CHAPTER _____

An act to amend Section 42463 of the Public Resources Code, to amend Sections 61, 63.1, 69.5, 218, 401.10, 1604, 4831, 5096, 41030, 41031, 41032, 41136.1, 41137, 41137.1, 41138, 41139, 41140, 41141, 41142, 45855, 45863, 45981, and 45982 of, and to repeal Sections 1624.3, 1636.2, and 1636.5 of, the Revenue and Taxation Code, relating to taxation.

LEGISLATIVE COUNSEL'S DIGEST

SB 1494, Committee on Revenue and Taxation. Taxation.

(1) The California Constitution generally limits ad valorem taxes on real property to 1% of the full cash value of that property. For purposes of this limitation, “full cash value” is defined as the assessor’s valuation of real property as shown on the 1975–76 tax bill under “full cash value” or, thereafter, the appraised value of that real property when purchased, newly constructed, or a change in ownership has occurred. For purposes of these provisions, existing law specifies that taxable real property has changed ownership when that property is leased for 35 years or more, including renewal options. Existing law conclusively presumes that all homes that are eligible for the homeowners’ exemption, other than specified manufactured homes and floating homes, and that are on leased land are under a lease that have a renewal option of at least 35 years.

This bill would make technical, nonsubstantive changes to this provision.

(2) The California Constitution excludes from a “change in ownership” specified property transfers of a principal residence and the first \$1,000,000 of the value of other real property between parents and their children, as defined by the Legislature. Existing law includes as a transfer, the transfer of a present beneficial ownership of property through the medium of a trust. Existing law requires those seeking this exclusion to file a claim with the county assessor. The claim is not a public document, but may be inspected by the transferee and the transferor or their respective spouse, transferor’s or the transferee’s legal representative, and the executor or administrator of the transferee’s or transferor’s estate.

This bill would authorize the trustee of the transferee's trust to file a claim with the assessor and to furnish a written certification, as provided, and would further authorize the trustee of the transferee's or transferor's trust to inspect the claim.

(3) The California Constitution and existing property tax law authorize taxpayers to transfer the base year value, as defined, of property to replacement property, if the claimant, who is a person claiming the property tax relief, meets certain conditions. Existing law also authorizes the coowner of the original property, as a joint tenant, a tenant in common, or a community property owner, to claim the property tax relief, as provided. Existing law generally defines a person to be an individual.

This bill would clarify that the term "person" includes an individual who is the present beneficiary of a trust and that a coowner includes a present beneficiary of a trust.

(4) Existing property tax law provides, pursuant to a specified provision of the California Constitution, for a homeowners' property tax exemption in the amount of \$7,000 of the full value of a "dwelling," as defined.

This bill would clarify that a dwelling that is damaged in a misfortune or calamity is not disqualified from receiving the homeowners' exemption, if certain conditions are met. This bill would clarify that a dwelling that does not exist on the lien date because it has been totally destroyed is disqualified from receiving the homeowner's exemption until the structure has been replaced and is occupied as a dwelling.

This bill would also delete provisions providing that dwellings destroyed by specified disasters for which the Governor proclaimed a state of emergency are not disqualified from receiving the exemption, and would replace them with a general provision.

(5) Existing property tax law requires any property, not exempted from taxation by federal law or pursuant to the California Constitution, to be assessed at its full cash value. Existing law also establishes a rebuttable presumption of valuation at full value, provided certain conditions are met, for each taxable year from the 1984–85 tax year to the 2010–11 tax year, inclusive, for intercounty pipeline rights-of-way on publicly or privately owned property.

This bill would extend the application of this rebuttable presumption to the 2015–16 fiscal year.

(6) Existing law requires county boards to meet to equalize the assessment of property on the local roll, as provided, and authorizes a taxpayer to apply to a county assessment appeals board for an assessment reduction under a variety of circumstances, including for a reduction of the base year value, as defined, of real property. Existing property tax law requires that the taxpayer's opinion of value, as reflected on a timely filed application for reduction in an assessment of property, be the basis for the calculation of property taxes, where the county assessment appeals board has failed to hear evidence and make a final determination on that application within either 2 years of the filing of that application or an extension of that 2-year period. Existing law requires that the taxpayer's opinion of value be the basis for taxing the property described in the application for all succeeding tax years until the board acts upon the application, as provided. Existing law defines "county board" for purposes of this provision to mean a county board of supervisors meeting as a county board of equalization or an assessment appeals board.

This bill would replace the term "county assessment appeals board" with the term "county board" and would replace the terms "taxpayer" and "taxpayer's" with the terms "applicant" and "applicant's." This bill would also make other technical, nonsubstantive changes to this provision.

(7) Existing law prohibits a current member of an assessment appeals board, any alternate members of an assessment appeals board, or a hearing officer from representing an applicant for compensation on any application for equalization in the county in which the board member, the alternate member, or the hearing officer serves. Existing law requires a hearing officer to notify the clerk immediately upon filing an application on his or her own behalf, or upon his or her decision to represent his or her spouse, parent, or child in an assessment appeal, and requires the clerk to schedule the matter before an alternate assessment appeals board.

This bill would repeal those provisions.

(8) Existing property tax law allows the correction of certain errors resulting in incorrect entries on the property tax roll, as provided.

This bill would make clarifying revisions to this provision, and would make other technical, nonsubstantive changes.

(9) Existing law requires property taxes to be refunded if, among other circumstances, the taxes were paid on an assessment in excess of the equalized value of the property as determined pursuant to a specified statute by the county board of equalization.

This bill would change an obsolete statutory reference in this provision.

(10) Existing law, the Governor’s Reorganization Plan No. 1 of 2009, transferred duties of the Division of Telecommunications in the Department of General Services to the office of the State Chief Information Officer, including duties related to implementing revenue generating procedures for the 911 emergency telephone system. Existing law abolished the California Integrated Waste Management Board and transferred specified duties of that board to the Department of Resources Recycling and Recovery, including duties related to electronic waste.

This bill would make specific conforming changes to reflect the transfer of these duties.

(11) This bill would provide that specified sections will not become operative if AB 2408 is enacted prior to this bill.

The people of the State of California do enact as follows:

SEC. 2. Section 61 of the Revenue and Taxation Code is amended to read:

61. Except as otherwise provided in Section 62, change in ownership, as defined in Section 60, includes, but is not limited to:

(a) The creation, renewal, sublease, assignment, or other transfer of the right to produce or extract oil, gas, or other minerals regardless of the period during which the right may be exercised. The balance of the property, other than the mineral rights, shall not be reappraised pursuant to this section.

(b) The creation, renewal, extension, or assignment of a taxable possessory interest in tax exempt real property for any term. For purposes of this subdivision:

(1) “Renewal” and “extension” do not include the granting of an option to renew or extend an existing agreement pursuant to which the term of possession of the existing agreement would, upon exercise of the option, be lengthened, whether the option is granted in the original agreement or subsequent thereto.

(2) Any “renewal” or “extension” of a possessory interest during the reasonably anticipated term of possession used by the assessor to value that interest does not cause a change in ownership until the end of the reasonably anticipated term of possession used by the assessor to value that interest. At the end of the reasonably anticipated term of possession used by the assessor, a new base year value, based on a new reasonably anticipated term of possession, shall be established for the possessory interest.

(3) “Assignment” of a possessory interest means the transfer of all rights held by a transferor in a possessory interest.

(c) (1) (A) The creation of a leasehold interest in taxable real property for a term of 35 years or more (including renewal options).

(2) Only that portion of a property subject to that lease or transfer shall be considered to have undergone a change in ownership.

(3) For the purpose of this subdivision, for 1979–80 and each year thereafter, it shall be conclusively presumed that all homes eligible for the homeowners' exemption, other than manufactured homes located on rented or leased land and subject to taxation pursuant to Part 13 (commencing with Section 5800) and floating homes subject to taxation pursuant to Section 229, that are on leased land have a renewal option of at least 35 years on the lease of that land, whether or not in fact that renewal option exists in any contract or agreement.

(d) (1) (A) A sublease of a taxable possessory interest in tax-exempt real property for a term, including renewal options, that exceeds half the length of the remaining term of the leasehold, including renewal options.

