AMENDED IN SENATE APRIL 13, 2009

SENATE BILL

No. 406

Introduced by Senator DeSaulnier

February 26, 2009

An act to amend Section 65040.6 of, and to add Section 65083 to, the Government Code, to amend Section 75125 of the Public Resources Code, and to add Section 9250.6 to the Vehicle Code, relating to land use.

LEGISLATIVE COUNSEL'S DIGEST

SB 406, as amended, DeSaulnier. Land use: environmental quality.

The Planning and Zoning Law establishes the Planning Advisory and Assistance Council in the Office of Planning and Research, and prescribes the membership and duties of the council. Existing law authorizes the Department of Motor Vehicles to collect a surcharge imposed on vehicle registration fees by ordinance or resolution of a local entity.

This bill would change the designated membership, as specified, of the Planning Advisory and Assistance Council and would require that the council work with the Strategic Growth Council, regional agencies, and cities and counties to facilitate the *development and* implementation of *sustainable community strategies or* regional blueprint projects, as specified. The bill would also require the council to report to the Legislature on specified regional performance measures and on the manner in which state agencies are implementing the 5-year infrastructure plan, as specified. The bill would authorize a municipal planning organization, as defined, a council of governments, as defined, or a county transportation commission and a subregional council of

governments jointly preparing a subregional sustainable communities strategy to adopt a resolution to impose a surcharge of ~~up to \$1 or \$2~~ on motor vehicles registered to an owner with an address in the entity's or entities' jurisdiction ~~that. The surcharge would be required to apply to an original vehicle registration occurring on or after 6 months following the adoption of the resolution, as specified, and to a renewal of registration with an expiration date on or after that 6-month period.~~ The surcharge would be collected by the Department of Motor Vehicles and, after deducting its administrative costs, would be transmitted to the entity or entities imposing the surcharge. The bill would require that the surcharge revenue *that exceeds \$1* be expended to develop and implement a regional blueprint plan and would specify that 5% of *all* the surcharge revenue be transmitted to the council for performance of its *specified* functions. The bill would provide that the council is to perform specified new functions only when the council has received sufficient revenue from this source.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. (a) The Legislature finds and declares the
- 2 following:
- 3 (1) Uncoordinated and unplanned growth together with a lack
- 4 of common goals to effect the public's interest in the conservation
- 5 and wise use of our lands pose a threat to the environment,
- 6 sustainable economic development, and the health, safety, and
- 7 high quality of life enjoyed by residents of this state.
- 8 (2) The enactment of Senate Bill 375 of the 2007–08 Regular
- 9 Session (Chapter 728 of the Statutes of 2008) and the establishment
- 10 of requirements for regional transportation plans to address
- 11 greenhouse gases can only be successfully implemented if regional
- 12 and local governments have the tools they need to collaboratively
- 13 plan for the type of growth that can achieve these goals, and if that
- 14 collaborative planning is coordinated with the efforts of the
- 15 Governor's Strategic Growth Council and other state agencies as
- 16 required by the enactment of Senate Bill 732 of the 2007–08
- 17 Regular Session (Chapter 729 of the Statutes of 2008).
- 18 (3) Therefore, it is in the public interest that state residents,
- 19 communities, local governments, and the private sector cooperate

1 and coordinate with one another in comprehensive, sustainable
2 land use planning.

3 (b) It is the intent of the Legislature to update the duties and
4 composition of the Planning Advisory and Assistance Council to
5 assist in the state's land use planning processes by providing
6 funding to support the development and implementation for
7 regional blueprints and related planning and to work with state
8 agencies providing funding for resource protection and local
9 infrastructure to facilitate coordination between state planning and
10 funding decisions and regional blueprints.
