An act to amend Section 1632 of the Civil Code, relating to contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 1160, as amended, Fong. Contracts: translation.

Existing law requires a person in a trade or business who negotiates specified contracts or agreements primarily in the languages of Spanish, Chinese, Tagalog, Vietnamese, or Korean to deliver to the other party, prior to execution of the contract or agreement, a translation of the contract or agreement in the applicable foreign language, except as specified. Under existing law, failure to comply with these provisions entitles the aggrieved party to rescind the contract or agreement. Under existing law, these provisions apply to specified loans or extensions of credit subject to the Industrial Loan Law and the California Finance Lenders Law.

This bill would expand the scope of those provisions to instead require any person in a trade or business who, in the course of entering into any of the specified contracts or agreements, negotiates any material

term in those languages, to deliver a translation, as described above, or a translation of one or more of the approved disclosures or forms, as specified. The bill would also make specified translation requirements applicable to loans or extensions of credit secured by real property and leases, subleases, and rental contracts or agreements, as specified. The bill would provide for administrative penalties against specified licensed persons for violations of these provisions. The bill would require the Department of Corporations and the Department of Financial Institutions to create new forms for these purposes based on specified forms of the Department of Real Estate. The bill would exempt federally chartered banks and credit unions from these provisions.

These provisions would be operative ~~on January~~ *beginning 60 days after issuance of the forms, as provided, but not later than July 1, 2010.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
