on races conducted
12 outside of California provided pursuant to paragraph (2) of
13 subdivision (b) are determined in accordance with the provisions
14 of this paragraph. If a hub agreement arbitration is requested, all
15 of the following shall apply:

16 (A) The ADW provider shall be permitted to accept advance
17 deposit wagers from California residents.

18 (B) The contractual compensation received by the ADW
19 provider shall be the contractual compensation specified in the
20 hub agreement that is the subject of the hub agreement arbitration.

21 (C) The difference between the contractual compensation
22 specified in subparagraph (B) and the contractual compensation
23 determined to be payable at the conclusion of the hub agreement
24 arbitration shall be calculated and paid within 15 days following
25 the arbitrator's decision and order. The hub agreement arbitration
26 shall be held as promptly as possible, but in no event more than
27 60 days following the demand for that arbitration. The arbitrator
28 shall issue a decision no later than 15 days following the conclusion
29 of the arbitration. A single arbitrator jointly selected by the ADW
30 provider and the party requesting a hub agreement arbitration shall
31 conduct the hub agreement arbitration. However, if the parties
32 cannot agree on the arbitrator within seven days of issuance of the
33 written demand for arbitration, then the arbitrator shall be selected
34 pursuant to the Streamlined Arbitration Rules and Procedures of
35 the Judicial Arbitration and Mediation Services, or pursuant to the
36 applicable rules of its successor organization. In making the hub
37 agreement arbitration determination, the arbitrator shall be required
38 to choose between the contractual compensation of the hub
39 agreement agreed to by the ADW provider or whatever different
40 terms for the hub agreement were proposed by the party requesting

1 the hub agreement arbitration. The arbitrator shall not be permitted
2 to impose new, different, or compromised terms to the hub
3 agreement. The arbitrator's decision shall be final and binding on
4 the parties. If an arbitration is requested, either party may bring
5 an action in state court to compel a party to go into arbitration or
6 to enforce the decision of the arbitrator. The cost of the hub
7 agreement arbitration, including the cost of the arbitrator, shall be
8 borne in equal shares by the parties to the hub agreement and the
9 party or parties requesting a hub agreement arbitration. The hub
10 agreement arbitration shall be administered by the Judicial
11 Arbitration and Mediation Services pursuant to its Streamlined
12 Arbitration Rules and Procedures or its successor organization.

13 (9) "Incentive awards" means those payments provided for in
14 Sections 19617.2, 19617.7, 19617.8, 19617.9, and 19619. The
15 amount determined to be payable for incentive awards under this
16 section shall be payable to the applicable official registering agency
17 and thereafter distributed as provided in this chapter.

18 (10) "Licensee" means any racing association or fair licensed
19 to conduct a live racing meet in this state, or affiliation thereof,
20 authorized under this section.

21 (11) "Market access fee" means the amount of advance deposit
22 wagering handle remaining after the payment of winning wagers,
23 and after the payment of contractual compensation, if any, to an
24 ADW provider. Market access fees shall be distributed in
25 accordance with subdivision (f).

26 (12) "Multijurisdictional wagering hub" means a business
27 conducted in more than one jurisdiction that facilitates parimutuel
28 wagering on races it simulcasts and other races it offers in its
29 wagering menu.

30 (13) "Racing fair" means a fair authorized by the board to
31 conduct live racing.

32 (14) "Zone" means the zone of the state, as defined in Section
33 19530.5, except as modified by the provisions of subdivision (f)
34 of Section 19601. For these purposes, the central and southern
35 zones shall together be considered one zone.

36 (b) Wagers shall be accepted according to the procedures set
37 forth in this subdivision.

38 (1) No ADW provider shall accept wagers or wagering
39 instructions on races conducted in California from a resident of
40 California unless all of the following conditions are met:

1 (A) The ADW provider is licensed by the board.

2 (B) A written agreement allowing those wagers exists with the
3 racing association or fair conducting the races on which the wagers
4 are made.

