CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 1470

Introduced by Assembly Member Evans

February 27, 2009

An act to amend ~~Section~~ *Sections 23390 and 23396.5* of the Business and Professions Code, relating to alcoholic beverages.

LEGISLATIVE COUNSEL'S DIGEST

AB 1470, as amended, Evans. Alcoholic beverage licensees.

The Alcoholic Beverage Control Act contains various provisions regulating the application for, the issuance of, the suspension of, and the conditions imposed upon, alcoholic beverage licenses by the Department of Alcoholic Beverage Control. Under existing law, a licensed winegrower that is exercising specified privileges may allow a person who has purchased and partially consumed a bottle of wine to remove that bottle from the premises upon departure. *Existing law also authorizes a licensed winegrower to, among other things, sell wine and brandy for consumption to consumers for on-premises consumption at branch offices or warehouses or United States bonded wine cellars located away from his or her place of production or manufacture. Existing law also requires the Department of Alcoholic Beverage Control to issue a duplicate license to a winegrower or brandy*

manufacturer for locations other than his or her wine production or brandy manufacture premises.

This bill would also authorize an on-sale beer and wine public premises licensee and a licensed winegrower who exercises his or her license privileges at specified locations to allow a person who has purchased and partially consumed a bottle of wine to remove the partially consumed bottle from the premises upon departure. This bill would, additionally, remove the authorization for licensed winegrowers or brandy manufacturers to sell wine for consumption on the premises. This bill would also remove the requirement that the Department of Alcoholic Beverage Control issue a duplicate license for a winegrower or brandy manufacturer for locations other than his or her wine production or brandy manufacture premises, and would instead provide that the department may issue the duplicate license.

The Alcoholic Beverage Control Act provides that a violation of any of its provisions for which another penalty or punishment is not specifically provided is a misdemeanor. This bill would expand existing crimes by imposing additional requirements on a licensee under the act, thus, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

11 duplicate winegrower's license and for each duplicate brandy

13 ~~Notwithstanding the provisions of any other section of this~~
14 ~~division, a duplicate winegrower's license or duplicate brandy~~
15 ~~manufacturer's license shall be issued forthwith upon the~~
16 ~~application therefor. In the event any protest is received by the~~
17 ~~department concerning the issuance of the duplicate license, the~~

20 ~~For 30 days from the date of the issuance of the duplicate license,~~
21 ~~no retail sales of wine or brandy shall be made at any branch office~~
22 ~~for which a duplicate winegrower's license or duplicate brandy~~
23 ~~manufacturer's license is issued pursuant to this section.~~

24 Notwithstanding any other provision of law, the department may
25 allow any person who held more than one original winegrower's
26 license, on or before January 1, 1981, to transfer any duplicate
27 license which has been issued, on or before January 1, 1981, on
28 any of the original winegrower's licenses to any other original
29 winegrower's license held by that person, on or before January 1,
30 1981, provided that the licensee cancels the original winegrower's
31 license from which any duplicate license is transferred. This
32 subdivision shall not authorize any person to acquire any additional
33 duplicate licenses other than those held by that licensee on or
34 before January 1, 1981.
