

Assembly Bill No. 717

CHAPTER 468

An act to amend Sections 11165.12, 11169, and 11170 of the Penal Code, relating to the Child Abuse Central Index.

[Approved by Governor October 4, 2011. Filed with
Secretary of State October 4, 2011.]

LEGISLATIVE COUNSEL'S DIGEST

AB 717, Ammiano. Child Abuse Central Index.

Existing law, subject to exceptions, requires a police department, a sheriff's department, a county probation department under certain circumstances, and a county welfare department to forward to the Department of Justice a report in writing of every case it investigates of known or suspected child abuse or severe neglect which is determined not to be unfounded, for purposes of inclusion by the department in the Child Abuse Central Index (CACI).

Existing law prohibits those agencies from forwarding reports to the department unless the agency has conducted an active investigation and determined that the report is not unfounded. Existing law further requires, if a report has previously been filed which subsequently proves to be unfounded, the department be notified of that fact and the department shall not retain the report. Existing law classifies reports as unfounded, substantiated, or inconclusive. A substantiated report means a report that is determined by the investigator who conducted the investigation to constitute child abuse or neglect, as defined, based upon evidence that makes it more likely than not that child abuse or neglect occurred.

This bill would instead apply those provisions to reports that are substantiated. The bill would revise the definition of a substantiated report to exclude a report where the investigator who conducted the investigation found the report to be false, inherently improbable, to involve an accidental injury, or to not constitute child abuse or neglect, as specified. The bill would also provide that on and after January 1, 2012, a police department or sheriff's department shall no longer forward to the Department of Justice that report.

Existing law charges the Department of Justice with maintaining CACI and requires that the index be continually updated by the department and not contain any reports that are determined to be unfounded.

This bill would instead provide that only information from reports that are reported as substantiated would be filed, and all other determinations would be removed from the centralized list. The bill would also provide that any person who is listed on the CACI has the right to an agency hearing, as specified, to challenge his or her listing on the CACI. The bill would

require the hearing to meet due process requirements. The bill would also specify the circumstances under which the hearing may be denied. The bill would further provide that a person who is listed on the CACI has a right to that hearing if the court's jurisdiction terminates, the court has not made a finding concerning whether the suspected child abuse or neglect was substantiated, and that hearing has not been provided previously to the listed person. After that hearing or a court proceeding, if it is determined that the person's CACI listing was based on a report that was not substantiated, the agency would be required to notify the department of that result and the department shall remove that person's name from the CACI.

The bill would provide that any person listed in the CACI who has reached 100 years of age shall have his or her listing removed from the CACI. The bill would also require agencies, including police departments and sheriff's departments, to retain child abuse or neglect investigative reports that result or resulted in a report filed with the Department of Justice for the same period of time that the information is required to be maintained on the CACI, as specified.

By imposing additional duties on local government agencies, this bill would impose a state-mandated local program.

This bill would incorporate additional changes in Section 11170 of the Penal Code made by AB 212, to become operative if AB 212 and this bill become effective on or before January 1, 2012, and this bill is enacted last.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 11165.12 of the Penal Code is amended to read:

11165.12. As used in this article, the following definitions shall control:

(a) "Unfounded report" means a report that is determined by the investigator who conducted the investigation to be false, to be inherently improbable, to involve an accidental injury, or not to constitute child abuse or neglect, as defined in Section 11165.6.

(b) "Substantiated report" means a report that is determined by the investigator who conducted the investigation to constitute child abuse or neglect, as defined in Section 11165.6, based upon evidence that makes it more likely than not that child abuse or neglect, as defined, occurred. A substantiated report shall not include a report where the investigator who conducted the investigation found the report to be false, inherently improbable, to involve an accidental injury, or to not constitute child abuse or neglect as defined in Section 11165.6.

(c) “Inconclusive report” means a report that is determined by the investigator who conducted the investigation not to be unfounded, but the findings are inconclusive and there is insufficient evidence to determine whether child abuse or neglect, as defined in Section 11165.6, has occurred.