5 (C) The agreement referenced in subparagraph (B) shall have
6 been approved in writing by the horsemen's organization
7 responsible for negotiating purse agreements for the breed on
8 which the wagers are made in accordance with the Interstate
9 Horseracing Act (15 U.S.C. Sec. 3001, et seq.), regardless of the
10 location of the ADW provider, whether in California or otherwise,
11 including, without limitation, any and all requirements contained
12 therein with respect to written consents and required written
13 agreements of horsemen's groups to the terms and conditions of
14 the acceptance of those wagers and any arrangements as to the
15 exclusivity between the host racing association or fair and the
16 ADW provider. For purposes of this subdivision, the substantive
17 provisions of the Interstate Horseracing Act shall be taken into
18 account without regard to whether, by its own terms, that act is
19 applicable to advance deposit wagering on races conducted in
20 California accepted from residents of California.

21 (2) No ADW provider shall accept wagers or wagering
22 instructions on races conducted outside of California from a
23 resident of California unless all of the following conditions are
24 met:

25 (A) The ADW provider is licensed by the board.

26 (B) There is a hub agreement between the ADW provider and
27 one or both of (i) one or more racing associations or fairs that
28 together conduct no fewer than five weeks of live racing on the
29 breed on which wagering is conducted during the calendar year
30 during which the wager is placed, and (ii) the horsemen's
31 organization responsible for negotiating purse agreements for the
32 breed on which wagering is conducted.

33 (C) If the parties referenced in clauses (i) and (ii) of
34 subparagraph (B) are both signatories to the hub agreement, then
35 no party shall have the right to request a hub agreement arbitration.

36 (D) If only the party or parties referenced in clause (i) of
37 subparagraph (B) is a signatory to the hub agreement, then the
38 signatories to the hub agreement shall, within five days of
39 execution of the hub agreement, provide a copy of the hub
40 agreement to the horsemen's organization responsible for

negotiating purse agreements for the breed on which wagering is conducted for each race conducted outside of California on which California residents may place advance deposit wagers. Prior to receipt of the hub agreement, the horsemen's organization shall sign a nondisclosure agreement with the ADW provider agreeing to hold confidential all terms of the hub agreement. If the horsemen's organization wants to request a hub agreement arbitration, it shall send written notice of its election to the signatories to the hub agreement within 10 days after receipt of the copy of the hub agreement, and shall provide its alternate proposal to the hub and host fees specified in the hub agreement with that written notice. If the horsemen's organization does not provide that written notice within the 10-day period, then no party shall have the right to request a hub agreement arbitration. If the horsemen's organization does provide that written notice within the 10-day period, then the ADW provider shall have 10 days to elect in writing to do one of the following:

- (i) Abandon the hub agreement.
- (ii) Accept the alternate proposal submitted by the horsemen's organization.

- (iii) Proceed with a hub agreement arbitration.

(E) If only the party referenced in clause (ii) of subparagraph (B) is a signatory to the hub agreement, then the signatories to the hub agreement shall, within five days of execution of the hub agreement, provide written notice of the host and hub fees applicable pursuant to the hub agreement for each race conducted outside of California on which California residents may place advance deposit wagers, which notice shall be provided to all racing associations and fairs conducting live racing of the same breed covered by the hub agreement. If any racing association or fair wants to request a hub agreement arbitration, it shall send written notice of its election to the signatories to the hub agreement within 10 days after receipt of the notice of host and hub fees. It shall also provide its alternate proposal to the hub and host fees specified in the hub agreement with the notice of its election. If more than one racing association or fair provides notice of their request for hub agreement arbitration, those racing associations or fairs, or both, shall have a period of five days to jointly agree upon which of their alternate proposals shall be the official proposal for purposes of the hub agreement arbitration. If one or more racing

1 associations or fairs that together conduct no fewer than five weeks
2 of live racing on the breed on which wagering is conducted during
3 the calendar year during which the wager is placed does not provide
4 written notice of their election to arbitrate within the 10-day period,
5 then no party shall have the right to request a hub agreement
6 arbitration. If a valid hub agreement arbitration request is made,
7 then the ADW provider shall have 10 days to elect in writing to
8 do one of the following:

9 (i) Abandon the hub agreement.

10 (ii) Accept the alternate proposal submitted by the racing
11 associations or fairs.

