

ASSEMBLY BILL

No. 2795

**Introduced by Committee on Local Government (Smyth (Chair),
Caballero (Vice Chair), Arambula, Bradford, Davis, Logue, and
Solorio)**

March 24, 2010

An act to amend Sections 56100, 56332, 56375, 56381, 57075.5, 57127, 57129, 57377, and 57379 of, and to add Section 56037.2 to, the Government Code, and to amend Section 99 of the Revenue and Taxation Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

AB 2795, as introduced, Committee on Local Government. Local government: organization.

(1) Existing law, the Cortese-Knox-Hertzberg Local Government Reorganization Act, provides the authority and procedure for the organization and reorganization of cities and districts.

This bill would define “divestiture of power” and “executive officer” as used in the act. This bill would also make additional changes to clarify and maintain the consistency of the act.

(2) Existing law authorizes a local agency formation commission to initiate proposals for the consolidation or dissolution or formation of a district, a merger, the establishment of a subsidiary district, or a reorganization, as specified.

This bill would specify that the commission may initiate these proceedings by resolution of application.

(3) Existing law requires the commission to adopt an annual budget that apportions the net operative expenses of the commission as specified including the share for independent special districts.

This bill would make a technical, nonsubstantive change to this provision.

(4) Existing law requires the commission, for a proposed annexation of land to a city with more than 100,000 residents in a county with a population of more than 400,000, to make a finding regarding written protest filed and not withdrawn, and order one of 3 options, including an order requiring the territory be annexed subject to confirmation by the voters, and calling a special election.

This bill would instead require the commission, upon making that order, to request the local legislative body to call the special election, and would make conforming changes.

(5) Existing law, for newly established cities, specifies that of the 5 newly elected city council members, the 3 receiving the lowest number of votes hold office until the first succeeding general municipal election and the 2 receiving the highest number of votes hold office until the 2nd municipal election, as specified.

This bill would instead provide that the 2 city council members receiving the lowest number of votes hold office until the first succeeding municipal election, and the 3 receiving the highest number of votes hold office until the 2nd municipal election, as specified.

(6) Existing law provides local agencies 60 days to negotiate the allocation of property taxes when jurisdictional changes are made pursuant to the act.

This bill would authorize a local agency involved in a negotiation to extend the 60-day negotiation period to 90 days, upon notice to the local agencies involved, the county auditor, and the local agency formation commission, by the local agency that desires the extension.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 56037.2 is added to the Government
2 Code, to read:

3 56037.2. "Divestiture of power" means the termination of the
4 power and authority to provide particular functions or classes of
5 services within all or part of the jurisdictional boundaries of a
6 special district.

7 SEC. 2. Section 56100 of the Government Code is amended
8 to read:

1 56100. (a) Except as otherwise provided in paragraph (2) of
2 subdivision (b) of Section 56036, paragraph (2) of subdivision (c)
3 of Section 56036, and Section 56101, this division provides the
4 sole and exclusive authority and procedure for the initiation,
5 conduct, and completion of changes of organization and
6 reorganization for cities and districts. All changes of organization
7 and reorganizations shall be initiated, conducted, and completed
8 in accordance with, and as provided in, this division.

9 ~~Notwithstanding~~

10 (b) *Notwithstanding* any other provision of law, proceedings
11 for the formation of a district shall be conducted as authorized by
12 the principal act of the district proposed to be formed, except that
13 the commission shall serve as the conducting authority and the
14 procedural requirements of this division shall apply and shall
15 prevail in the event of conflict with the procedural requirements
16 of the principal act of the district. In the event of such a conflict,
17 the commission shall specify the procedural requirements that
18 apply, consistent with the requirements of this section.

19 SEC. 3. Section 56332 of the Government Code is amended
20 to read:

21 56332. (a) The independent special district selection committee
22 shall consist of the presiding officer of the legislative body of each
23 independent special district. However, if the presiding officer of
24 an independent special district is unable to attend a meeting of the
25 independent special district selection committee, the legislative
26 body of the district may appoint one of its members to attend the
27 meeting of the selection committee in the presiding officer's place.
28 Those districts shall include districts located wholly within the
29 county and those containing territory within the county representing
30 50 percent or more of the assessed value of taxable property of the
31 district, as shown on the last equalized county assessment roll.
32 Each member of the committee shall be entitled to one vote for
33 each independent special district of which he or she is the presiding
34 officer. Members representing a majority of the eligible districts
35 shall constitute a quorum.

36 (b) The executive officer shall call and give written notice of
37 all meetings of the members of the selection committee. A meeting
38 shall be called and held under either of the following
39 circumstances:

1 (1) Whenever a vacancy exists among the members or alternate
2 members representing independent special districts upon the
3 commission.

4 (2) Upon receipt of a written request by one or more members
5 of the selection committee representing districts having 10 percent
6 or more of the assessed value of taxable property within the county,
7 as shown on the last equalized county assessment roll.

