

Assembly Constitutional Amendment

No. 6

Introduced by Assembly Member Gatto
(Principal coauthor: Senator Pavley)

December 6, 2010

Assembly Constitutional Amendment No. 6—A resolution to propose to the people of the State of California an amendment to the Constitution of the State, by amending Section 8 of Article II thereof, relating to initiatives.

LEGISLATIVE COUNSEL'S DIGEST

ACA 6, as introduced, Gatto. Initiative measures: funding source.

The California Constitution provides that the electors may propose statutes or amendments to the state constitution through the initiative process by presenting to the Secretary of State a petition that sets forth the text of the proposed statute or amendment to the Constitution and is certified to have been signed by a certain number of electors.

This measure would prohibit an initiative measure that would result in a net increase in state or local government costs other than costs attributable to the issuance, sale, or repayment of bonds, from being submitted to the electors or having any effect unless and until the Legislative Analyst and the Director of Finance jointly determine that the initiative measure provides for additional revenues in an amount that meets or exceeds the net increase in costs.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
