

ASSEMBLY BILL

No. 1501

Introduced by Assembly Member V. Manuel Perez

February 27, 2009

An act to add Article 2.5 (commencing with Section 11570) to Chapter 6 of Part 1 of Division 3 of Title 2 of the Government Code, relating to boards and commissions.

LEGISLATIVE COUNSEL'S DIGEST

AB 1501, as introduced, V. Manuel Perez. Boards and commission: salaries full time.

Existing law specified the salaries of certain members of various state boards and commissions.

This bill would require the salary of a board member, as defined, that is set by statute to be based on the board member serving full time and would require, if a board member does not work full time in any given month, to prorate the salary of that board member to the actual hours worked while serving as a board member. The bill would exclude from these requirements a board member who is paid a salary on or after January 1, 2010, of less than \$100,000. The bill would require the Department of Personnel Administration to adopt regulations for determining which activities constitute service as a board member and the minimum number of hours required to deem a board member to be serving full time, which would be prohibited from being less than 160 hours per month.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Article 2.5 (commencing with Section 11570) is