8 (c) (1) If the executive officer determines that a meeting of the
9 special district selection committee, for the purpose of selecting
10 the special district representatives or for filling a vacancy, is not
11 feasible, the executive officer may conduct the business of the
12 committee in writing, as provided in this subdivision. The executive
13 officer may call for nominations to be submitted in writing within
14 30 days. At the end of the nominating period, the executive officer
15 shall prepare and deliver, or send by certified mail, to each
16 independent special district one ballot and voting instructions. If
17 only one candidate is nominated for a vacant seat, that candidate
18 shall be deemed selected, with no further proceedings.

19 (2) As an alternative to the delivery by certified mail, the
20 executive officer, with the prior concurrence of the district, may
21 transmit the ballot and voting instructions by electronic mail,
22 provided that the executive officer shall retain written evidence of
23 the receipt of that material.

24 (3) The ballot shall include the names of all nominees and the
25 office for which each was nominated. The districts shall return the
26 ballots to the executive officer by the date specified in the voting
27 instructions, which date shall be at least 30 days from the date on
28 which the executive officer mailed the ballots to the districts.

29 (4) If the executive officer has transmitted the ballot and voting
30 instructions by electronic mail, the districts may return the ballots
31 to the executive officer by electronic mail, provided that the
32 executive officer retains written evidence of the receipt of the
33 ballot.

34 (5) Any ballot received by the executive officer after the
35 specified date is invalid. The executive officer shall announce the
36 results of the election within seven days of the specified date.

37 (d) The selection committee shall appoint two regular members
38 and one alternate member to the commission. The members so
39 appointed shall be elected or appointed special district officers
40 residing within the county but shall not be members of the

1 legislative body of a city or county. If one of the regular district
2 members is absent from a commission meeting or disqualifies
3 himself or herself from participating in a meeting, the alternate
4 district member may serve and vote in place of the regular district
5 member for that meeting. The representation by a regular district
6 member who is a special district officer shall not disqualify, or be
7 cause for disqualification of, the member from acting on a proposal
8 affecting the special district. The special district selection
9 committee may, at the time it appoints a member or alternate,
10 provide that the member or alternate is disqualified from voting
11 on proposals affecting the district of which the member is a
12 representative.

13 (e) If the office of a regular district member becomes vacant,
14 the alternate member may serve and vote in place of the former
15 regular district member until the appointment and qualification of
16 a regular district member to fill the vacancy.

17 (f) *For purposes of this section, "executive officer" means the*
18 *executive officer or designee as authorized by the commission.*

19 SEC. 4. Section 56375 of the Government Code is amended
20 to read:

21 56375. The commission shall have all of the following powers
22 and duties subject to any limitations upon its jurisdiction set forth
23 in this part:

24 (a) (1) To review and approve or disapprove with or without
25 amendment, wholly, partially, or conditionally, proposals for
26 changes of organization or reorganization, consistent with written
27 policies, procedures, and guidelines adopted by the commission.

28 (2) The commission may initiate proposals *by resolution of*
29 *application* for any of the following:

30 (A) The consolidation of a district, as defined in Section 56036.

31 (B) The dissolution of a district.

32 (C) A merger.

33 (D) The establishment of a subsidiary district.

34 (E) The formation of a new district or districts.

35 (F) A reorganization that includes any of the changes specified
36 in subparagraph (A), (B), (C), (D), or (E).

37 (3) A commission may initiate a proposal described in paragraph
38 (2) only if that change of organization or reorganization is
39 consistent with a recommendation or conclusion of a study
40 prepared pursuant to Section 56378, 56425, or 56430, and the

1 commission makes the determinations specified in subdivision (b)
2 of Section 56881.

3 (4) A commission shall not disapprove an annexation to a city,
4 initiated by resolution, of contiguous territory that the commission
5 finds is any of the following:

6 (A) Surrounded or substantially surrounded by the city to which
7 the annexation is proposed or by that city and a county boundary
8 or the Pacific Ocean if the territory to be annexed is substantially
9 developed or developing, is not prime agricultural land as defined
10 in Section 56064, is designated for urban growth by the general
11 plan of the annexing city, and is not within the sphere of influence
12 of another city.

13 (B) Located within an urban service area that has been delineated
14 and adopted by a commission, which is not prime agricultural land,
15 as defined by Section 56064, and is designated for urban growth
16 by the general plan of the annexing city.

17 (C) An annexation or reorganization of unincorporated islands
18 meeting the requirements of Section 56375.3.

19 (5) As a condition to the annexation of an area that is
20 surrounded, or substantially surrounded, by the city to which the
21 annexation is proposed, the commission may require, where
22 consistent with the purposes of this division, that the annexation
23 include the entire island of surrounded, or substantially surrounded,
24 territory.

25 (6) A commission shall not impose any conditions that would
26 directly regulate land use density or intensity, property
27 development, or subdivision requirements.