SEC. 2. Section 11169 of the Penal Code is amended to read:

11169. (a) An agency specified in Section 11165.9 shall forward to the Department of Justice a report in writing of every case it investigates of known or suspected child abuse or severe neglect that is determined to be substantiated, other than cases coming within subdivision (b) of Section 11165.2. An agency shall not forward a report to the Department of Justice unless it has conducted an active investigation and determined that the report is substantiated, as defined in Section 11165.12. If a report has previously been filed which subsequently proves to be not substantiated, the Department of Justice shall be notified in writing of that fact and shall not retain the report. The reports required by this section shall be in a form approved by the Department of Justice and may be sent by fax or electronic transmission. An agency specified in Section 11165.9 receiving a written report from another agency specified in Section 11165.9 shall not send that report to the Department of Justice.

(b) On and after January 1, 2012, a police department or sheriff’s department specified in Section 11165.9 shall no longer forward to the Department of Justice a report in writing of any case it investigates of known or suspected child abuse or severe neglect.

(c) At the time an agency specified in Section 11165.9 forwards a report in writing to the Department of Justice pursuant to subdivision (a), the agency shall also notify in writing the known or suspected child abuser that he or she has been reported to the Child Abuse Central Index (CACI). The notice required by this section shall be in a form approved by the Department of Justice. The requirements of this subdivision shall apply with respect to reports forwarded to the department on or after the date on which this subdivision becomes operative.

(d) Subject to subdivision (e), any person who is listed on the CACI has the right to a hearing before the agency that requested his or her inclusion in the CACI to challenge his or her listing on the CACI. The hearing shall satisfy due process requirements. It is the intent of the Legislature that the hearing provided for by this subdivision shall not be construed to be inconsistent with hearing proceedings available to persons who have been listed on the CACI prior to the enactment of the act that added this subdivision.

(e) A hearing requested pursuant to subdivision (d) shall be denied when a court of competent jurisdiction has determined that suspected child abuse or neglect has occurred, or when the allegation of child abuse or neglect resulting in the referral to the CACI is pending before the court. A person who is listed on the CACI and has been denied a hearing pursuant to this subdivision has a right to a hearing pursuant to subdivision (d) only if the court’s jurisdiction has terminated, the court has not made a finding concerning whether the suspected child abuse or neglect was substantiated,

and a hearing has not previously been provided to the listed person pursuant to subdivision (d).

(f) Any person listed in the CACI who has reached 100 years of age shall have his or her listing removed from the CACI.

(g) If, after a hearing pursuant to subdivision (d) or a court proceeding described in subdivision (e), it is determined the person's CACI listing was based on a report that was not substantiated, the agency shall notify the Department of Justice of that result and the department shall remove that person's name from the CACI.

(h) Agencies, including police departments and sheriff's departments, shall retain child abuse or neglect investigative reports that result or resulted in a report filed with the Department of Justice pursuant to subdivision (a) for the same period of time that the information is required to be maintained on the CACI pursuant to this section and subdivision (a) of Section 11170. Nothing in this section precludes an agency from retaining the reports for a longer period of time if required by law.

(i) The immunity provisions of Section 11172 shall not apply to the submission of a report by an agency pursuant to this section. However, nothing in this section shall be construed to alter or diminish any other immunity provisions of state or federal law.

SEC. 3. Section 11170 of the Penal Code is amended to read:

11170. (a) (1) The Department of Justice shall maintain an index of all reports of child abuse and severe neglect submitted pursuant to Section 11169. The index shall be continually updated by the department and shall not contain any reports that are determined to be not substantiated. The department may adopt rules governing recordkeeping and reporting pursuant to this article.

(2) The department shall act only as a repository of reports of suspected child abuse and severe neglect to be maintained in the Child Abuse Central Index (CACI) pursuant to paragraph (1). The submitting agencies are responsible for the accuracy, completeness, and retention of the reports described in this section. The department shall be responsible for ensuring that the CACI accurately reflects the report it receives from the submitting agency.

(3) Only information from reports that are reported as substantiated shall be filed pursuant to paragraph (1), and all other determinations shall be removed from the centralized list.

(b) The provisions of subdivision (c) of Section 11169 apply to any information provided pursuant to this subdivision.

(1) The Department of Justice shall immediately notify an agency that submits a report pursuant to Section 11169, or a prosecutor who requests notification, of any information maintained pursuant to subdivision (a) that is relevant to the known or suspected instance of child abuse or severe neglect reported by the agency. The agency shall make that information available to the reporting health care practitioner who is treating a person reported as a possible victim of known or suspected child abuse. The agency shall make that information available to the reporting child custodian, Child

Abuse Prevention and Treatment Act guardian ad litem appointed under Rule 5.662 of the California Rules of Court, or counsel appointed under Section 317 or 318 of the Welfare and Institutions Code, or the appropriate licensing agency, if he or she or the licensing agency is handling or investigating a case of known or suspected child abuse or severe neglect.

(2) When a report is made pursuant to subdivision (a) of Section 11166, or Section 11166.05, the investigating agency, upon completion of the investigation or after there has been a final disposition in the matter, shall inform the person required or authorized to report of the results of the investigation and of any action the agency is taking with regard to the child or family.

(3) The Department of Justice shall make relevant information from the CACI available to a law enforcement agency, county welfare department, or county probation department that is conducting a child abuse investigation.

(4) The department shall make available to the State Department of Social Services, or to any county licensing agency that has contracted with the state for the performance of licensing duties, or to a tribal court or tribal child welfare agency of a tribe or consortium of tribes that has entered into an agreement with the state pursuant to Section 10553.1 of the Welfare and Institutions Code, information regarding a known or suspected child abuser maintained pursuant to this section and subdivision (a) of Section 11169 concerning any person who is an applicant for licensure or any adult who resides or is employed in the home of an applicant for licensure or who is an applicant for employment in a position having supervisory or disciplinary power over a child or children, or who will provide 24-hour care for a child or children in a residential home or facility, pursuant to Section 1522.1 or 1596.877 of the Health and Safety Code, or Section 8714, 8802, 8912, or 9000 of the Family Code.

(5) The Department of Justice shall make available to a Court Appointed Special Advocate program that is conducting a background investigation of an applicant seeking employment with the program or a volunteer position as a Court Appointed Special Advocate, as defined in Section 101 of the Welfare and Institutions Code, information contained in the index regarding known or suspected child abuse by the applicant.

(6) For purposes of child death review, the Department of Justice shall make available to the chairperson, or the chairperson's designee, for each county child death review team, or the State Child Death Review Council, information for investigative purposes only that is maintained in the CACI pursuant to subdivision (a) relating to the death of one or more children and any prior child abuse or neglect investigation reports maintained involving the same victims, siblings, or suspects. Local child death review teams may share any relevant information regarding case reviews involving child death with other child death review teams.

(7) The department shall make available to investigative agencies or probation officers, or court investigators acting pursuant to Section 1513 of the Probate Code, responsible for placing children or assessing the possible placement of children pursuant to Article 6 (commencing with

Section 300), Article 7 (commencing with Section 305), Article 10 (commencing with Section 360), or Article 14 (commencing with Section 601) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, Article 2 (commencing with Section 1510) or Article 3 (commencing with Section 1540) of Chapter 1 of Part 2 of Division 4 of the Probate Code, information regarding a known or suspected child abuser contained in the index concerning any adult residing in the home where the child may be placed, when this information is requested for purposes of ensuring that the placement is in the best interest of the child. Upon receipt of relevant information concerning child abuse or neglect investigation reports contained in the CACI from the Department of Justice pursuant to this subdivision, the agency or court investigator shall notify, in writing, the person listed in the CACI that he or she is in the index. The notification shall include the name of the reporting agency and the date of the report.