(B) The termination of a sublease of a taxable possessory interest in tax-exempt property with an original term, including renewal options, that exceeds half the length of the remaining term of the leasehold, including renewal options.

(e) The creation, transfer, or termination of any joint tenancy interest, except as provided in subdivision (f) of Section 62, and in Section 63 and Section 65.

(f) The creation, transfer, or termination of any tenancy-in-common interest, except as provided in subdivision (a) of Section 62 and in Section 63.

(g) Any vesting of the right to possession or enjoyment of a remainder or reversionary interest that occurs upon the termination of a life estate or other similar precedent property interest, except as provided in subdivision (d) of Section 62 and in Section 63.

(i) The transfer of stock of a cooperative housing corporation, vested with legal title to real property that conveys to the transferee the exclusive right to occupancy and possession of that property, or a portion thereof. A “cooperative housing corporation” is a real estate development in which membership in the corporation, by stock ownership, is coupled with the exclusive right to possess a portion of the real property.

(j) The transfer of any interest in real property between a corporation, partnership, or other legal entity and a shareholder, partner, or any other person.

SEC. 3. Section 63.1 of the Revenue and Taxation Code is amended to read:

63.1. (a) Notwithstanding any other provision of this chapter, a change in ownership shall not include the following purchases or transfers for which a claim is filed pursuant to this section:

(1) (A) The purchase or transfer of real property which is the principal residence of an eligible transferor in the case of a purchase or transfer between parents and their children.

(B) A purchase or transfer of a principal residence from a foster child to the child’s biological parent shall not be excluded under subparagraph (A) if the transferor child received that principal residence, or interest therein, from a foster parent through a purchase or transfer that was excluded under subparagraph (A).

(2) The purchase or transfer of the first one million dollars (\$1,000,000) of full cash value of all other real property of an eligible transferor in the case of a purchase or transfer between parents and their children.

(3) (A) Subject to subparagraph (B), the purchase or transfer of real property described in paragraphs (1) and (2) of subdivision (a) occurring on or after March 27, 1996, between grandparents and their grandchild or grandchildren, if all of the parents of that grandchild or those grandchildren, who qualify as the children of the grandparents, are deceased as of the date of purchase or transfer. Notwithstanding any other provision of law, for the lien date for the 2006–07 fiscal year and each fiscal year thereafter, in determining whether “all of the parents of that grandchild or those grandchildren, who qualify as the children of the grandparents, are deceased as of the date of purchase or transfer,” a son-in-law or daughter-in-law of the grandparent that is a stepparent to the grandchild need not be deceased on the date of the transfer.

(B) A purchase or transfer of a principal residence shall not be excluded pursuant to subparagraph (A) if the transferee grandchild or grandchildren also received a principal residence, or interest therein, through another purchase or transfer that was excludable pursuant to paragraph (1) of subdivision (a). The full cash value of any real property, other than a principal residence, that was transferred to the grandchild or grandchildren pursuant to a purchase or transfer that was excludable pursuant to paragraph (2) of subdivision (a) and the full cash value of a principal residence that fails to qualify for exclusion as a result of the preceding sentence shall be included in applying, for purposes of paragraph (2) of subdivision (a), the one million dollar (\$1,000,000) full cash value limit specified in paragraph (2) of subdivision (a).

(b) (1) For purposes of paragraph (1) of subdivision (a), “principal residence” means a dwelling that is eligible for a homeowners’ exemption or a disabled veterans’ exemption as a result of the transferor’s ownership and occupation of the dwelling. “Principal residence” includes only that portion of the land underlying the residence that consists of an area of reasonable size that is used as a site for the residence.

(2) For purposes of paragraph (2) of subdivision (a), the one-million-dollar (\$1,000,000) exclusion shall apply separately to each eligible transferor with respect to all purchases by and transfers to eligible transferees on and after November 6, 1986, of real property, other than the principal residence, of that eligible transferor. The exclusion shall not apply to any property in which the eligible transferor’s interest was received through a transfer, or transfers, excluded from change in ownership by the provisions of either subdivision (f) of Section 62 or subdivision (b) of Section 65, unless the transferor qualifies as an original transferor under subdivision (b) of Section 65. In the case of any purchase or transfer subject to this paragraph involving two or more eligible transferors, the transferors may elect to combine their separate one-million-dollar (\$1,000,000) exclusions and, upon making that election, the combined amount of their separate exclusions shall apply to any property jointly sold or transferred by the electing transferors, provided that in no case shall the amount of full cash value of real property of any one eligible transferor excluded under this election exceed the amount of the transferor’s separate unused exclusion on the date of the joint sale or transfer.

(c) As used in this section:

(1) “Purchase or transfer between parents and their children” means either a transfer from a parent or parents to a child or children of the parent or parents or a transfer from a child or children to a parent or parents of the child or children. For purposes of this section, the date of any transfer between parents and their children under a will or intestate succession shall be the date of the decedent’s death, if the decedent died on or after November 6, 1986.

(2) “Purchase or transfer of real property between grandparents and their grandchild or grandchildren” means a purchase or transfer on or after March 27, 1996, from a grandparent or grandparents to a grandchild or grandchildren if all of the parents of that grandchild or those grandchildren who qualify as the children of the grandparents are deceased as of the date of the transfer. For purposes of this section, the date of any transfer between grandparents and their grandchildren under a will or by intestate succession shall be the date of the decedent’s death. Notwithstanding any other provision of law, for the lien date for the 2006–07 fiscal year and each fiscal year thereafter, in determining whether “all of the parents of that grandchild or those grandchildren, who qualify as the children of the grandparents, are deceased as of the date of purchase or transfer,” a son-in-law or daughter-in-law of the grandparent that is a stepparent to the grandchild need not be deceased on the date of the transfer.

(3) “Children” means any of the following:

(A) Any child born of the parent or parents, except a child, as defined in subparagraph (D), who has been adopted by another person or persons.

(B) Any stepchild of the parent or parents and the spouse of that stepchild while the relationship of stepparent and stepchild exists. For purposes of this paragraph, the relationship of stepparent and stepchild shall be deemed to exist until the marriage on which the relationship is based is terminated by divorce, or, if the relationship is terminated by death, until the remarriage of the surviving stepparent.

(C) Any son-in-law or daughter-in-law of the parent or parents. For the purposes of this paragraph, the relationship of parent and son-in-law or daughter-in-law shall be deemed to exist until the marriage on which the relationship is based is terminated by

divorce, or, if the relationship is terminated by death, until the remarriage of the surviving son-in-law or daughter-in-law.

(D) Any child adopted by the parent or parents pursuant to statute, other than an individual adopted after reaching the age of 18 years.

(E) Any foster child of a state-licensed foster parent, if that child was not, because of a legal barrier, adopted by the foster parent or foster parents before the child aged out of the foster care system. For purposes of this paragraph, the relationship between a foster child and foster parent shall be deemed to exist until terminated by death. However, for purposes of a transfer that occurs on the date of death, the relationship shall be deemed to exist on the date of death.

(4) “Grandchild” or “grandchildren” means any child or children of the child or children of the grandparent or grandparents.

(5) “Full cash value” means full cash value, as defined in Section 2 of Article XIII A of the California Constitution and Section 110.1, with any adjustments authorized by those sections, and the full value of any new construction in progress, determined as of the date immediately prior to the date of a purchase by or transfer to an eligible transferee of real property subject to this section.

(6) “Eligible transferor” means a grandparent, parent, or child of an eligible transferee.

(7) “Eligible transferee” means a parent, child, or grandchild of an eligible transferor.

(8) “Real property” means real property as defined in Section 104. Real property does not include any interest in a legal entity.

(9) “Transfer” includes, and is not limited to, any transfer of the present beneficial ownership of property from an eligible transferor to an eligible transferee through the medium of an inter vivos or testamentary trust.

(10) “Social security number” also includes a taxpayer identification number issued by the Internal Revenue Service in the case in which the taxpayer is a foreign national who cannot obtain a social security number.

