LEGISLATIVE COUNSEL'S DIGEST

AB 118, Committee on Budget. Local Revenue Fund 2011.

(1) Existing law, enacted by Chapter 15 of the Statutes of 2011, provides that a felony is a crime that is punishable by death, by imprisonment in the state prison, or, notwithstanding any other provision of law, by imprisonment in a county jail for more than one year. Existing law provides that these provisions shall become operative no earlier than July 1, 2011, and only upon the creation of a community corrections grant program to assist in implementing the act and upon an appropriation to fund the grant program.

This bill would establish the Community Corrections Grant Program for the purpose of funding various changes to the criminal justice system as required by Chapter 15 of the Statutes of 2011. The bill would create the Local Revenue Fund 2011 in the State Treasury, and would create the Trial Court Security Account, the Local Community Corrections Account, the Local Law Enforcement Services Account, the Mental Health Account, the District Attorney and Public Defender Account, the Juvenile Justice Account, the Health and Human Services Account, and the Reserve Account within the Local Revenue Fund 2011. The bill would require moneys from specified tax sources and other moneys that may be specifically appropriated to be deposited in the Local Revenue Fund 2011 and would provide that the fund is continuously appropriated, thereby creating an appropriation.

The bill would require that moneys in the Local Community Correction Account within the Local Revenue Fund 2011 be used to fund the Community Corrections Grant Program, and would provide that the appropriation out of that account on October 1, 2011, shall constitute an appropriation to fund the Community Corrections Grant Program, consistent with the provisions of Chapter 15 of the Statutes of 2011. The bill would require that moneys deposited in the Local Revenue Fund 2011 also be

available to reimburse the General Fund and the state for certain costs, as specified.

The bill would require each county treasurer, city and county treasurer, or other appropriate officer to create a County Local Revenue Fund 2011 for the county or city and county, and to create the Local Community Corrections Account, the Trial Court Security Account, the District Attorney and Public Defender Account, the Juvenile Justice Account, the Health and Human Services Account, and the Supplemental Law Enforcement Account within the County Local Revenue Fund 2011 for the county or city and county. The bill would require that moneys in each County Local Revenue Fund 2011 for the county or city and county and its accounts shall be used exclusively for Public Safety Services, as defined, and for specific services, including funding grants solely to enhance the capacity of county probation, mental health, drug and alcohol, and other county departments to provide appropriate rehabilitative, housing, and supervision services to youthful offenders. By creating new duties for local governments to administer funds and implement the act, this bill would create a state-mandated local program.

The bill would, for the 2011–12 fiscal year, require the Controller to allocate on a monthly basis a specified amount, of the revenues received in the Local Revenue Fund 2011, into the Mental Health Account of the Local Revenue Fund 2011, the Local Law Enforcement Services Account, the Trial Court Security Account, the Local Community Corrections Account, the District Attorney and Public Defender Account, the Juvenile Justice Account, and the Health and Human Services Account. Any remaining funds would be allocated to the Reserve Account to reimburse a county or city and county for adoption assistance, foster care, and Drug Medi-Cal services, as specified.

The bill would provide for a monthly allocation from the Mental Health Account to the Mental Health Subaccount and would provide that, notwithstanding any other law, funds that would have been otherwise deposited into the Mental Health Subaccount shall instead be deposited in the Social Services Account, to be used by each county and city and county that receives an allocation to pay an increased county share of CalWORKs grant costs.

(2) Existing law provides that a county may impose a fee upon a city, special district, school district, community college district, college, or university for reimbursement of county expenses incurred with respect to the booking or other processing of persons arrested by an employee of that city, special district, school district, community college district, college, or university, where the arrested persons are brought to the county jail for booking or detention. Existing law permits all counties and cities and counties that have charged these fees to apply to the Controller to receive funding that is equal to the fee revenue received by the county, city and county, or city during the 2006–07 fiscal year, to the extent that funding is appropriated therefor in the annual Budget Act or other appropriation legislation. Existing law provides that these payments shall be fully funded from the Local Safety and Protection Account in the Transportation Tax

Fund and requires the Controller to allocate 6.26% of the moneys annually deposited in the Local Safety and Protection Account for these purposes.

