[Approved by Governor September 20, 2011. Filed with
Secretary of State September 21, 2011.]

LEGISLATIVE COUNSEL'S DIGEST

AB 32, Blumenfeld. Education finance.

(1) Pursuant to existing law, the amount of General Fund revenues appropriated for school districts and community college districts is a component of calculations required for purposes of the provisions of the California Constitution requiring minimum funding for the public schools. Existing law states that specified sales and use tax revenues transferred pursuant to certain provisions of the Revenue and Taxation Code are not General Fund revenues for these purposes.

This bill would make a technical change in this provision to correct a cross-reference.

(2) Existing law establishes an education funding system under which the Superintendent of Public Instruction apportions to each qualifying school district state aid funds in an amount not to exceed its revenue limit, an amount that is largely based on the district's average daily attendance, which is computed as specified. Existing law authorizes specified school districts to calculate their revenue limits in a different manner if the school district includes a necessary small high school, which is defined as a high school with an average daily attendance of less than 301 that meets prescribed conditions.

This bill would, for the purpose of calculating apportionments for school districts with necessary small high schools, authorize a school district to include average daily attendance in grades 7 and 8 and the instructors of grade 7 and 8 pupils in the calculation of average daily attendance and number of certificated employees employed in the 2011–12 fiscal year if the school district included average daily attendance in grades 7 and 8 and the instructors of grade 7 and 8 pupils in the calculation of average daily attendance and certificated employees employed in the 2010–11 fiscal year.

(3) Existing law requires the governing board of each community college district to charge each student a fee, and sets that fee at \$36 per unit per semester, effective with the fall term of 2011–12 academic year. Existing law repeals these provisions January 1, 2012, as specified.

This bill instead would repeal these provisions May 1, 2011, as specified.

(4) Existing law requires the governing board of each community college district to charge each student a fee, and sets that fee at \$36 per unit per semester. Existing law requires this fee to be raised to \$46 per unit per semester, effective with the winter term of the 2011–12 academic year, if the Director of Finance reduces specified appropriations as described above. Existing law makes these provisions operative January 1, 2012, as specified.

This bill would specify that the raising of this fee to \$46 per unit per semester would occur effective with the summer term of the 2012 calendar year. The bill would provide a statement of legislative intent relating to this delay in the fee increase. This bill instead would make these provisions operative May 1, 2011, as specified.

(5) Existing law requires the Board of Governors of the California Community Colleges to adopt regulations for the payment of apportionments to community college districts. Existing law, notwithstanding the authority of the board of governors in this respect, makes various adjustments to the payment of these apportionments.

This bill would specify that these adjustments would be operative commencing with the 2011–12 fiscal year. The bill would also specify certain apportionments that would be delayed from the months of January to June, inclusive, 2011, until July 2011. The bill would appropriate \$832,000,000 from the General Fund to the Board of Governors of the California Community Colleges for apportionment to community college districts, for expenditure during the 2011–12 fiscal year, to be expended in accordance with a specified item of the Budget Act of 2010.

(6) An existing item of the Budget Act of 2011 reappropriates 19 balances from various General Fund budget items to the State Department of Education for specified purposes.

This bill would amend this item to delete one of these balances and to add 12 more of these balances, thereby making an appropriation.

(7) The funds appropriated by this bill would be applied toward the minimum funding requirements for school districts and community college districts imposed by Section 8 of Article XVI of the California Constitution.

(8) The California Constitution authorizes the Governor to declare a fiscal emergency and to call the Legislature into special session for that purpose. Governor Schwarzenegger issued a proclamation declaring a fiscal emergency, and calling a special session for this purpose, on December 6, 2010. Governor Brown issued a proclamation on January 20, 2011, declaring and reaffirming that a fiscal emergency exists and stating that his proclamation supersedes the earlier proclamation for purposes of that constitutional provision.

This bill would state that it addresses the fiscal emergency declared and reaffirmed by the Governor by proclamation issued on January 20, 2011, pursuant to the California Constitution.

(9) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 41210 of the Education Code is amended to read: 41210. (a) The revenues transferred pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code are not “General Fund revenues” as that term is used in Section 8 of Article XVI of the California Constitution.

