AMENDED IN ASSEMBLY APRIL 5, 2011

CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

Assembly Joint Resolution

No. 4

Introduced by Assembly Member Miller
(Coauthors: Assembly Members Jeffries and Bonnie Lowenthal)

February 3, 2011

Assembly Joint Resolution No. 4—Relative to the Transportation Infrastructure Finance and Innovation Act.

LEGISLATIVE COUNSEL'S DIGEST

AJR 4, as amended, Miller. Transportation Infrastructure Finance and Innovation Act.

This measure would memorialize the President of the United States and the Secretary of the United States Department of Transportation to award a federal Transportation Infrastructure Finance and Innovation Act loan-guarantee to enable the timely construction of the State Route 91 Corridor Improvement Project in the interest of economic competitiveness of California and the United States.

Fiscal committee: no.

- 1 WHEREAS, The Transportation Infrastructure Finance and
- 2 Innovation Act (TIFIA) program was created by the United States
- 3 Congress to provide credit assistance to nationally or regionally
- 4 significant surface transportation projects; and
- 5 WHEREAS, The State Route 91 Corridor Improvement Project
- 6 requires a federal loan-guarantee from the TIFIA program to enable

1 cost-effective construction of the \$1.3 billion infrastructure project;
2 and

3 WHEREAS, The State Route 91 Corridor Improvement Project
4 will be built primarily with local revenues; and

5 WHEREAS, The voters of Riverside County, California have
6 twice approved a one-half cent “self-help” sales tax for
7 transportation that includes improvements to State Highway Route
8 91; and

9 WHEREAS, The State Route 91 Corridor Improvement Project
10 will be among the largest highway construction projects to
11 commence in the State of California in nearly a decade; and

12 WHEREAS, The State Route 91 Corridor Improvement Project
13 is anticipated to provide significant economic benefits to the State
14 of California, including, but not limited to, \$2 billion in economic
15 output throughout the state, labor income totaling over \$778
16 million, \$85 million in increased state and local tax revenues, a
17 permanent increase of 830 jobs per year after construction, and
18 time saved by commuters with a net present value of \$1.5 billion
19 to the California economy; and

20 WHEREAS, Unemployment in areas of California served by
21 State Highway Route 91 has exceeded 15 percent and remains
22 above 14 percent; and

23 WHEREAS, The State Route 91 Corridor Improvement Project
24 can begin construction in early 2012 if federal TIFIA financing is
25 received; and

26 WHEREAS, The State Route 91 Corridor Improvement Project
27 employs congestion pricing as an innovative tool to manage severe
28 congestion and enable the growth of public transit by bus, rail, and
29 bicycle in a highly constrained, narrow canyon that is the primary
30 route between the inland and coastal regions of southern California,
31 which are inextricably connected to the economic well-being of
32 California; and

33 WHEREAS, The State Route 91 Corridor Improvement Project
34 is a product of regional planning and environmental stewardship,
35 including the largest multispecies habitat conservation plan in the
36 United States, comprehensive integrated planning by the County
37 of Riverside in response to rapid urbanization, and a decade of
38 cooperation between Riverside and Orange Counties in regional
39 transportation management and planning; and

1 WHEREAS, It is in the economic interest of the State of
2 California and the United States to encourage local investment in
3 nationally and regionally significant infrastructure, create jobs in
4 near and long term, and improve the quality of life for
5 hard-working families and businesses who rely on major highways
6 such as State Highway Route 91 to access employment, customers,
7 and their families; and

8 WHEREAS, The Legislature of the State of California has, on
9 two separate occasions, approved legislation on a bipartisan basis
10 to authorize and accelerate the construction of the State Route 91
11 Corridor Improvement Project; now, therefore, be it

12 *Resolved by the Assembly and the Senate of the State of*
13 *California, jointly,* That the Legislature of the State of California
14 memorializes the President of the United States and the Secretary
15 of the United States Department of Transportation to award a
16 federal TIFIA loan-guarantee to enable the timely construction of
17 the State Route 91 Corridor Improvement Project in the interest
18 of economic competitiveness of California and the United States;
19 and be it further

20 *Resolved,* That the Chief Clerk of the Assembly transmit copies
21 of this resolution to the President and Vice President of the United
22 States, to the Speaker of the United States House of
23 Representatives, to the Majority Leader in the Senate, to each
24 Senator and Representative from California in the Congress of the
25 United States, to the Secretary of United States Department of
26 Transportation, and to the author for appropriate distribution.
