No. 339

Introduced by Assembly Member Bonilla

February 10, 2011

An act to amend Section 35239 of the Education Code, relating to school districts.

LEGISLATIVE COUNSEL'S DIGEST

AB 339, as introduced, Bonilla. School districts: governing board members.

Existing law authorizes a school district that had an average daily attendance in the prior fiscal year of 70 pupils or less to provide reasonable compensation to a member of the governing board for necessary work and labor performed by the member for the district in repairing the schoolhouse, fences, and other property belonging to the district, or in furnishing wood or other necessary supplies or, if the collective bargaining agent for classified employees in that district and the governing board concur that no other qualified person is available, for providing services in a classified position.

This bill would make technical, nonsubstantive changes in this provision.
