

AMENDED IN ASSEMBLY MAY 27, 2011

AMENDED IN ASSEMBLY APRIL 4, 2011

CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 503

Introduced by Assembly Member Block
(Principal coauthor: Senator Vargas)

February 15, 2011

An act to amend Section 15342 of the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 503, as amended, Block. Processing write-in votes.

Existing law prescribes the procedure for conducting an official canvass of election results, including the manner in which a name written upon a ballot for a qualified write-in candidate is to be counted for the office. Existing law, with regard to voting systems in which write-in spaces appear directly below the list of candidates for that office and provide a voting space, prohibits an elections official from counting a write-in vote unless the voting space next to the write-in space is marked or slotted as directed in the voting instructions.

This bill, as an exception to that prohibition, would ~~require~~ *authorize* the elections official, after tallying all eligible votes but prior to completion of the official canvass and the issuance of the certified statement of the results, and upon the request of a qualified write-in candidate for an examination of undervotes that is received within 5 days of completion of the semi-official canvass, to hand tally the remaining undervotes if specified conditions are applicable. ~~The~~ *If an elections official conducts a hand tally pursuant to this authority, the*

bill would require the elections official to include the results of a hand tally conducted pursuant to these provisions in the official canvass of the election. By requiring the elections official to perform additional duties, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions:

Vote: majority. Appropriation: no. Fiscal committee: ~~yes~~-no. State-mandated local program: ~~yes~~-no.

The people of the State of California do enact as follows:

- 10 next to the write-in space is marked or slotted as directed in the
- 11 voting instructions, except as provided in subdivision (f).
- 12 (b) For voting systems in which write-in spaces appear
- 13 separately from the list of candidates for that office and do not

- 16 described in the voting instructions.
- 17 (c) The use of pressure-sensitive stickers, glued stamps, or any

2 or elected to the office.

3 (e) All valid write-in votes shall be tabulated and certified to
4 the elections official on forms provided for this purpose, and the

6 ballots at the counting place and be included in the official returns
7 for the precinct.

8 (f) (1) In an election that uses a voting system described in
9 subdivision (a), after tallying all eligible votes but prior to
10 completion of the official canvass and the issuance of the certified
11 statement of the results pursuant to this chapter, the elections
12 official, upon the request of a qualified write-in candidate for an
13 office being voted on in that election for an examination of

34 receiving the least number of votes that would be sufficient in
35 order to be elected.

37 pursuant to this subdivision when the official determines that the
38 applicable condition in any of subparagraphs (A) to (C), inclusive,
39 of paragraph (1) is no longer applicable, or when all of the
40 undervotes for the office have been examined.

1 (3) In conducting a hand tally pursuant to this subdivision, the
2 elections official shall count a vote for the office if the intent of
3 the voter can be determined, regardless of whether the voter has
4 complied with the voting instructions. The elections official shall
5 include the results of a hand tally conducted pursuant to this
6 subdivision in the official canvass of the election.

7 (4) For purposes of this subdivision, “undervote” means a ballot
8 on which a voter failed to cast any vote for a specific office or
9 failed to cast the maximum number of votes permitted, as detected
10 by an electronic, mechanical, or other vote-tabulating device.

11 (5) Notwithstanding Section 15624, a qualified write-in
12 candidate is not responsible for the costs of a hand tally requested
13 pursuant to this subdivision.

14 (g) This section does not prohibit a request for a recount.
