CHAPTER 562

An act to amend Section 19850.6 of the Business and Professions Code, and to amend Sections 326.3, 326.45, and 326.5 of the Penal Code, relating to bingo, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 11, 2009. Filed with
Secretary of State October 11, 2009.]

LEGISLATIVE COUNSEL'S DIGEST

SB 126, Cedillo. Bingo: remote caller bingo.

(1) The California Constitution allows the Legislature, by statute, to authorize cities and counties to provide for bingo games for charitable purposes. The California Remote Caller Bingo Act permits cities and counties to allow bingo games and remote caller bingo games, as defined, to be conducted by specified organizations for charitable purposes pursuant to an ordinance that allows those games to be conducted only in accordance with specified requirements. Existing law includes school districts among the organizations authorized to conduct bingo games, and includes charitable organizations affiliated with a school district among the organizations authorized to conduct remote caller bingo games.

This bill would delete the reference to school districts in the provisions specifying the organizations that may conduct bingo games and would instead authorize charitable organizations affiliated with a school district to conduct bingo games. The bill would set forth a model ordinance to authorize remote caller bingo. The bill would make other conforming changes.

(2) The act requires the California Gambling Control Commission, by May 1, 2009, to adopt emergency regulations concerning remote caller bingo and card-minding devices, effective for an initial period of 180 days, and permits one re-adoption of those emergency regulations for an additional period of 180 days. The commission is directed to complete the normal public notice and comment process, giving careful consideration to the comments of all interested parties.

This bill, instead, would provide that all emergency regulations adopted by the commission pursuant to these provisions before July 1, 2009, shall remain in effect until December 31, 2011, except to the extent that the commission exercises its power to adopt, amend, or repeal those regulations in whole or in part. The bill would delete the requirement that the commission complete the normal public notice and comment process.

(3) The act provides that an organization authorized to conduct a remote caller bingo game shall not have overhead costs, as defined, exceeding 20% of gross sales.

This bill would provide that fees paid to financial institutions for the use and processing of credit card sales may be deducted from the amount of gross revenues awarded for prizes and not included in overhead costs, as provided.

(4) The act requires an organization that conducts a remote caller bingo game to have the records pertaining to those games audited at least annually by an independent California certified public accountant and for copies of the audit report to be provided to the California Gambling Control Commission.

This bill would provide that the audit report shall account for the annual amount of fees paid to financial institutions for the use and processing of credit card sales and the amount redirected from overhead costs, as provided.

(5) The act requires the California Gambling Control Commission to establish reasonable criteria regulating, and to require the licensure and registration of, specified persons, including any person who provides services or equipment designed for use in the playing of remote caller bingo games by any nonprofit organization registered to conduct those bingo games.

This bill would delete the requirement that the commission establish criteria for the registration of the persons described above.

(6) The act requires the commission to establish reasonable criteria for, and to require the licensure and registration of, any person who provides card-minding devices or other equipment or services designed for use in the playing of bingo games by any nonprofit organization registered to conduct bingo games.

This bill would delete the requirement that the commission establish criteria for the registration of the persons described above.

(7) This bill would make various technical, nonsubstantive changes to the provisions governing remote caller bingo games.

(8) This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 19850.6 of the Business and Professions Code is amended to read:

19850.6. (a) In order to avoid delays in implementing the California Remote Caller Bingo Act, including implementing remote caller bingo, testing and certifying card-minding devices, and to avoid disruption of fundraising efforts by nonprofit organizations, the Legislature finds and declares that it is necessary to provide the commission with a limited exemption from normal rulemaking procedural requirements. The commission is directed to adopt appropriate emergency regulations as soon as possible, the initial regulatory action to be filed with the Office of Administrative Law no later than May 1, 2009. It is the intent of the Legislature to provide the commission with full authority and sufficient flexibility to adopt all needed regulations. These regulations may be adopted

in a series of regulatory actions. Subsequent regulatory actions may amend or repeal earlier regulatory actions, as necessary, to reflect program experience and concerns of the regulated public.

