An act to amend ~~Section 8276.4~~ of Sections 8276.2 and 8276.4 of, and to add Section 8276.5 to, the Fish and Game Code, relating to fish and game, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

SB 1093, as amended, Wiggins. ~~Ocean Protection Council: Dungeness crab task force.~~ *Dungeness crab: pilot program.*

**Existing**

(1) Existing law establishes the Ocean Protection Council and requires the council to, among other things, coordinate activities of state agencies that are related to the protection and conservation of coastal waters and ocean ecosystems to improve the effectiveness of state efforts to protect ocean resources within existing fiscal limitations.

Existing law requires the council to make a grant, upon appropriation of funding by the Legislature, for the development and administration of a Dungeness crab task force, and specifies the membership of the task force. Existing law requires the task force to cease to exist on January 1, 2011.

This bill would extend that date to January 1, 2014.

(2) Existing law authorizes the Director of Fish and Game to authorize one or more operators of commercial fishing vessels to take

*and land a limited number of Dungeness crab for the purpose of quality testing according to a testing program and prohibits the sale of crab taken pursuant to the testing program, except for edible crab meat, which may be used for charitable purposes.*

*This bill would instead allow the crab taken pursuant to the testing program to be sold, provided the proceeds of the sale are allocated to legitimate costs of the testing program, or used for charitable purposes.*

*(3) Existing law, until January 1, 2011, authorizes the placement of restrictions on a person's eligibility to take crab in state waters and offshore for commercial purposes.*

*This bill would extend the operation of this authorization to January 1, 2014. The bill would also authorize the director to institute a pilot program for Dungeness crab trap limits for all California permitholders. The bill would require the pilot program to contain specified requirements and prohibit the pilot program from being implemented, modified, eliminated, or added to without at least  $\frac{2}{3}$  of the non ex officio members of the Dungeness crab task force voting in favor.*

*(4) Existing law requires all money collected under the Fish and Game Code, or under any other law relating to the protection and preservation of birds, mammals, fish, reptiles, or amphibians, to be deposited into the Fish and Game Preservation Fund, unless otherwise provided.*

*The bill would require trap tag fees collected pursuant to the pilot program to be deposited in the Dungeness Crab Account of the Fish and Game Preservation Fund, created by this bill, and moneys in the account would be continuously appropriated to the department for purposes of administering the pilot program. The bill would authorize the department to borrow money from the General Fund for purposes of meeting the necessary expenses of initial organization and operation of the pilot program.*

*Vote: majority. Appropriation: ~~no~~-yes. Fiscal committee: yes. State-mandated local program: no.*

*The people of the State of California do enact as follows:*

- 1 *SECTION 1. Section 8276.2 of the Fish and Game Code is*
- 2 *amended to read:*
- 3 *8276.2. (a) The director may order a delay in the opening of*
- 4 *the Dungeness crab fishery after December 1 in Districts 6, 7, 8,*

1 and 9 in any year. The delay in the opening shall not be later than  
2 January 15 of any year.

3 (b) On or about November 1 of each year, the director may  
4 authorize one or more operators of commercial fishing vessels to  
5 take and land a limited number of Dungeness crab for the purpose  
6 of quality testing according to a testing program conducted by, or  
7 on behalf of, the Pacific States Marine Fisheries Commission or  
8 an entity approved by the department. The department shall not  
9 approve a testing program unless it is funded by the entity  
10 authorized to conduct the testing program. Crab taken pursuant to  
11 ~~this section shall not be sold; however, any edible crabmeat~~  
12 ~~recovered from the crabs tested shall not be wasted and may be~~  
13 *sold, provided the proceeds of the sale are allocated to legitimate*  
14 *costs of the testing program as determined by the director, or used*  
15 *for charitable purposes.*

16 (c) The director shall order the opening of the Dungeness crab  
17 season in Districts 6, 7, 8, and 9 on December 1 if the quality tests  
18 authorized in subdivision (b) indicate the Dungeness crabs are not  
19 soft-shelled or low quality. The entity authorized to conduct the  
20 approved testing program may test, or cause to be tested, crabs  
21 taken for quality and soft shells pursuant to the approved testing  
22 program. If the tests are conducted on or about November 1 and  
23 result in a finding that Dungeness crabs are soft-shelled or low  
24 quality, the director shall authorize a second test to be conducted  
25 on or about November 15 pursuant to the approved testing program.  
26 If the second test results in a finding that Dungeness crabs are  
27 soft-shelled or low quality, the director may order the season  
28 opening delayed for a period of 15 days and may authorize a third  
29 test to be conducted on or about December 1. If the third test results  
30 in a finding that Dungeness crabs remain soft-shelled or of low  
31 quality, the director may order the season opening delayed for a  
32 period of an additional 15 days and authorize a fourth test to be  
33 conducted. This procedure may continue to be followed, except  
34 that no tests shall be conducted after January 1 for that season, and  
35 the season opening shall not be delayed by the director later than  
36 January 15.

37 (d) This section shall become inoperative on April 1, 2012, and,  
38 as of January 1, 2013, is repealed, unless a later enacted statute  
39 that is enacted before January 1, 2013, deletes or extends the dates  
40 on which it becomes inoperative and is repealed.
