SENATE BILL

No. 1127

Introduced by Senator Oropeza

February 18, 2010

An act to add Section 712 to the Military and Veterans Code, relating to veterans.

LEGISLATIVE COUNSEL'S DIGEST

SB 1127, as amended, Oropeza. Veterans: ailments from various conflicts: information to family members.

Existing law establishes the Department of ~~Veterans~~ *Veterans Affairs* within state government and sets forth its powers and duties, including, but not limited to, administration of veterans benefits programs.

This bill would require the department to make available to family members of veterans returning from active duty user-friendly Internet resources that provide information on the signs of pertinent ailments from various conflicts, as specified, and printed material regarding those ailments at any public function of the department. ~~This bill would require counties, whenever possible, to make facilities available to the department or any of its official representatives or partners for the purpose of reintegration seminars, briefings, or lectures regarding those ailments.~~

~~By requiring counties to make facilities available to the department or any of its official representatives, this bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: ~~yes~~*no*.

The people of the State of California do enact as follows:

1 SECTION 1. Section 712 is added to the Military and Veterans
 2 Code, to read:
