

Introduced by Senator DuchenyFebruary 27, 2009

An act to amend Section 50408 of the Health and Safety Code, relating to housing.

LEGISLATIVE COUNSEL'S DIGEST

SB 608, as introduced, Ducheny. Department of Housing and Community Development: bond fund expenditures: report.

The Housing and Emergency Shelter Trust Fund Act of 2002 authorizes, for purposes of financing various existing housing and code enforcement programs, and additional specified programs subject to the enactment of enabling legislation, the issuance of bonds in the amount of \$2,100,000,000 pursuant to the State General Obligation Bond Law.

The Housing and Emergency Shelter Trust Fund Act of 2006 authorizes the issuance of bonds in the amount of \$2,850,000,000 pursuant to the State General Obligation Bond Law. Proceeds from the sale of these bonds are required to be used to finance various existing housing programs, capital outlay related to infill development, brownfield cleanup that promotes infill development, and housing-related parks.

Existing law requires the Department of Housing and Community Development, on or before December 31 of each year, to submit an annual report to the Governor and both houses of the Legislature on the operations and accomplishments during the previous fiscal year of the housing programs administered by the department.

This bill would require the department, in addition to housing programs, to include infrastructure programs in its annual report. The bill would also require the specified report to include certain information

relating to the programs funded under the Housing and Emergency Shelter Trust Fund Act of 2002 and the Housing and Emergency Shelter Trust Fund Act of 2006.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:
