If a real estate broker that is a corporation has not done any of the foregoing acts, either directly or through its employees, agents, officers, directors, or persons owning or controlling 10 percent or more of the corporation's stock, the commissioner may not deny the issuance or delay the renewal of a real estate license to, or suspend or revoke the real estate license of, the corporation, provided that any offending officer, director, or stockholder, who has done any of the foregoing acts individually and not on behalf of the corporation, has been completely disassociated from any affiliation or ownership in the corporation. 11010.10. A person who plans to offer for sale or lease lots or other interests in a subdivision which sale or lease (a) is not subject to the provisions of this chapter, (b) does not require the submission of a notice of intention as provided in Section 11010, or (c) is subject to this chapter and for which the local jurisdiction requires review and approval of the declaration, as defined in Section 4135 of the Civil Code, prior to or concurrently with the recordation of the subdivision map and prior to the approval of the declaration pursuant to a notice of intention for a public report, may submit an application requesting review of the declaration, along with any required supporting documentation, to the commissioner, without the filing of a notice of intention for the subdivision for which the declaration is being prepared. Upon approval, the commissioner shall give notice to the applicant that the declaration shall be approved for a subsequent notice of intent filing for any public report for the subdivision identified in the application, provided that the subdivision setup is substantially the same as that originally described in the application for review of the declaration.

SEC. 9. Section 11018.1 of the Business and Professions Code is amended to read:

11018.1. (a) A copy of the public report of the commissioner, when issued, shall be given to the prospective purchaser by the owner, subdivider, or agent prior to the execution of a binding contract or agreement for the sale or lease of any lot or parcel in a subdivision. The requirement of this section extends to lots or parcels offered by the subdivider after repossession. A receipt shall be taken from the prospective purchaser in a form and manner as set forth in regulations of the Real Estate Commissioner.

(b) A copy of the public report shall be given by the owner, subdivider, or agent at any time, upon oral or written request, to

any member of the public. A copy of the public report and a statement advising that a copy of the public report may be obtained from the owner, subdivider or agent at any time, upon oral or written request, shall be posted in a conspicuous place at any office where sales or leases or offers to sell or lease lots within the subdivision are regularly made.

(c) At the same time that a public report is required to be given by the owner, subdivider, or agent pursuant to subdivision (a) with respect to a common interest development, as defined, in Section 4100 of the Civil Code, the owner, subdivider, or agent shall give the prospective purchaser a copy of the following statement:

“COMMON INTEREST DEVELOPMENT GENERAL INFORMATION

The project described in the attached Subdivision Public Report is known as a common-interest development. Read the public report carefully for more information about the type of development. The development includes common areas and facilities which will be owned or operated by an owners' association. Purchase of a lot or unit automatically entitles and obligates you as a member of the association and, in most cases, includes a beneficial interest in the areas and facilities. Since membership in the association is mandatory, you should be aware of the following information before you purchase:

Your ownership in this development and your rights and remedies as a member of its association will be controlled by governing instruments which generally include a Declaration of Restrictions (also known as CC&Rs), Articles of Incorporation (or association), and bylaws. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law. Study these documents carefully before entering into a contract to purchase a subdivision interest.

In order to provide funds for operation and maintenance of the common facilities, the association will levy assessments against your lot or unit. If you are delinquent in the payment of assessments, the association may enforce payment through court proceedings or your lot or unit may be liened and sold through the exercise of a power of sale. The anticipated income and expenses of the association, including the amount that you may expect to pay through assessments, are outlined in the proposed budget. Ask

to see a copy of the budget if the subdivider has not already made it available for your examination.

A homeowner association provides a vehicle for the ownership and use of recreational and other common facilities which were designed to attract you to buy in this development. The association also provides a means to accomplish architectural control and to provide a base for homeowner interaction on a variety of issues. The purchaser of an interest in a common-interest development should contemplate active participation in the affairs of the association. He or she should be willing to serve on the board of directors or on committees created by the board. In short, “they” in a common interest development is “you.” Unless you serve as a member of the governing board or on a committee appointed by the board, your control of the operation of the common areas and facilities is limited to your vote as a member of the association. There are actions that can be taken by the governing body without a vote of the members of the association which can have a significant impact upon the quality of life for association members.

Until there is a sufficient number of purchasers of lots or units in a common interest development to elect a majority of the governing body, it is likely that the subdivider will effectively control the affairs of the association. It is frequently necessary and equitable that the subdivider do so during the early stages of development. It is vitally important to the owners of individual subdivision interests that the transition from subdivider to resident-owner control be accomplished in an orderly manner and in a spirit of cooperation.

When contemplating the purchase of a dwelling in a common interest development, you should consider factors beyond the attractiveness of the dwelling units themselves. Study the governing instruments and give careful thought to whether you will be able to exist happily in an atmosphere of cooperative living where the interests of the group must be taken into account as well as the interests of the individual. Remember that managing a common interest development is very much like governing a small community ... the management can serve you well, but you will have to work for its success.”

Failure to provide the statement in accordance with this subdivision shall not be deemed a violation subject to Section 10185.

SEC. 10. Section 11018.12 of the Business and Professions Code is amended to read:

11018.12. (a) The commissioner may issue a conditional public report for a subdivision specified in Section 11004.5 if the requirements of subdivision (e) are met, all deficiencies and substantive inadequacies in the documents that are required to make an application for a final public report for the subdivision substantially complete have been corrected, the material elements of the setup of the offering to be made under the authority of the conditional public report have been established, and all requirements for the issuance of a public report set forth in the regulations of the commissioner have been satisfied, except for one or more of the following requirements, as applicable:

- (1) A final map has not been recorded.
- (2) A condominium plan pursuant to Section 4120 of the Civil Code has not been recorded.
- (3) A declaration of covenants, conditions, and restrictions pursuant to Sections 4250 and 4255 of the Civil Code has not been recorded.

- (5) A recorded subordination of existing liens to the declaration of covenants, conditions, and restrictions or declaration of annexation, or escrow instructions to effect recordation prior to the first sale, are lacking.
- (6) Filed articles of incorporation are lacking.

(b) The commissioner may issue a conditional public report for a subdivision not referred to or specified in Section 11000.1 or 11004.5 if the requirements of subdivision (e) are met, all deficiencies and substantive inadequacies in the documents that are required to make an application for a final public report for the subdivision substantially complete have been corrected, the material elements of the setup of the offering to be made under

the authority of the conditional public report have been established, and all requirements for issuance of a public report set forth in the regulations of the commissioner have been satisfied, except for one or more of the following requirements, as applicable:

(2) A declaration of covenants, conditions, and restrictions has not been recorded.

(3) A current preliminary report of a licensed title insurance company issued after filing of the final map and recording of the declaration covering all subdivision interests to be included in the public report has not been provided.

(4) Other requirements the commissioner determines are likely to be timely satisfied by the applicant, notwithstanding the fact that the failure to meet these requirements makes the application qualitatively incomplete.

(c) A decision by the commissioner to not issue a conditional public report shall be noticed in writing to the applicant within five business days and that notice shall specifically state the reasons why the report is not being issued.

(d) Notwithstanding the provisions of Section 11018.2, a person may sell or lease, or offer for sale or lease, lots or parcels in a subdivision pursuant to a conditional public report if, as a condition of the sale or lease or offer for sale or lease, delivery of legal title or other interest contracted for will not take place until issuance of a public report and provided that the requirements of subdivision (e) are met.

(e) (1) Evidence shall be supplied that all purchase money will be deposited in compliance with subdivision (a) of Section 11013.2 or subdivision (a) of Section 11013.4, and in the case of a subdivision referred to in subdivision (a) of this section, evidence shall be given of compliance with paragraphs (1) and (2) of subdivision (a) of Section 11018.5.

(2) A description of the nature of the transaction shall be supplied.

(3) Provision shall be made for the return of the entire sum of money paid or advanced by the purchaser if a subdivision public report has not been issued during the term of the conditional public report, or as extended, or the purchaser is dissatisfied with the public report because of a change pursuant to Section 11012.

(f) A subdivider, principal, or his or her agent shall provide a prospective purchaser a copy of the conditional public report and a written statement including all of the following:

(1) Specification of the information required for issuance of a public report.

(2) Specification of the information required in the public report that is not available in the conditional public report, along with a statement of the reasons why that information is not available at the time of issuance of the conditional public report.

(3) A statement that no person acting as a principal or agent shall sell or lease, or offer for sale or lease, lots or parcels in a subdivision for which a conditional public report has been issued except as provided in this article.

(4) Specification of the requirements of subdivision (e).

(g) The prospective purchaser shall sign a receipt that he or she has received and has read the conditional public report and the written statement provided pursuant to subdivision (f).

(h) The term of a conditional public report shall not exceed six months, and may be renewed for one additional term of six months if the commissioner determines that the requirements for issuance of a public report are likely to be satisfied during the renewal term.

(i) The term of a conditional public report for attached residential condominium units, as defined pursuant to Section 783 of the Civil Code, consisting of 25 units or more as specified on the approved tentative tract map, shall not exceed 30 months and may be renewed for one additional term of six months if the commissioner determines that the requirements for issuance of a public report are likely to be satisfied during the renewal term.

SEC. 11. Section 11018.6 of the Business and Professions Code is amended to read:

(b) (1) To the extent that a single site time-share plan or component site of a multisite time-share plan located in the state is structured as a condominium or other common interest development, and there is any inconsistency between the applicable provisions of this chapter and the Davis-Stirling Common Interest Development Act, the applicable provisions of this chapter shall control.

(2) To the extent that a time-share plan is part of a mixed use project where the time-share plan comprises a portion of a condominium or other common interest development, the applicable provisions of this chapter shall apply to that portion of the project uniquely comprising the time-share plan, and the Davis-Stirling Common Interest Development Act shall apply to the project as a whole.

(d) To the extent certain sections in this chapter require information and disclosure that by their terms only apply to real property time-share plans, those requirements shall not apply to personal property time-share plans.

(e) Notwithstanding subdivision (d), with respect to familial status, subdivision (d) shall not be construed to apply to housing for older persons, as defined in Section 12955.9 of the Government Code. With respect to familial status, nothing in subdivision (d) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 4760 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of the Government Code shall apply to subdivision (d).

SEC. 19. Section 51.11 of the Civil Code is amended to read:

51.11. (a) The Legislature finds and declares that this section is essential to establish and preserve housing for senior citizens.

There are senior citizens who need special living environments, and find that there is an inadequate supply of this type of housing in the state.

(b) For the purposes of this section, the following definitions apply:

(1) “Qualifying resident” or “senior citizen” means a person 62 years of age or older, or 55 years of age or older in a senior citizen housing development.

(2) “Qualified permanent resident” means a person who meets both of the following requirements:

(A) Was residing with the qualifying resident or senior citizen prior to the death, hospitalization, or other prolonged absence of, or the dissolution of marriage with, the qualifying resident or senior citizen.

(B) Was 45 years of age or older, or was a spouse, cohabitant, or person providing primary physical or economic support to the qualifying resident or senior citizen.

(3) “Qualified permanent resident” also means a disabled person or person with a disabling illness or injury who is a child or grandchild of the senior citizen or a qualified permanent resident as defined in paragraph (2) who needs to live with the senior citizen or qualified permanent resident because of the disabling condition, illness, or injury. For purposes of this section, “disabled” means a person who has a disability as defined in subdivision (b) of Section 54. A “disabling injury or illness” means an illness or injury which results in a condition meeting the definition of disability set forth in subdivision (b) of Section 54.

(A) For any person who is a qualified permanent resident under paragraph (3) whose disabling condition ends, the owner, board of directors, or other governing body may require the formerly disabled resident to cease residing in the development upon receipt of six months’ written notice; provided, however, that the owner, board of directors, or other governing body may allow the person to remain a resident for up to one year, after the disabling condition ends.

(B) The owner, board of directors, or other governing body of the senior citizen housing development may take action to prohibit or terminate occupancy by a person who is a qualified permanent resident under paragraph (3) if the owner, board of directors, or other governing body finds, based on credible and objective

evidence, that the person is likely to pose a significant threat to the health or safety of others that cannot be ameliorated by means of a reasonable accommodation; provided, however, that action to prohibit or terminate the occupancy may be taken only after doing both of the following:

(i) Providing reasonable notice to and an opportunity to be heard for the disabled person whose occupancy is being challenged, and reasonable notice to the coresident parent or grandparent of that person.

(ii) Giving due consideration to the relevant, credible, and objective information provided in that hearing. The evidence shall be taken and held in a confidential manner, pursuant to a closed session, by the owner, board of directors, or other governing body in order to preserve the privacy of the affected persons.

The affected persons shall be entitled to have present at the hearing an attorney or any other person authorized by them to speak on their behalf or to assist them in the matter.

(4) “Senior citizen housing development” means a residential development developed with more than 20 units as a senior community by its developer and zoned as a senior community by a local governmental entity, or characterized as a senior community in its governing documents, as these are defined in Section 4150, or qualified as a senior community under the federal Fair Housing Amendments Act of 1988, as amended. Any senior citizen housing development which is required to obtain a public report under Section 11010 of the Business and Professions Code and which submits its application for a public report after July 1, 2001, shall be required to have been issued a public report as a senior citizen housing development under Section 11010.05 of the Business and Professions Code.

(5) “Dwelling unit” or “housing” means any residential accommodation other than a mobilehome.

(6) “Cohabitant” refers to persons who live together as husband and wife, or persons who are domestic partners within the meaning of Section 297 of the Family Code.

(7) “Permitted health care resident” means a person hired to provide live-in, long-term, or terminal health care to a qualifying resident, or a family member of the qualifying resident providing that care. For the purposes of this section, the care provided by a permitted health care resident must be substantial in nature and

must provide either assistance with necessary daily activities or medical treatment, or both.

A permitted health care resident shall be entitled to continue his or her occupancy, residency, or use of the dwelling unit as a permitted resident in the absence of the senior citizen from the dwelling unit only if both of the following are applicable:

(A) The senior citizen became absent from the dwelling due to hospitalization or other necessary medical treatment and expects to return to his or her residence within 90 days from the date the absence began.

(B) The absent senior citizen or an authorized person acting for the senior citizen submits a written request to the owner, board of directors, or governing board stating that the senior citizen desires that the permitted health care resident be allowed to remain in order to be present when the senior citizen returns to reside in the development.

Upon written request by the senior citizen or an authorized person acting for the senior citizen, the owner, board of directors, or governing board shall have the discretion to allow a permitted health care resident to remain for a time period longer than 90 days from the date that the senior citizen's absence began, if it appears that the senior citizen will return within a period of time not to exceed an additional 90 days.

(c) The covenants, conditions, and restrictions and other documents or written policy shall set forth the limitations on occupancy, residency, or use on the basis of age. Any limitation shall not be more exclusive than to require that one person in residence in each dwelling unit may be required to be a senior citizen and that each other resident in the same dwelling unit may be required to be a qualified permanent resident, a permitted health care resident, or a person under 55 years of age whose occupancy is permitted under subdivision (g) of this section or subdivision (b) of Section 51.12. That limitation may be less exclusive, but shall at least require that the persons commencing any occupancy of a dwelling unit include a senior citizen who intends to reside in the unit as his or her primary residence on a permanent basis. The application of the rules set forth in this subdivision regarding limitations on occupancy may result in less than all of the dwellings being actually occupied by a senior citizen.

(d) The covenants, conditions, and restrictions or other documents or written policy shall permit temporary residency, as a guest of a senior citizen or qualified permanent resident, by a person of less than 55 years of age for periods of time, not more than 60 days in any year, that are specified in the covenants, conditions, and restrictions or other documents or written policy.

(e) Upon the death or dissolution of marriage, or upon hospitalization, or other prolonged absence of the qualifying resident, any qualified permanent resident shall be entitled to continue his or her occupancy, residency, or use of the dwelling unit as a permitted resident. This subdivision shall not apply to a permitted health care resident.

(f) The covenants, conditions, and restrictions or other documents or written policies applicable to any condominium, stock cooperative, limited-equity housing cooperative, planned development, or multiple-family residential property that contained age restrictions on January 1, 1984, shall be enforceable only to the extent permitted by this section, notwithstanding lower age restrictions contained in those documents or policies.

(g) Any person who has the right to reside in, occupy, or use the housing or an unimproved lot subject to this section on or after January 1, 1985, shall not be deprived of the right to continue that residency, occupancy, or use as the result of the enactment of this section by Chapter 1147 of the Statutes of 1996.

(h) A housing development may qualify as a senior citizen housing development under this section even though, as of January 1, 1997, it does not meet the definition of a senior citizen housing development specified in subdivision (b), if the development complies with that definition for every unit that becomes occupied after January 1, 1997, and if the development was once within that definition, and then became noncompliant with the definition as the result of any one of the following:

(1) The development was ordered by a court or a local, state, or federal enforcement agency to allow persons other than qualifying residents, qualified permanent residents, or permitted health care residents to reside in the development.

(2) The development received a notice of a pending or proposed action in, or by, a court, or a local, state, or federal enforcement agency, which action could have resulted in the development being ordered by a court or a state or federal enforcement agency to allow

persons other than qualifying residents, qualified permanent residents, or permitted health care residents to reside in the development.

(3) The development agreed to allow persons other than qualifying residents, qualified permanent residents, or permitted health care residents to reside in the development by entering into a stipulation, conciliation agreement, or settlement agreement with a local, state, or federal enforcement agency or with a private party who had filed, or indicated an intent to file, a complaint against the development with a local, state, or federal enforcement agency, or file an action in a court.

(4) The development allowed persons other than qualifying residents, qualified permanent residents, or permitted health care residents to reside in the development on the advice of counsel in order to prevent the possibility of an action being filed by a private party or by a local, state, or federal enforcement agency.

(i) The covenants, conditions, and restrictions or other documents or written policy of the senior citizen housing development shall permit the occupancy of a dwelling unit by a permitted health care resident during any period that the person is actually providing live-in, long-term, or hospice health care to a qualifying resident for compensation.

(j) This section shall only apply to the County of Riverside.

SEC. 20. Section 714 of the Civil Code is amended to read:

714. (a) Any covenant, restriction, or condition contained in any deed, contract, security instrument, or other instrument affecting the transfer or sale of, or any interest in, real property, and any provision of a governing document, as defined in Section 4150, that effectively prohibits or restricts the installation or use of a solar energy system is void and unenforceable.

(b) This section does not apply to provisions that impose reasonable restrictions on solar energy systems. However, it is the policy of the state to promote and encourage the use of solar energy systems and to remove obstacles thereto. Accordingly, reasonable restrictions on a solar energy system are those restrictions that do not significantly increase the cost of the system or significantly decrease its efficiency or specified performance, or that allow for an alternative system of comparable cost, efficiency, and energy conservation benefits.

(c) (1) A solar energy system shall meet applicable health and safety standards and requirements imposed by state and local permitting authorities.

(2) A solar energy system for heating water shall be certified by the Solar Rating Certification Corporation (SRCC) or other nationally recognized certification agencies. SRCC is a nonprofit third party supported by the United States Department of Energy. The certification shall be for the entire solar energy system and installation.

(3) A solar energy system for producing electricity shall also meet all applicable safety and performance standards established by the National Electrical Code, the Institute of Electrical and Electronics Engineers, and accredited testing laboratories such as Underwriters Laboratories and, where applicable, rules of the Public Utilities Commission regarding safety and reliability.

(d) For the purposes of this section:

(1) (A) For solar domestic water heating systems or solar swimming pool heating systems that comply with state and federal law, “significantly” means an amount exceeding 20 percent of the cost of the system or decreasing the efficiency of the solar energy system by an amount exceeding 20 percent, as originally specified and proposed.

(B) For photovoltaic systems that comply with state and federal law, “significantly” means an amount not to exceed two thousand dollars (\$2,000) over the system cost as originally specified and proposed, or a decrease in system efficiency of an amount exceeding 20 percent as originally specified and proposed.

(2) “Solar energy system” has the same meaning as defined in paragraphs (1) and (2) of subdivision (a) of Section 801.5.

(e) (1) Whenever approval is required for the installation or use of a solar energy system, the application for approval shall be processed and approved by the appropriate approving entity in the same manner as an application for approval of an architectural modification to the property, and shall not be willfully avoided or delayed.

(2) For an approving entity that is a homeowners’ association, as defined in Section 4080, and that is not a public entity, both of the following shall apply:

(A) The approval or denial of an application shall be in writing.

(B) If an application is not denied in writing within 60 days from the date of receipt of the application, the application shall be deemed approved, unless that delay is the result of a reasonable request for additional information.

(f) Any entity, other than a public entity, that willfully violates this section shall be liable to the applicant or other party for actual damages occasioned thereby, and shall pay a civil penalty to the applicant or other party in an amount not to exceed one thousand dollars (\$1,000).

(g) In any action to enforce compliance with this section, the prevailing party shall be awarded reasonable attorney's fees.

(h) (1) A public entity that fails to comply with this section may not receive funds from a state-sponsored grant or loan program for solar energy. A public entity shall certify its compliance with the requirements of this section when applying for funds from a state-sponsored grant or loan program.

(2) A local public entity may not exempt residents in its jurisdiction from the requirements of this section.

(3) As used in paragraphs (1) and (2), the “last known address” of each trustor or mortgagor means the last business or residence physical address actually known by the mortgagee, beneficiary, trustee, or other person authorized to record the notice of default. For the purposes of this subdivision, an address is “actually known” if it is contained in the original deed of trust or mortgage, or in any subsequent written notification of a change of physical address from the trustor or mortgagor pursuant to the deed of trust or mortgage. For the purposes of this subdivision, “physical address” does not include an e-mail or any form of electronic address for a trustor or mortgagor. The beneficiary shall inform the trustee of the trustor’s last address actually known by the beneficiary. However, the trustee shall incur no liability for failing to send any notice to the last address unless the trustee has actual knowledge of it.

(4) A “person authorized to record the notice of default or the notice of sale” shall include an agent for the mortgagee or beneficiary, an agent of the named trustee, any person designated in an executed substitution of trustee, or an agent of that substituted trustee.

(1) Within one month following recordation of the notice of default, deposit or cause to be deposited in the United States mail an envelope, sent by registered or certified mail with postage prepaid, containing a copy of the notice with the recording date shown thereon, addressed to each person set forth in paragraph (2), provided that the estate or interest of any person entitled to receive notice under this subdivision is acquired by an instrument

sufficient to impart constructive notice of the estate or interest in the land or portion thereof that is subject to the deed of trust or mortgage being foreclosed, and provided the instrument is recorded in the office of the county recorder so as to impart that constructive notice prior to the recording date of the notice of default and provided the instrument as so recorded sets forth a mailing address that the county recorder shall use, as instructed within the instrument, for the return of the instrument after recording, and which address shall be the address used for the purposes of mailing notices herein.

(2) The persons to whom notice shall be mailed under this subdivision are:

(A) The successor in interest, as of the recording date of the notice of default, of the estate or interest or any portion thereof of the trustor or mortgagor of the deed of trust or mortgage being foreclosed.

(B) The beneficiary or mortgagee of any deed of trust or mortgage recorded subsequent to the deed of trust or mortgage being foreclosed, or recorded prior to or concurrently with the deed of trust or mortgage being foreclosed but subject to a recorded agreement or a recorded statement of subordination to the deed of trust or mortgage being foreclosed.

(C) The assignee of any interest of the beneficiary or mortgagee described in subparagraph (B), as of the recording date of the notice of default.

(D) The vendee of any contract of sale, or the lessee of any lease, of the estate or interest being foreclosed that is recorded subsequent to the deed of trust or mortgage being foreclosed, or recorded prior to or concurrently with the deed of trust or mortgage being foreclosed but subject to a recorded agreement or statement of subordination to the deed of trust or mortgage being foreclosed.

(E) The successor in interest to the vendee or lessee described in subparagraph (D), as of the recording date of the notice of default.

(F) The office of the Controller, Sacramento, California, where, as of the recording date of the notice of default, a “Notice of Lien for Postponed Property Taxes” has been recorded against the real property to which the notice of default applies.

(3) At least 20 days before the date of sale, deposit or cause to be deposited in the United States mail an envelope, sent by

registered or certified mail with postage prepaid, containing a copy of the notice of the time and place of sale addressed to each person to whom a copy of the notice of default is to be mailed as provided in paragraphs (1) and (2), and addressed to the office of any state taxing agency, Sacramento, California, that has recorded, subsequent to the deed of trust or mortgage being foreclosed, a notice of tax lien prior to the recording date of the notice of default against the real property to which the notice of default applies.

(4) Provide a copy of the notice of sale to the Internal Revenue Service, in accordance with Section 7425 of the Internal Revenue Code and any applicable federal regulation, if a “Notice of Federal Tax Lien under Internal Revenue Laws” has been recorded, subsequent to the deed of trust or mortgage being foreclosed, against the real property to which the notice of sale applies. The failure to provide the Internal Revenue Service with a copy of the notice of sale pursuant to this paragraph shall be sufficient cause to rescind the trustee’s sale and invalidate the trustee’s deed, at the option of either the successful bidder at the trustee’s sale or the trustee, and in either case with the consent of the beneficiary. Any option to rescind the trustee’s sale pursuant to this paragraph shall be exercised prior to any transfer of the property by the successful bidder to a bona fide purchaser for value. A rescision of the trustee’s sale pursuant to this paragraph may be recorded in a notice of rescision pursuant to Section 1058.5.

(5) The mailing of notices in the manner set forth in paragraph (1) shall not impose upon any licensed attorney, agent, or employee of any person entitled to receive notices as herein set forth any duty to communicate the notice to the entitled person from the fact that the mailing address used by the county recorder is the address of the attorney, agent, or employee.

(d) Any deed of trust or mortgage with power of sale hereafter executed upon real property or an estate for years therein may contain a request that a copy of any notice of default and a copy of any notice of sale thereunder shall be mailed to any person or party thereto at the address of the person given therein, and a copy of any notice of default and of any notice of sale shall be mailed to each of these at the same time and in the same manner required as though a separate request therefor had been filed by each of these persons as herein authorized. If any deed of trust or mortgage with power of sale executed after September 19, 1939, except a

deed of trust or mortgage of any of the classes excepted from the provisions of Section 2924, does not contain a mailing address of the trustor or mortgagor therein named, and if no request for special notice by the trustor or mortgagor in substantially the form set forth in this section has subsequently been recorded, a copy of the notice of default shall be published once a week for at least four weeks in a newspaper of general circulation in the county in which the property is situated, the publication to commence within 10 business days after the filing of the notice of default. In lieu of publication, a copy of the notice of default may be delivered personally to the trustor or mortgagor within the 10 business days or at any time before publication is completed, or by posting the notice of default in a conspicuous place on the property and mailing the notice to the last known address of the trustor or mortgagor.

(e) Any person required to mail a copy of a notice of default or notice of sale to each trustor or mortgagor pursuant to subdivision (b) or (c) by registered or certified mail shall simultaneously cause to be deposited in the United States mail, with postage prepaid and mailed by first-class mail, an envelope containing an additional copy of the required notice addressed to each trustor or mortgagor at the same address to which the notice is sent by registered or certified mail pursuant to subdivision (b) or (c). The person shall execute and retain an affidavit identifying the notice mailed, showing the name and residence or business address of that person, that he or she is over the age of 18 years, the date of deposit in the mail, the name and address of the trustor or mortgagor to whom sent, and that the envelope was sealed and deposited in the mail with postage fully prepaid. In the absence of fraud, the affidavit required by this subdivision shall establish a conclusive presumption of mailing.

(f) (1) Notwithstanding subdivision (a), with respect to separate interests governed by an association, as defined in Section 4080, the association may cause to be filed in the office of the recorder in the county in which the separate interests are situated a request that a mortgagee, trustee, or other person authorized to record a notice of default regarding any of those separate interests mail to the association a copy of any trustee's deed upon sale concerning a separate interest. The request shall include a legal description or the assessor's parcel number of all the separate interests. A request recorded pursuant to this subdivision shall include the name and

address of the association and a statement that it is a homeowners' association. Subsequent requests of an association shall supersede prior requests. A request pursuant to this subdivision shall be recorded before the filing of a notice of default. The mortgagee, trustee, or other authorized person shall mail the requested information to the association within 15 business days following the date the trustee's deed is recorded. Failure to mail the request, pursuant to this subdivision, shall not affect the title to real property.

(2) A request filed pursuant to paragraph (1) does not, for purposes of Section 27288.1 of the Government Code, constitute a document that either effects or evidences a transfer or encumbrance of an interest in real property or that releases or terminates any interest, right, or encumbrance of an interest in real property.

(g) No request for a copy of any notice filed for record pursuant to this section, no statement or allegation in the request, and no record thereof shall affect the title to real property or be deemed notice to any person that any person requesting copies of notice has or claims any right, title, or interest in, or lien or charge upon the property described in the deed of trust or mortgage referred to therein.

(h) "Business day," as used in this section, has the meaning specified in Section 9.

Twenty-four hours' notice shall be presumed to be reasonable notice in the absence of evidence to the contrary.

(c) The secured lender shall reimburse the borrower for the cost of repair of any physical injury to the real property security caused by the entry and inspection.

(d) If a secured lender is refused the right of entry and inspection by the borrower or tenant of the property, or is otherwise unable to enter and inspect the property without a breach of the peace, the secured lender may, upon petition, obtain an order from a court of competent jurisdiction to exercise the secured lender's rights under subdivision (a), and that action shall not constitute an action within the meaning of subdivision (a) of Section 726 of the Code of Civil Procedure.

(e) For purposes of this section:

(1) "Borrower" means the trustor under a deed of trust, or a mortgagor under a mortgage, where the deed of trust or mortgage encumbers real property security and secures the performance of the trustor or mortgagor under a loan, extension of credit, guaranty, or other obligation. (4) “Release” means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including continuing migration, of hazardous substances into, onto, or through soil, surface water, or groundwater.

Except in case of an emergency, when the borrower or tenant of the property has abandoned the premises, or if it is impracticable to do so, the secured lender shall give the borrower or tenant of the property reasonable notice of the secured lender's intent to enter and shall enter only during the borrower's or tenant's normal business hours. Twenty-four hours' notice shall be presumed to be reasonable notice in the absence of evidence to the contrary.

The term includes any successor in interest of the trustor or mortgagor to the real property security before the deed of trust or mortgage has been discharged, reconveyed, or foreclosed upon.

(3) “Real property security” means any real property and improvements, other than a separate interest and any related interest in the common area of a residential common interest development, as the terms “separate interest,” “common area,” and “common interest development” are defined in Section 4095, 4100, and 4185 of the Civil Code, or real property consisting of one acre or less that contains 1 to 15 dwelling units.

726.5. (a) Notwithstanding subdivision (a) of Section 726 or any other provision of law, except subdivision (d) of this section, a secured lender may elect between the following where the real property security is environmentally impaired and the borrower’s obligations to the secured lender are in default:

(1) (A) Waiver of its lien against (i) any parcel of real property security that is environmentally impaired or is an affected parcel, and (ii) all or any portion of the fixtures and personal property attached to the parcels; and

(B) Exercise of (i) the rights and remedies of an unsecured creditor, including reduction of its claim against the borrower to judgment, and (ii) any other rights and remedies permitted by law.

(2) Exercise of (i) the rights and remedies of a creditor secured by a deed of trust or mortgage and, if applicable, a lien against fixtures or personal property attached to the real property security, and (ii) any other rights and remedies permitted by law.