(b) The commission shall adopt emergency regulations concerning remote caller bingo and concerning card-minding devices no later than May 1, 2009. The adoption, amendment, repeal, or readoption of a regulation authorized by this section is deemed to address an emergency, for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the commission is hereby exempted for this purpose from the requirements of subdivision (b) of Section 11346.1 of the Government Code, but shall otherwise be subject to the review and approval of the Office of Administrative Law.

(c) Notwithstanding any other law, all emergency regulations adopted by the commission pursuant to this section before July 1, 2009, shall remain in effect until December 31, 2011, except to the extent that the commission exercises its power to adopt, amend, or repeal these regulations in whole or part.

SEC. 2. Section 326.3 of the Penal Code is amended to read:

326.3. (a) The Legislature finds and declares all of the following:

(1) Nonprofit organizations provide important and essential educational, philanthropic, and social services to the people of the State of California.

(2) One of the great strengths of California is a vibrant nonprofit sector.

(3) Nonprofit and philanthropic organizations touch the lives of every Californian through service and employment.

(4) Many of these services would not be available if nonprofit organizations did not provide them.

(5) There is a need to provide methods of fundraising to nonprofit organizations to enable them to provide these essential services.

(6) Historically, many nonprofit organizations have used charitable bingo as one of their key fundraising strategies to promote the mission of the charity.

(7) Legislation is needed to provide greater revenues for nonprofit organizations to enable them to fulfill their charitable purposes, and especially to meet their increasing social service obligations.

(8) Legislation is also needed to clarify that existing law requires that all charitable bingo must be played using a tangible card and that the only permissible electronic devices to be used by charitable bingo players are card-minding devices.

(b) Neither the prohibition on gambling in this chapter nor in Chapter 10 (commencing with Section 330) applies to any remote caller bingo game that is played or conducted in a city, county, or city and county pursuant to an ordinance enacted under Section 19 of Article IV of the California Constitution, if the ordinance allows a remote caller bingo game to be played or conducted only in accordance with the requirements of this section, including the following requirements:

(1) The game may be conducted only by the following organizations:

(A) An organization that is exempted from the payment of the bank and corporation tax by Section 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, 23701k, 23701w, or 23701l of the Revenue and Taxation Code.

(B) A mobilehome park association.

(C) A senior citizens organization.

(D) Charitable organizations affiliated with a school district.

(2) The organization conducting the game shall have been incorporated or in existence for three years or more.

(3) The organization conducting the game shall be licensed pursuant to subdivision (l) of Section 326.5.

(4) The receipts of the game shall be used only for charitable purposes. The organization conducting the game shall determine the disbursement of the net receipts of the game.

(5) The operation of bingo may not be the primary purpose for which the organization is organized.

(c) (1) A city, county, or city and county may adopt an ordinance in substantially the following form to authorize remote caller bingo in accordance with the requirements of subdivision (b):

Sec. __.01. Legislative Authorization.

This chapter is adopted pursuant to Section 19 of Article IV of the California Constitution, as implemented by Sections 326.3 and 326.4 of the Penal Code.

Sec. __.02. Remote Caller Bingo Authorized.

Remote Caller Bingo may be lawfully played in the [City, County, or City and County] pursuant to the provisions of Sections 326.3 and 326.4 of the Penal Code, and this chapter, and not otherwise.

Sec. __.03. Qualified Applicants: Applicants for Licensure.

(a) The following organizations are qualified to apply to the License Official for a license to operate a bingo game if the receipts of those games are used only for charitable purposes:

(1) An organization exempt from the payment of the Bank and Corporation Tax by Section 23701, 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, 23701k, or 23701w of the Revenue and Taxation Code.

(2) A mobile home park association of a mobile home park that is situated in the [City, County, or City and County].

