An act to add Sections 392, 393, 2020, ~~12014~~, and ~~12022~~ and *12014* to the Fish and Game Code, relating to fish and wildlife.

LEGISLATIVE COUNSEL'S DIGEST

AB 1443, as amended, Committee on Water, Parks and Wildlife.  
Fish and wildlife: enforcement

(1) Existing law provides for reciprocal agreements with adjoining states with regard to fishing rights and law enforcement.

This bill would authorize the Director of Fish and Game, or a designated representative, to enter into reciprocal operational agreements with authorized representatives of any Oregon, Nevada, or Arizona state law enforcement agency to promote expeditious and effective law enforcement service to the public, and assistance between the members of the department and those agencies, in areas adjacent to the borders of this state and each of the adjoining states. The bill would deem any regularly employed law enforcement officer of an Oregon, Nevada, or Arizona state law enforcement agency a peace officer in this state, if specified conditions are met.

(2) Under existing law, except as expressly provided otherwise, any violation of the Fish and Game Code, or of any rule, regulation, or order made or adopted under the code, is a misdemeanor.

This bill would provide that it is unlawful to violate specific regulations adopted by the department and the commission, thereby imposing a state-mandated local program by creating new crimes.

(3) Under existing law, the violation of certain provisions of the code are subject to administrative penalties.

This bill would authorize the department, after the expiration of the time period to appeal an administrative penalty, to apply to the clerk of the appropriate court for a judgment to collect the administrative civil penalty.

~~(4) Existing law prescribes fines and penalties for specific violations of the code and regulations adopted pursuant to the code.~~

~~This bill would authorize certain presiding court officials to assess investigation costs, as described, against any person who is convicted of a violation relating to commercial activity or otherwise of sufficient significance to warrant cost recovery.~~

~~(5)~~

(4) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 392 is added to the Fish and Game Code,  
2 to read:

3 392. (a) The director, or a designated representative, may enter  
4 into reciprocal operational agreements with authorized  
5 representatives of any Oregon, Nevada, or Arizona state law  
6 enforcement agency, including, but not limited to, the Oregon State  
7 Police, the Nevada Department of Wildlife, and the Arizona Game  
8 and Fish Department, to promote expeditious and effective law  
9 enforcement service to the public, and assistance between the  
10 members of the department and those agencies, in areas adjacent  
11 to the borders of this state and each of the adjoining states pursuant  
12 to Section 393.

13 (b) The reciprocal operational agreement shall be in writing and  
14 may cover the reciprocal exchange of law enforcement services,

1 resources, facilities, and any other necessary and proper matters  
2 between the department and the respective agency.

3 (c) Any agreement shall specify all of the following:

4 (1) The involved departments, divisions, or units of the agencies.

5 (2) The duration and purpose of the agreement.

6 (3) Responsibility for damages.

7 (4) The method of financing any joint or cooperative  
8 undertaking.

9 (5) The methods to be employed to terminate an agreement.

10 (d) The director may establish operational procedures in  
11 implementation of any reciprocal operational agreement that are  
12 necessary to achieve the purposes of the agreement.

13 SEC. 2. Section 393 is added to the Fish and Game Code, to  
14 read:

15 393. (a) Any regularly employed law enforcement officer of  
16 an Oregon, Nevada, or Arizona state law enforcement agency,  
17 including, but not limited to, the Oregon State Police, the Nevada  
18 Department of Wildlife, or the Arizona Game and Fish Department,  
19 is a peace officer in this state if all of the following conditions are  
20 met:

21 (1) The officer is providing, or attempting to provide, law  
22 enforcement services within this state, within a distance of up to  
23 50 statute miles of the contiguous border of this state and the state  
24 employing the officer, or within waters offshore of this state in the  
25 Exclusive Economic Zone.

26 (2) The officer is providing, or attempting to provide, law  
27 enforcement services pursuant to either of the following:

28 (A) In response to a request for services initiated by a member  
29 of the department.