(d) (1) The exclusions provided for in subdivision (a) shall not be allowed unless the eligible transferee, the transferee’s legal representative, the trustee of the transferee’s trust, or the executor or administrator of the transferee’s estate files a claim with the

assessor for the exclusion sought and furnishes to the assessor each of the following:

(A) A written certification by the transferee, the transferee's legal representative, the trustee of the transferee's trust, or the executor or administrator of the transferee's estate, signed and made under penalty of perjury that the transferee is a parent, child, or grandchild of the transferor and that the transferor is his or her parent, child, or grandparent. In the case of a grandparent-grandchild transfer, the written certification shall also include a certification that all the parents of the grandchild or grandchildren who qualify as children of the grandparents were deceased as of the date of the purchase or transfer and that the grandchild or grandchildren did or did not receive a principal residence excludable under paragraph (1) of subdivision (a) from the deceased parents, and that the grandchild or grandchildren did or did not receive real property other than a principal residence excludable under paragraph (2) of subdivision (a) from the deceased parents. The claimant shall provide legal substantiation of any matter certified pursuant to this subparagraph at the request of the county assessor.

(B) A written certification by the transferor, the transferor's legal representative, the trustee of the transferor's trust, or the executor or administrator of the transferor's estate, signed and made under penalty of perjury that the transferor is a grandparent, parent, or child of the transferee and that the transferor is seeking the exclusion under this section and will not file a claim to transfer the base year value of the property under Section 69.5.

(C) A written certification shall also include either or both of the following:

(i) If the purchase or transfer of real property includes the purchase or transfer of residential real property, a certification that the residential real property is or is not the transferor's principal residence.

(ii) If the purchase or transfer of real property includes the purchase or transfer of real property other than the transferor's principal residence, a certification that other real property of the transferor that is subject to this section has or has not been previously sold or transferred to an eligible transferee, the total amount of full cash value, as defined in subdivision (c), of any real property subject to this section that has been previously sold

or transferred by that transferor to eligible transferees, the location of that real property, the social security number of each eligible transferor, and the names of the eligible transferees of that property.

(D) If there are multiple transferees, the certification and signature may be made by any one of the transferees, if both of the following conditions are met:

(i) The transferee has actual knowledge that, and the certification signed by the transferee states that, all of the transferees are eligible transferees within the meaning of this section.

(ii) The certification is signed by the transferee as a true statement made under penalty of perjury.

(E) In the case of a transfer between a foster parent and foster child, the claim filed with the assessor shall include a certified copy of the court decision regarding the foster child status of the individual and a certified statement from the appropriate county agency stating that the foster child was not, because of a legal barrier, adopted by the foster parent or foster parents. Upon a request by the county assessor, the claimant also shall provide to the assessor legal substantiation of any matter certified under this subparagraph.

(2) If the full cash value of the real property purchased by or transferred to the transferee exceeds the permissible exclusion of the transferor or the combined permissible exclusion of the transferors, in the case of a purchase or transfer from two or more joint transferors, taking into account any previous purchases by or transfers to an eligible transferee from the same transferor or transferors, the transferee shall specify in his or her claim the amount and the allocation of the exclusion he or she is seeking. Within any appraisal unit, as determined in accordance with subdivision (d) of Section 51 by the assessor of the county in which the real property is located, the exclusion shall be applied only on a pro rata basis, however, and shall not be applied to a selected portion or portions of the appraisal unit.

(e) (1) The State Board of Equalization shall design the form for claiming eligibility. Except as provided in paragraph (2), any claim under this section shall be filed:

(A) For transfers of real property between parents and their children occurring prior to September 30, 1990, within three years after the date of the purchase or transfer of real property for which the claim is filed.

(B) For transfers of real property between parents and their children occurring on or after September 30, 1990, and for the purchase or transfer of real property between grandparents and their grandchildren occurring on or after March 27, 1996, within three years after the date of the purchase or transfer of real property for which the claim is filed, or prior to transfer of the real property to a third party, whichever is earlier.

(C) Notwithstanding subparagraphs (A) and (B), a claim shall be deemed to be timely filed if it is filed within six months after the date of mailing of a notice of supplemental or escape assessment, issued as a result of the purchase or transfer of real property for which the claim is filed.

(2) In the case in which the real property subject to purchase or transfer has not been transferred to a third party, a claim for exclusion under this section that is filed subsequent to the expiration of the filing periods set forth in paragraph (1) shall be considered by the assessor, subject to all of the following conditions:

(A) Any exclusion granted pursuant to that claim shall apply commencing with the lien date of the assessment year in which the claim is filed.

(B) Under any exclusion granted pursuant to that claim, the adjusted full cash value of the subject real property in the assessment year described in subparagraph (A) shall be the adjusted base year value of the subject real property in the assessment year in which the excluded purchase or transfer took place, factored to the assessment year described in subparagraph (A) for both of the following:

(i) Inflation as annually determined in accordance with paragraph (1) of subdivision (a) of Section 51.

(ii) Any subsequent new construction occurring with respect to the subject real property.

(3) (A) Unless otherwise expressly provided, the provisions of this subdivision shall apply to any purchase or transfer of real property that occurred on or after November 6, 1986.

(B) Paragraph (2) shall apply to purchases or transfers between parents and their children that occurred on or after November 6, 1986, and to purchases or transfers between grandparents and their grandchildren that occurred on or after March 27, 1996.

(4) For purposes of this subdivision, a transfer of real property to a parent or child of the transferor shall not be considered a transfer to a third party.

(f) The assessor may report quarterly to the State Board of Equalization all purchases or transfers, other than purchases or transfers involving a principal residence, for which a claim for exclusion is made pursuant to subdivision (d). Each report shall contain the assessor's parcel number for each parcel for which the exclusion is claimed, the amount of each exclusion claimed, the social security number of each eligible transferor, and any other information the board may require in order to monitor the one-million-dollar (\$1,000,000) limitation in paragraph (2) of subdivision (a). In recognition of the state and local interests served by the action made optional in this subdivision, the Legislature encourages the assessor to continue taking the action formerly mandated by this subdivision.

(g) This section shall apply to both voluntary transfers and transfers resulting from a court order or judicial decree. Nothing in this subdivision shall be construed as conflicting with paragraph (1) of subdivision (c) or the general principle that transfers by reason of death occur at the time of death.

(h) (1) Except as provided in paragraph (2), this section shall apply to purchases and transfers of real property completed on or after November 6, 1986, and shall not be effective for any change in ownership, including a change in ownership arising on the date of a decedent's death, that occurred prior to that date.

(2) This section shall apply to purchases or transfers of real property between grandparents and their grandchildren occurring on or after March 27, 1996, and, with respect to purchases or transfers of real property between grandparents and their grandchildren, shall not be effective for any change in ownership, including a change in ownership arising on the date of a decedent's death, that occurred prior to that date.

(i) A claim filed under this section is not a public document and is not subject to public inspection, except that a claim shall be available for inspection by the transferee and the transferor or their respective spouse, the transferee's legal representative, the transferor's legal representative, the trustee of the transferee's trust, the trustee of the transferor's trust, and the executor or administrator of the transferee's or transferor's estate.

(j) (1) If the assessor notifies the transferee in writing of potential eligibility for exclusion from change in ownership under this section, a certified claim for exclusion shall be filed with the assessor within 45 days of the date of the notice of potential eligibility. If a certified claim for exclusion is not filed within 45 days, the assessor may send a second notice of potential eligibility for exclusion, notifying the transferee that a certified claim for exclusion has not been received and that reassessment of the property will commence unless a certified claim for exclusion is filed within 60 days of the date of the second notice of potential eligibility. The second notice of potential eligibility shall indicate whether a certified claim for exclusion that is not filed within 60 days will be subject to a processing fee as provided in paragraph (2).

(2) If a certified claim for exclusion is not filed within 60 days of the date of the second notice of potential eligibility and an eligible transferee subsequently files a claim and qualifies for the exclusion, the assessor may, upon authorization by a county board of supervisors, require an eligible transferee to pay a one-time processing fee, collected at the time the claim is submitted, and reimbursed by the assessor if the claim is ineligible. The fee shall be subject to the provisions of Chapter 12.5 (commencing with Section 54985) of Part 1 of Division 2 of Title 5 of the Government Code and shall not exceed the amount of the actual and reasonable costs incurred by the assessor for reassessment work done due to failure to file the claim for exclusion or one hundred seventy-five dollars (\$175), whichever is less.