28 (7) The decision of the commission with regard to a proposal
29 to annex territory to a city shall be based upon the general plan
30 and rezoning of the city. When the development purposes are not
31 made known to the annexing city, the annexation shall be reviewed
32 on the basis of the adopted plans and policies of the annexing city
33 or county. A commission shall require, as a condition to
34 annexation, that a city prezone the territory to be annexed or present
35 evidence satisfactory to the commission that the existing
36 development entitlements on the territory are vested or are already
37 at build-out, and are consistent with the city's general plan.
38 However, the commission shall not specify how, or in what
39 manner, the territory shall be rezoned.

1 (b) With regard to a proposal for annexation or detachment of
2 territory to, or from, a city or district or with regard to a proposal
3 for reorganization that includes annexation or detachment, to
4 determine whether territory proposed for annexation or detachment,
5 as described in its resolution approving the annexation, detachment,
6 or reorganization, is inhabited or uninhabited.

7 (c) With regard to a proposal for consolidation of two or more
8 cities or districts, to determine which city or district shall be the
9 consolidated successor city or district.

10 (d) To approve the annexation of unincorporated, noncontiguous
11 territory, subject to the limitations of Section 56742, located in the
12 same county as that in which the city is located, and that is owned
13 by a city and used for municipal purposes and to authorize the
14 annexation of the territory without notice and hearing.

15 (e) To approve the annexation of unincorporated territory
16 consistent with the planned and probable use of the property based
17 upon the review of general plan and prezoning designations. No
18 subsequent change may be made to the general plan for the annexed
19 territory or zoning that is not in conformance to the prezoning
20 designations for a period of two years after the completion of the
21 annexation, unless the legislative body for the city makes a finding
22 at a public hearing that a substantial change has occurred in
23 circumstances that necessitate a departure from the prezoning in
24 the application to the commission.

25 (f) With respect to the incorporation of a new city or the
26 formation of a new special district, to determine the number of
27 registered voters residing within the proposed city or special district
28 or, for a landowner-voter special district, the number of owners
29 of land and the assessed value of their land within the territory
30 proposed to be included in the new special district. The number
31 of registered voters shall be calculated as of the time of the last
32 report of voter registration by the county elections official to the
33 Secretary of State prior to the date the first signature was affixed
34 to the petition. The executive officer shall notify the petitioners of
35 the number of registered voters resulting from this calculation.
36 The assessed value of the land within the territory proposed to be
37 included in a new landowner-voter special district shall be
38 calculated as shown on the last equalized assessment roll.

39 (g) To adopt written procedures for the evaluation of proposals,
40 including written definitions consistent with existing state law.

1 The commission may adopt standards for any of the factors
2 enumerated in Section 56668. Any standards adopted by the
3 commission shall be written.

4 (h) To adopt standards and procedures for the evaluation of
5 service plans submitted pursuant to Section 56653 and the initiation
6 of a change of organization or reorganization pursuant to
7 subdivision (a).

8 (i) To make and enforce regulations for the orderly and fair
9 conduct of hearings by the commission.

10 (j) To incur usual and necessary expenses for the
11 accomplishment of its functions.

12 (k) To appoint and assign staff personnel and to employ or
13 contract for professional or consulting services to carry out and
14 effect the functions of the commission.

15 (l) To review the boundaries of the territory involved in any
16 proposal with respect to the definiteness and certainty of those
17 boundaries, the nonconformance of proposed boundaries with lines
18 of assessment or ownership, and other similar matters affecting
19 the proposed boundaries.

20 (m) To waive the restrictions of Section 56744 if it finds that
21 the application of the restrictions would be detrimental to the
22 orderly development of the community and that the area that would
23 be enclosed by the annexation or incorporation is so located that
24 it cannot reasonably be annexed to another city or incorporated as
25 a new city.

26 (n) To waive the application of Section 22613 of the Streets and
27 Highways Code if it finds the application would deprive an area
28 of a service needed to ensure the health, safety, or welfare of the
29 residents of the area and if it finds that the waiver would not affect
30 the ability of a city to provide any service. However, within 60
31 days of the inclusion of the territory within the city, the legislative
32 body may adopt a resolution nullifying the waiver.

33 (o) If the proposal includes the incorporation of a city, as defined
34 in Section 56043, or the formation of a district, as defined in
35 Section 2215 of the Revenue and Taxation Code, the commission
36 shall determine the property tax revenue to be exchanged by the
37 affected local agencies pursuant to Section 56810.

38 (p) To authorize a city or district to provide new or extended
39 services outside its jurisdictional boundaries pursuant to Section
40 56133.

1 (q) To enter into an agreement with the commission for an
2 adjoining county for the purpose of determining procedures for
3 the consideration of proposals that may affect the adjoining county
4 or where the jurisdiction of an affected agency crosses the boundary
5 of the adjoining county.

6 SEC. 5. Section 56381 of the Government Code is amended
7 to read:

8 56381. (a) The commission shall adopt annually, following
9 noticed public hearings, a proposed budget by May 1 and final
10 budget by June 15. At a minimum, the proposed and final budget
11 shall be equal to the budget adopted for the previous fiscal year
12 unless the commission finds that reduced staffing or program costs
13 will nevertheless allow the commission to fulfill the purposes and
14 programs of this chapter. The commission shall transmit its
15 proposed and final budgets to the board of supervisors, to each
16 city, and to each independent special district.

