An act to add Section 3040 to the Fish and Game Code, relating to hunting.

LEGISLATIVE COUNSEL'S DIGEST

SB 1179, as introduced, Hollingsworth. Free hunting days.

Existing law generally requires a license to take a bird or mammal. Existing law requires the Department of Fish and Game to issue licenses, upon payment of a fee, to eligible California residents and nonresidents, as specified.

This bill would require the department to establish 2 free hunting days per year. The bill would permit a California resident who does not possess a hunting license to hunt if accompanied by a person who holds a valid hunting license and if the unlicensed hunter remains in the field of vision of the licensed hunter at all times. The bill would authorize the department to require to demonstrate the safe operation of the firearm he or she intends to use prior to being authorized to participate in a free hunting day.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. The Legislature finds and declares the following:
- 2 (a) Hunters and fishermen, as the stewards of California wildlife,
- 3 have a long tradition of supporting California's natural resources
- 4 and wildlife through their efforts to enhance habitat and protect
- 5 species.

1 (b) Hunters and fishermen fund the Department of Fish and  
2 Game through their purchase of hunting and fishing licenses.

3 (c) Two free fishing days exist under California law, and it is  
4 the intent of the Legislature that two free hunting days be  
5 established to permit California residents to engage in hunting  
6 under certain conditions.

7 SEC. 2. Section 3040 is added to the Fish and Game Code, to  
8 read:

9 3040. (a) The commission, in consultation with the department,  
10 shall designate two days per year as “Free Hunting Days.” One  
11 free hunting day shall be established during the fall hunting season,  
12 and the other free hunting day shall be established during the winter  
13 hunting season. The exact dates of the free hunting days shall be  
14 published in the annual hunting regulations.

15 (b) During a free hunting day, a California resident who does  
16 not possess a valid hunting license may hunt if accompanied by a  
17 hunter who holds a valid hunting license issued by the State of  
18 California, provided that the unlicensed hunter is under the direct  
19 visual supervision of the licensed hunter at all times. A licensed  
20 hunter may accompany more than one unlicensed hunter.

21 (c) The department may require an unlicensed hunter, prior to  
22 being authorized to participate in a free hunting day, to demonstrate  
23 the safe operation of the firearm he or she intends to use. The  
24 authorized individuals who may evaluate whether the unlicensed  
25 hunter properly demonstrated the safe operation of a firearm are  
26 federally licensed firearms dealers with a State Certificate of  
27 Eligibility, an employee of such a federally licensed dealer, a  
28 Hunter Education Instructor certified by the department, or a  
29 licensed hunter who has held a valid hunting license for at least  
30 the last three consecutive years. The department may accept a  
31 signed affidavit from any of the authorized individuals as proof  
32 that the unlicensed hunter has complied with this subdivision.