(3) Senior citizen organizations.

(4) Charitable organizations affiliated with a school district.

(b) The application shall be in a form prescribed by the License Official and shall be accompanied by a nonrefundable filing fee in an amount determined by resolution of the [Governing Body of the City, County, or City and County] from time to time. The following documentation shall be attached to the application, as applicable:

(1) A certificate issued by the Franchise Tax Board certifying that the applicant is exempt from the payment of the Bank and Corporation Tax pursuant to Section 23701d of the Revenue and Taxation Code.

(2) Other evidence as the License Official determines is necessary to verify that the applicant is a duly organized mobile home park association of a mobile home park situated in the [City, County, or City and County].

Sec. __.04. License Application: Verification.

The license shall not be issued until the License Official has verified the facts stated in the application and determined that the applicant is qualified.

Sec. __.05. Annual Licenses.

A license issued pursuant to this chapter shall be valid until the end of the calendar year, at which time the license shall expire. A new license shall only be obtained upon filing a new application and payment of the license fee. The fact that a license has been issued to an applicant creates no vested right on the part of the licensee to continue to offer bingo for play. The [Governing Body of the City, County, or City and County] expressly reserves the right to amend or repeal this chapter at any time by resolution. If this chapter is repealed, all licenses issued pursuant to this chapter shall cease to be effective for any purpose on the effective date of the repealing resolution.

Sec. __.06. Conditions of Licensure.

(a) Any license issued pursuant to this chapter shall be subject to the conditions contained in Sections 326.3 and 326.4 of the Penal Code, and each licensee shall comply with the requirements of those provisions.

(b) Each license issued pursuant to this chapter shall be subject to the following additional conditions:

(1) Bingo games shall not be conducted by any licensee on more than two days during any week, except that a licensee may hold one additional game, at its election, in each calendar quarter.

(2) The licensed organization is responsible for ensuring that the conditions of this chapter and Sections 326.3 and 326.4 of the Penal Code are complied with by the organization and its officers and members. A violation of any one or more of those conditions or provisions shall constitute cause for the revocation of the organization's license. At the request of the organization, the [Governing Body of the City, County, or City and County] shall hold a public hearing before revoking any license issued pursuant to this chapter.

(2) Nothing in this section shall require a city, county, or city and county to use this model ordinance in order to authorize remote caller bingo.

(d) It is a misdemeanor for any person to receive or pay a profit, wage, or salary from any remote caller bingo game, provided that administrative, managerial, technical, financial, and security personnel employed by the organization conducting the bingo game may be paid reasonable fees for services rendered from the revenues of bingo games, as provided in subdivision (m), except that fees paid under those agreements shall not be determined as a percentage of receipts or other revenues from, or be dependant on the outcome of, the game.

(e) A violation of subdivision (d) shall be punishable by a fine not to exceed ten thousand dollars (\$10,000), which fine shall be deposited in the

general fund of the city, county, or city and county that enacted the ordinance authorizing the remote caller bingo game. A violation of any provision of this section, other than subdivision (d), is a misdemeanor.

(f) The city, county, or city and county that enacted the ordinance authorizing the remote caller bingo game, or the Attorney General, may bring an action to enjoin a violation of this section.

(g) No minors shall be allowed to participate in any remote caller bingo game.

(h) A remote caller bingo game shall not include any site that is not located within this state.

(i) An organization authorized to conduct a remote caller bingo game pursuant to subdivision (b) shall conduct the game only on property that is owned or leased by the organization, or the use of which is donated to the organization. Nothing in this subdivision shall be construed to require that the property that is owned or leased by, or the use of which is donated to, the organization be used or leased exclusively by, or donated exclusively to, that organization.

(j) (1) All remote caller bingo games shall be open to the public, not just to the members of the authorized organization.

(2) No more than 750 players may participate in a remote caller bingo game in a single location.

