

ASSEMBLY BILL

No. 1885

Introduced by Assembly Member Hill

February 16, 2010

An act to amend Section 602.4 of the Penal Code, relating to malicious mischief.

LEGISLATIVE COUNSEL'S DIGEST

AB 1885, as introduced, Hill. Malicious mischief: airport property: transportation services.

Existing law provides that every person who enters or remains on airport property owned by a city, county, or city and county but located in another county, and sells, peddles, or offers for sale any goods, merchandise, property, or services of any kind whatsoever, to members of the public, including transportation services, other than charter limousines licensed by the Public Utilities Commission, on or from the airport property, without the express written consent of the governing board of the airport property, or its duly authorized representative, is guilty of a misdemeanor.

This bill would remove the exception in the offense for charter limousines licensed by the Public Utilities Commission.

By expanding the scope of an existing crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 602.4 of the Penal Code is amended to
 2 read:

 14 of goods, merchandise, property, or services.
 15 SEC. 2. No reimbursement is required by this act pursuant to
 16 Section 6 of Article XIII B of the California Constitution because

 21 the Government Code, or changes the definition of a crime within
