

AMENDED IN SENATE MARCH 25, 2010

SENATE BILL

No. 1260

Introduced by Senator Yee

February 19, 2010

~~An act to add Chapter 20.1 (commencing with Section 2704.30) to Division 3 of the Streets and Highways Code, relating to high-speed rail. An act to amend Section 23396.1 of the Business and Professions Code, relating to alcoholic beverages.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 1260, as amended, Yee. ~~High-speed rail. Alcoholic beverages: lodging establishments.~~

The Alcoholic Beverage Control Act authorizes motels and hotels having an on-sale general license for restricted service lodging establishments, as described, to sell or furnish alcoholic beverages for consumption on the premises by specified means.

This bill would extend that authorization to allow those motels and hotels having an on-sale general license for restricted service lodging establishments to sell or furnish beer and wine for consumption on the premises, where the beer or wine is sold in a food sale area, as defined, and consumed in specified areas of the motel or hotel.

The Alcoholic Beverage Control Act provides that a violation of any of its provisions for which another penalty or punishment is not specifically provided is a misdemeanor. By expanding the scope of an existing crime, thus, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state.

Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

~~Existing law, the California High-Speed Rail Act, creates the High-Speed Rail Authority to develop and implement a high-speed rail system in the state, with specified powers and duties. Existing law, pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, approved by the voters as Proposition 1A at the November 4, 2008, general election, provides for the issuance of \$9.95 billion in general obligation bonds for high-speed rail and related purposes.~~

~~This bill would state the intent of the Legislature to enact legislation to implement the bond act.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
 State-mandated local program: ~~no~~-yes.
