SENATE BILL

No. 660

Introduced by Senator Wolk

February 27, 2009

An act to amend Section 1923.5 of, and to add Section 1923.1 to, the Civil Code, relating to reverse mortgages.

LEGISLATIVE COUNSEL'S DIGEST

SB 660, as amended, Wolk. Reverse mortgages.

Existing law defines and regulates reverse mortgage loans and provides a disclosure notice that a lender must provide an applicant, which informs the applicant that a reverse mortgage is a complex financial arrangement and advises the applicant of the wisdom of seeking financial counseling before entering the agreement. Existing law requires a lender to refer a prospective borrower to a housing counseling agency for counseling, as specified, prior to accepting a final and complete application for a reverse mortgage or assessing any fees, and prohibits a lender from accepting a final and complete reverse mortgage application without first receiving from the applicant, or his or her representative, a certification that the applicant has received loan counseling.

This bill would provide that a lender, broker, person, or entity that recommends the purchase of a reverse mortgage in anticipation of

financial gain owes the prospective borrower a duty of honesty, good faith, and fair dealing. The bill would prohibit a lender, broker, person, or entity from being deemed to have ~~breached~~ *breached* this duty *solely* based on the actions or omissions of the counseling agency. The bill would revise the disclosure notice provided to reverse mortgage applicants and would prohibit a lender from accepting a reverse mortgage loan application unless the lender provides the prospective borrower, prior to his or her meeting with the counseling agency, with a specified written checklist that conspicuously alerts the prospective borrower of subjects that he or she should discuss with the loan counselor. This bill would require that the counselor and the prospective borrower sign the checklist and return it to the lender. The bill would prohibit approval of the loan application until the signed checklist is provided to the lender. The bill would require that a copy of the checklist be provided to the borrower.
