An act to amend Sections 1266, 1267, 1269, 1271.5, and 1272 of, to amend the heading of Article 1.5 (commencing with Section 1266) of Chapter 5 of Part 1 of Division 1 of, and to add Sections 1266.1 and 1269.1 to, the Unemployment Insurance Code, relating to unemployment insurance, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately. *Insurance Code, relating to unemployment insurance, and making an appropriation therefor.*

LEGISLATIVE COUNSEL'S DIGEST

AB 2058, as amended, Block. Unemployment insurance: retraining benefits.

Existing law provides unemployment compensation benefits to eligible persons who are unemployed through no fault of their own. Existing law, until January 1, 2015, provides for retraining benefits to eligible individuals pursuant to the federal Trade Act of 1974, as amended by the federal Trade Act of 2002. Existing law authorizes an unemployed

individual who files a claim for unemployment compensation benefits or extended duration benefits, or an application for federal-state extended benefits or any federally funded unemployment compensation benefits, to apply to the Employment Development Department for benefits during a period of training or retraining. Existing law also requires that a determination of potential eligibility for specified training and retraining benefits be issued to an unemployed individual if the Director of Employment Development finds that specified conditions apply.

This bill would establish the California Training Benefits Program, which, among other things, would revise those eligibility requirements to, instead, specify that an unemployed individual who qualifies for unemployment compensation benefits, extended duration benefits, or federal-state extended benefits or any federally funded unemployment compensation benefits, and applies for the program shall be deemed to automatically be eligible for the program during a period of training or retraining.

Existing law requires that a determination of potential eligibility for training or retraining benefits be issued to an unemployed individual if the director makes a specified finding.

This bill would, instead, require that a determination of automatic eligibility for training or retraining be issued to an unemployed individual if any of specified conditions apply. The bill would also require that, if training or retraining is not authorized under those provisions governing automatic eligibility for those benefits, a determination of potential eligibility for benefits be issued to the unemployed individual if the director finds that specified criteria apply.

Existing law requires the department to inform all individuals who claim unemployment compensation benefits in this state of the benefits potentially available, and permits the department to convey this information verbally or in written form, as provided.

This bill would, instead, require the department to convey that information verbally, in written form, or online, and would require that the information be made available on the department's Internet Web site in close proximity to information on unemployment compensation claim forms.

Because the bill would make various changes to existing eligibility requirements for training and retraining benefits, which would result in additional amounts being payable from the Unemployment Fund for those benefits, the bill would make an appropriation.

~~This bill would declare that it is to take effect immediately as an urgency statute.~~

Vote:  $\frac{2}{3}$ -majority. Appropriation: yes. Fiscal committee: yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. The heading of Article 1.5 (commencing with  
2 Section 1266) of Chapter 5 of Part 1 of Division 1 of the  
3 Unemployment Insurance Code is amended to read:

4  
5 Article 1.5. California Training Benefits Program  
6

7 SEC. 2. Section 1266 of the Unemployment Insurance Code  
8 is amended to read:

9 1266. This article shall be known, and may be cited, as the  
10 California Training Benefits Program.

11 SEC. 3. Section 1266.1 is added to the Unemployment  
12 Insurance Code, to read:

13 1266.1. Experience has shown that the ability of a large number  
14 of the population of California to compete for jobs in the labor  
15 market is impaired by advancement in technological improvements,  
16 the widespread effects of automation and relocation in our  
17 economy, and foreign competition as set forth in petitions certified  
18 under the federal Trade Act of 1974, as amended (Title 19, United  
19 States Code, Sections 2101 et seq.). The Legislature finds that  
20 many individuals in California are lacking in skills that would  
21 make them competitive in the labor market. They are in need of  
22 training or retraining to upgrade their skills required in demand  
23 occupations. It is the policy of this state to assist these individuals  
24 by providing unemployment compensation benefits, extended  
25 duration benefits, and other federally funded unemployment  
26 compensation benefits, including those available under the federal  
27 Trade Act of 1974 (Public Law 93-618), as amended by the federal  
28 Trade Act of 2002 (Public Law 107-210), during a period of  
29 retraining to qualify them for jobs in demand occupations and thus  
30 avoid long-term unemployment.

