#### LEGISLATIVE COUNSEL'S DIGEST

AB 1298, Blumenfield. Vehicles: parking: mobile billboard advertising displays.

(1) Existing law authorizes a local authority to regulate mobile billboard advertising displays. Existing law defines "mobile billboard advertising display" to mean an advertising display attached to nonmotorized vehicles for the primary purpose of advertising.

This bill would revise the definition of "mobile billboard advertising display." The bill would additionally authorize a local authority, subject to specified exceptions, to regulate advertising signs on motor vehicles parked or left standing upon a public street.

(2) This bill would delete an obsolete provision.

(3) This bill would incorporate additional changes in Section 22651 of the Vehicle Code proposed by SB 565, to be operative only if SB 565 and this bill are both chaptered and become effective on or before January 1, 2012, and this bill is chaptered last.

*The people of the State of California do enact as follows:*

SECTION 1. Section 395.5 of the Vehicle Code is amended to read:

395.5. A "mobile billboard advertising display" means an advertising display that is attached to a mobile, nonmotorized vehicle, device, or bicycle, that carries, pulls, or transports a sign or billboard, and is for the primary purpose of advertising.

SEC. 2. Section 21100 of the Vehicle Code, as amended by Chapter 615 of the Statutes of 2010, is repealed.

SEC. 3. Section 21100 of the Vehicle Code, as amended by Chapter 616 of the Statutes of 2010, is amended to read:

21100. Local authorities may adopt rules and regulations by ordinance or resolution regarding the following matters:

- (a) Regulating or prohibiting processions or assemblages on the highways.
- (b) Licensing and regulating the operation of vehicles for hire and drivers of passenger vehicles for hire.
- (c) Regulating traffic by means of traffic officers.

(d) Regulating traffic by means of official traffic control devices meeting the requirements of Section 21400.

(e) (1) Regulating traffic by means of a person given temporary or permanent appointment for that duty by the local authority when official traffic control devices are disabled or otherwise inoperable, at the scenes of accidents or disasters, or at locations as may require traffic direction for orderly traffic flow.

(2) A person shall not be appointed pursuant to this subdivision unless and until the local authority has submitted to the commissioner or to the chief law enforcement officer exercising jurisdiction in the enforcement of traffic laws within the area in which the person is to perform the duty, for review, a proposed program of instruction for the training of a person for that duty, and unless and until the commissioner or other chief law enforcement officer approves the proposed program. The commissioner or other chief law enforcement officer shall approve a proposed program if he or she reasonably determines that the program will provide sufficient training for persons assigned to perform the duty described in this subdivision.

(f) Regulating traffic at the site of road or street construction or maintenance by persons authorized for that duty by the local authority.

(g) (1) Licensing and regulating the operation of tow truck service or tow truck drivers whose principal place of business or employment is within the jurisdiction of the local authority, excepting the operation and operators of any auto dismantlers' tow vehicle licensed under Section 11505 or any tow truck operated by a repossessing agency licensed under Chapter 11 (commencing with Section 7500) of Division 3 of the Business and Professions Code and its registered employees.

(2) The Legislature finds that the safety and welfare of the general public is promoted by permitting local authorities to regulate tow truck service companies and operators by requiring licensure, insurance, and proper training in the safe operation of towing equipment, thereby ensuring against towing mistakes that may lead to violent confrontation, stranding motorists in dangerous situations, impeding the expedited vehicle recovery, and wasting state and local law enforcement's limited resources.

(3) This subdivision does not limit the authority of a city or city and county pursuant to Section 12111.

(h) Operation of bicycles, and, as specified in Section 21114.5, electric carts by physically disabled persons, or persons 50 years of age or older, on the public sidewalks.

(i) Providing for the appointment of nonstudent school crossing guards for the protection of persons who are crossing a street or highway in the vicinity of a school or while returning thereafter to a place of safety.

(j) Regulating the methods of deposit of garbage and refuse in streets and highways for collection by the local authority or by any person authorized by the local authority.

(k) (1) Regulating cruising.

(2) The ordinance or resolution adopted pursuant to this subdivision shall regulate cruising, which is the repetitive driving of a motor vehicle past a

traffic control point in traffic that is congested at or near the traffic control point, as determined by the ranking peace officer on duty within the affected area, within a specified time period and after the vehicle operator has been given an adequate written notice that further driving past the control point will be a violation of the ordinance or resolution.

(3) A person is not in violation of an ordinance or resolution adopted pursuant to this subdivision unless both of the following apply:

(A) That person has been given the written notice on a previous driving trip past the control point and then again passes the control point in that same time interval.

(B) The beginning and end of the portion of the street subject to cruising controls are clearly identified by signs that briefly and clearly state the appropriate provisions of this subdivision and the local ordinance or resolution on cruising.

(l) Regulating or authorizing the removal by peace officers of vehicles unlawfully parked in a fire lane, as described in Section 22500.1, on private property. A removal pursuant to this subdivision shall be consistent, to the extent possible, with the procedures for removal and storage set forth in Chapter 10 (commencing with Section 22650).

(m) Regulating mobile billboard advertising displays, as defined in Section 395.5, including the establishment of penalties, which may include, but are not limited to, removal of the mobile billboard advertising display and misdemeanor criminal penalties, for a violation of the ordinance or resolution. The ordinance or resolution may establish a minimum distance that a mobile billboard advertising display shall be moved after a specified time period.