12 (iii) Proceed with a hub agreement arbitration.

13 The results of any hub agreement arbitration elected pursuant
14 to this subdivision shall be binding on all other associations and
15 fairs conducting live racing on that breed.

16 (F) The acceptance thereof is in compliance with the provisions
17 of the Interstate Horseracing Act (15 U.S.C. Sec. 3001, et seq.),
18 regardless of the location of the ADW provider, whether in
19 California or otherwise, including, without limitation, any and all
20 requirements contained therein with respect to written consents
21 and required written agreements of horsemen's groups to the terms
22 and conditions of the acceptance of such wagers and any
23 arrangements as to the exclusivity between the host racing
24 association or fair and the ADW provider.

25 (c) An advance deposit wager may be made only by the ADW
26 provider holding the account pursuant to wagering instructions
27 issued by the owner of the funds communicated by telephone call
28 or through other electronic media. The ADW provider shall ensure
29 the identification of the account's owner by using methods and
30 technologies approved by the board. Any ADW provider that
31 accepts wagering instructions concerning races conducted in
32 California, or accepts wagering instructions originating in
33 California, shall provide a full accounting and verification of the
34 source of the wagers thereby made, including the postal ZIP Code
35 and breed of the source of the wagers, in the form of a daily
36 download of parimutuel data to a database designated by the board.
37 The daily download shall be delivered in a timely basis using file
38 formats specified by the database designated by the board, and
39 shall include any and all data necessary to calculate and distribute
40 moneys according to the rules and regulations governing California

1 parimutuel wagering. Any and all reasonable costs associated with
2 the creation, provision, and transfer of this data shall be borne by
3 the ADW provider.

4 (d) (1) (A) The board shall develop and adopt rules to license
5 and regulate all phases of operation of advance deposit wagering
6 for ADW providers operating in California.

7 (B) The board shall not approve an application for an original
8 or renewal license as an ADW provider unless the entity, if
9 requested in writing by a bona fide labor organization no later than
10 90 days prior to licensing, has entered into a contractual agreement
11 with that labor organization that provides all of the following:

12 (i) The labor organization has historically represented employees
13 who accept or process any form of wagering at the nearest horse
14 racing meeting located in California.

15 (ii) The agreement establishes the method by which the ADW
16 provider will agree to recognize and bargain in good faith with a
17 labor organization which has demonstrated majority status by
18 submitting authorization cards signed by those employees who
19 accept or process any form of wagering for which a California
20 ADW license is required.

21 (iii) The agreement requires the ADW provider to maintain its
22 neutrality concerning the choice of those employees who accept
23 or process any form of wagering for which a California ADW
24 license is required whether or not to authorize the labor
25 organization to represent them with regard to wages, hours, and
26 other terms and conditions of employment.

27 (iv) The agreement applies to those classifications of employees
28 who accept or process wagers for which a California ADW license
29 is required whether the facility is located within or outside of
30 California.

31 (C) (i) The agreement required by subparagraph (B) shall not
32 be conditioned by either party upon the other party agreeing to
33 matters outside the requirements of subparagraph (B).

34 (ii) The requirement in subparagraph (B) shall not apply to an
35 ADW provider which has entered into a collective bargaining
36 agreement with a bona fide labor organization that is the exclusive
37 bargaining representative of employees who accept or process
38 parimutuel wagers on races for which an ADW license is required
39 whether the facility is located within or outside of California.

1 (D) Permanent state or county employees and nonprofit
2 organizations that have historically performed certain services at
3 county, state, or district fairs may continue to provide those
4 services.

5 (E) Parimutuel clerks employed by racing associations or fairs
6 or employees of ADW providers who accept or process any form
7 of wagers who are laid off due to lack of work shall have
8 preferential hiring rights for new positions with their employer in
9 occupations whose duties include accepting or processing any
10 form of wagers, or the operation, repair, service, or maintenance
11 of equipment that accepts or processes any form of wagering at a
12 racetrack, satellite wagering facility, or ADW provider licensed
13 by the board. The preferential hiring rights established by this
14 subdivision shall be conditioned upon the employee meeting the
15 minimum qualification requirements of the new job.