31 SEC. 4. Section 1267 of the Unemployment Insurance Code  
32 is amended to read:

1 1267. Notwithstanding any other provision of this division,  
2 with respect to an unemployed individual otherwise eligible for  
3 benefits, those benefits shall not be denied to an individual for any  
4 week because he or she is in eligible training or retraining, as  
5 described in Section 1269 or 1269.1, or because of the application  
6 to any such week in training or retraining of any law of this state  
7 relating to availability for work, active search for work, refusal to  
8 accept work, or for leaving his or her most recent work, if  
9 continuing the most recent work would require the individual to  
10 terminate his or her training or retraining course of instruction.  
11 The individual is considered to be in training or retraining during  
12 regularly scheduled vacation or recess periods, such as Christmas  
13 and Thanksgiving holidays, or semester breaks, but not during a  
14 summer vacation period. As used in this article, “individual”  
15 includes an exhaustee as defined in Section 3503, and any  
16 individual claiming federal-state extended benefits under Part 4  
17 (commencing with Section 4001), and anyone receiving federally  
18 funded unemployment compensation benefits.

19 SEC. 5. Section 1269 of the Unemployment Insurance Code  
20 is amended to read:

21 1269. A determination of automatic eligibility for benefits  
22 under this article shall be issued to an unemployed individual if  
23 the director finds that any of the following apply:

24 (a) The training is authorized by the federal Workforce  
25 Investment Act (Public Law 106-220) or by the Employment  
26 Training Panel established pursuant to Chapter 3.5 (commencing  
27 with Section 10200) of Part 1 of Division 3.

28 (b) The training is authorized by the federal Trade Act of 1974,  
29 (19 U.S.C. Sec. 2101 et seq.), as amended by the federal Trade  
30 Act of 2002 (Public Law 107-210), and as those acts may be  
31 amended by the Trade and Globalization Adjustment Assistance  
32 Act of 2009, enacted under the American Recovery and  
33 Reinvestment Act of 2009 (Public Law 111-5), pursuant to a  
34 certified petition.

35 (c) The individual is a participant in the California Work  
36 Opportunity and Responsibility to Kids (CalWORKs) program  
37 pursuant to Article 3.2 (commencing with Section 11320) or Article  
38 3.3 (commencing with Section 11330) of Chapter 2 of Part 3 of  
39 Division 9 of the Welfare and Institutions Code, and has entered

1 into a contract with the county welfare department to participate  
2 in an education or training program.

3 (d) The individual is a participant in training with a provider  
4 that is certified and on the state's Eligible Training Provider List  
5 (ETPL), as authorized by the federal Workforce Investment Act  
6 (Public Law 106-220).

7 (e) The individual is a journey level union member and the  
8 training or retraining course of instruction is industry-related  
9 training necessary due to changes in technology, or industry  
10 demands, or is necessary to retain employment or to become more  
11 competitive in obtaining employment.

12 SEC. 6. Section 1269.1 is added to the Unemployment  
13 Insurance Code, to read:

14 1269.1. If the training is not authorized under Section 1269, a  
15 determination of potential eligibility for benefits under this article  
16 shall be issued to an unemployed individual if the director finds  
17 that all of the following apply:

18 (a) The individual has been unemployed for four or more  
19 continuous weeks, or the individual is unemployed and unlikely  
20 to return to his or her most recent workplace because work  
21 opportunities in the individual's job classification are impaired by  
22 a plant closure or a substantial reduction in employment at the  
23 individual's most recent workplace, by advancement in  
24 technological improvements, by the effects of automation and  
25 relocation in the economy, or because of mental or physical  
26 disability that prohibits the individual from utilizing existing  
27 occupational skills.