(b) Before the secured lender may waive its lien against any parcel of real property security pursuant to paragraph (1) of subdivision (a) on the basis of the environmental impairment contemplated by paragraph (3) of subdivision (e), (i) the secured lender shall provide written notice of the default to the borrower,

and (ii) the value of the subject real property security shall be established and its environmentally impaired status shall be confirmed by an order of a court of competent jurisdiction in an action brought by the secured lender against the borrower. The complaint for a valuation and confirmation action may include causes of action for a money judgment for all or part of the secured obligation, in which case the waiver of the secured lender's liens under paragraph (1) of subdivision (a) shall result only if and when a final money judgment is obtained against the borrower.

(c) If a secured lender elects the rights and remedies permitted by paragraph (1) of subdivision (a) and the borrower's obligations are also secured by other real property security, fixtures, or personal property, the secured lender shall first foreclose against the additional collateral to the extent required by applicable law in which case the amount of the judgment of the secured lender pursuant to paragraph (1) of subdivision (a) shall be limited to the extent Section 580a or 580d, or subdivision (b) of Section 726 apply to the foreclosures of additional real property security. The borrower may waive or modify the foreclosure requirements of this subdivision provided that the waiver or modification is in writing and signed by the borrower after default.

(d) Subdivision (a) shall be inapplicable if all of the following are true:

(1) The release or threatened release was not knowingly or negligently caused or contributed to, or knowingly or willfully permitted or acquiesced to, by any of the following:

(A) The borrower or any related party.

(B) Any affiliate or agent of the borrower or any related party.

(2) In conjunction with the making, renewal, or modification of the loan, extension of credit, guaranty, or other obligation secured by the real property security, neither the borrower, any related party, nor any affiliate or agent of either the borrower or any related party had actual knowledge or notice of the release or threatened release, or if a person had knowledge or notice of the release or threatened release, the borrower made written disclosure thereof to the secured lender after the secured lender's written request for information concerning the environmental condition of the real property security, or the secured lender otherwise obtained actual knowledge thereof, prior to the making, renewal, or modification of the obligation.

(e) For purposes of this section:

(1) “Affected parcel” means any portion of a parcel of real property security that is (A) contiguous to the environmentally impaired parcel, even if separated by roads, streets, utility easements, or railroad rights-of-way, (B) part of an approved or proposed subdivision within the meaning of Section 66424 of the Government Code, of which the environmentally impaired parcel is also a part, or (C) within 2,000 feet of the environmentally impaired parcel.

(2) “Borrower” means the trustor under a deed of trust, or a mortgagor under a mortgage, where the deed of trust or mortgage encumbers real property security and secures the performance of the trustor or mortgagor under a loan, extension of credit, guaranty, or other obligation. The term includes any successor-in-interest of the trustor or mortgagor to the real property security before the deed of trust or mortgage has been discharged, reconveyed, or foreclosed upon.

(3) “Environmentally impaired” means that the estimated costs to clean up and remediate a past or present release or threatened release of any hazardous substance into, onto, beneath, or from the real property security, not disclosed in writing to, or otherwise actually known by, the secured lender prior to the making of the loan or extension of credit secured by the real property security, exceeds 25 percent of the higher of the aggregate fair market value of all security for the loan or extension of credit (A) at the time of the making of the loan or extension of credit, or (B) at the time of the discovery of the release or threatened release by the secured lender. For the purposes of this definition, the estimated cost to clean up and remediate the contamination caused by the release or threatened release shall include only those costs that would be incurred reasonably and in good faith, and fair market value shall be determined without giving consideration to the release or threatened release, and shall be exclusive of the amount of all liens and encumbrances against the security that are senior in priority to the lien of the secured lender. Notwithstanding the foregoing, the real property security for any loan or extension of credit secured by a single parcel of real property which is included in the National Priorities List pursuant to Section 9605 of Title 42 of the United States Code, or in any list published by the Department of Toxic Substances Control pursuant to subdivision (b) of Section 25356

of the Health and Safety Code, shall be deemed to be environmentally impaired.

(4) “Hazardous substance” means any of the following:

(A) Any “hazardous substance” as defined in subdivision (h) of Section 25281 of the Health and Safety Code.

(B) Any “waste” as defined in subdivision (d) of Section 13050 of the Water Code.

(5) “Real property security” means any real property and improvements, other than a separate interest and any related interest in the common area of a residential common interest development, as the terms “separate interest,” “common area,” and “common interest development” are defined in Sections 4095, 4100, and 4185 of the Civil Code, or real property which contains only 1 to 15 dwelling units, which in either case (A) is solely used (i) for residential purposes, or (ii) if reasonably contemplated by the parties to the deed of trust or mortgage, for residential purposes as well as limited agricultural or commercial purposes incidental thereto, and (B) is the subject of an issued certificate of occupancy unless the dwelling is to be owned and occupied by the borrower.

(6) “Related party” means any person who shares an ownership interest with the borrower in the real property security, or is a partner or joint venturer with the borrower in a partnership or joint venture, the business of which includes the acquisition, development, use, lease, or sale of the real property security.

(7) “Release” means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including continuing migration, of hazardous substances into, onto, or through soil, surface water, or groundwater. The term does not include actions directly relating to the incorporation in a lawful manner of building materials into a permanent improvement to the real property security.

(8) “Secured lender” means the beneficiary under a deed of trust against the real property security, or the mortgagee under a mortgage against the real property security, and any successor-in-interest of the beneficiary or mortgagee to the deed of trust or mortgage.

(f) This section shall not be construed to invalidate or otherwise affect in any manner any rights or obligations arising under contract in connection with a loan or extension of credit, including, without limitation, provisions limiting recourse.

(g) This section shall only apply to loans, extensions of credit, guaranties, or other obligations secured by real property security made, renewed, or modified on or after January 1, 1992.

736. (a) Notwithstanding any other provision of law, a secured lender may bring an action for breach of contract against a borrower for breach of any environmental provision made by the borrower relating to the real property security, for the recovery of damages, and for the enforcement of the environmental provision, and that action or failure to foreclose first against collateral shall not constitute an action within the meaning of subdivision (a) of Section 726, or constitute a money judgment for a deficiency or a deficiency judgment within the meaning of Section 580a, 580b, or 580d, or subdivision (b) of Section 726. No injunction for the enforcement of an environmental provision may be issued after (1) the obligation secured by the real property security has been fully satisfied, or (2) all of the borrower's rights, title, and interest in and to the real property security has been transferred in a bona fide transaction to an unaffiliated third party for fair value.

(b) The damages a secured lender may recover pursuant to subdivision (a) shall be limited to reimbursement or indemnification of the following:

(1) If not pursuant to an order of any federal, state, or local governmental agency relating to the cleanup, remediation, or other response action required by applicable law, those costs relating to a reasonable and good faith cleanup, remediation, or other response

action concerning a release or threatened release of hazardous substances which is anticipated by the environmental provision.

(2) If pursuant to an order of any federal, state, or local governmental agency relating to the cleanup, remediation, or other response action required by applicable law which is anticipated by the environmental provision, all amounts reasonably advanced in good faith by the secured lender in connection therewith, provided that the secured lender negotiated, or attempted to negotiate, in good faith to minimize the amounts it was required to advance under the order.

(3) Indemnification against all liabilities of the secured lender to any third party relating to the breach and not arising from acts, omissions, or other conduct which occur after the borrower is no longer an owner or operator of the real property security, and provided the secured lender is not responsible for the environmentally impaired condition of the real property security in accordance with the standards set forth in subdivision (d) of Section 726.5. For purposes of this paragraph, the term “owner or operator” means those persons described in Section 101(20)(A) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. (4) Attorneys’ fees and costs incurred by the secured lender relating to the breach.

The damages a secured lender may recover pursuant to subdivision (a) shall not include (i) any part of the principal amount or accrued interest of the secured obligation, except for any amounts advanced by the secured lender to cure or mitigate the breach of the environmental provision that are added to the principal amount, and contractual interest thereon, or (ii) amounts which relate to a release which was knowingly permitted, caused, or contributed to by the secured lender or any affiliate or agent of the secured lender.

(c) A secured lender may not recover damages against a borrower pursuant to subdivision (a) for amounts advanced or obligations incurred for the cleanup or other remediation of real property security, and related attorneys’ fees and costs, if all of the following are true:

(1) The original principal amount of, or commitment for, the loan or other obligation secured by the real property security did not exceed two hundred thousand dollars (\$200,000).

(2) In conjunction with the secured lender's acceptance of the environmental provision, the secured lender agreed in writing to accept the real property security on the basis of a completed environmental site assessment and other relevant information from the borrower.

(3) The borrower did not permit, cause, or contribute to the release or threatened release.

(4) The deed of trust or mortgage covering the real property security has not been discharged, reconveyed, or foreclosed upon.

(d) This section is not intended to establish, abrogate, modify, limit, or otherwise affect any cause of action other than that provided by subdivision (a) that a secured lender may have against a borrower under an environmental provision.

(e) This section shall apply only to environmental provisions contracted in conjunction with loans, extensions of credit, guaranties, or other obligations made, renewed, or modified on or after January 1, 1992. Notwithstanding the foregoing, this section shall not be construed to validate, invalidate, or otherwise affect in any manner the rights and obligations of the parties to, or the enforcement of, environmental provisions contracted before January 1, 1992.

(f) For purposes of this section:

(1) "Borrower" means the trustor under a deed of trust, or a mortgagor under a mortgage, where the deed of trust or mortgage encumbers real property security and secures the performance of the trustor or mortgagor under a loan, extension of credit, guaranty, or other obligation. The term includes any successor-in-interest of the trustor or mortgagor to the real property security before the deed of trust or mortgage has been discharged, reconveyed, or foreclosed upon.

(2) "Environmental provision" means any written representation, warranty, indemnity, promise, or covenant relating to the existence, location, nature, use, generation, manufacture, storage, disposal, handling, or past, present, or future release or threatened release, of any hazardous substance into, onto, beneath, or from the real property security, or to past, present, or future compliance with any law relating thereto, made by a borrower in conjunction with

(5) “Release” means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including continuing migration, of hazardous substances into, onto, or through soil, surface water, or groundwater. SEC. 49. Section 12956.1 of the Government Code is amended to read:

12956.1. (a) As used in this section, “association,” “governing documents,” and “declaration” have the same meanings as set forth in Sections 4080, 4135, and 4150 of the Civil Code.

(b) (1) A county recorder, title insurance company, escrow company, real estate broker, real estate agent, or association that provides a copy of a declaration, governing document, or deed to any person shall place a cover page or stamp on the first page of the previously recorded document or documents stating, in at least 14-point boldface type, the following:

“If this document contains any restriction based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, disability, genetic information, national origin, source of income as defined in subdivision (p) of Section 12955, or ancestry, that restriction violates state and federal fair housing laws and is void, and may be removed pursuant to Section 12956.2 of the Government Code. Lawful restrictions under state and federal law on the age of occupants in senior housing or housing for older persons shall not be construed as restrictions based on familial status.”

(2) The requirements set forth in paragraph (1) shall not apply to documents being submitted for recordation to a county recorder.

(c) Any person who records a document for the express purpose of adding a racially restrictive covenant is guilty of a misdemeanor. The county recorder shall not incur any liability for recording the document. Notwithstanding any other provision of law, a prosecution for a violation of this subdivision shall commence within three years after the discovery of the recording of the document.

SEC. 50. Section 12956.2 of the Government Code is amended to read:

12956.2. (a) A person who holds an ownership interest of record in property that he or she believes is the subject of an unlawfully restrictive covenant in violation of subdivision (l) of Section 12955 may record a document titled Restrictive Covenant Modification. The county recorder may choose to waive the fee prescribed for recording and indexing instruments pursuant to Section 27361 in the case of the modification document provided for in this section. The modification document shall include a complete copy of the original document containing the unlawfully restrictive language with the unlawfully restrictive language stricken.

(b) Before recording the modification document, the county recorder shall submit the modification document and the original document to the county counsel who shall determine whether the original document contains an unlawful restriction based on race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, familial status, marital status, disability, national origin, source of income as defined in subdivision (p) of Section 12955, or ancestry. The county counsel shall return the documents

and inform the county recorder of its determination. The county recorder shall refuse to record the modification document if the county counsel finds that the original document does not contain an unlawful restriction as specified in this paragraph.

(c) The modification document shall be indexed in the same manner as the original document being modified. It shall contain a recording reference to the original document in the form of a book and page or instrument number, and date of the recording.

(d) Subject to covenants, conditions, and restrictions that were recorded after the recording of the original document that contains the unlawfully restrictive language and subject to covenants, conditions, and restrictions that will be recorded after the Restrictive Covenant Modification, the restrictions in the Restrictive Covenant Modification, once recorded, are the only restrictions having effect on the property. The effective date of the terms and conditions of the modification document shall be the same as the effective date of the original document.

(e) The county recorder shall make available to the public Restrictive Covenant Modification forms.

(f) If the holder of an ownership interest of record in property causes to be recorded a modified document pursuant to this section that contains modifications not authorized by this section, the county recorder shall not incur liability for recording the document. The liability that may result from the unauthorized recordation is the sole responsibility of the holder of the ownership interest of record who caused the modified recordation.

(g) This section does not apply to persons holding an ownership interest in property that is part of a common interest development as defined in Section 4100 of the Civil Code if the board of directors of that common interest development is subject to the requirements of subdivision (b) of Section 4225 of the Civil Code.

SEC. 51. Section 53341.5 of the Government Code is amended to read:

SEC. 52. Section 65008 of the Government Code is amended to read:

65008. (a) Any action pursuant to this title by any city, county, city and county, or other local governmental agency in this state is null and void if it denies to any individual or group of individuals the enjoyment of residence, landownership, tenancy, or any other land use in this state because of any of the following reasons:

(1) (A) The lawful occupation, age, or any characteristic of the individual or group of individuals listed in subdivision (a) or (d) of Section 12955, as those bases are defined in Sections 12926,

12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955 and Section 12955.2.

(B) Notwithstanding subparagraph (A), with respect to familial status, subparagraph (A) shall not be construed to apply to housing for older persons, as defined in Section 12955.9. With respect to familial status, nothing in subparagraph (A) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 4760 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of this code shall apply to subparagraph (A).

(2) The method of financing of any residential development of the individual or group of individuals.

(3) The intended occupancy of any residential development by persons or families of very low, low, moderate, or middle income.

(b) (1) No city, county, city and county, or other local governmental agency shall, in the enactment or administration of ordinances pursuant to any law, including this title, prohibit or discriminate against any residential development or emergency shelter for any of the following reasons:

(A) Because of the method of financing.

(B) (i) Because of the lawful occupation, age, or any characteristic listed in subdivision (a) or (d) of Section 12955, as those characteristics are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 of the owners or intended occupants of the residential development or emergency shelter.

(ii) Notwithstanding clause (i), with respect to familial status, clause (i) shall not be construed to apply to housing for older persons, as defined in Section 12955.9. With respect to familial status, nothing in clause (i) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 4760 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of this code shall apply to clause (i).

(C) Because the development or shelter is intended for occupancy by persons and families of very low, low, or moderate income, as defined in Section 50093 of the Health and Safety Code, or persons and families of middle income.

(D) Because the development consists of a multifamily residential project that is consistent with both the jurisdiction's zoning ordinance and general plan as they existed on the date the application was deemed complete, except that a project shall not be deemed to be inconsistent with the zoning designation for the site if that zoning designation is inconsistent with the general plan only because the project site has not been rezoned to conform with a more recently adopted general plan.

(2) The discrimination prohibited by this subdivision includes the denial or conditioning of a residential development or shelter because of, in whole or in part, either of the following:

(A) The method of financing.

(B) The occupancy of the development by persons protected by this subdivision, including, but not limited to, persons and families of very low, low, or moderate income.