(b) This section shall be operative for the 2011–12 fiscal year and subsequent years so long as one or more ballot measures approved before November 17, 2012, authorize the determination in subdivision (a) and provide funding for school districts and community college districts in an amount equal to that which would have been provided if the revenues referenced in subdivision (a) were General Fund revenues for purposes of Section 8 of Article XVI of the California Constitution.

SEC. 2. Section 42285.5 is added to the Education Code, to read:

42285.5. (a) For purposes of subdivision (a) of Section 42284 and Section 42285, a school district may include average daily attendance in grades 7 and 8 and the instructors of grade 7 and 8 pupils in the calculation of average daily attendance and number of certificated employees employed in the 2011–12 fiscal year if the school district included average daily attendance in grades 7 and 8 and the instructors of grade 7 and 8 pupils in the calculation of average daily attendance and certificated employees employed in the 2010–11 fiscal year.

(b) Notwithstanding Sections 42284 and 42285, for purposes of this section, with respect to a school district eligible to utilize subdivision (a), any references to grades 9 to 12, inclusive, in Sections 42284 and 42285 shall be deemed instead to be references to grades 7 to 12, inclusive.

SEC. 3. Section 76300 of the Education Code, as amended by Section 1 of Chapter 135 of the Statutes of 2011, is amended to read:

76300. (a) The governing board of each community college district shall charge each student a fee pursuant to this section.

(b) (1) The fee prescribed by this section shall be thirty-six dollars (\$36) per unit per semester, effective with the fall term of the 2011–12 academic year.

(2) The board of governors shall proportionately adjust the amount of the fee for term lengths based upon a quarter system, and also shall proportionately adjust the amount of the fee for summer sessions, intersessions, and other short-term courses. In making these adjustments, the board of governors may round the per unit fee and the per term or per session fee to the nearest dollar.

(c) For the purposes of computing apportionments to community college districts pursuant to Section 84750.5, the board of governors shall subtract, from the total revenue owed to each district, 98 percent of the revenues received by districts from charging a fee pursuant to this section.

(d) The board of governors shall reduce apportionments by up to 10 percent to any district that does not collect the fees prescribed by this section.

(e) The fee requirement does not apply to any of the following:

(1) Students enrolled in the noncredit courses designated by Section 84757.

(2) California State University or University of California students enrolled in remedial classes provided by a community college district on a campus of the University of California or a campus of the California State University, for whom the district claims an attendance apportionment pursuant to an agreement between the district and the California State University or the University of California.

(3) Students enrolled in credit contract education courses pursuant to Section 78021, if the entire cost of the course, including administrative costs, is paid by the public or private agency, corporation, or association with which the district is contracting and if these students are not included in the calculation of the full-time equivalent students (FTES) of that district.

(f) The governing board of a community college district may exempt special part-time students admitted pursuant to Section 76001 from the fee requirement.

(g) (1) The fee requirements of this section shall be waived for any student who, at the time of enrollment, is a recipient of benefits under the Temporary Assistance to Needy Families program, the Supplemental Security Income/State Supplementary Program, or a general assistance program or has demonstrated financial need in accordance with the methodology set forth in federal law or regulation for determining the expected family contribution of students seeking financial aid.

(2) The governing board of a community college district also shall waive the fee requirements of this section for any student who demonstrates eligibility according to income standards established by regulations of the board of governors.

(3) Paragraphs (1) and (2) may be applied to a student enrolled in the 2005–06 academic year if the student is exempted from nonresident tuition under paragraph (3) of subdivision (a) of Section 76140.

(h) The fee requirements of this section shall be waived for any student who, at the time of enrollment, is a dependent, or surviving spouse who has not remarried, of any member of the California National Guard who, in the line of duty and while in the active service of the state, was killed, died of a disability resulting from an event that occurred while in the active service of the state, or is permanently disabled as a result of an event that occurred while in the active service of the state. “Active service of the state,” for the purposes of this subdivision, refers to a member of the California National Guard activated pursuant to Section 146 of the Military and Veterans Code.

