CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 2294

Introduced by Assembly Members Block and Fletcher
(Coauthor: Senator Kehoe)

February 18, 2010

An act to amend ~~Section 21100~~ *Sections 21100 and 21200* of, and to add Section 467.5 to, the Vehicle Code, relating to pedicabs.

LEGISLATIVE COUNSEL'S DIGEST

AB 2294, as amended, Block. Pedicabs: licensing.

Existing law regulates the operation of bicycles. Under existing law, local authorities may regulate, by ordinance or resolution, among other things, the licensing and operation of vehicles for hire and drivers of passenger vehicles for hire.

This bill would define the term "pedicab" ~~and~~ *for purposes of the Vehicle Code. The bill* would authorize a city or county to adopt rules and regulations, by an ordinance or resolution, licensing and regulating the operation of pedicabs for hire, and operators of pedicabs for hire, including requiring *one or more of the following: (1) a valid California driver's license; (2) proof of successful completion of a bicycle safety training course certified by the League of American Bicyclists or an equivalent organization as determined by the local authority; or (3) a valid California identification card and proof of successful completion of the written portion of the California driver's license examination.*

Under existing law, every person riding a bicycle upon a highway has all the rights of, and is subject to specified provisions in, the Vehicle Code, including rules of the road, that are applicable to the driver of a vehicle.

This bill would make those provisions also applicable to a person operating a pedicab. By making the operation of a pedicab subject to the Vehicle Code, a violation of which is a crime, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: ~~no~~-yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 467.5 is added to the Vehicle Code, to
2 read:

3 467.5. "Pedicab" means either of the following:

5 is capable of transporting, passengers on seats attached to the
6 bicycle, that is operated by a person, and that is *being* used for
7 transporting passengers for hire.

8 (b) A bicycle that pulls a trailer, sidecar, or similar device, that
9 transports, or is capable of transporting, passengers on seats
10 attached to the trailer, sidecar, or similar device, that is operated
11 by a person, and that is *being* used for transporting passengers for
12 hire.

13 SEC. 2. Section 21100 of the Vehicle Code is amended to read:
14 21100. Local authorities may adopt rules and regulations by
15 ordinance or resolution regarding the following matters:

16 (a) Regulating or prohibiting processions or assemblages on the

9 unless and until the local authority has submitted to the

11 jurisdiction in the enforcement of traffic laws within the area in

13 program of instruction for the training of a person for that duty,
14 and unless and until the commissioner or other chief law
15 enforcement officer approves the proposed program. The

28 by a repossessing agency licensed under Chapter 11 (commencing
29 with Section 7500) of Division 3 of the Business and Professions
30 Code and its registered employees.

31 (2) The Legislature finds that the safety and welfare of the
32 general public is promoted by permitting local authorities to
33 regulate tow truck service companies and operators by requiring
34 licensure, insurance, and proper training in the safe operation of
35 towing equipment, thereby ensuring against towing mistakes that
36 may lead to violent confrontation, stranding motorists in dangerous
37 situations, impeding the expedited vehicle recovery, and wasting
38 state and local law enforcement's limited resources.

18 an adequate written notice that further driving past the control
19 point will be a violation of the ordinance or resolution.

20 (3) A person is not in violation of an ordinance or resolution
21 adopted pursuant to this subdivision unless both of the following
22 apply:

23 (A) That person has been given the written notice on a previous
24 driving trip past the control point and then again passes the control
25 point in that same time interval.

26 (B) The beginning and end of the portion of the street subject
27 to cruising controls are clearly identified by signs that briefly and
28 clearly state the appropriate provisions of this subdivision and the
29 local ordinance or resolution on cruising.

30 (l) Regulating or authorizing the removal by peace officers of
31 vehicles unlawfully parked in a fire lane, as described in Section
32 22500.1, on private property. A removal pursuant to this