(3) If the Governor of California or the President of the United States declares a state of emergency in response to a natural disaster or other public catastrophe occurring in California, an organization authorized to conduct remote caller bingo games may, while that declaration is in effect, conduct a remote caller bingo game pursuant to this section with more than 750 participants in a single venue if the net proceeds of the game, after deduction of prizes and overhead expenses, are donated to or expended exclusively for the relief of the victims of the disaster or catastrophe, and the organization gives the California Gambling Control Commission at least 10 days' written notice of the intent to conduct that game.

(4) An organization authorized to conduct remote caller bingo games shall provide the commission with at least 30 days' advance written notice of its intent to conduct a remote caller bingo game. That notice shall include all of the following:

(A) The legal name of the organization and the address of record of the agent upon whom legal notice may be served.

(B) The locations of the caller and remote players, whether the property is owned by the organization or donated, and if donated, by whom.

(C) The name of the licensed caller and site manager.

(D) The names of administrative, managerial, technical, financial, and security personnel employed.

(E) The name of the vendor and any person or entity maintaining the equipment used to operate and transmit the game.

(F) The name of the person designated as having a fiduciary responsibility for the game pursuant to paragraph (2) of subdivision (k).

(G) The license numbers of all persons specified in subparagraphs (A) to (F), inclusive, who are required to be licensed.

(H) A copy of the local ordinance for any city, county, or city and county in which the game will be played. The commission shall post the ordinance on its Internet Web site.

(k) (1) A remote caller bingo game shall be operated and staffed only by members of the authorized organization that organized it. Those members shall not receive a profit, wage, or salary from any remote caller bingo game. Only the organization authorized to conduct a remote caller bingo game shall operate that game, or participate in the promotion, supervision, or any other phase of a remote caller bingo game. Subject to the provisions of subdivision (m), this subdivision shall not preclude the employment of administrative, managerial, technical, financial, or security personnel who are not members of the authorized organization at a location participating in the remote caller bingo game by the organization conducting the game. Notwithstanding any other provisions of law, exclusive or other agreements between the authorized organization and other entities or persons to provide services in the administration, management, or conduct of the game shall not be considered a violation of the prohibition against holding a legally cognizable financial interest in the conduct of the remote caller bingo game by persons or entities other than the charitable organization, or other entity authorized to conduct the remote caller bingo games, provided that those persons or entities obtain the gambling licenses, the key employee licenses, or the work permits required by, and otherwise comply with, Chapter 5 (commencing with Section 19800) of Division 8 of the Business and Professions Code. Fees to be paid under any such agreements shall be reasonable and shall not be determined as a percentage of receipts or other revenues from, or be dependent on the outcome of, the game.

(2) An organization that conducts a remote caller bingo game shall designate a person as having fiduciary responsibility for the game.

(l) No individual, corporation, partnership, or other legal entity, except the organization authorized to conduct or participate in a remote caller bingo game, shall hold a legally cognizable financial interest in the conduct of such a game.

(m) An organization authorized to conduct a remote caller bingo game pursuant to this section shall not have overhead costs exceeding 20 percent of gross sales, except that the limitations of this section shall not apply to one-time, nonrecurring capital acquisitions. For purposes of this subdivision, “overhead costs” includes, but is not limited to, amounts paid for rent and equipment leasing and the reasonable fees authorized to be paid to administrative, managerial, technical, financial, and security personnel employed by the organization pursuant to subdivision (d). For the purpose of keeping its overhead costs below 20 percent of gross sales, an authorized organization may elect to deduct all or a portion of the fees paid to financial institutions for the use and processing of credit card sales from the amount of gross revenues awarded for prizes. In that case, the redirected fees for the use and processing of credit card sales shall not be included in “overhead

costs” as defined in the California Remote Caller Bingo Act. Additionally, fees paid to financial institutions for the use and processing of credit card sales shall not be deducted from the proceeds retained by the charitable organization.

