

AMENDED IN ASSEMBLY APRIL 28, 2009

CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 1271

Introduced by Assembly Member Krekorian

February 27, 2009

An act to amend Sections 3001, 3009, 3017 of, and to add Section 3025 to, the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 1271, as amended, Krekorian. Elections: vote by mail ballots.

Under existing law, an application for a vote by mail ballot shall be made by a voter to an elections official having jurisdiction over the election between the 29th and 7th days prior to the election. Existing law permits an elections official to deliver a vote by mail ballot to the voter, the voter's spouse, child, parent, grandparent, grandchild, sibling, or other person residing in the same household as the voter, so long as the individual to whom the ballot is delivered signs a statement under penalty of perjury that contains the name of the voter and affirms that the person receiving the ballot is 16 years of age or older and is authorized to deliver the vote by mail ballot. Existing law permits a voter who is unable to return his or her vote by mail ballot due to illness or other physical disability to designate his or her spouse, child, parent, grandparent, grandchild, sibling, or other person residing in the same household as the voter to return the vote by mail ballot. Except in the case of a candidate or the spouse of a candidate, existing law prohibits a person returning another voter's vote by mail ballot from being a paid or volunteer worker of a general purpose committee, controlled committee, independent expenditure committee, political party, candidate's campaign committee, or any other group or organization

at whose behest the individual designated to return the ballot is performing a service.

This bill would ~~also~~ provide that an application for a vote by mail ballot must be received by the elections official between the 29th and 7th days prior to the election. The bill would *delete the requirement that the voter be physically unable to return the vote by mail ballot and*, with specified exceptions, authorize any person to be designated in writing by the voter to receive, ~~return~~, or ~~both receive and~~ return the voter’s vote by mail ballot. The bill would, with an exception, prohibit an authorized representative from being a candidate or the spouse of a candidate, or a paid or volunteer worker of a general purpose committee, controlled committee, independent expenditure committee, political party, campaign committee of a candidate, or any other group or organization at whose behest the individual designated to receive the ballot, return the ballot, or both receive and return the ballot is performing a service.

Because the bill would change the duties of local elections officials, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 3001 of the Elections Code is amended
- 2 to read:
- 3 3001. Except as provided in Chapter 3 (commencing with
- 4 Section 3200) and Sections 3007.5 and 3007.7, application for a
- 5 vote by mail ballot shall be made in writing to and received by the
- 6 elections official having jurisdiction over the election between the
- 7 29th and the 7th day prior to the election. The application shall be
- 8 signed by the applicant and shall show his or her place of residence.
- 9 An application received by the elections official prior to the 29th
- 10 day shall be kept and processed during the application period.

1 SEC. 2. Section 3009 of the Elections Code is amended to read:

2 3009. (a) Upon receipt of a vote by mail ballot application
3 signed by the voter that arrives within the proper time, the elections
4 official should determine if the signature and residence address
5 on the ballot application appear to be the same as that on the
6 original affidavit of registration. The elections official may make
7 this signature check upon receiving the voted ballot, but the
8 signature must be compared before the vote by mail voter ballot
9 is canvassed.

10 (b) If the elections official deems the applicant entitled to a vote
11 by mail *ballot*, he or she shall deliver by mail or in person the
12 appropriate ballot. The ballot may be delivered to the applicant or
13 an authorized representative of the applicant, except that in no case
14 shall the ballot be delivered to an individual under 16 years of age.
15 The elections official shall deliver the vote by mail ballot to the
16 authorized representative of the applicant only if that person signs
17 a statement attested to under penalty of perjury that provides the
18 name of the applicant , and affirms that the person receiving the
19 ballot is 16 years of age or older and is authorized by the applicant
20 to deliver the vote by mail ballot.

21 (c) (1) If the elections official determines that an application
22 does not contain all of the information prescribed in Section 3001
23 or 3006, or for any other reason is defective, and the elections
24 official is able to ascertain the voter's address, the elections official
25 shall, within one working day of receiving the application, mail
26 the voter a vote by mail voter's ballot together with a notice. The
27 notice shall inform the voter that the voter's vote by mail ballot
28 shall not be counted unless the applicant provides the elections
29 official with the missing information or corrects the defects prior
30 to, or at the time of, receipt of the voter's executed vote by mail
31 ballot. The notice shall specifically inform the voter of the
32 information that is required or the reason for the defects in the
33 application, and shall state the procedure necessary to remedy the
34 defective application.

35 (2) If the voter substantially complies with the requirements
36 contained in the notice provided by the elections official, the
37 voter's ballot shall be counted.

38 (3) In determining from the records of registration if the
39 signature and residence address on the application appear to be
40 the same as that on the original affidavit of registration, the

1 elections official or registrar of voters may use the duplicate file
2 of affidavits of registered voters or the facsimiles of voter's
3 signatures, provided that the method of preparing and displaying
4 the facsimiles complies with law.

5 SEC. 3. Section 3017 of the Elections Code is amended to read:

6 3017. (a) A vote by mail ballot cast under this division shall
7 be voted on or before the day of the election. After marking the
8 ballot, the vote by mail voter shall do either of the following: (1)
9 return the ballot by mail or in person to the elections official from
10 whom it came or (2) return the ballot in person to a member of a
11 precinct board at a polling place within the jurisdiction. However,
12 a vote by mail voter who, ~~because of illness or other physical~~
13 ~~disability~~, is unable to return the ballot, may designate an
14 authorized representative to return the ballot to the elections official
15 from whom it came or to the precinct board at any polling place
16 within the jurisdiction. The ballot must, however, be received by
17 either the elections official from whom it came or the precinct
18 board before the close of the polls on election day.

19 (b) The elections official shall establish procedures to ensure
20 the secrecy of a ballot returned to a precinct polling place and the
21 security, confidentiality, and integrity of personal information
22 collected, stored, or otherwise used pursuant to this section.

23 (c) On or before March 1, 2008, the elections official shall
24 establish procedures to track and confirm the receipt of voted vote
25 by mail ballots and to make this information available by means
26 of online access using the county's elections division Internet Web
27 site. If the county does not have an elections division Internet Web
28 site, the elections official shall establish a toll-free telephone
29 number that may be used to confirm the date a voted vote by mail
30 ballot was received.

31 (d) The provisions of this section are mandatory, not directory,
32 and no ballot shall be counted if it is not delivered in compliance
33 with this section.

34 SEC. 4. Section 3025 is added to the Elections Code, to read:

35 3025. For purposes of this chapter, "authorized representative"
36 means a person who is designated in writing by a voter to the
37 elections official to receive, return, or both receive and return the
38 voter's vote by mail ballot. Except for an authorized representative
39 of a candidate or the spouse of a candidate, an authorized
40 representative shall not be a candidate or the spouse of a candidate,

1 or a paid or volunteer worker of a general purpose committee,
2 controlled committee, independent expenditure committee, political
3 party, campaign committee of a candidate, or any other group or
4 organization at whose behest the individual designated to receive
5 the ballot, return the ballot, or both receive and return the ballot
6 is performing a service.

7 SEC. 5. If the Commission on State Mandates determines that
8 this act contains costs mandated by the state, reimbursement to
9 local agencies and school districts for those costs shall be made
10 pursuant to Part 7 (commencing with Section 17500) of Division
11 4 of Title 2 of the Government Code.