This bill would instead, commencing with the 2011–12 fiscal year, require these payments to be funded from the Local Law Enforcement Services Account in the Local Revenue Fund 2011 and would require the Controller to allocate a specified amount of the moneys annually deposited in the Local Law Enforcement Services Account for purposes of the above payments.

(3) Existing law requires that each county treasurer establish a Supplemental Law Enforcement Services Fund to fund specified local programs related to corrections. Existing law specifies how money received by the fund shall be allocated, and requires that 50% be allocated to the county or city and county to implement a comprehensive multiagency juvenile justice plan and to the Corrections Standards Authority for administration purposes. Existing law requires that programs related to this fund be funded from the Local Safety and Protection Account in the Transportation Fund.

This bill would delete the provision permitting the allocation to the Correction Standards Authority. This bill would instead provide that, commencing with the 2011–12 fiscal year, these programs would be funded from the Local Law Enforcement Services Account in the Local Revenue Fund 2011, as specified.

(4) Existing law requires that the Local Assistance for Rural and Small County Law Enforcement program be funded from the Local Safety and Protection Account in the Transportation Fund.

This bill would, commencing with the 2011–12 fiscal year, require the program to be funded from the Local Law Enforcement Services Account in the Local Revenue Fund 2011, as specified.

(5) Existing law, until July 1, 2013, allows a charge of \$40 to be imposed on every conviction for a criminal offense, as provided, to ensure adequate funding for court security. As of July 1, 2013, existing law authorizes a charge of \$30.

This bill would revise these provisions and allow an assessment to be charged, in the same amounts, to assist in funding court operations, as provided.

(6) Existing law provides for the allocation of funds deposited in the Local Safety and Protection Account in the Transportation Fund to the California Emergency Management Agency, for distribution to 10 designated programs, as provided.

This bill would provide that, commencing with the 2011–12 fiscal year, the Controller shall allocate a specified percent of the amount deposited in the Local Law Enforcement Services Account in the Local Revenue Fund 2011 to the California Emergency Management Agency, for distribution to 6 of those programs, as provided.

(7) Existing law requires the Controller to allocate specified percentages of the amounts deposited in the Local Safety Protection Account in the Transportation Fund to be used to serve children who are habitual truants,

runaways, at risk of being wards of the court, or under juvenile court supervision or supervision of the probation department, as provided.

This bill would, commencing with the 2011–12 fiscal year, require the Controller to allocate 33.38% of the funds deposited in the Local Law Enforcement Services Account in the Local Revenue Fund 2011 for these purposes. The bill would require the Controller, on a quarterly basis, to allocate 6.47% of those funds to the Department of Corrections and Rehabilitation, and would require the department to allocate funds appropriated in the annual Budget Act and included in the Local Law Enforcement Services Account among counties that operate juvenile camps and ranches, as provided.

(8) Existing law imposes state sales and use taxes on retailers and on the storage, use, or other consumption of tangible personal property in this state at the combined rate of 7¼% of the gross receipts from the retail sale of tangible personal property in this state, and of the sales price of tangible personal property purchased from any retailer for storage, use, or other consumption in this state. Existing law requires that all revenues derived from a 6% rate of that tax, except as provided, to be deposited in the State Treasury to the credit of the Retail Sales Tax Fund.

This bill would require the amount of those revenues, net of refunds, collected and attributable to a rate of 1.0625% to be deposited in the State Treasury to the credit of the Local Revenue Fund 2011, a continuously appropriated fund, and to be used exclusively for public safety purposes. The bill would additionally require the amount of revenues derived from any tax or tax increase enacted after July 1, 2011, that is deposited in the Local Revenue Fund 2011 to be applied to reduce the amount otherwise required to be deposited in that fund from the amount attributable to the 1.0625% rate, as specified.