16 (2) The board shall develop and adopt rules and regulations
17 requiring ADW providers to establish security access policies and
18 safeguards, including, but not limited to, the following:

19 (A) The ADW provider shall use board-approved methods to
20 perform location and age verification confirmation with respect
21 to persons establishing an advance deposit wagering account.

22 (B) The ADW provider shall use personal identification numbers
23 (PINs) or other technologies to assure that only the accountholder
24 has access to the advance deposit wagering account.

25 (C) The ADW provider shall provide for withdrawals from the
26 wagering account only by means of a check made payable to the
27 accountholder and sent to the address of the accountholder or by
28 means of an electronic transfer to an account held by the verified
29 accountholder or the accountholder may withdraw funds from the
30 wagering account at a facility approved by the board by presenting
31 verifiable account identification information.

32 (D) The ADW provider shall allow the board access to its
33 premises to visit, investigate, audit, and place expert accountants
34 and other persons it deems necessary for the purpose of ensuring
35 that its rules and regulations concerning credit authorization,
36 account access, and other security provisions are strictly complied
37 with. To ensure that the amounts retained from the parimutuel
38 handle are distributed under law, rules, or agreements, any ADW
39 provider that accepts wagering instructions concerning races
40 conducted in California or accepts wagering instructions originating

1 in California shall provide an independent “agreed-upon
2 procedures” audit for each California racing meeting, within 60
3 days of the conclusion of the race meeting. The auditing firm to
4 be used and the content and scope of the audit, including host fee
5 obligations, shall be set forth in the applicable agreement. The
6 ADW provider shall provide the board, horsemen’s organizations,
7 and the host racing association with an annual parimutuel audit of
8 the financial transactions of the ADW provider with respect to
9 wagers authorized pursuant to this section, prepared in accordance
10 with generally accepted auditing standards and the requirements
11 of the board. Any and all reasonable costs associated with those
12 audits shall be borne by the ADW provider.

13 (3) The board shall prohibit advance deposit wagering
14 advertising that it determines to be deceptive to the public. The
15 board shall also require, by regulation, that every form of
16 advertising contain a statement that minors are not allowed to open
17 or have access to advance deposit wagering accounts.

18 (e) In order for a licensee, betting system, or multijurisdictional
19 wagering hub to be approved by the board as an ADW provider,
20 it shall meet both of the following requirements:

21 (1) All wagers thereby made shall be included in the appropriate
22 parimutuel pool under a contractual agreement with the applicable
23 host track.

24 (2) The amounts deducted from advance deposit wagers shall
25 be in accordance with the provisions of this chapter.

26 (f) After the payment of contractual compensation, the amounts
27 received as market access fees from advance deposit wagers, which
28 shall not be considered for purposes of Section 19616.51, shall be
29 distributed as follows:

30 (1) An amount equal to 0.0011 multiplied by the amount handled
31 on advance deposit wagers originating in California for each racing
32 meeting shall be distributed to the Center for Equine Health to
33 establish the Kenneth L. Maddy Fund for the benefit of the School
34 of Veterinary Medicine at the University of California at Davis.

35 (2) An amount equal to 0.0003 multiplied by the amount handled
36 on advance deposit wagers originating in California for each racing
37 meeting shall be distributed to the Department of Industrial
38 Relations to cover costs associated with audits conducted pursuant
39 to Section 19526 and for the purposes of reimbursing the State
40 Mediation and Conciliation Service for costs incurred pursuant to

1 this section. However, if that amount would exceed the costs of
2 the Department of Industrial Relations, the amount distributed to
3 the department shall be reduced, and that reduction shall be
4 forwarded to an organization designated by the racing association
5 or fair described in subdivision (a) for the purpose of augmenting
6 a compulsive gambling prevention program specifically addressing
7 that problem.

8 (3) An amount equal to 0.00165 multiplied by the amount
9 handled on advance deposit wagers that originate in California for
10 each racing meeting shall be distributed as follows:

11 (A) One-half of the amount shall be distributed to supplement
12 the trainer-administered pension plans for backstretch personnel
13 established pursuant to Section 19613. Moneys distributed pursuant
14 to this subparagraph shall supplement, and not supplant, moneys
15 distributed to that fund pursuant to Section 19613 or any other
16 provision of law.

