

ASSEMBLY BILL

No. 2371

Introduced by Assembly Member Anderson

February 19, 2010

An act to add Section 12172.8 to the Government Code, relating to the Secretary of State.

LEGISLATIVE COUNSEL'S DIGEST

AB 2371, as introduced, Anderson. Secretary of State: voter registration fraud.

Existing law makes the Secretary of State the chief elections officer of the state and requires the Secretary of State to see that state election laws are enforced. Under existing law, if the Secretary of State concludes that the state election laws are not being enforced, the Secretary of State must call the violation to the attention of the district attorney or the Attorney General.

This bill would impose additional duties on the Secretary of State when a county registrar makes a written complaint alleging voter registration fraud to the Secretary of State.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 12172.8 is added to the Government
- 2 Code, to read:
- 3 12172.8. If a county registrar of voters makes a written

5 days of its receipt.

6 (b) Determine whether the relevant provision of the Elections
7 Code or other law alleged to be violated is being enforced. If the
8 Secretary of State determines that the provision is not being
9 enforced, the Secretary of State, within 60 calendar days of receipt
