## CHAPTER \_\_\_\_\_

An act to amend Section 12246 of the Business and Professions Code, relating to weights and measures.

## LEGISLATIVE COUNSEL'S DIGEST

AB 2361, Ruskin. Weights and measures: inspection: fees.

Existing law requires the sealer of a county to inspect and test weighing and measuring devices, as specified, that are used or sold in the county. Existing law also requires the sealer of a county to weigh or measure packages to determine whether they contain the amount represented, as provided. Existing law, until January 1, 2011, permits the board of supervisors of a county to charge fees to recover the costs of the county sealer to perform these duties.

This bill would extend the authority of the board of supervisors of a county to charge fees to recover the costs of the county sealer, as provided, until January 1, 2013.

*The people of the State of California do enact as follows:*

SECTION 1. Section 12246 of the Business and Professions Code is amended to read:

12246. This article shall remain in effect only until January 1, 2013, and as of that date is repealed, unless a later enacted statute that is enacted before January 1, 2013, deletes or extends that date.

Approved \_\_\_\_\_, 2010