(i) The fee requirements of this section shall be waived for any student who is the surviving spouse or the child, natural or adopted, of a deceased person who met all of the requirements of Section 68120.

(j) The fee requirements of this section shall be waived for any student in an undergraduate program, including a student who has previously graduated from another undergraduate or graduate program, who is the dependent of any individual killed in the September 11, 2001, terrorist attacks on the World Trade Center and the Pentagon or the crash of United

Airlines Flight 93 in southwestern Pennsylvania, if that dependent meets the financial need requirements set forth in Section 69432.7 for the Cal Grant A Program and either of the following applies:

(1) The dependent was a resident of California on September 11, 2001.

(2) The individual killed in the attacks was a resident of California on September 11, 2001.

(k) A determination of whether a person is a resident of California on September 11, 2001, for purposes of subdivision (j) shall be based on the criteria set forth in Chapter 1 (commencing with Section 68000) of Part 41 of Division 5 for determining nonresident and resident tuition.

(l) (1) “Dependent,” for purposes of subdivision (j), is a person who, because of his or her relationship to an individual killed as a result of injuries sustained during the terrorist attacks of September 11, 2001, qualifies for compensation under the federal September 11th Victim Compensation Fund of 2001 (Title IV (commencing with Section 401) of Public Law 107-42).

(2) A dependent who is the surviving spouse of an individual killed in the terrorist attacks of September 11, 2001, is entitled to the waivers provided in this section until January 1, 2013.

(3) A dependent who is the surviving child, natural or adopted, of an individual killed in the terrorist attacks of September 11, 2001, is entitled to the waivers under subdivision (j) until that person attains the age of 30 years.

(4) A dependent of an individual killed in the terrorist attacks of September 11, 2001, who is determined to be eligible by the California Victim Compensation and Government Claims Board, is also entitled to the waivers provided in this section until January 1, 2013.

(m) (1) It is the intent of the Legislature that sufficient funds be provided to support the provision of a fee waiver for every student who demonstrates eligibility pursuant to subdivisions (g) to (j), inclusive.

(2) From funds provided in the annual Budget Act, the board of governors shall allocate to community college districts, pursuant to this subdivision, an amount equal to 2 percent of the fees waived pursuant to subdivisions (g) to (j), inclusive. From funds provided in the annual Budget Act, the board of governors shall allocate to community college districts, pursuant to this subdivision, an amount equal to ninety-one cents (\$0.91) per credit unit waived pursuant to subdivisions (g) to (j), inclusive. It is the intent of the Legislature that funds provided pursuant to this subdivision be used to support the determination of financial need and delivery of student financial aid services, on the basis of the number of students for whom fees are waived. It also is the intent of the Legislature that the funds provided pursuant to this subdivision directly offset mandated costs claimed by community college districts pursuant to Commission on State Mandates consolidated Test Claims 99-TC-13 (Enrollment Fee Collection) and 00-TC-15 (Enrollment Fee Waivers). Funds allocated to a community college district for determination of financial need and delivery of student financial aid services shall supplement, and shall not supplant, the level of funds

allocated for the administration of student financial aid programs during the 1992–93 fiscal year.

(n) The board of governors shall adopt regulations implementing this section.

(o) This section shall be inoperative and is repealed on May 1, 2012, only if subdivision (b) of Section 3.94 of the Budget Act of 2011 is operative.

(d) The board of governors shall reduce apportionments by up to 10 percent to any district that does not collect the fees prescribed by this section.

SEC. 8. It is the intent of the Legislature that reductions made by community college districts in the 2011–12 fiscal year pursuant to paragraph (13) of subdivision (b) of Section 3.94 of the Budget Act of 2011 reflect the one-time nature of the budget reduction imposed in that section as a result of delaying the ten dollar (\$10) per unit student fee increase from the winter term to the summer term of the 2011–12 academic year. Until the

increased fees are collected, community college districts should, to the extent possible, make every effort to implement reductions in a manner that will minimize the impact on course offerings and programs needed by students to achieve their basic skills, workforce training, or transfer goals.