(3) The failure to file a certified claim for exclusion within the filing periods specified by this subdivision shall not be construed to limit any exclusion from being granted pursuant to a claim filed within the filing periods specified by subdivision (e).

SEC. 4. Section 69.5 of the Revenue and Taxation Code is amended to read:

69.5. (a) (1) Notwithstanding any other provision of law, pursuant to subdivision (a) of Section 2 of Article XIII A of the California Constitution, any person over the age of 55 years, or any severely and permanently disabled person, who resides in property that is eligible for the homeowners' exemption under subdivision (k) of Section 3 of Article XIII of the California Constitution and Section 218 may transfer, subject to the conditions

and limitations provided in this section, the base year value of that property to any replacement dwelling of equal or lesser value that is located within the same county and is purchased or newly constructed by that person as his or her principal residence within two years of the sale by that person of the original property, provided that the base year value of the original property shall not be transferred to the replacement dwelling until the original property is sold.

(2) Notwithstanding the limitation in paragraph (1) requiring that the original property and the replacement dwelling be located in the same county, this limitation shall not apply in any county in which the county board of supervisors, after consultation with local affected agencies within the boundaries of the county, adopts an ordinance making the provisions of paragraph (1) also applicable to situations in which replacement dwellings are located in that county and the original properties are located in another county within this state. The authorization contained in this paragraph shall be applicable in a county only if the ordinance adopted by the board of supervisors complies with all of the following requirements:

(A) It is adopted only after consultation between the board of supervisors and all other local affected agencies within the county's boundaries.

(B) It requires that all claims for transfers of base year value from original property located in another county be granted if the claims meet the applicable requirements of both subdivision (a) of Section 2 of Article XIII A of the California Constitution and this section.

(C) It requires that all base year valuations of original property located in another county and determined by its assessor be accepted in connection with the granting of claims for transfers of base year value.

(D) It provides that its provisions are operative for a period of not less than five years.

(E) The ordinance specifies the date on and after which its provisions shall be applicable. However, the date specified shall not be earlier than November 9, 1988. The specified applicable date may be a date earlier than the date the county adopts the ordinance.

(b) In addition to meeting the requirements of subdivision (a), any person claiming the property tax relief provided by this section shall be eligible for that relief only if the following conditions are met:

(1) The claimant is an owner and a resident of the original property either at the time of its sale, or at the time when the original property was substantially damaged or destroyed by misfortune or calamity, or within two years of the purchase or new construction of the replacement dwelling.

(2) The original property is eligible for the homeowners' exemption, as the result of the claimant's ownership and occupation of the property as his or her principal residence, either at the time of its sale, or at the time when the original property was substantially damaged or destroyed by misfortune or calamity, or within two years of the purchase or new construction of the replacement dwelling.

(3) At the time of the sale of the original property, the claimant or the claimant's spouse who resides with the claimant is at least 55 years of age, or is severely and permanently disabled.

(4) At the time of claiming the property tax relief provided by subdivision (a), the claimant is an owner of a replacement dwelling and occupies it as his or her principal place of residence and, as a result thereof, the property is currently eligible for the homeowners' exemption or would be eligible for the exemption except that the property is already receiving the exemption because of an exemption claim filed by the previous owner.

(5) The original property of the claimant is sold by him or her within two years of the purchase or new construction of the replacement dwelling. For purposes of this paragraph, the purchase or new construction of the replacement dwelling includes the purchase of that portion of land on which the replacement building, structure, or other shelter constituting a place of abode of the claimant will be situated and that, pursuant to paragraph (3) of subdivision (g), constitutes a part of the replacement dwelling.

(6) The replacement dwelling, including that portion of land on which it is situated that is specified in paragraph (5), is located entirely within the same county as the claimant's original property.

(7) The claimant has not previously been granted, as a claimant, the property tax relief provided by this section, except that this paragraph shall not apply to any person who becomes severely

and permanently disabled subsequent to being granted, as a claimant, the property tax relief provided by this section for any person over the age of 55 years. In order to prevent duplication of claims under this section within this state, county assessors shall report quarterly to the State Board of Equalization that information from claims filed in accordance with subdivision (f) and from county records as is specified by the board necessary to identify fully all claims under this section allowed by assessors and all claimants who have thereby received relief. The board may specify that the information include all or a part of the names and social security numbers of claimants and their spouses and the identity and location of the replacement dwelling to which the claim applies. The information may be required in the form of data processing media or other media and in a format that is compatible with the recordkeeping processes of the counties and the auditing procedures of the state.

(c) The property tax relief provided by this section shall be available if the original property or the replacement dwelling, or both, of the claimant includes, but is not limited to, either of the following:

(1) A unit or lot within a cooperative housing corporation, a community apartment project, a condominium project, or a planned unit development. If the unit or lot constitutes the original property of the claimant, the assessor shall transfer to the claimant's replacement dwelling only the base year value of the claimant's unit or lot and his or her share in any common area reserved as an appurtenance of that unit or lot. If the unit or lot constitutes the replacement dwelling of the claimant, the assessor shall transfer the base year value of the claimant's original property only to the unit or lot of the claimant and any share of the claimant in any common area reserved as an appurtenance of that unit or lot.

(2) A manufactured home or a manufactured home and any land owned by the claimant on which the manufactured home is situated. For purposes of this paragraph, "land owned by the claimant" includes a pro rata interest in a resident-owned mobilehome park that is assessed pursuant to subdivision (b) of Section 62.1.

(A) If the manufactured home or the manufactured home and the land on which it is situated constitutes the claimant's original property, the assessor shall transfer to the claimant's replacement dwelling either the base year value of the manufactured home or

the base year value of the manufactured home and the land on which it is situated, as appropriate. If the manufactured home dwelling that constitutes the original property of the claimant includes an interest in a resident-owned mobilehome park, the assessor shall transfer to the claimant's replacement dwelling the base year value of the claimant's manufactured home and his or her pro rata portion of the real property of the park. No transfer of base year value shall be made by the assessor of that portion of land that does not constitute a part of the original property, as provided in paragraph (4) of subdivision (g).

(B) If the manufactured home or the manufactured home and the land on which it is situated constitutes the claimant's replacement dwelling, the assessor shall transfer the base year value of the claimant's original property either to the manufactured home or the manufactured home and the land on which it is situated, as appropriate. If the manufactured home dwelling that constitutes the replacement dwelling of the claimant includes an interest in a resident-owned mobilehome park, the assessor shall transfer the base year value of the claimant's original property to the manufactured home of the claimant and his or her pro rata portion of the park. No transfer of base year value shall be made by the assessor to that portion of land that does not constitute a part of the replacement dwelling, as provided in paragraph (3) of subdivision (g).

This subdivision shall be subject to the limitations specified in subdivision (d).

(d) The property tax relief provided by this section shall be available to a claimant who is the coowner of the original property, as a joint tenant, a tenant in common, a community property owner, or a present beneficiary of a trust subject to the following limitations:

(1) If a single replacement dwelling is purchased or newly constructed by all of the coowners and each coowner retains an interest in the replacement dwelling, the claimant shall be eligible under this section whether or not any or all of the remaining coowners would otherwise be eligible claimants.

(2) If two or more replacement dwellings are separately purchased or newly constructed by two or more coowners and more than one coowner would otherwise be an eligible claimant, only one coowner shall be eligible under this section. These

coowners shall determine by mutual agreement which one of them shall be deemed eligible.

(3) If two or more replacement dwellings are separately purchased or newly constructed by two coowners who held the original property as community property, only the coowner who has attained the age of 55 years, or is severely and permanently disabled, shall be eligible under this section. If both spouses are over 55 years of age, they shall determine by mutual agreement which one of them is eligible.

In the case of coowners whose original property is a multiunit dwelling, the limitations imposed by paragraphs (2) and (3) shall only apply to coowners who occupied the same dwelling unit within the original property at the time specified in paragraph (2) of subdivision (b).