(n) No person shall be allowed to participate in a remote caller bingo game unless the person is physically present at the time and place where the remote caller bingo game is being conducted. A person shall be deemed to be physically present at the place where the remote caller bingo game is being conducted if he or she is present at any of the locations participating in the remote caller bingo game in accordance with this section.

(o) (1) An organization shall not cosponsor a remote caller bingo game with one or more other organizations unless one of the following is true:

(A) All of the cosponsors are affiliated under the master charter or articles and bylaws of a single organization.

(B) All of the cosponsors are affiliated through an organization described in paragraph (1) of subdivision (b), and have the same Internal Revenue Service activity code.

(2) Notwithstanding paragraph (1), a maximum of 10 unaffiliated organizations described in paragraph (1) of subdivision (b) may enter into an agreement to cosponsor a remote caller game, provided the game shall have not more than 10 locations.

(3) An organization shall not conduct remote caller bingo more than one day per week.

(4) Before sponsoring or operating any game authorized under paragraph (1) or (2), each of the cosponsoring organizations shall have entered into a written agreement, a copy of which shall be provided to the commission, setting forth how the expenses and proceeds of the game are to be allocated among the participating organizations, the bank accounts into which all receipts are to be deposited and from which all prizes are to be paid, and how game records are to be maintained and subjected to annual audit.

(p) The value of prizes awarded during the conduct of any remote caller bingo game shall not exceed 37 percent of the gross receipts for that game. When an authorized organization elects to deduct fees paid for the use and processing of credit card sales from the amount of gross revenues for that game awarded for prizes, the maximum amount of gross revenues that may be awarded for prizes shall not exceed 37 percent of the gross receipts for that game, less the amount of redirected fees paid for the use and processing of credit card sales. Every remote caller bingo game shall be played until a winner is declared. Progressive prizes are prohibited. The declared winner of a remote caller bingo game shall provide his or her identifying information and a mailing address to the onsite manager of the remote caller bingo game. Prizes shall be paid only by check; no cash prizes shall be paid. The organization conducting the remote caller bingo game may issue a check to the winner at the time of the game, or may send a check to the declared winner by United States Postal Service certified mail, return receipt requested. All prize money exceeding state and federal exemption limits on prize money shall be subject to income tax reporting and withholding

requirements under applicable state and federal laws and regulations and those reports and withholding shall be forwarded, within 10 business days, to the appropriate state or federal agency on behalf of the winner. A report shall accompany the amount withheld identifying the person on whose behalf the money is being sent. Any game interrupted by a transmission failure, electrical outage, or act of God shall be considered void in the location that was affected. A refund for a canceled game or games shall be provided to the purchasers.

(q) (1) The California Gambling Control Commission shall regulate remote caller bingo, including, but not limited to, licensure and operation. The commission shall establish reasonable criteria regulating, and shall require the licensure of, the following:

(A) Any person who conducts a remote caller bingo game pursuant to this section, including, but not limited to, an employee, a person having fiduciary responsibility for a remote caller bingo game, a site manager, and a bingo caller.

(B) Any person who directly or indirectly manufactures, distributes, supplies, vends, leases, or otherwise provides supplies, devices, services, or other equipment designed for use in the playing of a remote caller bingo game by any nonprofit organization.

(C) Beginning January 31, 2009, or a later date as may be established by the commission, all persons described in subparagraph (A) or (B) may submit to the commission a letter of intent to submit an application for licensure. The letter shall clearly identify the principal applicant, all categories under which the application will be filed, and the names of all those particular individuals who are applying. Each charitable organization shall provide an estimate of the frequency with which it plans to conduct remote caller bingo operations, including the number of locations. The letter of intent may be withdrawn or updated at any time.

(2) (A) The Department of Justice shall conduct background investigations and conduct field enforcement as it relates to remote caller bingo consistent with the Gambling Control Act (Chapter 5 (commencing with Section 19800) of Division 8 of the Business and Professions Code) and as specified in regulations promulgated by the commission.