(9) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The bill would further provide that if reimbursement is required, it shall first be paid from the County Local Revenue Fund 2011 to the fullest extent possible.

(10) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. This act is titled and may be cited as the 2011 Realignment.

SEC. 2. Section 29553 of the Government Code is amended to read:

29553. (a) Commencing with the 2009–10 fiscal year, the payments authorized by Section 29552 shall be fully funded from the Local Safety and Protection Account in the Transportation Tax Fund authorized by Section 10752.2 of the Revenue and Taxation Code. The Controller shall allocate 6.26 percent of the moneys annually deposited in the Local Safety and Protection Account for purposes of these payments.

(b) Commencing with the 2011–12 fiscal year, the payments authorized by Section 29552 shall be fully funded from the Local Law Enforcement Services Account in the Local Revenue Fund 2011. The Controller shall allocate thirty-five million dollars (\$35,000,000) of the moneys annually deposited in the Local Law Enforcement Services Account for purposes of these payments. The funds shall be allocated in four equal quarterly installments beginning October 1 of each year.

(e) Funds transferred to the Local Revenue Fund 2011 and its accounts and subaccounts are, notwithstanding Section 13340, continuously appropriated and shall be allocated pursuant to statute exclusively for Public Safety Services as defined in subdivision (h) and as further limited by statute. The moneys derived from taxes described in subdivision (a) and deposited in the Local Revenue Fund 2011 shall be available to reimburse the General

Fund for moneys that are advanced to the Local Revenue Fund 2011. Additionally, all funds deposited in the Local Revenue Fund 2011 and its accounts shall be available to pay for state costs incurred resulting from phasing in the implementation of Chapter 15 of the Statutes of 2011 and to reimburse the state for costs incurred on behalf of a local governmental entity in providing Public Safety Services.

(f) (1) Each county treasurer, city and county treasurer, or other appropriate official shall create a County Local Revenue Fund 2011 for the county or city and county and shall create the Local Community Corrections Account, the Trial Court Security Account, the District Attorney and Public Defender Account, the Juvenile Justice Account, the Health and Human Services Account, and the Supplemental Law Enforcement Account within the County Local Revenue Fund 2011 for the county or city and county.

(3) The moneys in the Trial Court Security Account shall be used exclusively to fund trial court security provided by county sheriffs. No general county administrative costs may be charged to this account, including, but not limited to, the costs of administering the account.

(4) The moneys in the Local Community Corrections Account shall be used exclusively to fund the provisions of Chapter 15 of the Statutes of 2011. The moneys within this account shall not be used by local agencies to supplant other funding for Public Safety Services. (5) The moneys in the District Attorney and Public Defender Account shall be used exclusively to fund costs associated with revocation proceedings involving persons subject to state parole and the Postrelease Community Supervision Act of 2011 (Title 2.05 (commencing with Section 3450) of Part 3 of the Penal Code). (A) The Youthful Offender Block Grant Subaccount shall be used to fund grants solely to enhance the capacity of county probation, mental health, drug and alcohol, and other county departments to provide appropriate rehabilitative, housing, and supervision services to youthful offenders, subject to Sections 731.1, 733, 1766, and 1767.35 of the Welfare and Institutions Code. Counties, in expending an allocation from this subaccount, shall provide all necessary services related to the custody and parole of the offenders.

(B) The Juvenile Reentry Grant Subaccount shall be used to fund grants exclusively to address local program needs for persons discharged from the custody of the Department of Corrections and Rehabilitation, Division of Juvenile Facilities. County probation departments, in expending the Juvenile Reentry Grant allocation, shall provide evidence-based supervision and detention practices and rehabilitative services to persons who are subject to the jurisdiction of the juvenile court, and who were committed to and discharged from the Department of Corrections and Rehabilitation, Division of Juvenile Facilities. “Evidence-based” refers to supervision and detention policies, procedures, programs, and practices demonstrated by scientific research to reduce recidivism among individuals on probation or under postrelease supervision. The funds allocated from this subaccount shall supplement existing services and shall not be used by local agencies to supplant any existing funding for existing services provided by those entities. The funding provided from this subaccount is intended to provide payment in full for all local government costs of the supervision, programming, education, incarceration, or any other cost resulting from persons discharged from custody or held in local facilities pursuant to the provisions of Chapter 729 of the Statutes of 2010.