(e) Upon the sale of original property, the assessor shall determine a new base year value for that property in accordance with subdivision (a) of Section 2 of Article XIII A of the California Constitution and Section 110.1, whether or not a replacement dwelling is subsequently purchased or newly constructed by the former owner or owners of the original property.

This section shall not apply unless the transfer of the original property is a change in ownership that either (1) subjects that property to reappraisal at its current fair market value in accordance with Section 110.1 or 5803 or (2) results in a base year value determined in accordance with this section, Section 69, or Section 69.3 because the property qualifies under this section, Section 69, or Section 69.3 as a replacement dwelling or property.

(f) (1) A claimant shall not be eligible for the property tax relief provided by this section unless the claimant provides to the assessor, on a form that shall be designed by the State Board of Equalization and that the assessor shall make available upon request, the following information:

(A) The name and social security number of each claimant and of any spouse of the claimant who is a record owner of the replacement dwelling.

(B) Proof that the claimant or the claimant's spouse who resided on the original property with the claimant was, at the time of its sale, at least 55 years of age, or severely and permanently disabled. Proof of severe and permanent disability shall be considered a certification, signed by a licensed physician and surgeon of

appropriate specialty, attesting to the claimant's severely and permanently disabled condition. In the absence of available proof that a person is over 55 years of age, the claimant shall certify under penalty of perjury that the age requirement is met. In the case of a severely and permanently disabled claimant either of the following shall be submitted:

(i) A certification, signed by a licensed physician or surgeon of appropriate specialty that identifies specific reasons why the disability necessitates a move to the replacement dwelling and the disability-related requirements, including any locational requirements, of a replacement dwelling. The claimant shall substantiate that the replacement dwelling meets disability-related requirements so identified and that the primary reason for the move to the replacement dwelling is to satisfy those requirements. If the claimant, or the claimant's spouse or guardian, so declares under penalty of perjury, it shall be rebuttably presumed that the primary purpose of the move to the replacement dwelling is to satisfy identified disability-related requirements.

(ii) The claimant's substantiation that the primary purpose of the move to the replacement dwelling is to alleviate financial burdens caused by the disability. If the claimant, or the claimant's spouse or guardian, so declares under penalty of perjury, it shall be rebuttably presumed that the primary purpose of the move is to alleviate the financial burdens caused by the disability.

(C) The address and, if known, the assessor's parcel number of the original property.

(D) The date of the claimant's sale of the original property and the date of the claimant's purchase or new construction of a replacement dwelling.

(E) A statement by the claimant that he or she occupied the replacement dwelling as his or her principal place of residence on the date of the filing of his or her claim.

(F) Any claim under this section shall be filed within three years of the date the replacement dwelling was purchased or the new construction of the replacement dwelling was completed subject to subdivision (k) or (m).

(2) A claim for transfer of base year value under this section that is filed after the expiration of the filing period set forth in subparagraph (F) of paragraph (1) shall be considered by the assessor, subject to all of the following conditions:

(A) Any base year value transfer granted pursuant to that claim shall apply commencing with the lien date of the assessment year in which the claim is filed.

(B) The full cash value of the replacement property in the assessment year described in subparagraph (A) shall be the base year value of the real property in the assessment year in which the base year value was transferred, factored to the assessment year described in subparagraph (A) for both of the following:

(i) Inflation as annually determined in accordance with paragraph (1) of subdivision (a) of Section 51.

(ii) Any subsequent new construction occurring with respect to the subject real property that does not qualify for property tax relief pursuant to the criteria set forth in subparagraphs (A) and (B) of paragraph (4) of subdivision (h).

(g) For purposes of this section:

(1) “Person over the age of 55 years” means any person or the spouse of any person who has attained the age of 55 years or older at the time of the sale of the original property.

(2) “Base year value of the original property” means its base year value, as determined in accordance with Section 110.1, with the adjustments permitted by subdivision (b) of Section 2 of Article XIII A of the California Constitution and subdivision (f) of Section 110.1, determined as of the date immediately prior to the date that the original property is sold by the claimant, or in the case where the original property has been substantially damaged or destroyed by misfortune or calamity and the owner does not rebuild on the original property, determined as of the date immediately prior to the misfortune or calamity.

If the replacement dwelling is purchased or newly constructed after the transfer of the original property, “base year value of the original property” also includes any inflation factor adjustments permitted by subdivision (f) of Section 110.1 for the period subsequent to the sale of the original property. The base year or years used to compute the “base year value of the original property” shall be deemed to be the base year or years of any property to which that base year value is transferred pursuant to this section.

(3) “Replacement dwelling” means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, that is owned and occupied by a claimant as his or her principal place of residence, and any land owned by the

claimant on which the building, structure, or other shelter is situated. For purposes of this paragraph, land constituting a part of a replacement dwelling includes only that area of reasonable size that is used as a site for a residence, and “land owned by the claimant” includes land for which the claimant either holds a leasehold interest described in subdivision (c) of Section 61 or a land purchase contract. Each unit of a multiunit dwelling shall be considered a separate replacement dwelling. For purposes of this paragraph, “area of reasonable size that is used as a site for a residence” includes all land if any nonresidential uses of the property are only incidental to the use of the property as a residential site. For purposes of this paragraph, “land owned by the claimant” includes an ownership interest in a resident-owned mobilehome park that is assessed pursuant to subdivision (b) of Section 62.1.

(4) “Original property” means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, that is owned and occupied by a claimant as his or her principal place of residence, and any land owned by the claimant on which the building, structure, or other shelter is situated. For purposes of this paragraph, land constituting a part of the original property includes only that area of reasonable size that is used as a site for a residence, and “land owned by the claimant” includes land for which the claimant either holds a leasehold interest described in subdivision (c) of Section 61 or a land purchase contract. Each unit of a multiunit dwelling shall be considered a separate original property. For purposes of this paragraph, “area of reasonable size that is used as a site for a residence” includes all land if any nonresidential uses of the property are only incidental to the use of the property as a residential site. For purposes of this paragraph, “land owned by the claimant” includes an ownership interest in a resident-owned mobilehome park that is assessed pursuant to subdivision (b) of Section 62.1.

(5) “Equal or lesser value” means that the amount of the full cash value of a replacement dwelling does not exceed one of the following:

(A) One hundred percent of the amount of the full cash value of the original property if the replacement dwelling is purchased

or newly constructed prior to the date of the sale of the original property.

(B) One hundred and five percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed within the first year following the date of the sale of the original property.

(C) One hundred and ten percent of the amount of the full cash value of the original property if the replacement dwelling is purchased or newly constructed within the second year following the date of the sale of the original property.

For the purposes of this paragraph, except as otherwise provided in paragraph (4) of subdivision (h), if the replacement dwelling is, in part, purchased and, in part, newly constructed, the date the “replacement dwelling is purchased or newly constructed” is the date of purchase or the date of completion of construction, whichever is later.

(6) “Full cash value of the replacement dwelling” means its full cash value, determined in accordance with Section 110.1, as of the date on which it was purchased or new construction was completed, and after the purchase or the completion of new construction.

(7) “Full cash value of the original property” means, either:

(A) Its new base year value, determined in accordance with subdivision (e), without the application of subdivision (h) of Section 2 of Article XIII A of the California Constitution, plus the adjustments permitted by subdivision (b) of Section 2 of Article XIII A and subdivision (f) of Section 110.1 for the period from the date of its sale by the claimant to the date on which the replacement property was purchased or new construction was completed.

(B) In the case where the original property has been substantially damaged or destroyed by misfortune or calamity and the owner does not rebuild on the original property, its full cash value, as determined in accordance with Section 110, immediately prior to its substantial damage or destruction by misfortune or calamity, as determined by the county assessor of the county in which the property is located, without the application of subdivision (h) of Section 2 of Article XIII A of the California Constitution, plus the adjustments permitted by subdivision (b) of Section 2 of Article XIII A and subdivision (f) of Section 110.1, for the period from the date of its sale by the claimant to the date on which the

replacement property was purchased or new construction was completed.

(8) “Sale” means any change in ownership of the original property for consideration.