(8) The Department of Justice shall make available to a government agency conducting a background investigation pursuant to Section 1031 of the Government Code of an applicant seeking employment as a peace officer, as defined in Section 830, information regarding a known or suspected child abuser maintained pursuant to this section concerning the applicant.

(9) The Department of Justice shall make available to a county child welfare agency or delegated county adoption agency, as defined in Section 8515 of the Family Code, conducting a background investigation, or a government agency conducting a background investigation on behalf of one of those agencies, information regarding a known or suspected child abuser maintained pursuant to this section and subdivision (a) of Section 11169 concerning any applicant seeking employment or volunteer status with the agency who, in the course of his or her employment or volunteer work, will have direct contact with children who are alleged to have been, are at risk of, or have suffered, abuse or neglect.

(10) (A) Persons or agencies, as specified in subdivision (b), if investigating a case of known or suspected child abuse or neglect, or the State Department of Social Services or any county licensing agency pursuant to paragraph (4), or a Court Appointed Special Advocate (CASA) program conducting a background investigation for employment or volunteer candidates pursuant to paragraph (5), or an investigative agency, probation officer, or court investigator responsible for placing children or assessing the possible placement of children pursuant to paragraph (7), or a government agency conducting a background investigation of an applicant seeking employment as a peace officer pursuant to paragraph (8), or a county child welfare agency or delegated county adoption agency conducting a background investigation of an applicant seeking employment or volunteer status who, in the course of his or her employment or volunteer work, will have direct contact with children who are alleged to have been, are at risk of, or have suffered, abuse or neglect, pursuant to paragraph (9), to whom disclosure of any information maintained pursuant to subdivision (a) is authorized, are responsible for obtaining the original investigative report from the reporting agency, and for drawing independent conclusions

regarding the quality of the evidence disclosed, and its sufficiency for making decisions regarding investigation, prosecution, licensing, placement of a child, employment or volunteer positions with a CASA program, or employment as a peace officer.

(B) If CACI information is requested by an agency for the temporary placement of a child in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the agency's inquiry and if further delay in placement may be detrimental to the child.

(11) (A) Whenever information contained in the Department of Justice files is furnished as the result of an application for employment or licensing or volunteer status pursuant to paragraph (4), (5), (8), or (9), the Department of Justice may charge the person or entity making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

(B) All moneys received by the department pursuant to this section to process trustline applications for purposes of Chapter 3.35 (commencing with Section 1596.60) of Division 2 of the Health and Safety Code shall be deposited in a special account in the General Fund that is hereby established and named the Department of Justice Child Abuse Fund. Moneys in the fund shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred to process trustline automated child abuse or neglect system checks pursuant to this section.

(C) All moneys, other than those described in subparagraph (B), received by the department pursuant to this paragraph shall be deposited in a special account in the General Fund which is hereby created and named the Department of Justice Sexual Habitual Offender Fund. The funds shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred pursuant to Chapter 9.5 (commencing with Section 13885) and Chapter 10 (commencing with Section 13890) of Title 6 of Part 4, and the DNA and Forensic Identification Data Base and Data Bank Act of 1998 (Chapter 6 (commencing with Section 295) of Title 9 of Part 1), and for maintenance and improvements to the statewide Sexual Habitual Offender Program and the California DNA offender identification file (CAL-DNA) authorized by Chapter 9.5 (commencing with Section 13885) of Title 6 of Part 4 and the DNA and Forensic Identification Data Base and Data Bank Act of 1998 (Chapter 6 (commencing with Section 295) of Title 9 of Part 1).

(c) (1) The Department of Justice shall make available to any agency responsible for placing children pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, upon request, relevant information concerning child abuse or neglect reports contained in the index, when making a placement with a

responsible relative pursuant to Sections 281.5, 305, and 361.3 of the Welfare and Institutions Code. Upon receipt of relevant information concerning child abuse or neglect reports contained in the index from the Department of Justice pursuant to this subdivision, the agency shall also notify in writing the person listed in the CACI that he or she is in the index. The notification shall include the location of the original investigative report and the submitting agency. The notification shall be submitted to the person listed at the same time that all other parties are notified of the information, and no later than the actual judicial proceeding that determines placement.