(7) The Health and Human Services Account and its subaccounts described in subdivision (d) shall be used only to fund activities performed in connection with the programs described in this subdivision. The subaccounts shall be used exclusively as follows:

30026. (a) Consistent with Section 636 of Chapter 15 of the Statutes of 2011, as of October 1, 2011, there is hereby established the Community Corrections Grant Program for the purpose of funding various changes to the criminal justice system as required by Chapter 15 of the Statutes of 2011. The grant program shall provide grants to all counties that are affected by the provisions of Chapter 15 of the Statutes of 2011.

(b) The moneys in the Local Community Corrections Account within the Local Revenue Fund 2011 shall be used to fund the grant program as established in subdivision (a), and the appropriation out of that account on October 1, 2011, shall constitute an appropriation to fund the Community Corrections Grant Program, consistent with the provisions of Chapter 15 of the Statutes of 2011, and as identified in Section 636 of Chapter 15 of the Statutes of 2011.

30027. (a) For the 2011–12 fiscal year, on the 15th of every month, the Controller shall allocate to the Mental Health Account of the Local Revenue Fund 2011, ninety million three hundred thousand dollars (\$90,300,000) of the revenue received into Local Revenue Fund 2011, pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code.

(b) (1) All funds obtained pursuant to Sections 11001.5 and 11005 of the Revenue and Taxation Code shall be deposited in the Local Law

Enforcement Services Account. However, no more than four hundred and eighty-nine million nine hundred thousand dollars (\$489,900,000) in total shall be allocated out of the Local Law Enforcement Services Account.

(2) For the 2011–12 fiscal year, every month the Controller shall allocate to the Local Law Enforcement Services Account three million forty-one thousand six hundred sixty-seven dollars (\$3,041,667) of the amounts received during any month into the Local Revenue Fund 2011 pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code. However, these deposits shall cease once the Local Law Enforcement Services Account has been allocated four hundred eighty-nine million nine hundred thousand dollars (\$489,900,000).

(3) If on June 27, 2012, there have been insufficient funds provided to the Local Law Enforcement Services Account to permit the full allocation as described in subdivision (e) of Section 30029, the Director of Finance shall allocate sufficient funds from the Local Revenue Fund 2011 to provide that full allocation.

(c) For the 2011–12 fiscal year, of the amounts received during any month into the Local Revenue Fund 2011 pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code, after having first deducted the amount described in subdivisions (a) and (b), or any other revenue except those received pursuant to Section 11005 of the Revenue and Taxation Code, shall be allocated by the Controller on the 15th of every month as follows:

(1) Twelve and forty-five hundredths of 1 percent shall be allocated to the Trial Court Security Account. However, no more than four hundred ninety-six million four hundred twenty-nine thousand dollars (\$496,429,000) in total shall be allocated to the Trial Court Security Account, and the total allocation to the account shall be reduced by the Director of Finance, as appropriate, to reflect any reduction in trial court security costs.

(2) Eight and eighty-nine hundredths of 1 percent shall be allocated to the Local Community Corrections Account.

(3) Thirty-two hundredths of 1 percent shall be allocated to the District Attorney and Public Defender Account. However, no more than twelve million seven hundred thousand dollars (\$12,700,000) in total shall be allocated to the District Attorney and Public Defender Account.

(4) Two and forty-four hundredths of 1 percent shall be allocated to the Juvenile Justice Account. However, no more than ninety-seven million one hundred ninety thousand dollars (\$97,190,000) shall be allocated to the Juvenile Justice Account.