17 (b) After public hearings, consideration of comments, and
18 adoption of a final budget by the commission pursuant to
19 subdivision (a), the auditor shall apportion the net operating
20 expenses of a commission in the following manner:

21 (1) (A) In counties in which there is city and independent
22 special district representation on the commission, the county, cities,
23 and independent special districts shall each provide a one-third
24 share of the commission's operational costs.

25 (B) The cities' share shall be apportioned in proportion to each
26 city's total revenues, as reported in the most recent edition of the
27 Cities Annual Report published by the Controller, as a percentage
28 of the combined city revenues within a county, or by an alternative
29 method approved by a majority of cities representing the majority
30 of the combined cities' populations.

31 (C) The independent special districts' share shall be apportioned
32 in proportion to each district's total revenues as a percentage of
33 the combined total district revenues within a county. Except as
34 provided in subparagraph (D), an independent special district's
35 total revenue shall be calculated for nonenterprise activities as
36 total revenues for general purpose transactions less
37 ~~intergovernmental revenue-category aid from other governmental~~
38 ~~agencies~~ and for enterprise activities as total operating and
39 nonoperating revenues less ~~intergovernmental revenue-category~~
40 ~~other governmental agencies~~, as reported in the most recent edition

1 of the “Special Districts Annual Report” published by the
2 Controller, or by an alternative method approved by a majority of
3 the agencies, representing a majority of their combined populations.
4 For the purposes of fulfilling the requirement of this section, a
5 multicounty independent special district shall be required to pay
6 its apportionment in its principal county. It is the intent of the
7 Legislature that no single district or class or type of district shall
8 bear a disproportionate amount of the district share of costs.

9 (D) (i) For purposes of apportioning costs to a health care
10 district formed pursuant to Division 23 (commencing with Section
11 32000) of the Health and Safety Code that operates a hospital, a
12 health care district’s share, except as provided in clauses (ii) and
13 (iii), shall be apportioned in proportion to each district’s net from
14 operations as reported in the most recent edition of the hospital
15 financial disclosure report form published by the Office of
16 Statewide Health Planning and Development, as a percentage of
17 the combined independent special districts’ net operating revenues
18 within a county.

19 (ii) A health care district for which net from operations is a
20 negative number may not be apportioned any share of the
21 commission’s operational costs until the fiscal year following
22 positive net from operations, as reported in the most recent edition
23 of the hospital financial disclosure report form published by the
24 Office of Statewide Health Planning and Development.

25 (iii) A health care district that has filed and is operating under
26 public entity bankruptcy pursuant to federal bankruptcy law, shall
27 not be apportioned any share of the commission’s operational costs
28 until the fiscal year following its discharge from bankruptcy.

29 (iv) As used in this subparagraph “net from operations” means
30 total operating revenue less total operating expenses.

31 (E) Notwithstanding the requirements of subparagraph (C), the
32 independent special districts’ share may be apportioned by an
33 alternative method approved by a majority of the districts,
34 representing a majority of the combined populations. However, in
35 no event shall an individual district’s apportionment exceed the
36 amount that would be calculated pursuant to subparagraphs (C)
37 and (D), or in excess of 50 percent of the total independent special
38 districts’ share, without the consent of that district.

39 (F) Notwithstanding the requirements of subparagraph (C), no
40 independent special district shall be apportioned a share of more

1 than 50 percent of the total independent special districts' share of
2 the commission's operational costs, without the consent of the
3 district as otherwise provided in this section. In those counties in
4 which a district's share is limited to 50 percent of the total
5 independent special districts' share of the commission's operational
6 costs, the share of the remaining districts shall be increased on a
7 proportional basis so that the total amount for all districts equals
8 the share apportioned by the auditor to independent special districts.

9 (2) In counties in which there is no independent special district
10 representation on the commission, the county and its cities shall
11 each provide a one-half share of the commission's operational
12 costs. The cities' share shall be apportioned in the manner
13 described in paragraph (1).

14 (3) In counties in which there are no cities, the county and its
15 special districts shall each provide a one-half share of the
16 commission's operational costs. The independent special districts'
17 share shall be apportioned in the manner described for cities'
18 apportionment in paragraph (1). If there is no independent special
19 district representation on the commission, the county shall pay all
20 of the commission's operational costs.

21 (4) Instead of determining apportionment pursuant to paragraph
22 (1), (2), or (3), any alternative method of apportionment of the net
23 operating expenses of the commission may be used if approved
24 by a majority vote of each of the following: the board of
25 supervisors; a majority of the cities representing a majority of the
26 total population of cities in the county; and the independent special
27 districts representing a majority of the combined total population
28 of independent special districts in the county. However, in no event
29 shall an individual district's apportionment exceed the amount that
30 would be calculated pursuant to subparagraphs (C) and (D) of
31 paragraph (1), or in excess of 50 percent of the total independent
32 special districts' share, without the consent of that district.

