

Senate Bill No. 1458

Passed the Senate April 15, 2010

Secretary of the Senate

Passed the Assembly June 24, 2010

Chief Clerk of the Assembly

This bill was received by the Governor this _____ day
of _____, 2010, at _____ o'clock ____M.

Private Secretary of the Governor

CHAPTER _____

An act to amend Section 32130.6 of the Health and Safety Code, relating to public health, and declaring the urgency thereof, to take effect immediately.

LEGISLATIVE COUNSEL'S DIGEST

SB 1458, Cogdill. Hospital districts.

Existing law, the Local Health Care District Law, provides for the formation of hospital districts, provides for appointments of their governing boards, and sets forth their powers and duties.

Existing law authorizes a district to enter into a line of credit with a commercial lender that is secured, in whole or in part, by the accounts receivable or other intangible assets of the district, including anticipated tax revenues, and thereafter borrow funds against the line of credit to be used for any district purpose. Existing law requires this line of credit to be repaid within 5 years, except that it permits money borrowed under a line of credit established on or after January 1, 2010, for the sole purpose of consolidating debts incurred by a district prior to January 1, 2010, to be repaid within 20 years. Existing law establishes a maximum of \$2,000,000 at any one time under this line of credit.

This bill would recast these provisions to apply the \$2,000,000 maximum only to the consolidated line of credit incurred after January 1, 2010.

This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 32130.6 of the Health and Safety Code is amended to read:

32130.6. Notwithstanding any other provision of law, a district may do any of the following by resolution adopted by a majority of the district board:

(a) (1) Enter into a line of credit with a commercial lender that is secured, in whole or in part, by the accounts receivable or other intangible assets of the district, including anticipated tax revenues,

and thereafter borrow funds against the line of credit to be used for any district purpose.

(2) Any money borrowed under this line of credit pursuant to paragraph (1) shall be repaid within five years from each separate borrowing or draw upon the line of credit.

(3) The district may enter into a new and separate line of credit to repay a previous line of credit pursuant to paragraph (1), provided that the district complies with this section in entering into a new line of credit.

(4) Enter into a line of credit with a commercial lender for the sole purpose of consolidating debt incurred by the district prior to January 1, 2010. Debt incurred under this paragraph shall be repaid within 20 years of the consolidation borrowing. The total amount of debt that a district may have outstanding at any one time under this paragraph shall not exceed the amount of two million dollars (\$2,000,000).

(b) Enter into capital leases for the purchase by the district of equipment to be used for any district purpose.

(1) The term of any capital lease shall not be longer than 10 years.

(2) The district may secure the purchase of equipment by a capital lease by giving the lender a security interest in the equipment leased under the capital lease.

(c) Enter into lease-purchase agreements for the purchase by the district of real property, buildings, and facilities to be used for any district purpose. The term of any lease-purchase agreement shall not exceed 10 years.

(d) Nothing in this section shall provide the district with the authority to increase taxes in order to repay a line of credit established pursuant to subdivision (a) unless the tax is passed pursuant to Article 4.6 (commencing with Section 53750) of Chapter 4 of Part 1 of Division 2 of Title 5 of the Government Code.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to maximize the benefit to local health districts, at the earliest possible time, thereby facilitating the provision of health care services, it is necessary that this act take effect immediately.

Approved _____, 2010

Governor