(3) A city, county, city and county, or other local government agency may not, pursuant to subdivision (d) of Section 65589.5, disapprove a housing development project or condition approval of a housing development project in a manner that renders the project infeasible if the basis for the disapproval or conditional approval includes any of the reasons prohibited in paragraph (1) or (2).

(c) For the purposes of this section, "persons and families of middle income" means persons and families whose income does not exceed 150 percent of the median income for the county in which the persons or families reside.

(d) (1) No city, county, city and county, or other local governmental agency may impose different requirements on a residential development or emergency shelter that is subsidized, financed, insured, or otherwise assisted by the federal or state government or by a local public entity, as defined in Section 50079 of the Health and Safety Code, than those imposed on nonassisted developments, except as provided in subdivision (e). The discrimination prohibited by this subdivision includes the denial or conditioning of a residential development or emergency shelter based in whole or in part on the fact that the development is subsidized, financed, insured, or otherwise assisted as described in this paragraph.

(2) (A) No city, county, city and county, or other local governmental agency may, because of the lawful occupation age,

or any characteristic of the intended occupants listed in subdivision (a) or (d) of Section 12955, as those characteristics are defined in Sections 12926, 12926.1, subdivision (m) and paragraph (1) of subdivision (p) of Section 12955, and Section 12955.2 or because the development is intended for occupancy by persons and families of very low, low, moderate, or middle income, impose different requirements on these residential developments than those imposed on developments generally, except as provided in subdivision (e).

(B) Notwithstanding subparagraph (A), with respect to familial status, subparagraph (A) shall not be construed to apply to housing for older persons, as defined in Section 12955.9. With respect to familial status, nothing in subparagraph (A) shall be construed to affect Sections 51.2, 51.3, 51.4, 51.10, 51.11, and 799.5 of the Civil Code, relating to housing for senior citizens. Subdivision (d) of Section 51 and Section 4760 of the Civil Code and subdivisions (n), (o), and (p) of Section 12955 of this code shall apply to subparagraph (A).

(e) Notwithstanding subdivisions (a) to (d), inclusive, this section and this title do not prohibit either of the following:

(1) The County of Riverside from enacting and enforcing zoning to provide housing for older persons, in accordance with state or federal law, if that zoning was enacted prior to January 1, 1995.

(2) Any city, county, or city and county from extending preferential treatment to residential developments or emergency shelters assisted by the federal or state government or by a local public entity, as defined in Section 50079 of the Health and Safety Code, or other residential developments or emergency shelters intended for occupancy by persons and families of low and moderate income, as defined in Section 50093 of the Health and Safety Code, or persons and families of middle income, or agricultural employees, as defined in subdivision (b) of Section 1140.4 of the Labor Code, and their families. This preferential treatment may include, but need not be limited to, reduction or waiver of fees or changes in architectural requirements, site development and property line requirements, building setback requirements, or vehicle parking requirements that reduce development costs of these developments.

(f) “Residential development,” as used in this section, means a single-family residence or a multifamily residence, including

manufactured homes, as defined in Section 18007 of the Health and Safety Code.

(g) This section shall apply to chartered cities.

(h) The Legislature finds and declares that discriminatory practices that inhibit the development of housing for persons and families of very low, low, moderate, and middle incomes, or emergency shelters for the homeless, are a matter of statewide concern.

SEC. 53. Section 65915 of the Government Code is amended to read:

65915. (a) When an applicant seeks a density bonus for a housing development within, or for the donation of land for housing within, the jurisdiction of a city, county, or city and county, that local government shall provide the applicant with incentives or concessions for the production of housing units and child care facilities as prescribed in this section. All cities, counties, or cities and counties shall adopt an ordinance that specifies how compliance with this section will be implemented. Failure to adopt an ordinance shall not relieve a city, county, or city and county from complying with this section.

(b) (1) A city, county, or city and county shall grant one density bonus, the amount of which shall be as specified in subdivision (f), and incentives or concessions, as described in subdivision (d), when an applicant for a housing development seeks and agrees to construct a housing development, excluding any units permitted by the density bonus awarded pursuant to this section, that will contain at least any one of the following:

(A) Ten percent of the total units of a housing development for lower income households, as defined in Section 50079.5 of the Health and Safety Code.

(B) Five percent of the total units of a housing development for very low income households, as defined in Section 50105 of the Health and Safety Code.

(C) A senior citizen housing development, as defined in Sections 51.3 and 51.12 of the Civil Code, or mobilehome park that limits residency based on age requirements for housing for older persons pursuant to Section 798.76 or 799.5 of the Civil Code.

(D) Ten percent of the total dwelling units in a common interest development as defined in Section 4100 of the Civil Code for persons and families of moderate income, as defined in Section

50093 of the Health and Safety Code, provided that all units in the development are offered to the public for purchase.

(2) For purposes of calculating the amount of the density bonus pursuant to subdivision (f), the applicant who requests a density bonus pursuant to this subdivision shall elect whether the bonus shall be awarded on the basis of subparagraph (A), (B), (C), or (D) of paragraph (1).

(3) For the purposes of this section, “total units” or “total dwelling units” does not include units added by a density bonus awarded pursuant to this section or any local law granting a greater density bonus.

(c) (1) An applicant shall agree to, and the city, county, or city and county shall ensure, continued affordability of all low- and very low income units that qualified the applicant for the award of the density bonus for 30 years or a longer period of time if required by the construction or mortgage financing assistance program, mortgage insurance program, or rental subsidy program. Rents for the lower income density bonus units shall be set at an affordable rent as defined in Section 50053 of the Health and Safety Code. Owner-occupied units shall be available at an affordable housing cost as defined in Section 50052.5 of the Health and Safety Code.

(2) An applicant shall agree to, and the city, county, or city and county shall ensure that, the initial occupant of the moderate-income units that are directly related to the receipt of the density bonus in the common interest development, as defined in Section 4100 of the Civil Code, are persons and families of moderate income, as defined in Section 50093 of the Health and Safety Code, and that the units are offered at an affordable housing cost, as that cost is defined in Section 50052.5 of the Health and Safety Code. The local government shall enforce an equity sharing agreement, unless it is in conflict with the requirements of another public funding source or law. The following apply to the equity sharing agreement:

(A) Upon resale, the seller of the unit shall retain the value of any improvements, the downpayment, and the seller’s proportionate share of appreciation. The local government shall recapture any initial subsidy, as defined in subparagraph (B), and its proportionate share of appreciation, as defined in subparagraph (C), which amount shall be used within five years for any of the purposes

described in subdivision (e) of Section 33334.2 of the Health and Safety Code that promote home ownership.

(B) For purposes of this subdivision, the local government's initial subsidy shall be equal to the fair market value of the home at the time of initial sale minus the initial sale price to the moderate-income household, plus the amount of any downpayment assistance or mortgage assistance. If upon resale the market value is lower than the initial market value, then the value at the time of the resale shall be used as the initial market value.

(C) For purposes of this subdivision, the local government's proportionate share of appreciation shall be equal to the ratio of the local government's initial subsidy to the fair market value of the home at the time of initial sale.

(d) (1) An applicant for a density bonus pursuant to subdivision (b) may submit to a city, county, or city and county a proposal for the specific incentives or concessions that the applicant requests pursuant to this section, and may request a meeting with the city, county, or city and county. The city, county, or city and county shall grant the concession or incentive requested by the applicant unless the city, county, or city and county makes a written finding, based upon substantial evidence, of any of the following:

(A) The concession or incentive is not required in order to provide for affordable housing costs, as defined in Section 50052.5 of the Health and Safety Code, or for rents for the targeted units to be set as specified in subdivision (c).

(B) The concession or incentive would have a specific adverse impact, as defined in paragraph (2) of subdivision (d) of Section 65589.5, upon public health and safety or the physical environment or on any real property that is listed in the California Register of Historical Resources and for which there is no feasible method to satisfactorily mitigate or avoid the specific adverse impact without rendering the development unaffordable to low- and moderate-income households.

(C) The concession or incentive would be contrary to state or federal law.

(2) The applicant shall receive the following number of incentives or concessions:

(A) One incentive or concession for projects that include at least 10 percent of the total units for lower income households, at least 5 percent for very low income households, or at least 10 percent

for persons and families of moderate income in a common interest development.

(B) Two incentives or concessions for projects that include at least 20 percent of the total units for lower income households, at least 10 percent for very low income households, or at least 20 percent for persons and families of moderate income in a common interest development.

(C) Three incentives or concessions for projects that include at least 30 percent of the total units for lower income households, at least 15 percent for very low income households, or at least 30 percent for persons and families of moderate income in a common interest development.

(3) The applicant may initiate judicial proceedings if the city, county, or city and county refuses to grant a requested density bonus, incentive, or concession. If a court finds that the refusal to grant a requested density bonus, incentive, or concession is in violation of this section, the court shall award the plaintiff reasonable attorney's fees and costs of suit. Nothing in this subdivision shall be interpreted to require a local government to grant an incentive or concession that has a specific, adverse impact, as defined in paragraph (2) of subdivision (d) of Section 65589.5, upon health, safety, or the physical environment, and for which there is no feasible method to satisfactorily mitigate or avoid the specific adverse impact. Nothing in this subdivision shall be interpreted to require a local government to grant an incentive or concession that would have an adverse impact on any real property that is listed in the California Register of Historical Resources. The city, county, or city and county shall establish procedures for carrying out this section, that shall include legislative body approval of the means of compliance with this section.

(e) (1) In no case may a city, county, or city and county apply any development standard that will have the effect of physically precluding the construction of a development meeting the criteria of subdivision (b) at the densities or with the concessions or incentives permitted by this section. An applicant may submit to a city, county, or city and county a proposal for the waiver or reduction of development standards that will have the effect of physically precluding the construction of a development meeting the criteria of subdivision (b) at the densities or with the concessions or incentives permitted under this section, and may

request a meeting with the city, county, or city and county. If a court finds that the refusal to grant a waiver or reduction of development standards is in violation of this section, the court shall award the plaintiff reasonable attorney’s fees and costs of suit. Nothing in this subdivision shall be interpreted to require a local government to waive or reduce development standards if the waiver or reduction would have a specific, adverse impact, as defined in paragraph (2) of subdivision (d) of Section 65589.5, upon health, safety, or the physical environment, and for which there is no feasible method to satisfactorily mitigate or avoid the specific adverse impact. Nothing in this subdivision shall be interpreted to require a local government to waive or reduce development standards that would have an adverse impact on any real property that is listed in the California Register of Historical Resources, or to grant any waiver or reduction that would be contrary to state or federal law.

(2) A proposal for the waiver or reduction of development standards pursuant to this subdivision shall neither reduce nor increase the number of incentives or concessions to which the applicant is entitled pursuant to subdivision (d).

(f) For the purposes of this chapter, “density bonus” means a density increase over the otherwise maximum allowable residential density as of the date of application by the applicant to the city, county, or city and county. The applicant may elect to accept a lesser percentage of density bonus. The amount of density bonus to which the applicant is entitled shall vary according to the amount by which the percentage of affordable housing units exceeds the percentage established in subdivision (b).

(1) For housing developments meeting the criteria of subparagraph (A) of paragraph (1) of subdivision (b), the density bonus shall be calculated as follows:

Percentage Low-Income Units	Percentage Density Bonus
10	20
11	21.5
12	23
13	24.5
14	26
15	27.5

5	20
6	22.5
7	25
8	27.5
9	30
10	32.5
11	35

(3) For housing developments meeting the criteria of subparagraph (C) of paragraph (1) of subdivision (b), the density bonus shall be 20 percent of the number of senior housing units.

(4) For housing developments meeting the criteria of subparagraph (D) of paragraph (1) of subdivision (b), the density bonus shall be calculated as follows:

Percentage Moderate-Income Units	Percentage Density Bonus

(5) All density calculations resulting in fractional units shall be rounded up to the next whole number. The granting of a density bonus shall not be interpreted, in and of itself, to require a general plan amendment, local coastal plan amendment, zoning change, or other discretionary approval.

(g) (1) When an applicant for a tentative subdivision map, parcel map, or other residential development approval donates land to a city, county, or city and county in accordance with this subdivision, the applicant shall be entitled to a 15-percent increase above the otherwise maximum allowable residential density for the entire development, as follows:

(2) This increase shall be in addition to any increase in density mandated by subdivision (b), up to a maximum combined mandated density increase of 35 percent if an applicant seeks an increase pursuant to both this subdivision and subdivision (b). All density calculations resulting in fractional units shall be rounded up to the next whole number. Nothing in this subdivision shall be construed to enlarge or diminish the authority of a city, county, or city and county to require a developer to donate land as a condition of development. An applicant shall be eligible for the increased density bonus described in this subdivision if all of the following conditions are met:

(A) The applicant donates and transfers the land no later than the date of approval of the final subdivision map, parcel map, or residential development application.

(B) The developable acreage and zoning classification of the land being transferred are sufficient to permit construction of units affordable to very low income households in an amount not less than 10 percent of the number of residential units of the proposed development.

(C) The transferred land is at least one acre in size or of sufficient size to permit development of at least 40 units, has the appropriate general plan designation, is appropriately zoned with appropriate development standards for development at the density described in paragraph (3) of subdivision (c) of Section 65583.2, and is or will be served by adequate public facilities and infrastructure.

(D) The transferred land shall have all of the permits and approvals, other than building permits, necessary for the

development of the very low income housing units on the transferred land, not later than the date of approval of the final subdivision map, parcel map, or residential development application, except that the local government may subject the proposed development to subsequent design review to the extent authorized by subdivision (i) of Section 65583.2 if the design is not reviewed by the local government prior to the time of transfer.

(E) The transferred land and the affordable units shall be subject to a deed restriction ensuring continued affordability of the units consistent with paragraphs (1) and (2) of subdivision (c), which shall be recorded on the property at the time of the transfer.

(F) The land is transferred to the local agency or to a housing developer approved by the local agency. The local agency may require the applicant to identify and transfer the land to the developer.

(G) The transferred land shall be within the boundary of the proposed development or, if the local agency agrees, within one-quarter mile of the boundary of the proposed development.

(H) A proposed source of funding for the very low income units shall be identified not later than the date of approval of the final subdivision map, parcel map, or residential development application.

(h) (1) When an applicant proposes to construct a housing development that conforms to the requirements of subdivision (b) and includes a child care facility that will be located on the premises of, as part of, or adjacent to, the project, the city, county, or city and county shall grant either of the following:

(A) An additional density bonus that is an amount of square feet of residential space that is equal to or greater than the amount of square feet in the child care facility.

(B) An additional concession or incentive that contributes significantly to the economic feasibility of the construction of the child care facility.

(2) The city, county, or city and county shall require, as a condition of approving the housing development, that the following occur:

(A) The child care facility shall remain in operation for a period of time that is as long as or longer than the period of time during which the density bonus units are required to remain affordable pursuant to subdivision (c).

(B) Of the children who attend the child care facility, the children of very low income households, lower income households, or families of moderate income shall equal a percentage that is equal to or greater than the percentage of dwelling units that are required for very low income households, lower income households, or families of moderate income pursuant to subdivision (b).

(3) Notwithstanding any requirement of this subdivision, a city, county, or city and county shall not be required to provide a density bonus or concession for a child care facility if it finds, based upon substantial evidence, that the community has adequate child care facilities.

(4) “Child care facility,” as used in this section, means a child day care facility other than a family day care home, including, but not limited to, infant centers, preschools, extended day care facilities, and schoolage child care centers.

(i) “Housing development,” as used in this section, means a development project for five or more residential units. For the purposes of this section, “housing development” also includes a subdivision or common interest development, as defined in Section 4100 of the Civil Code, approved by a city, county, or city and county and consists of residential units or unimproved residential lots and either a project to substantially rehabilitate and convert an existing commercial building to residential use or the substantial rehabilitation of an existing multifamily dwelling, as defined in subdivision (d) of Section 65863.4, where the result of the rehabilitation would be a net increase in available residential units. For the purpose of calculating a density bonus, the residential units shall be on contiguous sites that are the subject of one development application, but do not have to be based upon individual subdivision maps or parcels. The density bonus shall be permitted in geographic areas of the housing development other than the areas where the units for the lower income households are located.