33 (c) After apportioning the costs as required in subdivision (b),
34 the auditor shall request payment from the board of supervisors
35 and from each city and each independent special district no later
36 than July 1 of each year for the amount that entity owes and the
37 actual administrative costs incurred by the auditor in apportioning
38 costs and requesting payment from each entity. If the county, a
39 city, or an independent special district does not remit its required
40 payment within 60 days, the commission may determine an

1 appropriate method of collecting the required payment, including
2 a request to the auditor to collect an equivalent amount from the
3 property tax, or any fee or eligible revenue owed to the county,
4 city, or district. The auditor shall provide written notice to the
5 county, city, or district prior to appropriating a share of the property
6 tax or other revenue to the commission for the payment due the
7 commission pursuant to this section. Any expenses incurred by
8 the commission or the auditor in collecting late payments or
9 successfully challenging nonpayment shall be added to the payment
10 owed to the commission. Between the beginning of the fiscal year
11 and the time the auditor receives payment from each affected city
12 and district, the board of supervisors shall transmit funds to the
13 commission sufficient to cover the first two months of the
14 commission's operating expenses as specified by the commission.
15 When the city and district payments are received by the
16 commission, the county's portion of the commission's annual
17 operating expenses shall be credited with funds already received
18 from the county. If, at the end of the fiscal year, the commission
19 has funds in excess of what it needs, the commission may retain
20 those funds and calculate them into the following fiscal year's
21 budget. If, during the fiscal year, the commission is without
22 adequate funds to operate, the board of supervisors may loan the
23 commission funds. The commission shall appropriate sufficient
24 funds in its budget for the subsequent fiscal year to repay the loan.

25 SEC. 6. Section 57075.5 of the Government Code is amended
26 to read:

27 57075.5. Notwithstanding Section 57075, if territory proposed
28 to be annexed to a city with more than 100,000 residents is
29 inhabited and is located in a county with a population of over
30 4,000,000, the commission, not more than 30 days after conclusion
31 of the hearing, shall make a finding regarding the value of written
32 protests filed and not withdrawn and shall take one of the following
33 actions:

34 (a) Terminate proceedings if written protests have been filed
35 and not withdrawn by 50 percent or more of the registered voters
36 within the affected territory.

37 (b) Order the territory annexed subject to the confirmation by
38 the voters on the question, and *request the local legislative body*
39 *to call a special election and submit to the voters residing within*
40 *the affected territory the question of whether it shall be annexed*

1 to the city, if written protests have been filed and not withdrawn
2 by either 15 percent or more of the registered voters within the
3 territory, or 15 percent or more of the number of owners of land
4 who also own not less than 15 percent of the total assessed value
5 of land within the territory.

6 (c) Order the territory annexed without an election if written
7 protests have been filed and not withdrawn by less than 15 percent
8 of the registered voters within the territory and less than 15 percent
9 of the owners of land who own less than 15 percent of the total
10 assessed value of land within the territory.

11 SEC. 7. Section 57127 of the Government Code is amended
12 to read:

13 57127. If the ~~commission~~ *board of supervisors* calls any special
14 election within all or any part of any district, any references in the
15 principal act to the board of directors of the district and to the clerk
16 or secretary of the district shall be deemed to mean the ~~commission~~
17 *board of supervisors* and the ~~executive officer~~ *elections official*,
18 respectively.

19 SEC. 8. Section 57129 of the Government Code is amended
20 to read:

21 57129. Where any records of a city or a district are required
22 for the purpose of calling, holding, or conducting any special
23 election called by the ~~commission~~ *board of supervisors or city*
24 *council* pursuant to this division, those records or certified copies
25 of those records shall be delivered, upon request, to the elections
26 official by the city or district officer having custody of the records
27 or copies and shall be returned to that officer immediately after
28 the canvass of the election returns. All other election records,
29 documents, instruments, and election supplies, including, but not
30 limited to, rosters, ballots, and tally sheets, shall be retained or
31 disposed of by the elections official in the manner provided by
32 law.

33 SEC. 9. Section 57377 of the Government Code is amended
34 to read:

35 57377. Officers, except members of the city council, shall hold
36 office until the first succeeding general municipal election held in
37 the city and until their successors are elected and qualified. Of the
38 five elected members of the city council, the ~~three~~ *two* receiving
39 the lowest number of votes shall hold office until the first
40 succeeding general municipal election held in the city and until

1 their successors are elected and qualified, and the ~~two~~ *three*
2 receiving the highest number of votes shall hold office until the
3 second succeeding general municipal election held in the city and
4 until their successors are elected and qualified. If two or more
5 members of the city council are elected by the same number of
6 votes, the terms of each shall be determined by lot. The members
7 of the city council elected to succeed the members elected at the
8 incorporation election shall hold office for four years from the
9 Tuesday succeeding their election, and until their successors are
10 elected and qualified.