(5) Forty-five and thirty-one hundredths of 1 percent shall be allocated to the Health and Human Services Account.

(6) If revenue received into the Local Revenue Fund 2011, pursuant to Sections 6051.15 and 6201.15 of the Revenue and Taxation Code, cannot be allocated to a particular account due to the cap for that account having been reached, then those funds shall be placed into the Reserve Account. The Director of Finance may allocate the funds in the Reserve Account to reimburse a county or city and county for services funded by the Adoption Assistance Program Subaccount, the Foster Care Subaccount, or the Drug

Medi-Cal Subaccount of the Health and Human Services Account. The Controller shall allocate those funds based on a schedule provided by the Director of Finance, as submitted from time to time at the discretion of the Director of Finance.

(d) It is the intent of the Legislature that new allocation formulas be developed using appropriate data and information for the 2012–2013 fiscal year and each fiscal year thereafter. It is also the intent of the Legislature that sufficient protections be in place to provide ongoing funding and mandate protection for the state and local government.

30028. Funds allocated to the Juvenile Justice Account from the Local Revenue Fund 2011 pursuant to paragraph (4) of subdivision (c) of Section 30027 shall be allocated by the Controller as follows:

(f) Twenty-one and one tenth of 1 percent to the Adoption Assistance Program Subaccount.

(g) Three tenths of 1 percent to the Women and Children's Residential Treatment Services Subaccount.

(h) One and five tenths of 1 percent to the Drug Court Subaccount.

(i) One and one tenth of 1 percent to the Nondrug Medi-Cal Substance Abuse Treatment Services Subaccount.

(j) Seven and three tenths of 1 percent to the Drug Medi-Cal Subaccount.

30029. For the 2011–12 fiscal year, allocations out of the accounts in the Local Revenue Fund 2011 shall be allocated as follows:

(a) All of the funds allocated to the Mental Health Account from the Local Revenue Fund 2011, pursuant to subdivision (a) of Section 30027, shall be allocated by the Controller on the 20th of each month to the Mental Health Subaccount of the Sales Tax Account in the Local Revenue Fund, as established by paragraph (1) of subdivision (b) of Section 17600 of the Welfare and Institutions Code.

(b) Funds allocated to the Trial Court Security Account from the Local Revenue Fund 2011, pursuant to paragraph (1) of subdivision (c) of Section 30027, shall be allocated by the Controller on the 27th of each month to the Trial Court Security Account within each county's or city and county's County Local Revenue Fund 2011 based on an allocation provided by the Director of Finance. The moneys allocated pursuant to this subdivision shall

be used solely to provide security to the trial courts and shall not be used to pay for general county administrative expenses, including, but not limited to, the costs of administering the account.

(c) Funds allocated to the Local Community Corrections Account from the Local Revenue Fund 2011, pursuant to paragraph (2) of subdivision (c) of Section 30027, shall constitute the creation of the grant program in accordance with Section 30026 and the appropriation to fund the Community Corrections Grant Program consistent with the provisions of Chapter 15 of the Statutes of 2011, and as identified in Section 636 of Chapter 15 of the Statutes of 2011. Solely for the 2011–12 fiscal year, those funds shall be allocated in nine monthly installments beginning on October 1, 2011, to the Local Community Corrections Account held in each county’s or city and county’s County Local Revenue Fund 2011, as follows:

30029.1. The moneys allocated out of the subaccounts of the Juvenile Justice Account for the 2011–12 fiscal year are intended to be allocated in the same manner as the funding for those programs would have been allocated in the 2011–12 fiscal year if not for the passage of the act adding this section. For the 2011–12 fiscal year, moneys in the subaccounts in the Juvenile Justice Account in the Local Revenue Fund 2011 shall be allocated as follows:

(a) The Director of Finance shall determine the total amount of the Youthful Offender Block Grant and the allocation for each county, pursuant to Sections 1955 and 1956 of the Welfare and Institutions Code, and shall report those findings to the Controller. The Controller shall make an allocation from the Youthful Offender Block Grant Subaccount in the Juvenile Justice Account to each county's or city and county's Juvenile Justice Account in accordance with the report. The moneys allocated pursuant to this subdivision shall be used solely for the purposes described in subparagraph (A) of paragraph (6) of subdivision (f) of Section 30025.