(j) The granting of a concession or incentive shall not be interpreted, in and of itself, to require a general plan amendment, local coastal plan amendment, zoning change, or other discretionary approval. This provision is declaratory of existing law.

(k) For the purposes of this chapter, concession or incentive means any of the following:

(1) A reduction in site development standards or a modification of zoning code requirements or architectural design requirements that exceed the minimum building standards approved by the California Building Standards Commission as provided in Part 2.5 (commencing with Section 18901) of Division 13 of the Health and Safety Code, including, but not limited to, a reduction in setback and square footage requirements and in the ratio of vehicular parking spaces that would otherwise be required that results in identifiable, financially sufficient, and actual cost reductions.

(2) Approval of mixed use zoning in conjunction with the housing project if commercial, office, industrial, or other land uses will reduce the cost of the housing development and if the commercial, office, industrial, or other land uses are compatible with the housing project and the existing or planned development in the area where the proposed housing project will be located.

(3) Other regulatory incentives or concessions proposed by the developer or the city, county, or city and county that result in identifiable, financially sufficient, and actual cost reductions.

(l) Subdivision (k) does not limit or require the provision of direct financial incentives for the housing development, including the provision of publicly owned land, by the city, county, or city and county, or the waiver of fees or dedication requirements.

(m) Nothing in this section shall be construed to supersede or in any way alter or lessen the effect or application of the California Coastal Act (Division 20 (commencing with Section 30000) of the Public Resources Code).

(n) If permitted by local ordinance, nothing in this section shall be construed to prohibit a city, county, or city and county from granting a density bonus greater than what is described in this section for a development that meets the requirements of this section or from granting a proportionately lower density bonus than what is required by this section for developments that do not meet the requirements of this section.

(o) For purposes of this section, the following definitions shall apply:

(1) “Development standard” includes a site or construction condition, including, but not limited to, a height limitation, a setback requirement, a floor area ratio, an onsite open-space requirement, or a parking ratio that applies to a residential

development pursuant to any ordinance, general plan element, specific plan, charter, or other local condition, law, policy, resolution, or regulation.

(2) “Maximum allowable residential density” means the density allowed under the zoning ordinance and land use element of the general plan, or if a range of density is permitted, means the maximum allowable density for the specific zoning range and land use element of the general plan applicable to the project. Where the density allowed under the zoning ordinance is inconsistent with the density allowed under the land use element of the general plan, the general plan density shall prevail.

(p) (1) Upon the request of the developer, no city, county, or city and county shall require a vehicular parking ratio, inclusive of handicapped and guest parking, of a development meeting the criteria of subdivision (b), that exceeds the following ratios:

(A) Zero to one bedroom: one onsite parking space.

(B) Two to three bedrooms: two onsite parking spaces.

(C) Four and more bedrooms: two and one-half parking spaces.

(2) If the total number of parking spaces required for a development is other than a whole number, the number shall be rounded up to the next whole number. For purposes of this subdivision, a development may provide “onsite parking” through tandem parking or uncovered parking, but not through onstreet parking.

(3) This subdivision shall apply to a development that meets the requirements of subdivision (b) but only at the request of the applicant. An applicant may request parking incentives or concessions beyond those provided in this subdivision pursuant to subdivision (d).

SEC. 54. Section 65995.5 of the Government Code is amended to read:

65995.5. (a) The governing board of a school district may impose the amount calculated pursuant to this section as an alternative to the amount that may be imposed on residential construction calculated pursuant to subdivision (b) of Section 65995.

(b) To be eligible to impose the fee, charge, dedication, or other requirement up to the amount calculated pursuant to this section, a governing board shall do all of the following:

(1) Make a timely application to the State Allocation Board for new construction funding for which it is eligible and be determined by the board to meet the eligibility requirements for new construction funding set forth in Article 2 (commencing with Section 17071.10) and Article 3 (commencing with Section 17071.75) of Chapter 12.5 of Part 10 of the Education Code. A governing board that submits an application to determine the district's eligibility for new construction funding shall be deemed eligible if the State Allocation Board fails to notify the district of the district's eligibility within 120 days of receipt of the application.

(2) Conduct and adopt a school facility needs analysis pursuant to Section 65995.6.

(3) Until January 1, 2000, satisfy at least one of the requirements set forth in subparagraphs (A) to (D), inclusive, and, on and after January 1, 2000, satisfy at least two of the requirements set forth in subparagraphs (A) to (D), inclusive:

(A) The district is a unified or elementary school district that has a substantial enrollment of its elementary school pupils on a multitrack year-round schedule. "Substantial enrollment" for purposes of this paragraph means at least 30 percent of district pupils in kindergarten and grades 1 to 6, inclusive, in the high school attendance area in which all or some of the new residential units identified in the needs analysis are planned for construction. A high school district shall be deemed to have met the requirements of this paragraph if either of the following apply:

(i) At least 30 percent of the high school district's pupils are on a multitrack year-round schedule.

(ii) At least 40 percent of the pupils enrolled in public schools in kindergarten and grades 1 to 12, inclusive, within the boundaries of the high school attendance area for which the school district is applying for new facilities are enrolled in multitrack year-round schools.

(B) The district has placed on the ballot in the previous four years a local general obligation bond to finance school facilities and the measure received at least 50 percent plus one of the votes cast.

(C) The district meets one of the following:

(i) The district has issued debt or incurred obligations for capital outlay in an amount equivalent to 15 percent of the district's local

bonding capacity, including indebtedness that is repaid from property taxes, parcel taxes, the district's general fund, special taxes levied pursuant to Section 4 of Article XIII A of the California Constitution, special taxes levied pursuant to Chapter 2.5 (commencing with Section 53311) of Division 2 of Title 5 that are approved by a vote of registered voters, special taxes levied pursuant to Chapter 2.5 (commencing with Section 53311) of Division 2 of Title 5 that are approved by a vote of landowners prior to November 4, 1998, and revenues received pursuant to the Community Redevelopment Law (Part 1 (commencing with Section 33000) of Division 24 of the Health and Safety Code). Indebtedness or other obligation to finance school facilities to be owned, leased, or used by the district, that is incurred by another public agency, shall be counted for the purpose of calculating whether the district has met the debt percentage requirement contained herein.

(ii) The district has issued debt or incurred obligations for capital outlay in an amount equivalent to 30 percent of the district's local bonding capacity, including indebtedness that is repaid from property taxes, parcel taxes, the district's general fund, special taxes levied pursuant to Section 4 of Article XIII A of the California Constitution, special taxes levied pursuant to Chapter 2.5 (commencing with Section 53311) of Division 2 of Title 5 that are approved by a vote of registered voters, special taxes levied pursuant to Chapter 2.5 (commencing with Section 53311) of Division 2 of Title 5 that are approved by a vote of landowners after November 4, 1998, and revenues received pursuant to the Community Redevelopment Law (Part 1 (commencing with Section 33000) of Division 24 of the Health and Safety Code). Indebtedness or other obligation to finance school facilities to be owned, leased, or used by the district, that is incurred by another public agency, shall be counted for the purpose of calculating whether the district has met the debt percentage requirement contained herein.

(D) At least 20 percent of the teaching stations within the district are relocatable classrooms.

(c) The maximum square foot fee, charge, dedication, or other requirement authorized by this section that may be collected in accordance with Chapter 6 (commencing with Section 17620) of

Part 10.5 of the Education Code shall be calculated by a governing board of a school district, as follows:

(1) The number of unhoused pupils identified in the school facilities needs analysis shall be multiplied by the appropriate amounts provided in subdivision (a) of Section 17072.10. This sum shall be added to the site acquisition and development cost determined pursuant to subdivision (h).

(2) The full amount of local funds the governing board has dedicated to facilities necessitated by new construction shall be subtracted from the amount determined pursuant to paragraph (1). Local funds include fees, charges, dedications, or other requirements imposed on commercial or industrial construction.

(3) The resulting amount determined pursuant to paragraph (2) shall be divided by the projected total square footage of assessable space of residential units anticipated to be constructed during the next five-year period in the school district or the city and county in which the school district is located. The estimate of the projected total square footage shall be based on information available from the city or county within which the residential units are anticipated to be constructed or a market report prepared by an independent third party.

(d) A school district that has a common territorial jurisdiction with a district that imposes the fee, charge, dedication, or other requirement up to the amount calculated pursuant to this section or Section 65995.7, may not impose a fee, charge, dedication, or other requirement on residential construction that exceeds the limit set forth in subdivision (b) of Section 65995 less the portion of that amount it would be required to share pursuant to Section 17623 of the Education Code, unless that district is eligible to impose the fee, charge, dedication, or other requirement up to the amount calculated pursuant to this section or Section 65995.7.

(e) Nothing in this section is intended to limit or discourage the joint use of school facilities or to limit the ability of a school district to construct school facilities that exceed the amount of funds authorized by Section 17620 of the Education Code and provided by the state grant program, if the additional costs are funded solely by local revenue sources other than fees, charges, dedications, or other requirements imposed on new construction.

(f) Except as provided in paragraph (5) of subdivision (a) of Section 17620 of the Education Code, a fee, charge, dedication,

or other requirement authorized under this section and Section 65995.7 shall be expended solely on the school facilities identified in the needs analysis as being attributable to projected enrollment growth from the construction of new residential units. This subdivision does not preclude the expenditure of a fee, charge, dedication, or other requirement, authorized pursuant to subparagraph (C) of paragraph (1) of subdivision (a) of Section 17620, on school facilities identified in the needs analysis as necessary due to projected enrollment growth attributable to the new residential units.

(g) “Residential units” and “residences” as used in this section and in Sections 65995.6 and 65995.7 means the development of single-family detached housing units, single-family attached housing units, manufactured homes and mobilehomes, as defined in subdivision (f) of Section 17625 of the Education Code, condominiums, and multifamily housing units, including apartments, residential hotels, as defined in paragraph (1) of subdivision (b) of Section 50519 of the Health and Safety Code, and stock cooperatives, as defined in Section 4190 of the Civil Code.

(h) Site acquisition costs shall not exceed half of the amount determined by multiplying the land acreage determined to be necessary under the guidelines of the State Department of Education, as published in the “School Site Analysis and Development Handbook,” as that handbook read as of January 1, 1998, by the estimated cost determined pursuant to Section 17072.12 of the Education Code. Site development costs shall not exceed the estimated amount that would be funded by the State Allocation Board pursuant to its regulations governing grants for site development costs.

SEC. 55. Section 66411 of the Government Code is amended to read:

66411. Regulation and control of the design and improvement of subdivisions are vested in the legislative bodies of local agencies. Each local agency shall, by ordinance, regulate and control the initial design and improvement of common interest developments as defined in Section 4100 of the Civil Code and subdivisions for which this division requires a tentative and final or parcel map. In the development, adoption, revision, and application of this type of ordinance, the local agency shall comply

with the provisions of Section 65913.2. The ordinance shall specifically provide for proper grading and erosion control, including the prevention of sedimentation or damage to offsite property. Each local agency may by ordinance regulate and control other subdivisions, provided that the regulations are not more restrictive than the regulations for those subdivisions for which a tentative and final or parcel map are required by this division, and provided further that the regulations shall not be applied to short-term leases (terminable by either party on not more than 30 days' notice in writing) of a portion of the operating right-of-way of a railroad corporation as defined by Section 230 of the Public Utilities Code unless a showing is made in individual cases, under substantial evidence, that public policy necessitates the application of the regulations to those short-term leases in individual cases.

SEC. 56. Section 66412 of the Government Code is amended to read:

66412. This division shall be inapplicable to any of the following:

(a) The financing or leasing of apartments, offices, stores, or similar space within apartment buildings, industrial buildings, commercial buildings, mobilehome parks, or trailer parks.

(b) Mineral, oil, or gas leases.

(c) Land dedicated for cemetery purposes under the Health and Safety Code.

(d) A lot line adjustment between four or fewer existing adjoining parcels, where the land taken from one parcel is added to an adjoining parcel, and where a greater number of parcels than originally existed is not thereby created, if the lot line adjustment is approved by the local agency, or advisory agency. A local agency or advisory agency shall limit its review and approval to a determination of whether or not the parcels resulting from the lot line adjustment will conform to the local general plan, any applicable specific plan, any applicable coastal plan, and zoning and building ordinances. An advisory agency or local agency shall not impose conditions or exactions on its approval of a lot line adjustment except to conform to the local general plan, any applicable specific plan, any applicable coastal plan, and zoning and building ordinances, to require the prepayment of real property taxes prior to the approval of the lot line adjustment, or to facilitate the relocation of existing utilities, infrastructure, or easements. No

tentative map, parcel map, or final map shall be required as a condition to the approval of a lot line adjustment. The lot line adjustment shall be reflected in a deed, which shall be recorded. No record of survey shall be required for a lot line adjustment unless required by Section 8762 of the Business and Professions Code. A local agency shall approve or disapprove a lot line adjustment pursuant to the Permit Streamlining Act (Chapter 4.5 (commencing with Section 65920) of Division 1).

(e) Boundary line or exchange agreements to which the State Lands Commission or a local agency holding a trust grant of tide and submerged lands is a party.

(f) Any separate assessment under Section 2188.7 of the Revenue and Taxation Code.

(g) The conversion of a community apartment project, as defined in Section 4105 of the Civil Code, to a condominium, as defined in Section 783 of the Civil Code, but only if all of the following requirements are met:

(1) The property was subdivided before January 1, 1982, as evidenced by a recorded deed creating the community apartment project.

(2) Subject to compliance with Sections 4290 and 4295 of the Civil Code, all conveyances and other documents necessary to effectuate the conversion shall be executed by the required number of owners in the project as specified in the bylaws or other organizational documents. If the bylaws or other organizational documents do not expressly specify the number of owners necessary to execute the conveyances and other documents, a majority of owners in the project shall be required to execute the conveyances or other documents. Conveyances and other documents executed under the foregoing provisions shall be binding upon and affect the interests of all parties in the project.

(3) If subdivision, as defined in Section 66424, of the property occurred after January 1, 1964, both of the following requirements are met:

(A) A final or parcel map of that subdivision was approved by the local agency and recorded, with all of the conditions of that map remaining in effect after the conversion.

(B) No more than 49 percent of the units in the project were owned by any one person as defined in Section 17, including an

incorporator or director of the community apartment project, on January 1, 1982.

(4) The local agency certifies that the above requirements were satisfied if the local agency, by ordinance, provides for that certification.

(h) The conversion of a stock cooperative, as defined in Section 4190 of the Civil Code, to a condominium, as defined in Section 783 of the Civil Code, but only if all of the following requirements are met:

(1) The property was subdivided before January 1, 1982, as evidenced by a recorded deed creating the stock cooperative, an assignment of lease, or issuance of shares to a stockholder.

(2) A person renting a unit in a cooperative shall be entitled at the time of conversion to all tenant rights in state or local law, including, but not limited to, rights respecting first refusal, notice, and displacement and relocation benefits.

(3) Subject to compliance with Sections 4290 and 4295 of the Civil Code, all conveyances and other documents necessary to effectuate the conversion shall be executed by the required number of owners in the cooperative as specified in the bylaws or other organizational documents. If the bylaws or other organizational documents do not expressly specify the number of owners necessary to execute the conveyances and other documents, a majority of owners in the cooperative shall be required to execute the conveyances or other documents. Conveyances and other documents executed under the foregoing provisions shall be binding upon and affect the interests of all parties in the cooperative.

(4) If subdivision, as defined in Section 66424, of the property occurred after January 1, 1980, both of the following requirements are met:

(A) A final or parcel map of that subdivision was approved by the local agency and recorded, with all of the conditions of that map remaining in effect after the conversion.