11 SEC. 10. Section 57379 of the Government Code is amended
12 to read:

13 57379. If the first general municipal election following an
14 incorporation election will occur less than one year after the
15 effective date of incorporation, or occurred on or after November
16 1, 1987, and less than one year after the incorporation election, of
17 the five elected members of the city council, the ~~three~~ *two* receiving
18 the lowest number of votes shall hold office until the second
19 general municipal election following the incorporation election
20 and until their successors are elected and qualified, and the ~~two~~
21 *three* receiving the highest number of votes shall hold office until
22 the third general municipal election following the incorporation
23 election and until their successors are elected and qualified.

24 The first general municipal election following the incorporation
25 election shall not be held unless either a proposition is to be voted
26 upon or offices other than city council member offices are to be
27 filled.

28 In the event that, pursuant to Section ~~56727~~ 56724, the first
29 election for city council members was held after the election on
30 the incorporation proposal, the term “incorporation election” in
31 this section means the first election for city council members.

32 SEC. 11. Section 99 of the Revenue and Taxation Code is
33 amended to read:

34 99. (a) For the purposes of the computations required by this
35 chapter:

36 (1) In the case of a jurisdictional change, other than a city
37 incorporation or a formation of a district as defined in Section
38 2215, the auditor shall adjust the allocation of property tax revenue
39 determined pursuant to Section 96 or 96.1, or the annual tax
40 increment determined pursuant to Section 96.5, for local agencies

whose service area or service responsibility would be altered by the jurisdictional change, as determined pursuant to subdivision (b) or (c).

(2) In the case of a city incorporation, the auditor shall assign the allocation of property tax revenues determined pursuant to Section 56810 of the Government Code and the adjustments in tax revenues that may occur pursuant to Section 56815 of the Government Code to the newly formed city or district and shall make the adjustment as determined by Section 56810 in the allocation of property tax revenue determined pursuant to Section 96 or 96.1 for each local agency whose service area or service responsibilities would be altered by the incorporation.

(3) In the case of a formation of a district as defined in Section 2215, the auditor shall assign the allocation of property tax revenues determined pursuant to Section 56810 of the Government Code to the district and shall make the adjustment as determined by Section 56810 in the allocation of property tax revenue determined pursuant to Section 96 or 96.1 for each local agency whose service area or service responsibilities would be altered by the formation.

(b) Upon the filing of an application or a resolution pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Division 3 (commencing with Section 56000) of Title 5 of the Government Code), but prior to the issuance of a certificate of filing, the executive officer shall give notice of the filing to the assessor and auditor of each county within which the territory subject to the jurisdictional change is located. This notice shall specify each local agency whose service area or responsibility will be altered by the jurisdictional change.

(1) (A) The county assessor shall provide to the county auditor, within 30 days of the notice of filing, a report which identifies the assessed valuations for the territory subject to the jurisdictional change and the tax rate area or areas in which the territory exists.

(B) The auditor shall estimate the amount of property tax revenue generated within the territory that is the subject of the jurisdictional change during the current fiscal year.

(2) The auditor shall estimate what proportion of the property tax revenue determined pursuant to paragraph (1) is attributable to each local agency pursuant to Section 96.1 and Section 96.5.

1 (3) Within 45 days of notice of the filing of an application or
2 resolution, the auditor shall notify the governing body of each local
3 agency whose service area or service responsibility will be altered
4 by the amount of, and allocation factors with respect to, property
5 tax revenue estimated pursuant to paragraph (2) that is subject to
6 a negotiated exchange.

7 (4) Upon receipt of the estimates pursuant to paragraph (3) the
8 local agencies shall commence negotiations to determine the
9 amount of property tax revenues to be exchanged between and
10 among the local agencies. This negotiation period shall not exceed
11 60 days. *If a local agency involved in these negotiations notifies*
12 *the other local agencies, the county auditor, and the local agency*
13 *formation commission in writing of its desire to extend the*
14 *negotiating period, the negotiating period shall be 90 days.*

15 The exchange may be limited to an exchange of property tax
16 revenues from the annual tax increment generated in the area
17 subject to the jurisdictional change and attributable to the local
18 agencies whose service area or service responsibilities will be
19 altered by the proposed jurisdictional change. The final exchange
20 resolution shall specify how the annual tax increment shall be
21 allocated in future years.

22 (5) In the event that a jurisdictional change would affect the
23 service area or service responsibility of one or more special
24 districts, the board of supervisors of the county or counties in which
25 the districts are located shall, on behalf of the district or districts,
26 negotiate any exchange of property tax revenues. Prior to entering
27 into negotiation on behalf of a district for the exchange of property
28 tax revenue, the board shall consult with the affected district. The
29 consultation shall include, at a minimum, notification to each
30 member and executive officer of the district board of the pending
31 consultation and provision of adequate opportunity to comment
32 on the negotiation.

33 (6) Notwithstanding any other provision of law, the executive
34 officer shall not issue a certificate of filing pursuant to Section
35 56658 of the Government Code until the local agencies included
36 in the property tax revenue exchange negotiation, within the ~~60-day~~
37 negotiation period, present resolutions adopted by each such county
38 and city whereby each county and city agrees to accept the
39 exchange of property tax revenues.