(B) Fees to cover background investigation costs shall be paid and accounted for in accordance with Section 19867 of the Business and Professions Code.

(3) (A) Every application for a license or approval shall be accompanied by a nonrefundable fee, the amount of which shall be adopted by the commission by regulation.

(B) Fees and revenue collected pursuant to this paragraph shall be deposited in the California Bingo Fund, which is hereby created in the State Treasury. The funds deposited in the California Bingo Fund shall be available, upon appropriation by the Legislature, for expenditure by the commission and the department exclusively for the support of the commission and department in carrying out their duties and responsibilities under this section and Section 326.5.

(C) A loan is hereby authorized from the Gambling Control Fund to the California Bingo Fund on or after January 1, 2009, in an amount of up to five hundred thousand dollars (\$500,000) to fund operating, personnel, and other startup costs incurred by the commission relating to this act. Funds from the California Bingo Fund shall be available to the commission upon appropriation by the Legislature in the annual Budget Act. The loan shall be subject to all of the following conditions:

(i) The loan shall be repaid to the Gambling Control Fund as soon as there is sufficient money in the California Bingo Fund to repay the amount loaned, but no later than five years after the date of the loan.

(ii) Interest on the loan shall be paid from the California Bingo Fund at the rate accruing to moneys in the Pooled Money Investment Account.

(iii) The terms and conditions of the loan are approved, prior to the transfer of funds, by the Department of Finance pursuant to appropriate fiscal standards.

The commission may assess and collect reasonable fees and deposits as necessary to defray the costs of regulation and oversight.

(r) The administrative, managerial, technical, financial, and security personnel employed by an organization that conducts remote caller bingo games shall apply for, obtain, and thereafter maintain valid work permits, as defined in Section 19805 of the Business and Professions Code.

(s) An organization that conducts remote caller bingo games shall retain records in connection with the remote caller bingo game for five years.

(t) (1) All equipment used for remote caller bingo shall be approved in advance by the California Gambling Control Commission pursuant to regulations adopted pursuant to subdivision (r) of Section 19841 of the Business and Professions Code.

(2) The California Gambling Control Commission shall monitor operation of the transmission and other equipment used for remote caller bingo, and monitor the game.

(u) (1) As used in this section, “remote caller bingo game” means a game of bingo, as defined in subdivision (o) of Section 326.5, in which the numbers or symbols on randomly drawn plastic balls are announced by a natural person present at the site at which the live game is conducted, and the organization conducting the bingo game uses audio and video technology to link any of its in-state facilities for the purpose of transmitting the remote calling of a live bingo game from a single location to multiple locations owned, leased, or rented by that organization, or as described in subdivision (o) of this section. The audio or video technology used to link the facilities may include cable, Internet, satellite, broadband, or telephone technology, or any other means of electronic transmission that ensures the secure, accurate, and simultaneous transmission of the announcement of numbers or symbols in the game from the location at which the game is called by a natural person to the remote location or locations at which players may participate in the game. The drawing of each ball bearing a number or symbol by the natural person calling the game shall be visible to all players as the

ball is drawn, including through a simultaneous live video feed at remote locations at which players may participate in the game.

(2) The caller in the live game must be licensed by the California Gambling Control Commission. A game may be called by a nonlicensed caller if the drawing of balls and calling of numbers or symbols by that person is observed and personally supervised by a licensed caller.

(3) Remote caller bingo games shall be played using traditional paper or other tangible bingo cards and daubers, and shall not be played by using electronic devices, except card-minding devices, as described in paragraph (1) of subdivision (p) of Section 326.5.