(B) No more than 49 percent of the shares in the project were owned by any one person as defined in Section 17, including an incorporator or director of the cooperative, on January 1, 1982.

(5) The local agency certifies that the above requirements were satisfied if the local agency, by ordinance, provides for that certification.

(i) The leasing of, or the granting of an easement to, a parcel of land, or any portion or portions thereof, in conjunction with the financing, erection, and sale or lease of a wind powered electrical generation device on the land, if the project is subject to discretionary action by the advisory agency or legislative body.

(j) The leasing or licensing of a portion of a parcel, or the granting of an easement, use permit, or similar right on a portion of a parcel, to a telephone corporation as defined in Section 234 of the Public Utilities Code, exclusively for the placement and operation of cellular radio transmission facilities, including, but not limited to, antennae support structures, microwave dishes, structures to house cellular communications transmission equipment, power sources, and other equipment incidental to the transmission of cellular communications, if the project is subject to discretionary action by the advisory agency or legislative body.

(k) Leases of agricultural land for agricultural purposes. As used in this subdivision, “agricultural purposes” means the cultivation of food or fiber, or the grazing or pasturing of livestock.

(l) The leasing of, or the granting of an easement to, a parcel of land, or any portion or portions thereof, in conjunction with the financing, erection, and sale or lease of a solar electrical generation device on the land, if the project is subject to review under other local agency ordinances regulating design and improvement or, if the project is subject to other discretionary action by the advisory agency or legislative body.

(m) The leasing of, or the granting of an easement to, a parcel of land or any portion or portions of the land in conjunction with a biogas project that uses, as part of its operation, agricultural waste or byproducts from the land where the project is located and reduces overall emissions of greenhouse gases from agricultural operations on the land if the project is subject to review under other local agency ordinances regulating design and improvement or if the project is subject to discretionary action by the advisory agency or legislative body.

SEC. 57. Section 66424 of the Government Code is amended to read:

66424. “Subdivision” means the division, by any subdivider, of any unit or units of improved or unimproved land, or any portion thereof, shown on the latest equalized county assessment roll as a unit or as contiguous units, for the purpose of sale, lease, or

financing, whether immediate or future. Property shall be considered as contiguous units, even if it is separated by roads, streets, utility easement, or railroad rights-of-way. “Subdivision” includes a condominium project, as defined in Section 4125 of the Civil Code, a community apartment project, as defined in Section 4105 of the Civil Code, or the conversion of five or more existing dwelling units to a stock cooperative, as defined in of Section 4190 of the Civil Code.

SEC. 58. Section 66427 of the Government Code is amended to read:

66427. (a) A map of a condominium project, a community apartment project, or of the conversion of five or more existing dwelling units to a stock cooperative project need not show the buildings or the manner in which the buildings or the airspace above the property shown on the map are to be divided, nor shall the governing body have the right to refuse approval of a parcel, tentative, or final map of the project on account of the design or the location of buildings on the property shown on the map that are not violative of local ordinances or on account of the manner in which airspace is to be divided in conveying the condominium.

(b) A map need not include a condominium plan or plans, as defined in Section 4120 of the Civil Code, and the governing body may not refuse approval of a parcel, tentative, or final map of the project on account of the absence of a condominium plan.

(c) Fees and lot design requirements shall be computed and imposed with respect to those maps on the basis of parcels or lots of the surface of the land shown thereon as included in the project.

(d) Nothing herein shall be deemed to limit the power of the legislative body to regulate the design or location of buildings in a project by or pursuant to local ordinances.

(e) If the governing body has approved a parcel map or final map for the establishment of condominiums on property pursuant to the requirements of this division, the separation of a three-dimensional portion or portions of the property from the remainder of the property or the division of that three-dimensional portion or portions into condominiums shall not constitute a further subdivision as defined in Section 66424, provided each of the following conditions has been satisfied:

(1) The total number of condominiums established is not increased above the number authorized by the local agency in approving the parcel map or final map.

(2) A perpetual estate or an estate for years in the remainder of the property is held by the condominium owners in undivided interests in common, or by an association as defined in Section 4100 of the Civil Code, and the duration of the estate in the remainder of the property is the same as the duration of the estate in the condominiums.

(3) The three-dimensional portion or portions of property are described on a condominium plan or plans, as defined in Section 4120 of the Civil Code.

SEC. 59. Section 66452.10 of the Government Code is amended to read:

66452.10. A stock cooperative, as defined in Section 11003.2 of the Business and Professions Code, or a community apartment project, as defined in Section 11004 of the Business and Professions Code, shall not be converted to a condominium, as defined in Section 783 of the Civil Code, unless the required number of (1) owners and (2) trustees or beneficiaries of each recorded deed of trust and mortgagees of each recorded mortgage in the cooperative or project, as specified in the bylaws, or other organizational documents, have voted in favor of the conversion. If the bylaws or other organizational documents do not expressly specify the number of votes required to approve the conversion, a majority vote of the (1) owners and (2) trustees or beneficiaries of each recorded deed of trust and mortgagees of each recorded mortgage in the cooperative or project shall be required. Upon approval of the conversion as set forth above and in compliance with Sections 4290 and 4295 of the Civil Code, all conveyances and other documents necessary to effectuate the conversion shall be executed by the required number of owners in the cooperative or project as specified in the bylaws or other organizational documents. If the bylaws or other organizational documents do not expressly specify the number of owners necessary to execute the conveyances or other documents, a majority of owners in the cooperative or project shall be required to execute the conveyances and other documents. Conveyances and other documents executed under the foregoing provisions shall be binding upon and affect the interests of all parties in the cooperative or project. The

provisions of Section 66499.31 shall not apply to a violation of this section.

SEC. 60. Section 66475.2 of the Government Code is amended to read:

66475.2. (a) There may be imposed by local ordinance a requirement of a dedication or an irrevocable offer of dedication of land within the subdivision for local transit facilities such as bus turnouts, benches, shelters, landing pads, and similar items that directly benefit the residents of a subdivision. The irrevocable offers may be terminated as provided in subdivisions (c) and (d) of Section 66477.2.

(b) Only the payment of fees in lieu of the dedication of land may be required in subdivisions that consist of the subdivision of airspace in existing buildings into condominium projects, stock cooperatives, or community apartment projects, as those terms are defined in Sections 4105, 4125, and 4190 of the Civil Code.

SEC. 61. Section 66477 of the Government Code is amended to read:

66477. (a) The legislative body of a city or county may, by ordinance, require the dedication of land or impose a requirement of the payment of fees in lieu thereof, or a combination of both, for park or recreational purposes as a condition to the approval of a tentative map or parcel map, if all of the following requirements are met:

(1) The ordinance has been in effect for a period of 30 days prior to the filing of the tentative map of the subdivision or parcel map.

(2) The ordinance includes definite standards for determining the proportion of a subdivision to be dedicated and the amount of any fee to be paid in lieu thereof. The amount of land dedicated or fees paid shall be based upon the residential density, which shall be determined on the basis of the approved or conditionally approved tentative map or parcel map and the average number of persons per household. There shall be a rebuttable presumption that the average number of persons per household by units in a structure is the same as that disclosed by the most recent available federal census or a census taken pursuant to Chapter 17 (commencing with Section 40200) of Part 2 of Division 3 of Title 4. However, the dedication of land, or the payment of fees, or both, shall not exceed the proportionate amount necessary to provide

three acres of park area per 1,000 persons residing within a subdivision subject to this section, unless the amount of existing neighborhood and community park area, as calculated pursuant to this subdivision, exceeds that limit, in which case the legislative body may adopt the calculated amount as a higher standard not to exceed five acres per 1,000 persons residing within a subdivision subject to this section.

(A) The park area per 1,000 members of the population of the city, county, or local public agency shall be derived from the ratio that the amount of neighborhood and community park acreage bears to the total population of the city, county, or local public agency as shown in the most recent available federal census. The amount of neighborhood and community park acreage shall be the actual acreage of existing neighborhood and community parks of the city, county, or local public agency as shown on its records, plans, recreational element, maps, or reports as of the date of the most recent available federal census.

(B) For cities incorporated after the date of the most recent available federal census, the park area per 1,000 members of the population of the city shall be derived from the ratio that the amount of neighborhood and community park acreage shown on the records, maps, or reports of the county in which the newly incorporated city is located bears to the total population of the new city as determined pursuant to Section 11005 of the Revenue and Taxation Code. In making any subsequent calculations pursuant to this section, the county in which the newly incorporated city is located shall not include the figures pertaining to the new city which were calculated pursuant to this paragraph. Fees shall be payable at the time of the recording of the final map or parcel map or at a later time as may be prescribed by local ordinance.

(3) The land, fees, or combination thereof are to be used only for the purpose of developing new or rehabilitating existing neighborhood or community park or recreational facilities to serve the subdivision.

(4) The legislative body has adopted a general plan or specific plan containing policies and standards for parks and recreation facilities, and the park and recreational facilities are in accordance with definite principles and standards.

(5) The amount and location of land to be dedicated or the fees to be paid shall bear a reasonable relationship to the use of the

park and recreational facilities by the future inhabitants of the subdivision.

(6) The city, county, or other local public agency to which the land or fees are conveyed or paid shall develop a schedule specifying how, when, and where it will use the land or fees, or both, to develop park or recreational facilities to serve the residents of the subdivision. Any fees collected under the ordinance shall be committed within five years after the payment of the fees or the issuance of building permits on one-half of the lots created by the subdivision, whichever occurs later. If the fees are not committed, they, without any deductions, shall be distributed and paid to the then record owners of the subdivision in the same proportion that the size of their lot bears to the total area of all lots within the subdivision.

(7) Only the payment of fees may be required in subdivisions containing 50 parcels or less, except that when a condominium project, stock cooperative, or community apartment project, as those terms are defined in Sections 4105, 4125, and 4190 of the Civil Code, exceeds 50 dwelling units, dedication of land may be required notwithstanding that the number of parcels may be less than 50.

(8) Subdivisions containing less than five parcels and not used for residential purposes shall be exempted from the requirements of this section. However, in that event, a condition may be placed on the approval of a parcel map that if a building permit is requested for construction of a residential structure or structures on one or more of the parcels within four years, the fee may be required to be paid by the owner of each parcel as a condition of the issuance of the permit.

(9) If the subdivider provides park and recreational improvements to the dedicated land, the value of the improvements together with any equipment located thereon shall be a credit against the payment of fees or dedication of land required by the ordinance.

(b) Land or fees required under this section shall be conveyed or paid directly to the local public agency which provides park and recreational services on a communitywide level and to the area within which the proposed development will be located, if that agency elects to accept the land or fee. The local agency

accepting the land or funds shall develop the land or use the funds in the manner provided in this section.

(c) If park and recreational services and facilities are provided by a public agency other than a city or county, the amount and location of land to be dedicated or fees to be paid shall, subject to paragraph (2) of subdivision (a), be jointly determined by the city or county having jurisdiction and that other public agency.

(d) This section does not apply to commercial or industrial subdivisions or to condominium projects or stock cooperatives that consist of the subdivision of airspace in an existing apartment building that is more than five years old when no new dwelling units are added.

(e) Common interest developments, as defined in Section 1351 of the Civil Code, shall be eligible to receive a credit, as determined by the legislative body, against the amount of land required to be dedicated, or the amount of the fee imposed, pursuant to this section, for the value of private open space within the development which is usable for active recreational uses.

(f) Park and recreation purposes shall include land and facilities for the activity of “recreational community gardening,” which activity consists of the cultivation by persons other than, or in addition to, the owner of the land, of plant material not for sale.

(g) This section shall be known and may be cited as the Quimby Act.

SEC. 62. Section 1597.531 of the Health and Safety Code is amended to read:

1597.531. (a) All family day care homes for children shall maintain in force either liability insurance covering injury to clients and guests in the amount of at least one hundred thousand dollars (\$100,000) per occurrence and three hundred thousand dollars (\$300,000) in the total annual aggregate, sustained on account of the negligence of the licensee or its employees, or a bond in the aggregate amount of three hundred thousand dollars (\$300,000). In lieu of the liability insurance or the bond, the family day care home may maintain a file of affidavits signed by each parent with a child enrolled in the home which meets the requirements of this subdivision. The affidavit shall state that the parent has been informed that the family day care home does not carry liability insurance or a bond according to standards established by the state. If the provider does not own the premises used as the family day

care home, the affidavit shall also state that the parent has been informed that the liability insurance, if any, of the owner of the property or the homeowners' association, as appropriate, may not provide coverage for losses arising out of, or in connection with, the operation of the family day care home, except to the extent that the losses are caused by, or result from, an action or omission by the owner of the property or the homeowners' association, for which the owner of the property or the homeowners' association would otherwise be liable under the law. These affidavits shall be on a form provided by the department and shall be reviewed at each licensing inspection.

(b) A family day care home that maintains liability insurance or a bond pursuant to this section, and that provides care in premises that are rented or leased or uses premises which share common space governed by a homeowners' association, shall name the owner of the property or the homeowners' association, as appropriate, as an additional insured party on the liability insurance policy or bond if all of the following conditions are met:

(1) The owner of the property or governing body of the homeowners' association makes a written request to be added as an additional insured party.

(2) The addition of the owner of the property or the homeowners' association does not result in cancellation or nonrenewal of the insurance policy or bond carried by the family day care home.

(3) Any additional premium assessed for this coverage is paid by the owner of the property or the homeowners' association.

(c) As used in this section, "homeowners' association" means an association of a common interest development, as defined in Sections 4080 and 4100 of the Civil Code.

(h) Any qualified historical building or structure as defined in Section 18955 may, on a case-by-case basis, utilize alternative roof constructions as provided by the State Historical Building Code.

(i) The installer of the roof covering shall provide certification of the roof covering classification, as provided by the manufacturer or supplier, to the building owner and, when requested, to the agency responsible for enforcement of this part. The installer shall also install the roof covering in accordance with the manufacturer's listing.

SEC. 66. Section 25915.2 of the Health and Safety Code is amended to read:

25915.2. (a) Notice provided pursuant to this chapter shall be provided in writing to each individual employee, and shall be mailed to other owners designated to receive the notice pursuant to subdivision (a) of Section 25915.5, within 15 days of the first receipt by the owner of information identifying the presence or location of asbestos-containing construction materials in the building. This notice shall be provided annually thereafter. In addition, if new information regarding those items specified in paragraphs (1) to (5), inclusive, of subdivision (a) of Section 25915 has been obtained within 90 days after the notice required by this subdivision is provided or any subsequent 90-day period, then a supplemental notice shall be provided within 15 days of the close of that 90-day period.

(b) Notice provided pursuant to this chapter shall be provided to new employees within 15 days of commencement of work in the building.

(c) Notice provided pursuant to this chapter shall be mailed to any new owner designated to receive the notice pursuant to

subdivision (a) of Section 25915.5 within 15 days of the effective date of the agreement under which a person becomes a new owner.

(d) Subdivisions (a) and (c) shall not be construed to require owners of a building or part of a building within a residential common interest development to mail written notification to other owners of a building or part of a building within the residential common interest development, if all the following conditions are met:

(1) The association conspicuously posts, in each building or part of a building known to contain asbestos-containing materials, a large sign in a prominent location that fully informs persons entering each building or part of a building within the common interest development that the association knows the building contains asbestos-containing materials.

The sign shall also inform persons of the location where further information, as required by this chapter, is available about the asbestos-containing materials known to be located in the building.

(2) The owners or association disclose, as soon as practicable before the transfer of title of a separate interest in the common interest development, to a transferee the existence of asbestos-containing material in a building or part of a building within the common interest development.

Failure to comply with this section shall not invalidate the transfer of title of real property. This paragraph shall only apply to transfers of title of separate interests in the common interest development of which the owners have knowledge. As used in this section, “association” and “common interest development” are defined in Sections 4080 and 4100 of the Civil Code.