(7) In the event that the commission modifies the proposal or its resolution of determination, any local agency whose service area or service responsibility would be altered by the proposed jurisdictional change may request, and the executive officer shall grant, 15 days for the affected agencies, pursuant to paragraph (4) to renegotiate an exchange of property tax revenues. Notwithstanding the time period specified in paragraph (4), if the resolutions required pursuant to paragraph (6) are not presented to the executive officer within the 15-day period, all proceedings of the jurisdictional change shall automatically be terminated.

(8) In the case of a jurisdictional change that consists of a city's qualified annexation of unincorporated territory, an exchange of property tax revenues between the city and the county shall be determined in accordance with subdivision (e) if that exchange of revenues is not otherwise determined pursuant to either of the following:

(A) Negotiations completed within the applicable period or periods as prescribed by this subdivision.

(B) A master property tax exchange agreement among those local agencies, as described in subdivision (d).

For purposes of this paragraph, a qualified annexation of unincorporated territory means an annexation, as so described, for which an application or a resolution was filed on or after January 1, 1998, and on or before January 1, 2015.

(9) No later than the date on which the certificate of completion of the jurisdictional change is recorded with the county recorder, the executive officer shall notify the auditor or auditors of the exchange of property tax revenues and the auditor or auditors shall make the appropriate adjustments as provided in subdivision (a).

(c) Whenever a jurisdictional change is not required to be reviewed and approved by a local agency formation commission, the local agencies whose service area or service responsibilities would be altered by the proposed change, shall give notice to the State Board of Equalization and the assessor and auditor of each county within which the territory subject to the jurisdictional change is located. This notice shall specify each local agency whose service area or responsibility will be altered by the jurisdictional change and request the auditor and assessor to make the determinations required pursuant to paragraphs (1) and (2) of subdivision (b). Upon notification by the auditor of the amount

1 of, and allocation factors with respect to, property tax subject to
2 exchange, the local agencies, pursuant to the provisions of
3 paragraphs (4) and (6) of subdivision (b), shall determine the
4 amount of property tax revenues to be exchanged between and
5 among the local agencies. Notwithstanding any other provision of
6 law, no such jurisdictional change shall become effective until
7 each county and city included in these negotiations agrees, by
8 resolution, to accept the negotiated exchange of property tax
9 revenues. The exchange may be limited to an exchange of property
10 tax revenue from the annual tax increment generated in the area
11 subject to the jurisdictional change and attributable to the local
12 agencies whose service area or service responsibilities will be
13 altered by the proposed jurisdictional change. The final exchange
14 resolution shall specify how the annual tax increment shall be
15 allocated in future years. Upon the adoption of the resolutions
16 required pursuant to this section, the adopting agencies shall notify
17 the auditor who shall make the appropriate adjustments as provided
18 in subdivision (a). Adjustments in property tax allocations made
19 as the result of a city or library district withdrawing from a county
20 free library system pursuant to Section 19116 of the Education
21 Code shall be made pursuant to Section 19116 of the Education
22 Code, and this subdivision shall not apply.

23 (d) With respect to adjustments in the allocation of property
24 taxes pursuant to this section, a county and any local agency or
25 agencies within the county may develop and adopt a master
26 property tax transfer agreement. The agreement may be revised
27 from time to time by the parties subject to the agreement.

28 (e) (1) An exchange of property tax revenues that is required
29 by paragraph (8) of subdivision (b) to be determined pursuant to
30 this subdivision shall be determined in accordance with all of the
31 following:

32 (A) The city and the county shall mutually select a third-party
33 consultant to perform a comprehensive, independent fiscal analysis,
34 funded in equal portions by the city and the county, that specifies
35 estimates of all tax revenues that will be derived from the annexed
36 territory and the costs of city and county services with respect to
37 the annexed territory. The analysis shall be completed within a
38 period not to exceed 30 days, and shall be based upon the general
39 plan or adopted plans and policies of the annexing city and the
40 intended uses for the annexed territory. If, upon the completion of

1 the analysis period, no exchange of property tax revenues is agreed
2 upon by the city and the county, subparagraph (B) shall apply.

3 (B) The city and the county shall mutually select a mediator,
4 funded in equal portions by those agencies, to perform mediation
5 for a period of not to exceed 30 days. If, upon the completion of
6 the mediation period, no exchange of property tax revenues is
7 agreed upon by the city and the county, subparagraph (C) shall
8 apply.

9 (C) The city and the county shall mutually select an arbitrator,
10 funded in equal portions by those agencies, to conduct an advisory
11 arbitration with the city and the county for a period of not to exceed
12 30 days. At the conclusion of this arbitration period, the city and
13 the county shall each present to the arbitrator its last and best offer
14 with respect to the exchange of property tax revenues. The
15 arbitrator shall select one of the offers and recommend that offer
16 to the governing bodies of the city and the county. If the governing
17 body of the city or the county rejects the recommended offer, it
18 shall do so during a public hearing, and shall, at the conclusion of
19 that hearing, make written findings of fact as to why the
20 recommended offer was not accepted.