(b) The Director of Finance shall calculate the Juvenile Reentry Grant and the allocation for each county probation department, consistent with the goals and criteria set forth in Section 1984 of the Welfare and Institutions Code, except that the allocations shall be distributed monthly, and shall report those findings to the Controller. The moneys allocated pursuant to this subdivision shall be used solely for the purposes described in subparagraph (B) of paragraph (6) of subdivision (f) of Section 30025.

30029.2. (a) The moneys allocated out of the subaccounts of the Health and Human Services Account for the constituent programs of those subaccounts are intended, as much as practicable, to be allocated in the same manner the funds for those programs were distributed in the 2010–11 fiscal year.

(b) All of the moneys allocated out of a subaccount in the Health and Human Services Account shall be used solely for the purposes described for that subaccount in paragraph (7) of subdivision (f) of Section 30025.

(c) For the 2011–12 fiscal year, the subaccounts of the Health and Human Services Account in the Local Revenue Fund 2011, except the Child Welfare Services Subaccount, shall be allocated by the Controller each month to the Health and Human Services Account within each county’s or city and county’s County Local Revenue Fund 2011 based on an allocation provided by the Director of Finance.

(d) Funds allocated to the Child Welfare Services Subaccount from the Health and Human Services Account in the Local Revenue Fund 2011, pursuant to subdivision (c) of Section 30028.5, shall be allocated by the Controller each month to the Health and Human Services Account within each county’s or city and county’s County Local Revenue Fund 2011, based on an allocation provided by the Director of Finance which reflects the allocation structure for the 2010–11 fiscal year. This allocation shall be provided to the Director of Finance by the State Department of Social Services based on estimates developed by the State Department of Social Services in consultation with the County Welfare Directors Association and the California State Association of Counties. The moneys allocated pursuant to this subdivision shall be used solely for the purposes described in subparagraph (C) of paragraph (7) of subdivision (f) of Section 30025.

SEC. 4. Section 30061 of the Government Code is amended to read:

30061. (a) There shall be established in each county treasury a Supplemental Law Enforcement Services Account (SLESA), to receive all amounts allocated to a county for purposes of implementing this chapter.

(b) In any fiscal year for which a county receives moneys to be expended for the implementation of this chapter, the county auditor shall allocate the moneys in the county’s SLESA, including any interest or other return earned on the investment of those moneys, within 30 days of the deposit of those moneys into the fund, and shall allocate those moneys in accordance with the requirements set forth in this subdivision. However, the auditor shall not transfer those moneys to a recipient agency until the Supplemental Law Enforcement Oversight Committee certifies receipt of an approved expenditure plan from the governing board of that agency. The moneys shall be allocated as follows:

(1) Five and fifteen-hundredths percent to the county sheriff for county jail construction and operation. In the case of Madera, Napa, and Santa Clara Counties, this allocation shall be made to the county director or chief of corrections.

(2) Five and fifteen-hundredths percent to the district attorney for criminal prosecution.

For a newly incorporated city whose population estimate is not published by the Department of Finance, but that was incorporated prior to July 1 of the fiscal year in which an allocation from the SLESA is to be made, the city manager, or an appointee of the legislative body, if a city manager is not available, and the county administrative or executive officer shall prepare a joint notification to the Department of Finance and the county auditor with a population estimate reduction of the unincorporated area of the county equal to the population of the newly incorporated city by July 15, or within 15 days after the Budget Act is enacted, of the fiscal year in which an allocation from the SLESA is to be made. No person residing within the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, or the Kensington Police Protection and Community Services District shall also be counted as residing within the unincorporated area of the County of San Mateo, Kern, Siskiyou, or Contra Costa, or within any city located within those counties. Except as provided in subdivision (j), the county auditor shall allocate a grant of at least one hundred thousand dollars (\$100,000) to each law enforcement jurisdiction. Moneys allocated to the county pursuant to this subdivision shall be retained in the county SLESA, and moneys allocated to a city pursuant to this subdivision shall be deposited in an SLESA established in the city treasury.

