An act to amend Section 1714.5 of the Civil Code, relating to personal liability, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 39, as amended, Benoit. Personal liability immunity: disaster service workers.

Existing law provides that no disaster worker who is performing disaster services during a state of war emergency, a state of emergency, or a local emergency shall be liable for civil damages on account of personal injury to or death of any person or property, as provided.

This bill would ~~enact the Good Samaritan Protection Act which would~~ provide that disaster service workers shall not be liable when acting within the scope of their responsibilities under the authority of the governmental emergency organization, as provided. *This bill would*

provide that these provisions apply exclusively to any legal action filed on or after the effective date of this bill.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 ~~SECTION 1. This act shall be known and may be cited as the~~
2 ~~Good Samaritan Protection Act.~~

3 ~~SEC. 2.~~

4 SECTION 1. Section 1714.5 of the Civil Code is amended to
5 read:

6 1714.5. (a) There shall be no liability on the part of one,
7 including the State of California, county, city and county, city or
8 any other political subdivision of the State of California, who owns
9 or maintains any building or premises which have been designated
10 as a shelter from destructive operations or attacks by enemies of
11 the United States by any disaster council or any public office,
12 body, or officer of this state or of the United States, or which have
13 been designated or are used as mass care centers, first aid stations,
14 temporary hospital annexes, or as other necessary facilities for
15 mitigating the effects of a natural, manmade, or war-caused
16 emergency, for any injuries arising out of the use thereof for such
17 purposes sustained by any person while in or upon said building
18 or premises as a result of the condition of said building or premises
19 or as a result of any act or omission, or in any way arising from
20 the designation of such premises as a shelter, or the designation
21 or use thereof as a mass care center, first aid station, temporary
22 hospital annex, or other necessary facility for emergency purposes,
23 except a willful act, of such owner or occupant or his *or her*
24 servants, agents or employees when such person has entered or
25 gone upon or into said building or premises for the purpose of
26 seeking refuge, treatment, care, or assistance therein during
27 destructive operations or attacks by enemies of the United States
28 or during tests ordered by lawful authority or during a natural or
29 manmade emergency.

30 (b) Notwithstanding any other provision of law, no disaster
31 service worker who is performing disaster services during a state

1 of war emergency, a state of emergency, or a local emergency, as
2 such emergencies are defined in Section 8558 of the Government
3 Code, shall be liable for civil damages on account of personal
4 injury to or death of any person or damage to property resulting
5 from any act or omission while performing disaster services
6 anywhere within the jurisdiction covered by such emergency,
7 except one that is willful.

8 (c) For purposes of this subdivision, a disaster service worker
9 shall be performing disaster services when acting within the scope
10 of the disaster service worker's responsibilities under the authority
11 of the governmental emergency organization.

12 (d) For purposes of this subdivision, "governmental emergency
13 organization" shall mean the emergency organization of any state,
14 city, city and county, county, district, or other local governmental
15 agency or public agency, which is authorized pursuant to the
16 California Emergency—Service Services Act (Chapter 7
17 (commencing with Section 8550) of Division 1 of Title 2 of the
18 Government Code).

19 (e) *Nothing in this section shall be construed to alter any*
20 *existing legal duties or obligations. The amendments to this section*
21 *made by the act amending this section shall apply exclusively to*
22 *any legal action filed on or after the effective date of the act.*

23 ~~SEC. 3.~~

24 SEC. 2. This act is an urgency statute necessary for the
25 immediate preservation of the public peace, health, or safety within
26 the meaning of Article IV of the Constitution and shall go into
27 immediate effect. The facts constituting the necessity are:

28 Because the state has long encouraged Californians to assist
29 others facing danger in an emergency, and the ability to do so
30 without fear of potential suit has been thrown into question by the
31 recent California Supreme Court decision of *Van Horn v. Watson*,
32 (2008) 45 Cal.4th 322, decided on December 18, 2008, this
33 legislation clarifying the intent of the Legislature needs to go into
34 effect immediately so as to avoid any confusion in this important
35 area of the law.
