LEGISLATIVE COUNSEL'S DIGEST

SB 2, Ducheny. Budget Act of 2008: revisions.

The Budget Act of 2008 (Chapters 268 and 269 of the Statutes of 2008) made appropriations for the support of state government during the 2008–09 fiscal year.

This bill would amend the Budget Act of 2008 to make adjustments to certain items of appropriations. The bill would authorize the Director of Finance to allocate necessary reductions in employee compensation from General Fund items in the amount of \$385,762,000 and from items relating to other funds in the amount of \$285,196,000. The bill would state the intent of the Legislature that reductions in employee compensation will result in

General Fund savings of \$1,024,326,000 and other fund savings of \$688,375,000 in the 2009–10 fiscal year.

The bill also would set forth procedures to account for the receipt of federal funds as part of an economic stimulus or similar legislation during the 2008–09 and 2009–10 fiscal years.

The Budget Act of 2003 (Chapter 157 of the Statutes of 2003) makes appropriations for the support of state government during the 2003–04 fiscal year and, among other things, authorizes transfers to the General Fund from certain special funds to be repaid to those funds during the 2nd half of the 2008–09 fiscal year.

This bill would amend the Budget Act of 2003 to extend the time for repayment of those transfers to the 2nd half of the 2009–10 and 2011–12 fiscal years, as specified.

The California Constitution authorizes the Governor to declare a fiscal emergency and to call the Legislature into special session for that purpose. The Governor issued a proclamation declaring a fiscal emergency, and calling a special session for this purpose, on December 19, 2008.

This bill would state that it addresses the fiscal emergency declared by the Governor by proclamation issued on December 19, 2008, pursuant to the California Constitution.

This bill would declare that it is to take effect immediately as an urgency statute.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. The adjustments to appropriations made by this act are in addition to the appropriations made in Section 2.00 of the Budget Act of 2008 (Chapters 268 and 269 of the Statutes of 2008) and are subject to the provisions of that act, as appropriate, including, as applicable, the provisions of that act that apply to the items of appropriation that are amended by this act. Unless otherwise specified, the references in this act to item numbers refer to items of appropriation in Section 2.00 of the Budget Act of 2008 (Chapters 268 and 269 of the Statutes of 2008).

SEC. 37. Section 8.25 is added to the Budget Act of 2008, to read:

Sec. 8.25. (a) Any amounts received in the 2008–09 and 2009–10 fiscal years from the federal government as part of an economic stimulus or similar legislation shall be deposited in the Federal Trust Fund. Notwithstanding Section 28.00, the Department of Finance may authorize expenditure of these funds in a manner consistent with federal law and that offsets General Fund expenditures otherwise authorized in this act. The Director of Finance

is authorized to reduce any General Fund items of appropriations due to the receipt and expenditure of these federal funds.

(b) For any adjustments made under the authority of this section, the Department of Finance shall provide notification in writing to the Chairperson of the Joint Legislative Budget Committee not less than 30 days prior to the effective date of the adjustment, or not sooner than whatever lesser time the chairperson of the joint committee, or his or her designee, may in each instance determine. SEC. 38. Section 28.00 of the Budget Act of 2008 is amended to read:

Sec. 28.00. (a) It is the intent of the Legislature in enacting this section to provide flexibility for administrative approval of augmentations for the expenditure of unanticipated federal funds or other nonstate funds in cases that meet the criteria set forth in this section. However, this section does not provide an alternative budget process, and proposals for additional spending ordinarily should be considered in the annual State Budget or other state legislation. Specifically, augmentations for items which the administration had knowledge to include in its 2008–09 budget plan should not be submitted through the process provided by this section. Augmentations for items which can be deferred to 2009–10 should be included in the administration’s 2009–10 budget proposals.

(b) The Director of Finance may authorize the augmentation of the amount available for expenditure for any program, project, or function in the schedule of any appropriation in this act or any additional program, project, or function equal to the amount of any additional, unanticipated funds that he or she estimates will be received by the state during the 2008–09 fiscal year from any agency of local government or the federal government, or from any other nonstate source, provided that the additional funding meets all of the following requirements:

(1) The funds will be expended for a purpose that is consistent with state law.

(2) The funds are made available to the state under conditions permitting their use only for a specified purpose, and the additional expenditure proposed under this section would apply to that specified funding purpose.

(3) Acceptance of the additional funding does not impose on the state any requirement to commit or expend new state funds for any program or purpose.

(4) The need exists to expend the additional funding during the 2008–09 fiscal year.

(c) In order to receive consideration for an augmentation, an agency shall either (1) notify the director within 45 days of receiving official notice of the availability of additional, unanticipated funds, or (2) explain in writing to the director why that notification was infeasible or impractical. In either case, the recipient agency shall provide the director a copy of the official notice of fund availability.

(d) The director also may reduce any program, project, or function whenever he or she determines that funds to be received will be less than the amount taken into consideration in the schedule.

(e) Any augmentation or reduction that exceeds either (1) \$400,000 or (2) 10 percent of the amount available for expenditure in the affected program, project, or function may be authorized not sooner than 30 days after notification in writing of the necessity therefor is provided to the chairpersons of the committees in each house of the Legislature that consider appropriations, the chairpersons of the committees, and the appropriate subcommittees, in each house of the Legislature that consider the State Budget, and the Chairperson of the Joint Legislative Budget Committee, or not sooner than whatever lesser time the Chairperson of the Joint Legislative Budget Committee, or his or her designee, may in each instance determine. With regard to any proposed augmentation, the notification shall state the basis for the determination by the director that the augmentation meets each of the requirements set forth in subdivisions (b) and (c). This notification shall include the date that the recipient department received official notice of the additional funds, and a copy of the agency's written explanation if a 45-day notice was not provided to the director. This notification requirement does not apply to federal funds related to caseload increases in Medi-Cal, California Work Opportunity and Responsibility to Kids (CalWORKs), and Supplemental Security Income/State Supplementary Program (SSI/SSP).

(f) Any personnel action that is dependent on funds subject to this section shall not be effective until after the provisions of this section have been complied with. Any authorization made pursuant to this section shall remain in effect for the period the director may determine in each instance, but in no event after June 30, 2009.

(g) Any federal funds received as a result of federal legislation enacted after January 1, 2009, shall be deemed unanticipated for the purposes of this section.

SEC. 39. Section 35.10 is added to the Budget Act of 2008, to read:

Sec. 35.10. (a) For purposes of subdivision (d) of Section 13308 of the Government Code, the Director of Finance shall provide to the Legislature, on June 8, 2009, or six calendar days after the next statewide election, whichever is later, instead of May 14, 2009, all of the following: (a) an estimate of General Fund revenues for the 2008–09 and 2009–10 fiscal years, (b) any proposals to reduce expenditures to reflect updated revenue estimates, and (c) all proposed adjustments that are necessary to reflect updated estimates of state funding required pursuant to Section 8 of Article XVI of the California Constitution, or to reflect caseload enrollment or population changes.

SEC. 40. This act addresses the fiscal emergency declared by the Governor by proclamation on December 19, 2008, pursuant to subdivision (f) of Section 10 of Article IV of the California Constitution.

SEC. 41. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of

Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that necessary adjustments by this act to the appropriations in the Budget Act of 2003 and the Budget Act of 2008 for support of state government for the 2008–09 fiscal year be made as soon as possible, to address the fiscal emergency declared by the Governor, it is necessary that this act take effect immediately.