(2) If information is requested by an agency for the placement of a child with a responsible relative in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the child protective agency's inquiry and if further delay in placement may be detrimental to the child.

(d) The department shall make available any information maintained pursuant to subdivision (a) to out-of-state law enforcement agencies conducting investigations of known or suspected child abuse or neglect only when an agency makes the request for information in writing and on official letterhead, or as designated by the department, identifying the suspected abuser or victim by name and date of birth or approximate age. The request shall be signed by the department supervisor of the requesting law enforcement agency. The written requests shall cite the out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the safeguards in place to prevent unlawful disclosure of any confidential information provided by the requesting state or the applicable interstate compact provision.

(e) (1) The department shall make available to an out-of-state agency, for purposes of approving a prospective foster or adoptive parent in compliance with the Adam Walsh Child Protection and Safety Act of 2006 (Public Law 109-248), information regarding a known or suspected child abuser maintained pursuant to subdivision (a) concerning the prospective foster or adoptive parent, and any other adult living in the home of the prospective foster or adoptive parent. The department shall make that information available only when the out-of-state agency makes the request indicating that continual compliance will be maintained with the requirement in paragraph (20) of subdivision (a) of Section 671 of Title 42 of the United States Code that requires the state to have in place safeguards to prevent the unauthorized disclosure of information in any child abuse and neglect registry maintained by the state and prevent the information from being used for a purpose other than the conducting of background checks in foster or adoption placement cases.

(2) With respect to any information provided by the department in response to the out-of-state agency's request, the out-of-state agency is responsible for obtaining the original investigative report from the reporting agency, and for drawing independent conclusions regarding the quality of the evidence disclosed and its sufficiency for making decisions regarding the approval of prospective foster or adoptive parents.

(3) (A) Whenever information contained in the index is furnished pursuant to this subdivision, the department shall charge the out-of-state agency making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

(B) All moneys received by the department pursuant to this subdivision shall be deposited in the Department of Justice Child Abuse Fund, established under subparagraph (B) of paragraph (11) of subdivision (b). Moneys in the fund shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred to process requests for information pursuant to this subdivision.

(f) (1) Any person may determine if he or she is listed in the CACI by making a request in writing to the Department of Justice. The request shall be notarized and include the person's name, address, date of birth, and either a social security number or a California identification number. Upon receipt of a notarized request, the Department of Justice shall make available to the requesting person information identifying the date of the report and the submitting agency. The requesting person is responsible for obtaining the investigative report from the submitting agency pursuant to paragraph (11) of subdivision (b) of Section 11167.5.

(2) No person or agency shall require or request another person to furnish a copy of a record concerning himself or herself, or notification that a record concerning himself or herself exists or does not exist, pursuant to paragraph (1).

(g) If a person is listed in the CACI only as a victim of child abuse or neglect, and that person is 18 years of age or older, that person may have his or her name removed from the index by making a written request to the Department of Justice. The request shall be notarized and include the person's name, address, social security number, and date of birth.

expenditure by the department to offset the costs incurred to process trustline automated child abuse or neglect system checks pursuant to this section.

(C) All moneys, other than those described in subparagraph (B), received by the department pursuant to this paragraph shall be deposited in a special account in the General Fund which is hereby created and named the Department of Justice Sexual Habitual Offender Fund. The funds shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred pursuant to Chapter 9.5 (commencing with Section 13885) and Chapter 10 (commencing with Section 13890) of Title 6 of Part 4, and the DNA and Forensic Identification Data Base and Data Bank Act of 1998 (Chapter 6 (commencing with Section 295) of Title 9 of Part 1), and for maintenance and improvements to the statewide Sexual Habitual Offender Program and the California DNA offender identification file (CAL-DNA) authorized by Chapter 9.5 (commencing with Section 13885) of Title 6 of Part 4 and the DNA and Forensic Identification Data Base and Data Bank Act of 1998 (Chapter 6 (commencing with Section 295) of Title 9 of Part 1).