(e) If a person contracting with an owner receives notice pursuant to this chapter, that contractor shall provide a copy of the notice to his or her employees or contractors working within the building.

(f) If the asbestos-containing construction material in the building is limited to an area or areas within the building that meet all the following criteria:

(1) Are unique and physically defined.

(2) Contain asbestos-containing construction materials in structural, mechanical, or building materials which are not replicated throughout the building.

(3) Are not connected to other areas through a common ventilation system; then, an owner required to give notice to his or her employees pursuant to subdivision (a) of Section 25915 or 25915.1 may provide that notice only to the employees working within or entering that area or those areas of the building meeting the conditions above.

(g) If the asbestos-containing construction material in the building is limited to an area or areas within the building that meet all the following criteria:

(1) Are accessed only by building maintenance employees or contractors and are not accessed by tenants or employees in the building, other than on an incidental basis.

(2) Contain asbestos-containing construction materials in structural, mechanical, or building materials which are not replicated in areas of the building which are accessed by tenants and employees.

(3) The owner knows that no asbestos fibers are being released or have the reasonable possibility to be released from the material; then, as to that asbestos-containing construction material, an owner required to give notice to his or her employees pursuant to subdivision (a) of Section 25915 or Section 25915.1 may provide that notice only to its building maintenance employees and contractors who have access to that area or those areas of the building meeting the conditions above.

(h) In those areas of a building where the asbestos-containing construction material is composed only of asbestos fibers which are completely encapsulated, if the owner knows that no asbestos fibers are being released or have the reasonable possibility to be released from that material in its present condition and has no knowledge that other asbestos-containing material is present, then an owner required to give notice pursuant to subdivision (a) of Section 25915 shall provide the information required in paragraph (2) of subdivision (a) of Section 25915 and may substitute the following notice for the requirements of paragraphs (1), (3), (4), and (5) of subdivision (a) of Section 25915:

(1) The existence of, conclusions from, and a description or list of the contents of, that portion of any survey conducted to determine the existence and location of asbestos-containing construction materials within the building that refers to the asbestos-containing materials described in this subdivision, and

information describing when and where the results of the survey are available pursuant to Section 25917.

(2) Information to convey that moving, drilling, boring, or otherwise disturbing the asbestos-containing construction material identified may present a health risk and, consequently, should not be attempted by an unqualified employee. The notice shall identify the appropriate person the employee is required to contact if the condition of the asbestos-containing construction material deteriorates.

SEC. 67. Section 25915.5 of the Health and Safety Code is amended to read:

25915.5. (a) An owner required to give notice to employees pursuant to this chapter, in addition to notifying his or her employees, shall mail, in accordance with this subdivision, a copy of that notice to all other persons who are owners of the building or part of the building, with whom the owner has privity of contract. Receipt of a notice pursuant to this section by an owner, lessee, or operator shall constitute knowledge that the building contains asbestos-containing construction materials for purposes of this chapter. Notice to an owner shall be delivered by first-class mail addressed to the person and at the address designated for the receipt of notices under the lease, rental agreement, or contract with the owner.

(b) The delivery of notice under this section or negligent failure to provide that notice shall not constitute a breach of any covenant under the lease or rental agreement, and nothing in this chapter enlarges or diminishes any rights or duties respecting constructive eviction.

(c) No owner who, in good faith, complies with the provisions of this section shall be liable to any other owner for any damages alleged to have resulted from his or her compliance with the provisions of this section.

(d) This section shall not be construed to apply to owners of a building or part of a building within a residential common interest development or association, if the owners comply with the provisions of subdivision (d) of Section 25915.2. For purposes of this section, “association” and “common interest development” are defined in Sections 4080 and 4100 of the Civil Code.

(c) When a vehicle is found upon a highway or public land and a report has previously been made that the vehicle is stolen or a complaint has been filed and a warrant thereon is issued charging that the vehicle was embezzled.

(d) When a vehicle is illegally parked so as to block the entrance to a private driveway and it is impractical to move the vehicle from in front of the driveway to another point on the highway.

(e) When a vehicle is illegally parked so as to prevent access by firefighting equipment to a fire hydrant and it is impracticable to move the vehicle from in front of the fire hydrant to another point on the highway.

(f) When a vehicle, except highway maintenance or construction equipment, is stopped, parked, or left standing for more than four hours upon the right-of-way of a freeway that has full control of access and no crossings at grade and the driver, if present, cannot move the vehicle under its own power.

(g) When the person in charge of a vehicle upon a highway or public land is, by reason of physical injuries or illness, incapacitated to an extent so as to be unable to provide for its custody or removal.

(h) (1) When an officer arrests a person driving or in control of a vehicle for an alleged offense and the officer is, by this code or other law, required or permitted to take, and does take, the person into custody.

(A) Evidence of his or her identity.

(B) An address within this state at which he or she can be located.

(C) Satisfactory evidence that all parking penalties due for the vehicle and all other vehicles registered to the registered owner of the impounded vehicle, and all traffic violations of the registered owner, have been cleared.

The impounding agency shall have a lien on any surplus that remains upon sale of the vehicle to which the registered owner is or may be entitled, as security for the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5. The legal owner shall promptly remit to, and deposit with, the agency responsible for processing notices of parking violations from that surplus, on receipt of that surplus, the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5.

(l) When a vehicle is illegally parked on a highway in violation of a local ordinance forbidding standing or parking and the use of a highway, or a portion thereof, is necessary for the cleaning, repair, or construction of the highway, or for the installation of underground utilities, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by a local authority pursuant to the ordinance.

(m) When the use of the highway, or a portion of the highway, is authorized by a local authority for a purpose other than the normal flow of traffic or for the movement of equipment, articles, or structures of unusual size, and the parking of a vehicle would prohibit or interfere with that use or movement, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by a local authority pursuant to the ordinance.

(n) Whenever a vehicle is parked or left standing where local authorities, by resolution or ordinance, have prohibited parking and have authorized the removal of vehicles. Except as provided in subdivisions (v) and (w), a vehicle shall not be removed unless signs are posted giving notice of the removal.

(o) (1) When a vehicle is found or operated upon a highway, public land, or an offstreet parking facility under the following circumstances:

(A) With a registration expiration date in excess of six months before the date it is found or operated on the highway, public lands, or the offstreet parking facility.

(B) Displaying in, or upon, the vehicle, a registration card, identification card, temporary receipt, license plate, special plate, registration sticker, device issued pursuant to Section 4853, or permit that was not issued for that vehicle, or is not otherwise lawfully used on that vehicle under this code.

(C) Displaying in, or upon, the vehicle, an altered, forged, counterfeit, or falsified registration card, identification card, temporary receipt, license plate, special plate, registration sticker, device issued pursuant to Section 4853, or permit.

Section 830) of Title 3 of Part 2 of the Penal Code, may remove the vehicle.

(3) For the purposes of this subdivision, the vehicle shall be released under either of the following circumstances:

(A) To the registered owner or person in control of the vehicle only after the owner or person furnishes the storing law enforcement agency with proof of current registration and a currently valid driver's license to operate the vehicle.

(B) To the legal owner or the legal owner's agency, without payment of any fees, fines, or penalties for parking tickets or registration and without proof of current registration, if the vehicle will only be transported pursuant to the exemption specified in Section 4022 and if the legal owner does all of the following:

(i) Pays the cost of towing and storing the vehicle.

(ii) Completes an affidavit in a form acceptable to the impounding law enforcement agency stating that the vehicle was not in possession of the legal owner at the time of occurrence of an offense relating to standing or parking. A vehicle released to a legal owner under this subdivision is a repossessed vehicle for purposes of disposition or sale. The impounding agency has a lien on any surplus that remains upon sale of the vehicle to which the registered owner is or may be entitled, as security for the full amount of parking penalties for any notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5. Upon receipt of any surplus, the legal owner shall promptly remit to, and deposit with, the agency responsible for processing notices of parking violations from that surplus, the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5.

(4) The impounding agency that has a lien on the surplus that remains upon the sale of a vehicle to which a registered owner is entitled has a deficiency claim against the registered owner for the full amount of parking penalties for any notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5, less the amount received from the sale of the vehicle.

(5) As used in this subdivision, "offstreet parking facility" means an offstreet facility held open for use by the public for parking vehicles and includes a publicly owned facility for offstreet

parking, and a privately owned facility for offstreet parking if a fee is not charged for the privilege to park and it is held open for the common public use of retail customers.

A vehicle so removed from the highway or public land, or from private property after having been on a highway or public land, shall not be released to the registered owner or his or her agent, except upon presentation of the registered owner's or his or her agent's currently valid driver's license to operate the vehicle and proof of current vehicle registration, or upon order of a court.

(q) When a vehicle is parked for more than 24 hours on a portion of highway that is located within the boundaries of a common interest development, as defined in Section 4100 of the Civil Code, and signs, as required by paragraph (1) of subdivision (a) of Section 22658 of this code, have been posted on that portion of highway providing notice to drivers that vehicles parked thereon for more than 24 hours will be removed at the owner's expense, pursuant to a resolution or ordinance adopted by the local authority.

(3) For purposes of this subdivision, a roadside rest area or viewpoint is a publicly maintained vehicle parking area, adjacent to a highway, utilized for the convenient, safe stopping of a vehicle to enable motorists to rest or to view the scenery. (2) Notwithstanding subdivision (a) of Section 22507, a city or county, in lieu of posting signs noticing a local ordinance prohibiting mobile billboard advertising displays adopted pursuant to subdivision (m) of Section 21100, may provide notice by issuing a warning citation advising the registered owner of the vehicle that he or she may be subject to penalties upon a subsequent violation of the ordinance, that may include the removal of the vehicle as provided in paragraph (1). (1) When a vehicle is parked or left standing upon a highway for 72 or more consecutive hours in violation of a local ordinance authorizing the removal.

(2) When a vehicle is illegally parked or left standing on a highway in violation of a local ordinance forbidding standing or parking and the use of a highway, or a portion thereof, is necessary for the cleaning, repair, or construction of the highway, or for the installation of underground utilities, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by local authorities pursuant to the ordinance.

(3) Wherever the use of the highway, or a portion thereof, is authorized by local authorities for a purpose other than the normal flow of traffic or for the movement of equipment, articles, or structures of unusual size, and the parking of a vehicle would prohibit or interfere with that use or movement, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by local authorities pursuant to the ordinance.

(4) Whenever a vehicle is parked or left standing where local authorities, by resolution or ordinance, have prohibited parking and have authorized the removal of vehicles. A vehicle may not be removed unless signs are posted giving notice of the removal.

(5) Whenever a vehicle is parked for more than 24 hours on a portion of highway that is located within the boundaries of a common interest development, as defined in Section 4100 of the Civil Code, and signs, as required by Section 22658.2, have been posted on that portion of highway providing notice to drivers that vehicles parked thereon for more than 24 hours will be removed at the owner's expense, pursuant to a resolution or ordinance adopted by the local authority.

who is duly trained and certified to remove a vehicle by a local or state law enforcement agency.

SEC. 83. Section 22658 of the Vehicle Code is amended to read:

22658. (a) The owner or person in lawful possession of private property, including an association of a common interest development as defined in Sections 4080 and 4100 of the Civil Code, may cause the removal of a vehicle parked on the property to a storage facility that meets the requirements of subdivision (n) under any of the following circumstances:

(1) There is displayed, in plain view at all entrances to the property, a sign not less than 17 inches by 22 inches in size, with lettering not less than one inch in height, prohibiting public parking and indicating that vehicles will be removed at the owner's expense, and containing the telephone number of the local traffic law enforcement agency and the name and telephone number of each towing company that is a party to a written general towing authorization agreement with the owner or person in lawful possession of the property. The sign may also indicate that a citation may also be issued for the violation.

(2) The vehicle has been issued a notice of parking violation, and 96 hours have elapsed since the issuance of that notice.

(3) The vehicle is on private property and lacks an engine, transmission, wheels, tires, doors, windshield, or any other major part or equipment necessary to operate safely on the highways, the owner or person in lawful possession of the private property has notified the local traffic law enforcement agency, and 24 hours have elapsed since that notification.

(4) The lot or parcel upon which the vehicle is parked is improved with a single-family dwelling.

(b) The tow truck operator removing the vehicle, if the operator knows or is able to ascertain from the property owner, person in lawful possession of the property, or the registration records of the Department of Motor Vehicles the name and address of the registered and legal owner of the vehicle, shall immediately give, or cause to be given, notice in writing to the registered and legal owner of the fact of the removal, the grounds for the removal, and indicate the place to which the vehicle has been removed. If the vehicle is stored in a storage facility, a copy of the notice shall be given to the proprietor of the storage facility. The notice provided

for in this section shall include the amount of mileage on the vehicle at the time of removal and the time of the removal from the property. If the tow truck operator does not know and is not able to ascertain the name of the owner or for any other reason is unable to give the notice to the owner as provided in this section, the tow truck operator shall comply with the requirements of subdivision (c) of Section 22853 relating to notice in the same manner as applicable to an officer removing a vehicle from private property.

(c) This section does not limit or affect any right or remedy that the owner or person in lawful possession of private property may have by virtue of other provisions of law authorizing the removal of a vehicle parked upon private property.

(d) The owner of a vehicle removed from private property pursuant to subdivision (a) may recover for any damage to the vehicle resulting from any intentional or negligent act of a person causing the removal of, or removing, the vehicle.

(e) (1) An owner or person in lawful possession of private property, or an association of a common interest development, causing the removal of a vehicle parked on that property is liable for double the storage or towing charges whenever there has been a failure to comply with paragraph (1), (2), or (3) of subdivision (a) or to state the grounds for the removal of the vehicle if requested by the legal or registered owner of the vehicle as required by subdivision (f).

(2) A property owner or owner's agent or lessee who causes the removal of a vehicle parked on that property pursuant to the exemption set forth in subparagraph (A) of paragraph (1) of subdivision (l) and fails to comply with that subdivision is guilty of an infraction, punishable by a fine of one thousand dollars (\$1,000).

(f) An owner or person in lawful possession of private property, or an association of a common interest development, causing the removal of a vehicle parked on that property shall notify by telephone or, if impractical, by the most expeditious means available, the local traffic law enforcement agency within one hour after authorizing the tow. An owner or person in lawful possession of private property, an association of a common interest development, causing the removal of a vehicle parked on that property, or the tow truck operator who removes the vehicle, shall

state the grounds for the removal of the vehicle if requested by the legal or registered owner of that vehicle. A towing company that removes a vehicle from private property in compliance with subdivision (l) is not responsible in a situation relating to the validity of the removal. A towing company that removes the vehicle under this section shall be responsible for the following:

(1) Damage to the vehicle in the transit and subsequent storage of the vehicle.

(2) The removal of a vehicle other than the vehicle specified by the owner or other person in lawful possession of the private property.

(g) (1) (A) Possession of a vehicle under this section shall be deemed to arise when a vehicle is removed from private property and is in transit.

(B) Upon the request of the owner of the vehicle or that owner's agent, the towing company or its driver shall immediately and unconditionally release a vehicle that is not yet removed from the private property and in transit.

(C) A person failing to comply with subparagraph (B) is guilty of a misdemeanor.

(2) If a vehicle is released to a person in compliance with subparagraph (B) of paragraph (1), the vehicle owner or authorized agent shall immediately move that vehicle to a lawful location.

(h) A towing company may impose a charge of not more than one-half of the regular towing charge for the towing of a vehicle at the request of the owner, the owner's agent, or the person in lawful possession of the private property pursuant to this section if the owner of the vehicle or the vehicle owner's agent returns to the vehicle after the vehicle is coupled to the tow truck by means of a regular hitch, coupling device, drawbar, portable dolly, or is lifted off the ground by means of a conventional trailer, and before it is removed from the private property. The regular towing charge may only be imposed after the vehicle has been removed from the property and is in transit.