(4) Prior to conducting a remote caller bingo game, the organization that conducts remote caller bingo shall submit to the commission the controls, methodology, and standards of game play, which shall include, but not be limited to, the equipment used to select bingo numbers and create or originate cards, control or maintenance, distribution to participating locations, and distribution to players. Those controls, methodologies, and standards shall be subject to prior approval by the commission, provided that the controls shall be deemed approved by the commission after 90 days from the date of submission unless disapproved.

(v) A location shall not be eligible to participate in a remote caller bingo game if bingo games are conducted at that location in violation of Section 326.5 or any regulation adopted by the commission pursuant to Section 19841 of the Business and Professions Code, including, but not limited to, a location at which unlawful electronic devices are used.

(w) (1) The vendor of the equipment used in a remote caller bingo game shall have its books and records audited at least annually by an independent California certified public accountant and shall submit the results of that audit to the California Gambling Control Commission within 120 days after the close of the vendor's fiscal year. In addition, the California Gambling Control Commission may audit the books and records of the vendor at any time.

(2) An authorized organization that conducts remote caller bingo games shall provide copies of the records pertaining to those games to the California Gambling Control Commission within 30 days after the end of each calendar quarter. In addition, those records shall be audited by an independent California certified public accountant at least annually and copies of the audit reports shall be provided to the California Gambling Control Commission within 120 days after the close of the organization's fiscal year. The audit report shall account for the annual amount of fees paid to financial institutions for the use and processing of credit card sales by the authorized organization and the amount of fees for the use and processing of credit card sales redirected from "overhead costs" and deducted from the amount of gross revenues awarded for prizes.

(3) The costs of the licensing and audits required by this section shall be borne by the person or entity required to be licensed or audited. The audit shall enumerate the receipts for remote caller bingo, the prizes disbursed, the overhead costs, and the amount retained by the nonprofit organization.

The commission may audit the books and records of an organization that conducts remote caller bingo games at any time.

(4) If, during an audit, the commission identifies practices in violation of this section, the license for the audited entity may be suspended pending review and hearing before the commission for a final determination.

(5) No audit required to be conducted by the commission shall commence before January 1, 2010.

(x) (1) The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

(2) Notwithstanding paragraph (1), if paragraph (1) or (3) of subdivision (u), or the application of either of those provisions, is held invalid, this entire section shall be invalid.

(y) The commission shall submit a report to the Legislature, on or before January 1, 2012, on the fundraising effectiveness and regulation of remote caller bingo, and other matters that are relevant to the public interest regarding remote caller bingo.

(z) The following definitions apply for purposes of this section:

(1) "Commission" means the California Gambling Control Commission.

(2) "Person" includes a natural person, corporation, limited liability company, partnership, trust, joint venture, association, or any other business organization.

SEC. 3. Section 326.45 of the Penal Code is amended to read:

326.45. Up to five hundred thousand dollars (\$500,000), as determined by order of the Director of Finance, is hereby appropriated from the California Bingo Fund to the California Gambling Control Commission for use in the 2008–09 fiscal year for the purposes described in subparagraph (C) of paragraph (3) of subdivision (q) of Section 326.3.

SEC. 4. Section 326.5 of the Penal Code is amended to read:

326.5. (a) Neither the prohibition on gambling in this chapter nor in Chapter 10 (commencing with Section 330) applies to any bingo game that is conducted in a city, county, or city and county pursuant to an ordinance enacted under Section 19 of Article IV of the State Constitution, if the ordinance allows games to be conducted only in accordance with this section and only by organizations exempted from the payment of the bank and corporation tax by Sections 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, 23701k, 23701w, and 23701l of the Revenue and Taxation Code and by mobilehome park associations, senior citizens organizations, and charitable organizations affiliated with a school district; and if the receipts of those games are used only for charitable purposes.

(b) It is a misdemeanor for any person to receive or pay a profit, wage, or salary from any bingo game authorized by Section 19 of Article IV of the State Constitution. Security personnel employed by the organization conducting the bingo game may be paid from the revenues of bingo games, as provided in subdivisions (j) and (k).

