#### LEGISLATIVE COUNSEL'S DIGEST

AB 897, Hall. Horse racing: quarter horse racing.

Existing law vests jurisdiction and supervision over horse racing in this state in the California Horse Racing Board. Existing law permits the board to authorize a licensed quarter horse racing association that is conducting a live racing meeting to accept wagers on certain races conducted by the racing association that conducts the American Quarter Horse Racing Challenge, if the races are conducted on the same day as the American Quarter Horse Racing Challenge, as specified.

This bill would additionally permit the board to authorize a licensed quarter horse racing association that is conducting a live racing meeting to accept wagers on the full card of races conducted by another racing association on the day that other association conducts the Texas Classic Futurity and Remington Park Futurity, as specified.

*The people of the State of California do enact as follows:*

(B) The full card of races conducted by another racing association on the day that other association conducts the Texas Classic Futurity and Remington Park Futurity.

(3) Authorize the inclusion of wagers authorized pursuant to this section in the parimutuel pools of the out-of-state association that conducts the races on which the wagers are placed.

(1) The authorization complies with federal laws, including, but not limited to, Chapter 57 (commencing with Section 3001) of Title 15 of the United States Code.

(2) Wagering is offered only within the racing enclosure and only within seven days of the running of the out-of-state race.