21 (2) Proceedings under this subdivision shall be concluded no
22 more than 150 days after the auditor provides the notification
23 pursuant to paragraph (3) of subdivision (b), unless one of the
24 periods specified in this subdivision is extended by the mutual
25 agreement of the city and the county. Notwithstanding any other
26 provision of law, except for those conditions that are necessary to
27 implement an exchange of property tax revenues determined
28 pursuant to this subdivision, the local agency formation
29 commission shall not impose any fiscal conditions upon a city's
30 qualified annexation of unincorporated territory that is subject to
31 this subdivision.

32 (f) Except as otherwise provided in subdivision (g), for the
33 purpose of determining the amount of property tax to be allocated
34 in the 1979–80 fiscal year and each fiscal year thereafter for those
35 local agencies that were affected by a jurisdictional change which
36 was filed with the State Board of Equalization after January 1,
37 1978, but on or before January 1, 1979. The local agencies shall
38 determine by resolution the amount of property tax revenues to be
39 exchanged between and among the affected agencies and notify
40 the auditor of the determination.

(g) For the purpose of determining the amount of property tax to be allocated in the 1979–80 fiscal year and each fiscal year thereafter, for a city incorporation that was filed pursuant to Sections 54900 to 54904 after January 1, 1978, but on or before January 1, 1979, the amount of property tax revenue considered to have been received by the jurisdiction for the 1978–79 fiscal year shall be equal to two-thirds of the amount of property tax revenue projected in the final local agency formation commission staff report pertaining to the incorporation multiplied by the proportion that the total amount of property tax revenue received by all jurisdictions within the county for the 1978–79 fiscal year bears to the total amount of property tax revenue received by all jurisdictions within the county for the 1977–78 fiscal year. Except, however, in the event that the final commission report did not specify the amount of property tax revenue projected for that incorporation, the commission shall by October 10 determine pursuant to Section 54790.3 of the Government Code the amount of property tax to be transferred to the city.

The provisions of this subdivision shall also apply to the allocation of property taxes for the 1980–81 fiscal year and each fiscal year thereafter for incorporations approved by the voters in June 1979.

(h) For the purpose of the computations made pursuant to this section, in the case of a district formation that was filed pursuant to Sections 54900 to 54904, inclusive, of the Government Code after January 1, 1978, but before January 1, 1979, the amount of property tax to be allocated to the district for the 1979–80 fiscal year and each fiscal year thereafter shall be determined pursuant to Section 54790.3 of the Government Code.

(i) For the purposes of the computations required by this chapter, in the case of a jurisdictional change, other than a change requiring an adjustment by the auditor pursuant to subdivision (a), the auditor shall adjust the allocation of property tax revenue determined pursuant to Section 96 or 96.1 or its predecessor section, or the annual tax increment determined pursuant to Section 96.5 or its predecessor section, for each local school district, community college district, or county superintendent of schools whose service area or service responsibility would be altered by the jurisdictional change, as determined as follows:

(1) The governing body of each district, county superintendent of schools, or county whose service areas or service responsibilities would be altered by the change shall determine the amount of property tax revenues to be exchanged between and among the affected jurisdictions. This determination shall be adopted by each affected jurisdiction by resolution. For the purpose of negotiation, the county auditor shall furnish the parties and the county board of education with an estimate of the property tax revenue subject to negotiation.

(2) In the event that the affected jurisdictions are unable to agree, within 60 days after the effective date of the jurisdictional change, and if all the jurisdictions are wholly within one county, the county board of education shall, by resolution, determine the amount of property tax revenue to be exchanged. If the jurisdictions are in more than one county, the State Board of Education shall, by resolution, within 60 days after the effective date of the jurisdictional change, determine the amount of property tax to be exchanged.

(3) Upon adoption of any resolution pursuant to this subdivision, the adopting jurisdictions or State Board of Education shall notify the county auditor who shall make the appropriate adjustments as provided in subdivision (a).

(j) For purposes of subdivision (i), the annexation by a community college district of territory within a county not previously served by a community college district is an alteration of service area. The community college district and the county shall negotiate the amount, if any, of property tax revenues to be exchanged. In these negotiations, there shall be taken into consideration the amount of revenue received from the timber yield tax and forest reserve receipts by the community college district in the area not previously served. In no event shall the property tax revenue to be exchanged exceed the amount of property tax revenue collected prior to the annexation for the purposes of paying tuition expenses of residents enrolled in the community college district, adjusted each year by the percentage change in population and the percentage change in the cost of living, or per capita personal income, whichever is lower, less the amount of revenue received by the community college district in the annexed area from the timber yield tax and forest reserve receipts.

1 (k) At any time after a jurisdictional change is effective, any of
2 the local agencies party to the agreement to exchange property tax
3 revenue may renegotiate the agreement with respect to the current
4 fiscal year or subsequent fiscal years, subject to approval by all
5 local agencies affected by the renegotiation.

O
