An act to add Section 21003 to the Elections Code, relating to redistricting.

LEGISLATIVE COUNSEL'S DIGEST

AB 420, as amended, Davis. Redistricting.

Existing law, as added by constitutional initiative, establishes the Citizens Redistricting Commission, and charges it with various duties and responsibilities in connection with redistricting Assembly, Senate, Board of Equalization, and congressional districts, as specified. Existing law establishes the Department of Corrections and Rehabilitation, and charges it with various duties and responsibilities in connection with the incarceration and rehabilitation of prisoners, as specified.

This bill would require the Department of Corrections and Rehabilitation to furnish to the Citizens Redistricting Commission, not

sooner than April 1, 2020, and not later than July 1, 2020, *and in each year of the decennial census thereafter*, specified information regarding the last known place of residence, as defined, of each inmate incarcerated in a state adult correctional facility, except an inmate whose last known place of residence is outside of California. The bill also would request the Citizens Redistricting Commission to deem each incarcerated person as residing at his or her last known place of residence, rather than at the institution of his or her incarceration, and to utilize the above information in carrying out its redistricting responsibilities.