(9) “Claimant” means any person claiming the property tax relief provided by this section. If a spouse of that person is a record owner of the replacement dwelling, the spouse is also a claimant for purposes of determining whether in any future claim filed by the spouse under this section the condition of eligibility specified in paragraph (7) of subdivision (b) has been met.

(10) “Property that is eligible for the homeowners’ exemption” includes property that is the principal place of residence of its owner and is entitled to exemption pursuant to Section 205.5.

(11) “Person” means any individual, but does not include any firm, partnership, association, corporation, company, or other legal entity or organization of any kind. “Person” includes an individual who is the present beneficiary of a trust.

(12) “Severely and permanently disabled” means any person described in subdivision (b) of Section 74.3.

(13) For the purposes of this section property is “substantially damaged or destroyed by misfortune or calamity” if it sustains physical damage amounting to more than 50 percent of its full cash value immediately prior to the misfortune or calamity. Damage includes a diminution in the value of property as a result of restricted access to the property where the restricted access was caused by the misfortune or calamity and is permanent in nature.

(h) (1) Upon the timely filing of a claim described in subparagraph (F) of paragraph (1) of subdivision (f), the assessor shall adjust the new base year value of the replacement dwelling in conformity with this section. This adjustment shall be made as of the latest of the following dates:

(A) The date the original property is sold.

(B) The date the replacement dwelling is purchased.

(C) The date the new construction of the replacement dwelling is completed.

(2) Any taxes that were levied on the replacement dwelling prior to the filing of the claim on the basis of the replacement dwelling’s new base year value, and any allowable annual adjustments thereto, shall be canceled or refunded to the claimant to the extent that the

taxes exceed the amount that would be due when determined on the basis of the adjusted new base year value.

(3) Notwithstanding Section 75.10, Chapter 3.5 (commencing with Section 75) shall be utilized for purposes of implementing this subdivision, including adjustments of the new base year value of replacement dwellings acquired prior to the sale of the original property.

(4) In the case where a claim under this section has been timely filed and granted, and new construction is performed upon the replacement dwelling subsequent to the transfer of base year value, the property tax relief provided by this section also shall apply to the replacement dwelling, as improved, and thus there shall be no reassessment upon completion of the new construction if both of the following conditions are met:

(A) The new construction is completed within two years of the date of the sale of the original property and the owner notifies the assessor in writing of completion of the new construction within 30 days after completion.

(B) The fair market value of the new construction on the date of completion, plus the full cash value of the replacement dwelling on the date of acquisition, is not more than the full cash value of the original property as determined pursuant to paragraph (7) of subdivision (g) for purposes of granting the original claim.

(i) Any claimant may rescind a claim for the property tax relief provided by this section and shall not be considered to have received that relief for purposes of paragraph (7) of subdivision (b), and the assessor shall grant the rescission, if a written notice of rescission is delivered to the office of the assessor as follows:

(1) A written notice of rescission signed by the original filing claimant or claimants is delivered to the office of the assessor in which the original claim was filed.

(2) (A) Except as otherwise provided in this paragraph, the notice of rescission is delivered to the office of the assessor before the date that the county first issues, as a result of relief granted under this section, a refund check for property taxes imposed upon the replacement dwelling. If granting relief will not result in a refund of property taxes, then the notice shall be delivered before payment is first made of any property taxes, or any portion thereof, imposed upon the replacement dwelling consistent with relief granted under this section. If payment of the taxes is not made,

then notice shall be delivered before the first date that those property taxes, or any portion thereof, imposed upon the replacement dwelling, consistent with relief granted under this section, are delinquent.

(B) Notwithstanding any other provision in this division, any time the notice of rescission is delivered to the office of the assessor within six years after relief was granted, provided that the replacement property has been vacated as the claimant's principal place of residence within 90 days after the original claim was filed, regardless of whether the property continues to receive the homeowners' exemption. If the rescission increases the base year value of a property, or the homeowners' exemption has been incorrectly allowed, appropriate escape assessments or supplemental assessments, including interest as provided in Section 506, shall be imposed. The limitations periods for any escape assessments or supplemental assessments shall not commence until July 1 of the assessment year in which the notice of rescission is delivered to the office of the assessor.

(3) The notice is accompanied by the payment of a fee as the assessor may require, provided that the fee shall not exceed an amount reasonably related to the estimated cost of processing a rescission claim, including both direct costs and developmental and indirect costs, such as costs for overhead, personnel, supplies, materials, office space, and computers.

(j) (1) With respect to the transfer of base year value of original properties to replacement dwellings located in the same county, this section, except as provided in paragraph (3) or (4), shall apply to any replacement dwelling that is purchased or newly constructed on or after November 6, 1986.

(2) With respect to the transfer of base year value of original properties to replacement dwellings located in different counties, except as provided in paragraph (4), this section shall apply to any replacement dwelling that is purchased or newly constructed on or after the date specified in accordance with subparagraph (E) of paragraph (2) of subdivision (a) in the ordinance of the county in which the replacement dwelling is located, but shall not apply to any replacement dwelling which was purchased or newly constructed before November 9, 1988.

(3) With respect to the transfer of base year value by a severely and permanently disabled person, this section shall apply only to

replacement dwellings that are purchased or newly constructed on or after June 6, 1990.

(4) The amendments made to subdivision (e) by the act adding this paragraph shall apply only to replacement dwellings under Section 69 that are acquired or newly constructed on or after October 20, 1991, and shall apply commencing with the 1991–92 fiscal year.

(k) (1) In the case in which a county adopts an ordinance pursuant to paragraph (2) of subdivision (a) that establishes an applicable date which is more than three years prior to the date of adoption of the ordinance, those potential claimants who purchased or constructed replacement dwellings more than three years prior to the date of adoption of the ordinance and who would, therefore, be precluded from filing a timely claim, shall be deemed to have timely filed a claim if the claim is filed within three years after the date that the ordinance is adopted. This paragraph may not be construed as a waiver of any other requirement of this section.

(2) In the case in which a county assessor corrects a base year value to reflect a pro rata change in ownership of a resident-owned mobilehome park that occurred between January 1, 1989, and January 1, 2002, pursuant to paragraph (4) of subdivision (b) of Section 62.1, those claimants who purchased or constructed replacement dwellings more than three years prior to the correction and who would, therefore, be precluded from filing a timely claim, shall be deemed to have timely filed a claim if the claim is filed within three years of the date of notice of the correction of the base year value to reflect the pro rata change in ownership. This paragraph may not be construed as a waiver of any other requirement of this section.

(3) This subdivision does not apply to a claimant who has transferred his or her replacement dwelling prior to filing a claim.

(4) The property tax relief provided by this section, but filed under this subdivision, shall apply prospectively only, commencing with the lien date of the assessment year in which the claim is filed. There shall be no refund or cancellation of taxes prior to the date that the claim is filed.

(l) No escape assessment may be levied if a transfer of base year value under this section has been erroneously granted by the assessor pursuant to an expired ordinance authorizing intercounty transfers of base year value.

(m) (1) The amendments made to subdivisions (b) and (g) of this section by Chapter 613 of the Statutes of 2001 shall apply:

(A) With respect to the transfer of base year value of original properties to replacement dwellings located in the same county, to any replacement dwelling that is purchased or newly constructed on or after November 6, 1986.

(B) With respect to the transfer of base year value of original properties to replacement dwellings located in different counties, to any replacement dwelling that is purchased or newly constructed on or after the date specified in accordance with subparagraph (E) of paragraph (2) of subdivision (a) in the ordinance of the county in which the replacement dwelling is located, but not to any replacement dwelling that was purchased or newly constructed before November 9, 1988.

(C) With respect to the transfer of base year value by a severely and permanently disabled person, to replacement dwellings that are purchased or newly constructed on or after June 6, 1990.

(2) The property tax relief provided by this section in accordance with this subdivision shall apply prospectively only commencing with the lien date of the assessment year in which the claim is filed. There shall be no refund or cancellation of taxes prior to the date that the claim is filed.

(n) A claim filed under this section is not a public document and is not subject to public inspection, except that a claim shall be available for inspection by the claimant or the claimant's spouse, the claimant's or the claimant's spouse's legal representative, the trustee of a trust in which the claimant or the claimant's spouse is a present beneficiary, and the executor or administrator of the claimant's or the claimant's spouse's estate.