The juvenile justice plan shall be developed by the local juvenile justice coordinating council in each county and city and county with the membership described in Section 749.22 of the Welfare and Institutions Code. If a plan has been previously approved by the Corrections Standards Authority, the plan shall be reviewed and modified annually by the council. The plan or modified plan shall be approved by the county board of supervisors, and in the case of a city and county, the plan shall also be approved by the mayor. (iii) A local juvenile justice action strategy that provides for a continuum of responses to juvenile crime and delinquency and demonstrates a collaborative and integrated approach for implementing a system of swift, certain, and graduated responses for at-risk youth and juvenile offenders.

(iv) Programs identified in clause (iii) that are proposed to be funded pursuant to this subparagraph, including the projected amount of funding for each program.

(B) Programs proposed to be funded shall satisfy all of the following requirements:

(i) Be based on programs and approaches that have been demonstrated to be effective in reducing delinquency and addressing juvenile crime for any elements of response to juvenile crime and delinquency, including prevention, intervention, suppression, and incapacitation.

(ii) Collaborate and integrate services of all the resources set forth in clause (i) of subparagraph (A), to the extent appropriate.

(iv) Adopt goals related to the outcome measures that shall be used to determine the effectiveness of the local juvenile justice action strategy.

(C) The plan shall also identify the specific objectives of the programs proposed for funding and specified outcome measures to determine the effectiveness of the programs and contain an accounting for all program participants, including those who do not complete the programs. Outcome measures of the programs proposed to be funded shall include, but not be limited to, all of the following:

(v) Quantification of the annual per capita costs of the program.

(D) The Corrections Standards Authority shall review plans or modified plans submitted pursuant to this paragraph within 30 days upon receipt of submitted or resubmitted plans or modified plans. The authority shall approve only those plans or modified plans that fulfill the requirements of this paragraph, and shall advise a submitting county or city and county immediately upon the approval of its plan or modified plan. The authority shall offer, and provide, if requested, technical assistance to any county or

city and county that submits a plan or modified plan not in compliance with the requirements of this paragraph. The SLESA shall only allocate funding pursuant to this paragraph upon notification from the authority that a plan or modified plan has been approved.

(E) To assess the effectiveness of programs funded pursuant to this paragraph using the program outcome criteria specified in subparagraph (C), the following periodic reports shall be submitted:

(i) Each county or city and county shall report, beginning October 15, 2002, and annually each October 15 thereafter, to the county board of supervisors and the Corrections Standards Authority, in a format specified by the authority, on the programs funded pursuant to this chapter and program outcomes as specified in subparagraph (C).

(ii) The Corrections Standards Authority shall compile the local reports and, by March 15, 2003, and annually thereafter, make a report to the Governor and the Legislature on program expenditures within each county and city and county from the appropriation for the purposes of this paragraph, on the outcomes as specified in subparagraph (C) of the programs funded pursuant to this paragraph and the statewide effectiveness of the comprehensive multiagency juvenile justice plans.

(c) Subject to subdivision (d), for each fiscal year in which the county, each city, the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, and the Kensington Police Protection and Community Services District receive moneys pursuant to paragraph (3) of subdivision (b), the county, each city, and each district specified in this subdivision shall appropriate those moneys in accordance with the following procedures:

(1) In the case of the county, the county board of supervisors shall appropriate existing and anticipated moneys exclusively to provide frontline law enforcement services, other than those services specified in paragraphs (1) and (2) of subdivision (b), in the unincorporated areas of the county, in response to written requests submitted to the board by the county sheriff and the district attorney. Any request submitted pursuant to this paragraph shall specify the frontline law enforcement needs of the requesting entity, and those personnel, equipment, and programs that are necessary to meet those needs. The board shall, at a public hearing held at a time determined by the board in each year that the Legislature appropriates funds for purposes of this chapter, or within 30 days after a request by a recipient agency for a hearing if the funds have been received by the county from the state prior to that request, consider and determine each submitted request within 60 days of receipt, pursuant to the decision of a majority of a quorum present. The board shall consider these written requests separate and apart from the process applicable to proposed allocations of the county general fund.