(c) (1) The Department of Justice shall make available to any agency responsible for placing children pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, upon request, relevant information concerning child abuse or neglect reports contained in the index, when making a placement with a responsible relative pursuant to Sections 281.5, 305, and 361.3 of the Welfare and Institutions Code. Upon receipt of relevant information concerning child abuse or neglect reports contained in the index from the Department of Justice pursuant to this subdivision, the agency shall also notify in writing the person listed in the CACI that he or she is in the index. The notification shall include the location of the original investigative report and the submitting agency. The notification shall be submitted to the person listed at the same time that all other parties are notified of the information, and no later than the actual judicial proceeding that determines placement.

(2) If information is requested by an agency for the placement of a child with a responsible relative in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the child protective agency's inquiry and if further delay in placement may be detrimental to the child.

(d) The department shall make available any information maintained pursuant to subdivision (a) to out-of-state law enforcement agencies conducting investigations of known or suspected child abuse or neglect only when an agency makes the request for information in writing and on official letterhead, or as designated by the department, identifying the suspected abuser or victim by name and date of birth or approximate age. The request shall be signed by the department supervisor of the requesting law enforcement agency. The written requests shall cite the out-of-state statute

or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the safeguards in place to prevent unlawful disclosure of any confidential information provided by the requesting state or the applicable interstate compact provision.

(e) (1) The department shall make available to an out-of-state agency, for purposes of approving a prospective foster or adoptive parent in compliance with the Adam Walsh Child Protection and Safety Act of 2006 (Public Law 109-248), information regarding a known or suspected child abuser maintained pursuant to subdivision (a) concerning the prospective foster or adoptive parent, and any other adult living in the home of the prospective foster or adoptive parent. The department shall make that information available only when the out-of-state agency makes the request indicating that continual compliance will be maintained with the requirement in paragraph (20) of subdivision (a) of Section 671 of Title 42 of the United States Code that requires the state to have in place safeguards to prevent the unauthorized disclosure of information in any child abuse and neglect registry maintained by the state and prevent the information from being used for a purpose other than the conducting of background checks in foster or adoption placement cases.

(2) With respect to any information provided by the department in response to the out-of-state agency's request, the out-of-state agency is responsible for obtaining the original investigative report from the reporting agency, and for drawing independent conclusions regarding the quality of the evidence disclosed and its sufficiency for making decisions regarding the approval of prospective foster or adoptive parents.

(3) (A) Whenever information contained in the index is furnished pursuant to this subdivision, the department shall charge the out-of-state agency making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

(B) All moneys received by the department pursuant to this subdivision shall be deposited in the Department of Justice Child Abuse Fund, established under subparagraph (B) of paragraph (11) of subdivision (b). Moneys in the fund shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred to process requests for information pursuant to this subdivision.

(f) (1) Any person may determine if he or she is listed in the CACI by making a request in writing to the Department of Justice. The request shall be notarized and include the person's name, address, date of birth, and either a social security number or a California identification number. Upon receipt of a notarized request, the Department of Justice shall make available to the requesting person information identifying the date of the report and the submitting agency. The requesting person is responsible for obtaining the

investigative report from the submitting agency pursuant to paragraph (11) of subdivision (b) of Section 11167.5.

(2) No person or agency shall require or request another person to furnish a copy of a record concerning himself or herself, or notification that a record concerning himself or herself exists or does not exist, pursuant to paragraph (1).

(g) If a person is listed in the CACI only as a victim of child abuse or neglect, and that person is 18 years of age or older, that person may have his or her name removed from the index by making a written request to the Department of Justice. The request shall be notarized and include the person's name, address, social security number, and date of birth.