SEC. 5. Section 218 of the Revenue and Taxation Code is amended to read:

218. (a) The homeowners' property tax exemption is in the amount of the assessed value of the dwelling specified in this section, as authorized by subdivision (k) of Section 3 of Article XIII of the California Constitution. That exemption shall be in the amount of seven thousand dollars (\$7,000) of the full value of the dwelling.

(b) (1) The exemption does not extend to property that is rented, vacant, under construction on the lien date, or that is a vacation or

secondary home of the owner or owners, nor does it apply to property on which an owner receives the veteran's exemption.

(2) Notwithstanding paragraph (1), if a person receiving the exemption is not occupying the dwelling on the lien date because the dwelling was damaged in a misfortune or calamity, the person shall be deemed to occupy that same dwelling as his or her principal place of residence on the lien date, provided the person's absence from the dwelling is temporary and the person intends to return to the dwelling when possible to do so. Except as provided in paragraph (3), when a dwelling has been totally destroyed, and thus no dwelling exists on the lien date, the exemption provided by this section shall not be applicable until the structure has been replaced and is occupied as a dwelling.

(3) A dwelling that was totally destroyed in a disaster for which the Governor proclaimed a state of emergency, that qualified for the exemption provided by this section prior to the commencement date of the disaster and that has not changed ownership since the commencement date of the disaster, shall be deemed occupied by the person receiving the exemption on the lien date provided the person intends to reconstruct a dwelling on the property and occupy the dwelling as his or her principal place of residence when it is possible to do so.

(c) For purposes of this section, all of the following apply:

(1) "Owner" includes a person purchasing the dwelling under a contract of sale or who holds shares or membership in a cooperative housing corporation, which holding is a requisite to the exclusive right of occupancy of a dwelling.

(2) (A) "Dwelling" means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, and any land on which it may be situated. A two-dwelling unit shall be considered as two separate single-family dwellings.

(B) "Dwelling" includes the following:

(i) A single-family dwelling occupied by an owner thereof as his or her principal place of residence on the lien date.

(ii) A multiple-dwelling unit occupied by an owner thereof on the lien date as his or her principal place of residence.

(iii) A condominium occupied by an owner thereof as his or her principal place of residence on the lien date.

(iv) Premises occupied by the owner of shares or a membership interest in a cooperative housing corporation, as defined in

subdivision (i) of Section 61, as his or her principal place of residence on the lien date. Each exemption allowed pursuant to this subdivision shall be deducted from the total assessed valuation of the cooperative housing corporation. The exemption shall be taken into account in apportioning property taxes among owners of share or membership interests in the cooperative housing corporations so as to benefit those owners who qualify for the exemption.

(d) The exemption provided for in subdivision (k) of Section 3 of Article XIII of the California Constitution shall first be applied to the building, structure, or other shelter and the excess, if any, shall be applied to any land on which it may be located.

SEC. 6. Section 401.10 of the Revenue and Taxation Code is amended to read:

401.10. (a) Notwithstanding any other provision of law relating to the determination of the values upon which property taxes are based, values for each tax year from the 1984–85 tax year to the 2015–16 tax year, inclusive, for intercounty pipeline rights-of-way on publicly or privately owned property, including those rights-of-way that are the subject of a change in ownership, new construction, or any other reappraisable event during the period from March 1, 1975, to June 30, 2016, inclusive, shall be rebuttably presumed to be at full cash value for that year, if all of the following conditions are met:

(1) (A) The full cash value is determined to equal a 1975–76 base year value, annually adjusted for inflation in accordance with subdivision (b) of Section 2 of Article XIII A of the California Constitution, and the 1975–76 base year value was determined in accordance with the following schedule:

(i) Twenty thousand dollars (\$20,000) per mile for a high density property.

(ii) Twelve thousand dollars (\$12,000) per mile for a transitional density property.

(iii) Nine thousand dollars (\$9,000) per mile for a low density property.

(B) For purposes of this section, the density classifications described in subparagraph (A) are defined as follows:

(i) “High density” means Category 1 (densely urban) as established by the State Board of Equalization.

(ii) “Transitional density” means Category 2 (urban) as established by the State Board of Equalization.

(iii) “Low density” means Category 3 (valley-agricultural), Category 4 (grazing), and Category 5 (mountain and desert) as established by the State Board of Equalization.

(2) The full cash value is determined utilizing the same property density classifications that were assigned to the property by the State Board of Equalization for the 1984–85 tax year or, if density classifications were not so assigned to the property for the 1984–85 tax year, the density classifications that were first assigned to the property by the board for a subsequent tax year.

(3) (A) If a taxpayer owns multiple pipelines in the same right-of-way, an additional 50 percent of the value attributed to the right-of-way for the presence of the first pipeline, as determined under paragraphs (1) and (2), shall be added for the presence of each additional pipeline up to a maximum of two additional pipelines. For any particular taxpayer, the total valuation for a multiple pipeline right-of-way shall not exceed 200 percent of the value determined for the right-of-way of the first pipeline in the right-of-way in accordance with paragraphs (1) and (2).

(B) If the State Board of Equalization has determined that an intercounty pipeline, located within a multiple pipeline right-of-way previously valued in accordance with subparagraph (A), has been abandoned as a result of physical removal or blockage, the assessed value of the right-of-way attributable to the last pipeline enrolled in accordance with subparagraph (A) shall be reduced by not less than 75 percent of that increase in assessed value that resulted from the application of subparagraph (A).

(4) If all pipelines of a taxpayer located within the same pipeline right-of-way, previously valued in accordance with this section, are determined by the State Board of Equalization to have been abandoned as the result of physical removal or blockage, the assessed value of that right-of-way to that taxpayer shall be determined to be no more than 25 percent of the assessed value otherwise determined for the right-of-way for a single pipeline of that taxpayer pursuant to paragraphs (1) and (2).

(b) If the assessor assigns values for any tax year from the 1984–85 tax year to the 2015–16 tax year, inclusive, in accordance with the methodology specified in subdivision (a), the taxpayer’s right to assert any challenge to the right to assess that property,

whether in an administrative or judicial proceeding, shall be deemed to have been raised and resolved for that tax year and the values determined in accordance with that methodology shall be rebuttably presumed to be correct. If the assessor assigns values for any tax year from the 1984–85 tax year to the 2015–16 tax year, inclusive, in accordance with the methodology specified in subdivision (a), any pending taxpayer lawsuit that challenges the right to assess the property shall be dismissed by the taxpayer with prejudice as it applies to intercounty pipeline rights-of-way.

(c) Notwithstanding any change in ownership, new construction, or decline in value occurring after March 1, 1975, if the assessor assigns values for rights-of-way for any tax year from the 1984–85 tax year to the 2015–16 tax year, inclusive, in accordance with the methodology specified in subdivision (a), the taxpayer may not challenge the right to assess that property and the values determined in accordance with that methodology shall be rebuttably presumed to be correct for that property for that tax year.

(d) Notwithstanding any change in ownership, new construction, or decline in value occurring after March 1, 1975, if the assessor does not assign values for rights-of-way for any tax year from the 1984–85 tax year to the 2015–16 tax year, inclusive, at the 1975–76 base year values specified in subdivision (a), any assessed value that is determined on the basis of valuation standards that differ, in whole or in part, from those valuation standards set forth in subdivision (a) shall not benefit from any presumption of correctness, and the taxpayer may challenge the right to assess that property or the values for that property for that tax year. As used herein, a challenge to the right to assess shall include any assessment appeal, claim for refund, or lawsuit asserting any right, remedy, or cause of action relating to or arising from, but not limited to, the following or similar contentions:

(1) That the value of the right-of-way is included in the value of the underlying fee or railroad right-of-way.

(2) That assessment of the value of the right-of-way to the owner of the pipeline would result in double assessment.

(3) That the value of the right-of-way may not be assessed to the owner of the pipeline separately from the assessment of the value of the underlying fee.