17 (B) One-half of the amount shall be distributed to the welfare
18 fund established for the benefit of horsemen and backstretch
19 personnel pursuant to subdivision (b) of Section 19641. Moneys
20 distributed pursuant to this subparagraph shall supplement, and
21 not supplant, moneys distributed to that fund pursuant to Section
22 19641 or any other provision of law.

23 (4) With respect to wagers on each breed of racing that originate
24 in California, an amount equal to 2 percent of the first two hundred
25 fifty million dollars (\$250,000,000) of handle from all advance
26 deposit wagers originating from within California annually, an
27 amount equal to 1.5 percent of the next two hundred fifty million
28 dollars (\$250,000,000) of handle from all advance deposit wagers
29 originating from within California annually, an amount equal to
30 1 percent of the next two hundred fifty million dollars
31 (\$250,000,000) of handle from all advance deposit wagers
32 originating from within California annually, and an amount equal
33 to 0.50 percent of handle from all advance deposit wagers
34 originating from within California in excess of seven hundred fifty
35 million dollars (\$750,000,000) annually, shall be distributed as
36 satellite wagering commissions. Satellite wagering facilities that
37 were not operational in 2001, other than one each in the cities of
38 Inglewood and San Mateo, and two additional facilities each
39 operated by the Alameda County Fair and the Los Angeles County
40 Fair and their partners and other than existing facilities which are

relocated, are not eligible for satellite wagering commission distributions under this section. The satellite wagering facility commissions calculated in accordance with this subdivision shall be distributed to each satellite wagering facility and racing association or fair in the zone in which the wager originated in the same relative proportions that the satellite wagering facility or the racing association or fair generated satellite commissions during the previous calendar year. If there is a reduction in the satellite wagering commissions pursuant to this section, the benefits therefrom shall be distributed equitably as purses and commissions to all associations and racing fairs generating advance deposit wagers in proportion to the handle generated by those associations and racing fairs. If a satellite wagering facility is permanently closed other than for renovation or remodeling, or if a satellite wagering facility is unwilling or unable to accept all of the signals that are available to that facility, the commissions otherwise provided for in this subdivision that would be payable to that facility shall be proportionately reduced to take into account the time that satellite wagering is no longer conducted by that facility, or the payment of those commissions shall be eliminated entirely if the facility is permanently closed, and, in either case, the satellite wagering commissions not paid shall be proportionately redistributed to the other eligible satellite wagering facilities. For purposes of this section, the purse funds distributed pursuant to Section 19605.72 shall be considered to be satellite wagering facility commissions attributable to thoroughbred races at the locations described in that section.

(5) After the distribution of the amounts set forth in paragraphs (1) to (4), inclusive, the remaining market access fees from advance deposit wagers originating in California shall be as follows:

(A) With respect to wagers on each breed of racing, the amount remaining shall be distributed to the racing association or fair that is conducting live racing on that breed during the calendar period in the zone in which the wager originated. That amount shall be allocated to that racing association or fair as commissions, to horsemen participating in that racing meeting in the form of purses, and as incentive awards, in the same relative proportion as they were generated or earned during the prior calendar year at that racing association or fair on races conducted or imported by that racing association or fair after making all deductions required by

1 applicable law. Notwithstanding any other provision of law, the
2 distributions with respect to each breed of racing set forth in this
3 subparagraph may be altered upon the approval of the board, in
4 accordance with an agreement signed by the respective
5 associations, fairs, horsemen's organizations, and breeders
6 organizations receiving those distributions.

7 (B) If the provisions of Section 19601.2 apply, then the amount
8 distributed to the applicable racing associations or fairs shall first
9 be divided between those racing associations or fairs in direct
10 proportion to the total amount wagered in the applicable zone on
11 the live races conducted by the respective association or fair.
12 Notwithstanding this requirement, when the provisions of
13 subdivision (b) of Section 19607.5 apply to the 2nd District
14 Agricultural Association in Stockton or the California Exposition
15 and State Fair in Sacramento, then the total amount distributed to
16 the applicable racing associations or fairs shall first be divided
17 equally, with 50 percent distributed to applicable fairs and 50
18 percent distributed to applicable associations.

