An act to amend Section 79401 of the Food and Agricultural Code, relating to plants.

LEGISLATIVE COUNSEL'S DIGEST

AB 1154, as introduced, Bill Berryhill. Plants: nursery products.

Existing law provides that the production of nursery products constitutes an important industry of this state that provides substantial and necessary revenues for the state, products that are a foundation for its residents' food supply, and employment for its residents.

This bill would make a technical, nonsubstantive change to this provision.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 79401 of the Food and Agricultural Code
- 2 is amended to read:
- 3 79401. The production of nursery products constitutes an
- 4 important industry of this state ~~that~~ *which* provides substantial and
- 5 necessary revenues for the state, products that are a foundation for
- 6 its residents' food supply, and employment for its residents.