(e) Notwithstanding any other provision of law, during a four-year period commencing on January 1, 1996, the assessor

may issue an escape assessment in accordance with the specific valuation standards set forth in subdivision (a) for the following taxpayers and tax years:

(1) Any intercounty pipeline right-of-way taxpayer who was a plaintiff in *Southern Pacific Pipe Lines, Inc. v. State Board of Equalization* (1993) 14 Cal. App. 4th 42, for the tax years 1984–85 to 1996–97, inclusive.

(2) Any intercounty pipeline right-of-way taxpayer who was not a plaintiff in *Southern Pacific Pipe Lines, Inc. v. State Board of Equalization* (1993) 14 Cal. App. 4th 42, for the tax years 1989–90 to 1996–97, inclusive.

(f) Any escape assessment levied under subdivision (e) shall not be subject to penalties or interest under the provisions of Section 532. If payment of any taxes due under this section is made within 45 days of demand by the tax collector for payment, the county shall not impose any late payment penalty or interest. Taxes not paid within 45 days of demand by the tax collector shall become delinquent at that time, and the delinquent penalty, redemption penalty, or other collection provisions of this code shall thereafter apply.

(g) For purposes of this section, “intercounty pipeline right-of-way” means, except as otherwise provided in this subdivision, any interest in publicly or privately owned real property through which or over which an intercounty pipeline is placed. However, “intercounty pipeline right-of-way” does not include any parcel or facility that the State Board of Equalization originally separately assessed using a valuation method other than the multiplication of pipeline length within a subject property by a unit value determined in accordance with the density category of that subject property.

(h) This section shall remain in effect only until January 1, 2016, and, as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2016, deletes or extends that date.

SEC. 7. Section 1604 of the Revenue and Taxation Code is amended to read:

1604. (a) (1) In counties of the first class, annually, on the fourth Monday in September, the county board shall meet to equalize the assessment of property on the local roll. It shall continue to meet for that purpose, from time to time, until the business of equalization is disposed of.

(2) In all other counties, annually, on the third Monday in July, the county board shall meet to equalize the assessment of property on the local roll. It shall continue to meet for that purpose, from time to time, until the business of equalization is disposed of.

(b) (1) An application for a reduction in an assessment filed pursuant to Section 1603 shall also constitute a sufficient claim for refund, if the applicant states in the application that the application is also intended to constitute a claim for refund pursuant to the provisions of Section 5097.

(2) The county board shall have no power to receive or hear any application for a reduction in an escaped assessment made pursuant to Section 531.1 nor a penal assessment levied in respect thereto, nor to reduce those assessments.

(c) If the county board fails to hear evidence and fails to make a final determination on the application for reduction in assessment of property within two years of the timely filing of the application, the applicant's opinion of value as reflected on the application for reduction in assessment shall be the value upon which taxes are to be levied for the tax year or tax years covered by the application, unless either of the following occurs:

(1) The applicant and the county board mutually agree in writing, or on the record, to an extension of time for the hearing.

(2) The application for reduction is consolidated for hearing with another application by the same applicant with respect to which an extension of time for the hearing has been granted pursuant to paragraph (1). In no case shall the application be consolidated without the applicant's written agreement after the two-year time period has passed or after an extension of the two-year time period previously agreed to by the applicant has expired.

The reduction in assessment reflecting the applicant's opinion of value shall not be made, however, until two years after the close of the filing period during which the timely application was filed. Further, this subdivision shall not apply to applications for reductions in assessments of property where the applicant has failed to provide full and complete information as required by law or where litigation is pending directly relating to the issues involved in the application.

(d) (1) When the applicant's opinion of value, as stated on the application, has been placed on the assessment roll pursuant to

subdivision (c), and the application requested a reduction in the base year value of an assessment, the applicant's opinion of value shall remain on the roll until the county board makes a final determination on the application. The value so determined by the county board, plus appropriate adjustments for the inflation factor, shall be entered on the assessment roll for the fiscal year in which the value is determined. No increased or escape taxes other than those required by a purchase, change in ownership, or new construction, or resulting from application of the inflation factor to the applicant's opinion of value shall be levied for the tax years during which the county board failed to act.

(2) When the applicant's opinion of value has been placed on the assessment roll pursuant to subdivision (c) for any application other than an application requesting a reduction in base year value, the applicant's opinion of value shall be enrolled on the assessment roll for the tax year or tax years covered by that application.

(e) The county board shall notify the applicant in writing of any decision by that board not to hold a hearing on his or her application for reduction in assessment within the two-year period specified in subdivision (c). This notice shall also inform the applicant that the applicant's opinion of value as reflected on the application for reduction in assessment shall, as a result of the county board's failure to hold a hearing within the prescribed time period, be the value upon which taxes are to be levied in the absence of the application of either paragraph (1) or (2) of subdivision (c).

(a) (1) Any error or omission not involving the exercise of assessor value judgment may be corrected within four years after the making of the assessment being corrected.

(2) Notwithstanding paragraph (1), the four-year limit shall not apply to escape assessments caused by the assessee's failure to report the information required by Article 2 (commencing with Section 441) of Chapter 3 of Part 2.

(b) Any error or omission not involving the exercise of assessor value judgment that is discovered as a result of any audit may be corrected within six months after the completion of the audit.

(c) Any error or omission involving the exercise of assessor value judgment that arises solely from a failure to reflect a decline in the taxable value of real property as required by paragraph (2) of subdivision (a) of Section 51 shall only be corrected within one year after the making of the assessment that is being corrected.

(d) Taxes that are not a lien or charge on the property assessed may be transferred from the secured roll to the unsecured roll of the corresponding year by the county auditor. These taxes shall be collected in the same manner as other delinquent taxes on the unsecured roll and shall be subject to delinquent penalties in the same manner as taxes transferred to the unsecured roll under Section 5090. The statute of limitations for the collection of those taxes shall commence to run from the date of transfer.

41030. The office of the State Chief Information Officer shall determine annually, on or before October 1, a surcharge rate that it estimates will produce sufficient revenue to fund the current fiscal year's 911 costs. The surcharge rate shall be determined by dividing the costs (including incremental costs) the Department of General Services estimates for the current fiscal year of 911 plans approved pursuant to Section 53115 of the Government Code, less the available balance in the State Emergency Telephone Number Account in the General Fund, by its estimate of the charges for intrastate telephone communications services and VoIP service to which the surcharge will apply for the period of January 1 to December 31, inclusive, of the next succeeding calendar year, but in no event shall such surcharge rate in any year be greater than three-quarters of 1 percent nor less than one-half of 1 percent.

SEC. 14. Section 41031 of the Revenue and Taxation Code is amended to read:

41031. The office of the State Chief Information Officer shall make its determination of such surcharge rate each year no later than October 1 and shall notify the board of the new rate, which shall be fixed by the board to be effective with respect to charges made for intrastate telephone communication services and VoIP service on or after January 1 of the next succeeding calendar year.

The office of the State Chief Information Officer shall pay those bills as provided in Section 41137 only under the following conditions:

- (1) The office of the State Chief Information Officer shall have received the local agency’s “911” emergency telephone number

(4) The amounts to be paid do not exceed the pricing submitted by the supplier and approved by the office of the State Chief Information Officer. Extraordinary circumstances may warrant spending in excess of the established rate, but shall be preapproved by the office of the State Chief Information Officer. In determining the reimbursement rate, the office of the State Chief Information Officer shall utilize the approved pricing submitted by the supplier providing the equipment or service.

(b) Nothing in this section shall be construed to limit an agency's ability to select a supplier or procure telecommunications equipment as long as the supplier's pricing is preapproved by the office of the State Chief Information Officer. 41142. Notwithstanding any other provision of this article, if the Legislature fails to appropriate an amount sufficient to pay bills submitted to the office of the State Chief Information Officer by service suppliers or communications equipment companies for the installation and ongoing communications services supplied local agencies in connection with the “911” emergency phone number system, and to pay claims of local agencies which, prior to the effective date of this part, paid amounts to service suppliers or communications equipment companies for the installation and ongoing expenses in connection with the “911” emergency phone number system, the obligation of service suppliers and local agencies to provide “911” emergency telephone service shall terminate and such service shall not again be required until the Legislature has appropriated an amount sufficient to pay such bills or claims.