(i) (1) (A) A charge for towing or storage, or both, of a vehicle under this section is excessive if the charge exceeds the greater of the following:

(i) That which would have been charged for that towing or storage, or both, made at the request of a law enforcement agency under an agreement between a towing company and the law

enforcement agency that exercises primary jurisdiction in the city in which is located the private property from which the vehicle was, or was attempted to be, removed, or if the private property is not located within a city, then the law enforcement agency that exercises primary jurisdiction in the county in which the private property is located.

(ii) That which would have been charged for that towing or storage, or both, under the rate approved for that towing operator by the Department of the California Highway Patrol for the jurisdiction in which the private property is located and from which the vehicle was, or was attempted to be, removed.

(B) A towing operator shall make available for inspection and copying his or her rate approved by the California Highway Patrol, if any, within 24 hours of a request without a warrant to law enforcement, the Attorney General, district attorney, or city attorney.

(2) If a vehicle is released within 24 hours from the time the vehicle is brought into the storage facility, regardless of the calendar date, the storage charge shall be for only one day. Not more than one day's storage charge may be required for a vehicle released the same day that it is stored.

(3) If a request to release a vehicle is made and the appropriate fees are tendered and documentation establishing that the person requesting release is entitled to possession of the vehicle, or is the owner's insurance representative, is presented within the initial 24 hours of storage, and the storage facility fails to comply with the request to release the vehicle or is not open for business during normal business hours, then only one day's storage charge may be required to be paid until after the first business day. A business day is any day in which the lienholder is open for business to the public for at least eight hours. If a request is made more than 24 hours after the vehicle is placed in storage, charges may be imposed on a full calendar day basis for each day, or part thereof, that the vehicle is in storage.

(j) (1) A person who charges a vehicle owner a towing, service, or storage charge at an excessive rate, as described in subdivision (h) or (i), is civilly liable to the vehicle owner for four times the amount charged.

(2) A person who knowingly charges a vehicle owner a towing, service, or storage charge at an excessive rate, as described in

subdivision (h) or (i), or who fails to make available his or her rate as required in subparagraph (B) of paragraph (1) of subdivision (i), is guilty of a misdemeanor, punishable by a fine of not more than two thousand five hundred dollars (\$2,500), or by imprisonment in the county jail for not more than three months, or by both that fine and imprisonment.

(k) (1) A person operating or in charge of a storage facility where vehicles are stored pursuant to this section shall accept a valid bank credit card or cash for payment of towing and storage by a registered owner, the legal owner, or the owner's agent claiming the vehicle. A credit card shall be in the name of the person presenting the card. "Credit card" means "credit card" as defined in subdivision (a) of Section 1747.02 of the Civil Code, except, for the purposes of this section, credit card does not include a credit card issued by a retail seller.

(2) A person described in paragraph (1) shall conspicuously display, in that portion of the storage facility office where business is conducted with the public, a notice advising that all valid credit cards and cash are acceptable means of payment.

(3) A person operating or in charge of a storage facility who refuses to accept a valid credit card or who fails to post the required notice under paragraph (2) is guilty of a misdemeanor, punishable by a fine of not more than two thousand five hundred dollars (\$2,500), or by imprisonment in the county jail for not more than three months, or by both that fine and imprisonment.

(4) A person described in paragraph (1) who violates paragraph (1) or (2) is civilly liable to the registered owner of the vehicle or the person who tendered the fees for four times the amount of the towing and storage charges.

(5) A person operating or in charge of the storage facility shall have sufficient moneys on the premises of the primary storage facility during normal business hours to accommodate, and make change in, a reasonable monetary transaction.

(6) Credit charges for towing and storage services shall comply with Section 1748.1 of the Civil Code. Law enforcement agencies may include the costs of providing for payment by credit when making agreements with towing companies as described in subdivision (i).

(l) (1) (A) A towing company shall not remove or commence the removal of a vehicle from private property without first

obtaining the written authorization from the property owner or lessee, including an association of a common interest development, or an employee or agent thereof, who shall be present at the time of removal and verify the alleged violation, except that presence and verification is not required if the person authorizing the tow is the property owner, or the owner's agent who is not a tow operator, of a residential rental property of 15 or fewer units that does not have an onsite owner, owner's agent or employee, and the tenant has verified the violation, requested the tow from that tenant's assigned parking space, and provided a signed request or electronic mail, or has called and provides a signed request or electronic mail within 24 hours, to the property owner or owner's agent, which the owner or agent shall provide to the towing company within 48 hours of authorizing the tow. The signed request or electronic mail shall contain the name and address of the tenant, and the date and time the tenant requested the tow. A towing company shall obtain, within 48 hours of receiving the written authorization to tow, a copy of a tenant request required pursuant to this subparagraph. For the purpose of this subparagraph, a person providing the written authorization who is required to be present on the private property at the time of the tow does not have to be physically present at the specified location of where the vehicle to be removed is located on the private property.

(B) The written authorization under subparagraph (A) shall include all of the following:

(i) The make, model, vehicle identification number, and license plate number of the removed vehicle.

(ii) The name, signature, job title, residential or business address, and working telephone number of the person, described in subparagraph (A), authorizing the removal of the vehicle.

(iii) The grounds for the removal of the vehicle.

(iv) The time when the vehicle was first observed parked at the private property.

(v) The time that authorization to tow the vehicle was given.

(C) (i) When the vehicle owner or his or her agent claims the vehicle, the towing company prior to payment of a towing or storage charge shall provide a photocopy of the written authorization to the vehicle owner or the agent.

(ii) If the vehicle was towed from a residential property, the towing company shall redact the information specified in clause

(ii) of subparagraph (B) in the photocopy of the written authorization provided to the vehicle owner or the agent pursuant to clause (i).

(iii) The towing company shall also provide to the vehicle owner or the agent a separate notice that provides the telephone number of the appropriate local law enforcement or prosecuting agency by stating “If you believe that you have been wrongfully towed, please contact the local law enforcement or prosecuting agency at [insert appropriate telephone number].” The notice shall be in English and in the most populous language, other than English, that is spoken in the jurisdiction.

(D) A towing company shall not remove or commence the removal of a vehicle from private property described in subdivision (a) of Section 22953 unless the towing company has made a good faith inquiry to determine that the owner or the property owner’s agent complied with Section 22953.

(E) (i) General authorization to remove or commence removal of a vehicle at the towing company’s discretion shall not be delegated to a towing company or its affiliates except in the case of a vehicle unlawfully parked within 15 feet of a fire hydrant or in a fire lane, or in a manner which interferes with an entrance to, or exit from, the private property.

(ii) In those cases in which general authorization is granted to a towing company or its affiliate to undertake the removal or commence the removal of a vehicle that is unlawfully parked within 15 feet of a fire hydrant or in a fire lane, or that interferes with an entrance to, or exit from, private property, the towing company and the property owner, or owner’s agent, or person in lawful possession of the private property shall have a written agreement granting that general authorization.

(2) If a towing company removes a vehicle under a general authorization described in subparagraph (E) of paragraph (1) and that vehicle is unlawfully parked within 15 feet of a fire hydrant or in a fire lane, or in a manner that interferes with an entrance to, or exit from, the private property, the towing company shall take, prior to the removal of that vehicle, a photograph of the vehicle that clearly indicates that parking violation. Prior to accepting payment, the towing company shall keep one copy of the photograph taken pursuant to this paragraph, and shall present that

photograph and provide, without charge, a photocopy to the owner or an agent of the owner, when that person claims the vehicle.

(3) A towing company shall maintain the original written authorization, or the general authorization described in subparagraph (E) of paragraph (1) and the photograph of the violation, required pursuant to this section, and any written requests from a tenant to the property owner or owner's agent required by subparagraph (A) of paragraph (1), for a period of three years and shall make them available for inspection and copying within 24 hours of a request without a warrant to law enforcement, the Attorney General, district attorney, or city attorney.

(4) A person who violates this subdivision is guilty of a misdemeanor, punishable by a fine of not more than two thousand five hundred dollars (\$2,500), or by imprisonment in the county jail for not more than three months, or by both that fine and imprisonment.

(5) A person who violates this subdivision is civilly liable to the owner of the vehicle or his or her agent for four times the amount of the towing and storage charges.

(m) (1) A towing company that removes a vehicle from private property under this section shall notify the local law enforcement agency of that tow after the vehicle is removed from the private property and is in transit.

(2) A towing company is guilty of a misdemeanor if the towing company fails to provide the notification required under paragraph (1) within 60 minutes after the vehicle is removed from the private property and is in transit or 15 minutes after arriving at the storage facility, whichever time is less.

(3) A towing company that does not provide the notification under paragraph (1) within 30 minutes after the vehicle is removed from the private property and is in transit is civilly liable to the registered owner of the vehicle, or the person who tenders the fees, for three times the amount of the towing and storage charges.

(4) If notification is impracticable, the times for notification, as required pursuant to paragraphs (2) and (3), shall be tolled for the time period that notification is impracticable. This paragraph is an affirmative defense.

(n) A vehicle removed from private property pursuant to this section shall be stored in a facility that meets all of the following requirements:

(1) (A) Is located within a 10-mile radius of the property from where the vehicle was removed.

(B) The 10-mile radius requirement of subparagraph (A) does not apply if a towing company has prior general written approval from the law enforcement agency that exercises primary jurisdiction in the city in which is located the private property from which the vehicle was removed, or if the private property is not located within a city, then the law enforcement agency that exercises primary jurisdiction in the county in which is located the private property.

(2) (A) Remains open during normal business hours and releases vehicles after normal business hours.

(B) A gate fee may be charged for releasing a vehicle after normal business hours, weekends, and state holidays. However, the maximum hourly charge for releasing a vehicle after normal business hours shall be one-half of the hourly tow rate charged for initially towing the vehicle, or less.

(C) Notwithstanding any other provision of law and for purposes of this paragraph, “normal business hours” are Monday to Friday, inclusive, from 8 a.m. to 5 p.m., inclusive, except state holidays.

(3) Has a public pay telephone in the office area that is open and accessible to the public.

(o) (1) It is the intent of the Legislature in the adoption of subdivision (k) to assist vehicle owners or their agents by, among other things, allowing payment by credit cards for towing and storage services, thereby expediting the recovery of towed vehicles and concurrently promoting the safety and welfare of the public.

(2) It is the intent of the Legislature in the adoption of subdivision (l) to further the safety of the general public by ensuring that a private property owner or lessee has provided his or her authorization for the removal of a vehicle from his or her property, thereby promoting the safety of those persons involved in ordering the removal of the vehicle as well as those persons removing, towing, and storing the vehicle.

(3) It is the intent of the Legislature in the adoption of subdivision (g) to promote the safety of the general public by requiring towing companies to unconditionally release a vehicle that is not lawfully in their possession, thereby avoiding the likelihood of dangerous and violent confrontation and physical injury to vehicle owners and towing operators, the stranding of

vehicle owners and their passengers at a dangerous time and location, and impeding expedited vehicle recovery, without wasting law enforcement's limited resources.

(p) The remedies, sanctions, restrictions, and procedures provided in this section are not exclusive and are in addition to other remedies, sanctions, restrictions, or procedures that may be provided in other provisions of law, including, but not limited to, those that are provided in Sections 12110 and 34660.

(q) A vehicle removed and stored pursuant to this section shall be released by the law enforcement agency, impounding agency, or person in possession of the vehicle, or any person acting on behalf of them, to the legal owner or the legal owner's agent upon presentation of the assignment, as defined in subdivision (b) of Section 7500.1 of the Business and Professions Code; a release from the one responsible governmental agency, only if required by the agency; a government-issued photographic identification card; and any one of the following as determined by the legal owner or the legal owner's agent: a certificate of repossession for the vehicle, a security agreement for the vehicle, or title, whether paper or electronic, showing proof of legal ownership for the vehicle. Any documents presented may be originals, photocopies, or facsimile copies, or may be transmitted electronically. The storage facility shall not require any documents to be notarized. The storage facility may require the agent of the legal owner to produce a photocopy or facsimile copy of its repossession agency license or registration issued pursuant to Chapter 11 (commencing with Section 7500) of Division 3 of the Business and Professions Code, or to demonstrate, to the satisfaction of the storage facility, that the agent is exempt from licensure pursuant to Section 7500.2 or 7500.3 of the Business and Professions Code.

SEC. 84. Section 13553 of the Water Code is amended to read:

13553. (a) The Legislature hereby finds and declares that the use of potable domestic water for toilet and urinal flushing in structures is a waste or an unreasonable use of water within the meaning of Section 2 of Article X of the California Constitution if recycled water, for these uses, is available to the user and meets the requirements set forth in Section 13550, as determined by the state board after notice and a hearing.

(b) The state board may require a public agency or person subject to this section to furnish any information that may be relevant to making the determination required in subdivision (a).

(c) For purposes of this section and Section 13554, “structure” or “structures” means commercial, retail, and office buildings, theaters, auditoriums, condominium projects, schools, hotels, apartments, barracks, dormitories, jails, prisons, and reformatories, and other structures as determined by the State Department of Public Health.

(d) Recycled water may be used in condominium projects, as defined in Section 4125 of the Civil Code, subject to all of the following conditions:

(1) Prior to the indoor use of recycled water in any condominium project, the agency delivering the recycled water to the condominium project shall file a report with, and receive written approval of the report from, the State Department of Public Health. The report shall be consistent with the provisions of Title 22 of the California Code of Regulations generally applicable to dual-plumbed structures and shall include all the following:

(A) That potable water service to each condominium project will be provided with a backflow protection device approved by the State Department of Public Health to protect the agency’s public water system, as defined in Section 116275 of the Health and Safety Code. The backflow protection device approved by the State Department of Public Health shall be inspected and tested annually by a person certified in the inspection of backflow prevention devices.

(B) That any plumbing modifications in the condominium unit or any physical alteration of the structure will be done in compliance with state and local plumbing codes.

(C) That each condominium project will be tested by the recycled water agency or the responsible local agency at least once every four years to ensure that there are no indications of a possible cross connection between the condominium’s potable and nonpotable systems.

(D) That recycled water lines will be color coded consistent with current statutes and regulations.

(2) The recycled water agency or the responsible local agency shall maintain records of all tests and annual inspections conducted.

(3) The condominium’s declaration, as defined in Section 4135 of the Civil Code, shall provide that the laws and regulations governing recycled water apply, shall not permit any exceptions to those laws and regulations, shall incorporate the report described in paragraph (1), and shall contain the following statement:

“NOTICE OF USE OF RECYCLED WATER

This property is approved by the State Department of Public Health for the use of recycled water for toilet and urinal flushing. This water is not potable, is not suitable for indoor purposes other than toilet and urinal flushing purposes, and requires dual plumbing. Alterations and modifications to the plumbing system require a permit and are prohibited without first consulting with the appropriate local building code enforcement agency and your property management company or homeowners’ association to ensure that the recycled water is not mixed with the drinking water.”

(e) The State Department of Public Health may adopt regulations as necessary to assist in the implementation of this section.

(f) This section shall only apply to condominium projects that are created, within the meaning of Section 4030 of the Civil Code, on or after January 1, 2008.

(g) This section and Section 13554 do not apply to a pilot program adopted pursuant to Section 13553.1.

SEC. 85. Any section of any act enacted by the Legislature during the 2012 calendar year, other than a section of the annual maintenance of the codes bill or another bill with a subordination clause, that takes effect on or before January 1, 2013, and that amends, amends and renumbers, amends and repeals, adds, repeals and adds, or repeals a section that is amended, amended and renumbered, amended and repealed, added, repealed and added, or repealed by this act, shall prevail over this act, whether that act is chaptered before or after this act.

SEC. 86. This act shall become operative on January 1, 2014, but only if Assembly Bill 805 of the 2011-12 Regular Session becomes operative on or before January 1, 2014.