(c) A violation of subdivision (b) shall be punishable by a fine not to exceed ten thousand dollars (\$10,000), which fine is deposited in the general fund of the city, county, or city and county that enacted the ordinance authorizing the bingo game. A violation of any provision of this section, other than subdivision (b), is a misdemeanor.

(d) The city, county, or city and county that enacted the ordinance authorizing the bingo game may bring an action to enjoin a violation of this section.

(e) No minors shall be allowed to participate in any bingo game.

(f) An organization authorized to conduct bingo games pursuant to subdivision (a) shall conduct a bingo game only on property owned or leased by it, or property whose use is donated to the organization, and which property is used by that organization for an office or for performance of the purposes for which the organization is organized. Nothing in this subdivision shall be construed to require that the property owned or leased by, or whose use is donated to, the organization be used or leased exclusively by, or donated exclusively to, that organization.

(g) All bingo games shall be open to the public, not just to the members of the authorized organization.

(h) A bingo game shall be operated and staffed only by members of the authorized organization that organized it. Those members shall not receive a profit, wage, or salary from any bingo game. Only the organization authorized to conduct a bingo game shall operate such a game, or participate in the promotion, supervision, or any other phase of a bingo game. This subdivision does not preclude the employment of security personnel who are not members of the authorized organization at a bingo game by the organization conducting the game.

(i) No individual, corporation, partnership, or other legal entity, except the organization authorized to conduct a bingo game, shall hold a financial interest in the conduct of a bingo game.

(j) With respect to organizations exempt from payment of the bank and corporation tax by Section 23701d of the Revenue and Taxation Code, all profits derived from a bingo game shall be kept in a special fund or account and shall not be commingled with any other fund or account. Those profits shall be used only for charitable purposes.

(2) (A) Except as provided in subparagraph (B), a portion of the proceeds, not to exceed 20 percent of the proceeds before the deduction for prizes, or two thousand dollars (\$2,000) per month, whichever is less, may be used for the rental of property and for overhead, including the purchase of bingo

equipment, administrative expenses, security equipment, and security personnel.

(B) For the purposes of bingo games conducted by the Lake Elsinore Elks Lodge, a portion of the proceeds, not to exceed 20 percent of the proceeds before the deduction for prizes, or three thousand dollars (\$3,000) per month, whichever is less, may be used for the rental of property and for overhead, including the purchase of bingo equipment, administrative expenses, security equipment, and security personnel. Any amount of the proceeds that is additional to that permitted under subparagraph (A), up to one thousand dollars (\$1,000), shall be used for the purpose of financing the rebuilding of the facility and the replacement of equipment that was destroyed by fire in 2007. The exception to subparagraph (A) that is provided by this subparagraph shall remain in effect only until the cost of rebuilding the facility is repaid, or January 1, 2019, whichever occurs first.

(4) A city, county, or city and county that enacts an ordinance permitting bingo games may specify in the ordinance that if the monthly gross receipts from bingo games of an organization within this subdivision exceed five thousand dollars (\$5,000), a minimum percentage of the proceeds shall be used only for charitable purposes not relating to the conducting of bingo games and that the balance shall be used for prizes, rental of property, overhead, administrative expenses, and payment of license fees. The amount of proceeds used for rental of property, overhead, and administrative expenses is subject to the limitations specified in paragraph (2).

(l) (1) A city, county, or city and county may impose a license fee on each organization that it authorizes to conduct bingo games. (2) In lieu of the license fee permitted under paragraph (1), a city, county, or city and county may impose a license fee of fifty dollars (\$50) paid upon application. If an application for a license is denied, one-half of the application fee shall be refunded to the organization. An additional fee for law enforcement and public safety costs incurred by the city, county, or city and county that are directly related to bingo activities may be imposed and shall be collected monthly by the city, county, or city and county issuing the license; however, the fee shall not exceed the actual costs incurred in providing the service.