30 (B) In response to a reasonable belief that emergency law  
31 enforcement services are necessary for the preservation of life,  
32 and a request for services by a member of the Department of Fish  
33 and Game is impractical to obtain under the circumstances. In  
34 those situations, the officer shall obtain authorization as soon as  
35 practical.

36 (3) The officer is providing, or attempting to provide, law  
37 enforcement services for the purpose of assisting a member of the  
38 Department of Fish and Game in response to misdemeanor or  
39 felony criminal activity, pursuant to the authority of a peace officer  
40 as provided in subdivision (e) of Section 830.2 of the Penal Code,

1 or, in the event of emergency incidents or other similar public  
2 safety problems, whether or not a member of the department is  
3 present at the scene of the event.

4 (4) An agreement pursuant to Section 392 is in effect between  
5 the Department of Fish and Game and the agency of the adjoining  
6 state employing the officer, the officer acts in accordance with that  
7 agreement, and the agreement specifies that the officer and  
8 employing agency of the adjoining state shall be subject to the  
9 same civil immunities and liabilities as a peace officer and his or  
10 her employing agency in this state.

11 (5) The officer receives no separate compensation from this  
12 state for providing law enforcement services within this state.

13 (6) The adjoining state employing the officer confers similar  
14 rights and authority upon a member of the department who renders  
15 assistance within that state.

16 (b) Notwithstanding any other provision of law, any person who  
17 is acting as a peace officer in this state in the manner described in  
18 this section shall be deemed to have met the requirements of  
19 Section 1031 of the Government Code and the selection and  
20 training standards of the Commission on Peace Officer Standards  
21 and Training if the officer has completed the basic training required  
22 for peace officers in his or her state.

23 (c) A peace officer of an adjoining state shall not provide  
24 services within a California jurisdiction during any period in which  
25 officers of the department are involved in a labor dispute that  
26 results in a formal work slowdown or stoppage.

27 SEC. 3. Section 2020 is added to the Fish and Game Code, to  
28 read:

29 2020. It is unlawful to violate any provision of Division 1  
30 (commencing with Section 1.04) of Title 14 of the California Code  
31 of Regulations. Violation of such a provision may be charged as  
32 a violation of this section or of the specific section of Title 14  
33 provision, and shall be punishable as provided in Section 12000.

34 SEC. 4. Section 12014 is added to the Fish and Game Code,  
35 to read:

36 12014. After the expiration of the time period to appeal an  
37 administrative penalty imposed pursuant to Sections 2301, 2302,  
38 2582, or 2583, or any other provision of this code, the department  
39 may apply to the clerk of the appropriate court for a judgment to  
40 collect the administrative civil penalty. The application, including

1 a certified copy of the order imposing the civil penalty, a hearing  
2 officer’s decision, if any, or a settlement agreement, if any, shall  
3 constitute a sufficient showing to warrant issuance of the judgment.  
4 The court clerk shall enter the judgment immediately in conformity  
5 with the application. The judgment so entered has the same force  
6 and effect as, and is subject to all the provisions of law relating  
7 to, a judgment in a civil action, and may be enforced in the same  
8 manner as any other judgment of the court in which it is entered.

9 ~~SEC. 5. Section 12022 is added to the Fish and Game Code,~~  
10 ~~to read:~~

27 ~~Fund in the State Treasury.~~

28 ~~SEC. 6.~~

29 ~~SEC. 5. No reimbursement is required by this act pursuant to~~  
30 ~~Section 6 of Article XIII B of the California Constitution because~~  
31 ~~the only costs that may be incurred by a local agency or school~~  
32 ~~district will be incurred because this act creates a new crime or~~  
33 ~~infraction, eliminates a crime or infraction, or changes the penalty~~  
34 ~~for a crime or infraction, within the meaning of Section 17556 of~~  
35 ~~the Government Code, or changes the definition of a crime within~~
