

ASSEMBLY BILL

No. 1896

Introduced by Assembly Member Jeffries

February 16, 2010

An act to amend Section 25660 of, and to add Section 23393.5 to, the Business and Professions Code, relating to alcoholic beverages.

LEGISLATIVE COUNSEL'S DIGEST

AB 1896, as introduced, Jeffries. Alcoholic beverage control: licensees: proof of age.

The Alcoholic Beverage Control Act contains various provisions regulating the application for, the issuance of, the suspension of, and the conditions imposed upon, alcoholic beverage licenses by the Department of Alcoholic Beverage Control. Existing law provides for various annual fees for the issuance of alcoholic beverage licenses that vary depending upon the type of license issued.

This bill would authorize the issuance of a limited off-sale retail wine license that would allow the licensee to sell wine only via direct mail, telephone, or Internet, as specified. This bill would impose an original fee and an annual renewal fee in specified amounts, and would allow the Department of Alcoholic Beverage Control to impose reasonable conditions upon the licensee.

The Alcoholic Beverage Control Act makes it a misdemeanor for any person under the age of 21 years to purchase any alcoholic beverage or consume any alcoholic beverage in any on-sale premises. The act also subjects a holder of a license to sell alcoholic beverages to criminal prosecution and suspension or revocation of that license if the licensee sells any alcoholic beverages to any person under the age of 21 years. Existing law provides that a licensee's acceptance of bona fide evidence,

as defined, constitutes a defense to any action against the licensee. Existing law requires that evidence to contain a description of the person.

Existing law includes, as bona fide evidence of age, a military identification card issued to a member of the Armed Forces that contains, among other things, a description of the cardholder. Existing law also provides, however, that, if the military identification card lacks a physical description but does include date of birth and a photo, further proof of age is not required.

This bill would revise the provision relating to the use of military identification cards as proof of age for purposes of purchasing or consuming of alcoholic beverages, to directly specify that a valid identification card issued to a member of the Armed Forces, that includes the date of birth and a photo of the person would, under all circumstances, constitute bona fide evidence of age.

The Alcoholic Beverage Control Act provides that a violation of its provisions is a misdemeanor, unless otherwise specified.

This bill, by including provisions that would be subject to those existing criminal sanctions, would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.