19 (C) Notwithstanding any provisions of this section to the
20 contrary, with respect to wagers on out-of-state and out-of-country
21 thoroughbred races conducted after 6 p.m., Pacific time, 50 percent
22 of the amount remaining shall be distributed as commissions to
23 thoroughbred associations and racing fairs, as thoroughbred and
24 fair purses, and as incentive awards in accordance with
25 subparagraph (A), and the remaining 50 percent, together with the
26 total amount remaining from advance deposit wagering originating
27 from California out-of-state and out-of-country harness and quarter
28 horse races conducted after 6 p.m., Pacific time, shall be distributed
29 as commissions on a pro rata basis to the applicable licensed
30 quarter horse association and the applicable licensed harness
31 association, based upon the amount handled in state, both on- and
32 off-track, on each breed's own live races in the previous year by
33 that association, or its predecessor association. One-half of the
34 amount thereby received by each association shall be retained by
35 that association as a commission, and the other half of the money
36 received shall be distributed as purses to the horsemen participating
37 in its current or next scheduled licensed racing meeting.

38 (D) Notwithstanding any provisions of this section to the
39 contrary, with respect to wagers on out-of-state and out-of-country
40 nonthoroughbred races conducted before 6 p.m., Pacific time, 50

1 percent of the amount remaining shall be distributed as
2 commissions as provided in subparagraph (C) for licensed quarter
3 horse and harness associations, and the remaining 50 percent shall
4 be distributed as commissions to the applicable thoroughbred
5 associations or fairs, as thoroughbred and fair purses, and as
6 incentive awards in accordance with subparagraph (A).

7 (E) Notwithstanding any provision of this section to the contrary,
8 the distribution of market access fees pursuant to this subparagraph
9 may be altered upon the approval of the board, in accordance with
10 an agreement signed by all parties whose distributions would be
11 affected.

12 (g) A racing association, a fair, or a satellite wagering facility
13 may enter into an agreement with an ADW provider to accept and
14 facilitate the placement of any wager from a patron at its facility
15 that a California resident could make through that ADW provider.
16 Deductions from wagers made pursuant to such an agreement shall
17 be distributed in accordance with the provisions of this chapter
18 governing wagers placed at that facility, except that the board may
19 authorize alternative distributions as agreed to by the ADW
20 provider, the operator of the facility accepting the wager, the
21 association or fair conducting that breed of racing in the zone
22 where the wager is placed, and the respective horsemen's
23 organization.

24 (h) Any issues concerning the interpretation or application of
25 this section shall be resolved by the board.

26 (i) Amounts distributed under this section shall be proportionally
27 reduced by an amount equal to 0.00295 multiplied by the amount
28 handled on advanced deposit wagers originating in California for
29 each racing meeting, except for harness racing meetings, and shall
30 not exceed two million dollars (\$2,000,000). The method used to
31 calculate the reduction in proportionate share shall be approved
32 by the board. The amount deducted shall be distributed as follows:

33 (1) Fifty percent of the money to the board to establish and to
34 administer jointly with the organization certified as the majority
35 representative of California-licensed jockeys pursuant to Section
36 19612.9, a defined contribution retirement plan for
37 California-licensed jockeys who retired from racing on or after
38 January 1, 2009.

39 (2) The remaining 50 percent of the money shall be distributed
40 as follows:

1 (A) Seventy percent shall be distributed to supplement the
2 trainer-administered pension plans for backstretch personnel
3 established pursuant to Section 19613. Moneys distributed pursuant
4 to this subparagraph shall supplement, and not supplant, moneys
5 distributed to that fund pursuant to Section 19613 or any other
6 provision of law.

7 (B) Thirty percent shall be distributed to the welfare fund
8 established for the benefit of horsemen and backstretch personnel
9 pursuant to subdivision (b) of Section 19641. Moneys distributed
10 pursuant to this subparagraph shall supplement, and not supplant,
11 moneys distributed to that fund pursuant to Section 19641 or any
12 other provision of law.
