An act to amend Section 11062 of the Penal Code, relating to law enforcement.

LEGISLATIVE COUNSEL'S DIGEST

AB 239, as amended, Ammiano. Crime laboratories: oversight.

Existing law requires the Department of Justice to establish and chair a task force known as the Crime Laboratory Review Task Force to review and make recommendations as to how best to configure, fund, and improve the delivery of state and local crime laboratory services in the future and to report its findings to the Department of Finance and specified legislative committees by July 1, 2009.

This bill would require the task force to be reconvened and to submit to the Legislature a supplemental report, on or before July 1, 2013, that includes a proposal regarding the composition of a statewide oversight body to perform tasks relating to crime laboratories, including overseeing investigations into acts of misconduct or negligence committed by any employee or contractor of a crime laboratory, as specified. The bill would include a statement of legislative findings and declarations.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