28 (b) One of the substantial causes of the individual's  
29 unemployment is a lack of sufficient current demand in the  
30 individual's labor market area for the occupational skills for which  
31 the individual is fitted by training and experience or current  
32 physical or mental capacity, and that the lack of employment  
33 opportunities is expected to continue for an extended period of  
34 time, or, if the individual's occupation is one for which there is a  
35 seasonal variation in demand in the labor market and the individual  
36 has no other skill for which there is current demand.

37 (c) The training or retraining course of instruction relates to an  
38 occupation or skill for which there are, or are expected to be in the  
39 immediate future, reasonable employment opportunities in the  
40 labor market area in this state in which the individual intends to

1 seek work and there is not a substantial surplus of workers with  
2 requisite skills in the occupation in that area.

3 (d) The training or retraining course of instruction is one  
4 approved by the director and can be completed within a reasonable  
5 period of time.

6 (e) The training or retraining course is a full-time course  
7 prescribed for the primary purpose of training the applicant in  
8 skills that will allow him or her to obtain employment in a demand  
9 occupation.

10 (f) The individual can be reasonably expected to complete the  
11 training or retraining successfully.

12 (g) The beginning date of training is more than three years after  
13 the beginning date of training last approved for the individual  
14 under this subdivision.

15 (h) If a determination of potential eligibility for benefits is issued  
16 under this section, except under subdivision (c), and when federal  
17 extended unemployment insurance benefits are in effect, the  
18 director may find that an unemployed individual is eligible for  
19 training benefits if the individual is enrolled in a community college  
20 or other accredited postsecondary education program with the  
21 purpose of preparing the applicant in academic or job skills,  
22 including remedial training, that will increase employment  
23 opportunities or that leads to an industry-recognized credential or  
24 certificate designed for a specific occupation. If an individual is  
25 approved for training benefits under this subdivision and the federal  
26 extended unemployment insurance benefits are subsequently no  
27 longer in effect, the individual shall remain eligible as long as he  
28 or she is attending the training and is meeting the provisions of  
29 this article.

30 SEC. 7. Section 1271.5 of the Unemployment Insurance Code  
31 is amended to read:

32 1271.5. (a) The department shall inform all individuals who  
33 claim unemployment compensation benefits in this state of the  
34 benefits potentially available under this article and Section 1271.  
35 The department shall convey this information verbally, in written  
36 form, or online. If in written form, the department may utilize  
37 publications or handbooks that inform individuals of their rights  
38 and duties in regard to unemployment compensation benefits.  
39 These publications, issued by the department pursuant to authorized  
40 regulations, may be used to satisfy the requirements of this section.

1 Information required by this section shall be made available on  
2 the department's Internet Web site in close proximity to  
3 information on unemployment compensation claim forms.

4 (b) Benefits paid under Section 1271 shall be charged to  
5 individual employer reserve accounts, consistent with the  
6 provisions of this code.

7 SEC. 8. Section 1272 of the Unemployment Insurance Code  
8 is amended to read:

9 1272. Notwithstanding subdivision (c) of Section 1253, an  
10 unemployed individual who is able to work is eligible to receive  
11 benefits under this article with respect to any week during a period  
12 of training or retraining only if the director finds both of the  
13 following:

14 (a) He or she has been determined potentially eligible under  
15 Section 1269, 1269.1, or 1271.

16 (b) He or she submits a certification, as prescribed by the  
17 Employment Development Department through regulations,  
18 executed by a responsible person connected with the training or  
19 retraining program certifying that he or she is enrolled in and  
20 satisfactorily pursuing the training or retraining course of  
21 instruction.

22 ~~SEC. 9. This act is an urgency statute necessary for the~~  
23 ~~immediate preservation of the public peace, health, or safety within~~  
24 ~~the meaning of Article IV of the Constitution and shall go into~~  
25 ~~immediate effect. The facts constituting the necessity are:~~