(2) In the case of a city, the city council shall appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief of police of that city or the chief administrator of the law enforcement agency that provides

police services for that city. These written requests shall be acted upon by the city council in the same manner as specified in paragraph (1) for county appropriations.

(3) In the case of the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County, the legislative body of that special district shall appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief administrator of the law enforcement agency that provides police services for that special district. These written requests shall be acted upon by the legislative body in the same manner specified in paragraph (1) for county appropriations.

(d) For each fiscal year in which the county, a city, or the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County receives any moneys pursuant to this chapter, in no event shall the governing body of any of those recipient agencies subsequently alter any previous, valid appropriation by that body, for that same fiscal year, of moneys allocated to the county or city pursuant to paragraph (3) of subdivision (b).

(e) In the 2009–10 fiscal year, and every fiscal year thereafter, the Controller shall allocate 21.30 percent of the amount deposited in the Local Safety and Protection Account for purposes of paragraphs (1), (2), and (3) of subdivision (b), and shall allocate 21.30 percent for purposes of paragraph (4) of subdivision (b).

(f) Commencing with the 2011–12 fiscal year, the Controller shall allocate 23.54 percent of the amount deposited in the Local Law Enforcement Services Account in the Local Revenue Fund 2011 for the purposes of paragraphs (1), (2), and (3) of subdivision (b), and shall allocate 23.54 percent for purposes of paragraph (4) of subdivision (b).

(g) The Controller shall allocate funds to local jurisdictions for public safety in accordance with this section as annually calculated by the Director of Finance. In the 2009–10 fiscal year, and each fiscal year thereafter, the Controller shall allocate funds authorized for purposes of this chapter on a quarterly basis, beginning October 1 of each year.

(h) Funds received pursuant to subdivision (b) shall be expended or encumbered in accordance with this chapter no later than June 30 of the following fiscal year. A local agency that has not met this requirement shall remit unspent SLESF moneys received prior to April 1, 2009, to the Controller for deposit into the General Fund. A local agency that has not met the requirement of this subdivision shall remit unspent SLESF moneys received after April 1, 2009, to the Controller for deposit in the Local Safety

and Protection Account, and after April 1, 2012, to the Local Law Enforcement Services Account.

(i) If a county, a city, a city and county, or a qualifying special district does not comply with the requirements of this chapter to receive an SLESA allocation, the Controller shall revert funds that were provided for the noncompliant entity prior to April 1, 2009, to the General Fund. Funds provided for the noncompliant entity after March 1, 2009, shall be reverted to the Local Safety and Protection Account, and after March 1, 2012, shall be reverted to the Local Law Enforcement Services Account.

(j) In the 2010–11 fiscal year, if the fourth quarter revenue derived from fees imposed by subdivision (a) of Section 10752.2 of the Revenue and Taxation Code that are deposited in the General Fund and transferred to the Local Safety and Protection Account, and continuously appropriated to the Controller for allocation pursuant to this section, are insufficient to provide a minimum grant of one hundred thousand dollars (\$100,000) to each law enforcement jurisdiction, the county auditor shall allocate the revenue proportionately, based on the allocation schedule in paragraph (3) of subdivision (b). The county auditor shall proportionately allocate, based on the allocation schedule in paragraph (3) of subdivision (b), all revenues received after the distribution of the fourth quarter allocation attributable to these fees for which payment was due prior to July 1, 2011, until all minimum allocations are fulfilled, at which point all remaining revenue shall be distributed proportionately among the other jurisdictions.