(n) Licensing and regulating the operation of pedicabs for hire, as defined in Section 467.5, and operators of pedicabs for hire, including requiring one or more of the following documents:

(1) A valid California driver's license.

(2) Proof of successful completion of a bicycle safety training course certified by the League of American Bicyclists or an equivalent organization as determined by the local authority.

(3) A valid California identification card and proof of successful completion of the written portion of the California driver's license examination administered by the department. The department shall administer, without charging a fee, the original driver's license written examination on traffic laws and signs to a person who states that he or she is, or intends to become, a pedicab operator, and who holds a valid California identification card or has successfully completed an application for a California identification card. If the person achieves a passing score on the examination, the department shall issue a certificate of successful completion of the examination, bearing the person's name and identification card number. The certificate shall not serve in lieu of successful completion of the required examination administered as part of any subsequent application for a driver's license. The department is not required to enter the results of

the examination into the computerized record of the person's identification card or otherwise retain a record of the examination or results.

(o) (1) This section does not authorize a local authority to enact or enforce an ordinance or resolution that establishes a violation if a violation for the same or similar conduct is provided in this code, nor does it authorize a local authority to enact or enforce an ordinance or resolution that assesses a fine, penalty, assessment, or fee for a violation if a fine, penalty, assessment, or fee for a violation involving the same or similar conduct is provided in this code.

(2) This section does not preclude a local authority from enacting parking ordinances pursuant to existing authority in Chapter 9 (commencing with Section 22500) of Division 11.

(p) (1) Regulating advertising signs on motor vehicles parked or left standing upon a public street. The ordinance or resolution may establish a minimum distance that the advertising sign shall be moved after a specified time period.

(2) Paragraph (1) does not apply to advertising signs that are painted directly upon or are permanently affixed to the body of, an integral part of, or fixture of a motor vehicle for permanent decoration, identification, or display and that do not extend beyond the overall length, width, or height of the vehicle.

SEC. 4. Section 22651 of the Vehicle Code is amended to read:

22651. A peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, or a regularly employed and salaried employee, who is engaged in directing traffic or enforcing parking laws and regulations, of a city, county, or jurisdiction of a state agency in which a vehicle is located, may remove a vehicle located within the territorial limits in which the officer or employee may act, under the following circumstances:

(a) When a vehicle is left unattended upon a bridge, viaduct, or causeway or in a tube or tunnel where the vehicle constitutes an obstruction to traffic.

(b) When a vehicle is parked or left standing upon a highway in a position so as to obstruct the normal movement of traffic or in a condition so as to create a hazard to other traffic upon the highway.

(c) When a vehicle is found upon a highway or public land and a report has previously been made that the vehicle is stolen or a complaint has been filed and a warrant thereon is issued charging that the vehicle was embezzled.

(d) When a vehicle is illegally parked so as to block the entrance to a private driveway and it is impractical to move the vehicle from in front of the driveway to another point on the highway.

(e) When a vehicle is illegally parked so as to prevent access by firefighting equipment to a fire hydrant and it is impracticable to move the vehicle from in front of the fire hydrant to another point on the highway.

(f) When a vehicle, except highway maintenance or construction equipment, is stopped, parked, or left standing for more than four hours upon the right-of-way of a freeway that has full control of access and no

crossings at grade and the driver, if present, cannot move the vehicle under its own power.

(g) When the person in charge of a vehicle upon a highway or public land is, by reason of physical injuries or illness, incapacitated to an extent so as to be unable to provide for its custody or removal.

(h) (1) When an officer arrests a person driving or in control of a vehicle for an alleged offense and the officer is, by this code or other law, required or permitted to take, and does take, the person into custody.

(2) When an officer serves a notice of an order of suspension or revocation pursuant to Section 13388 or 13389.

(i) (1) When a vehicle, other than a rented vehicle, is found upon a highway or public land, or is removed pursuant to this code, and it is known that the vehicle has been issued five or more notices of parking violations to which the owner or person in control of the vehicle has not responded within 21 calendar days of notice of citation issuance or citation issuance or 14 calendar days of the mailing of a notice of delinquent parking violation to the agency responsible for processing notices of parking violations, or the registered owner of the vehicle is known to have been issued five or more notices for failure to pay or failure to appear in court for traffic violations for which a certificate has not been issued by the magistrate or clerk of the court hearing the case showing that the case has been adjudicated or concerning which the registered owner's record has not been cleared pursuant to Chapter 6 (commencing with Section 41500) of Division 17, the vehicle may be impounded until that person furnishes to the impounding law enforcement agency all of the following:

(A) Evidence of his or her identity.

(B) An address within this state at which he or she can be located.

(C) Satisfactory evidence that all parking penalties due for the vehicle and all other vehicles registered to the registered owner of the impounded vehicle, and all traffic violations of the registered owner, have been cleared.

(2) The requirements in subparagraph (C) of paragraph (1) shall be fully enforced by the impounding law enforcement agency on and after the time that the Department of Motor Vehicles is able to provide access to the necessary records.

(3) A notice of parking violation issued for an unlawfully parked vehicle shall be accompanied by a warning that repeated violations may result in the impounding of the vehicle. In lieu of furnishing satisfactory evidence that the full amount of parking penalties or bail has been deposited, that person may demand to be taken without unnecessary delay before a magistrate, for traffic offenses, or a hearing examiner, for parking offenses, within the county in which the offenses charged are alleged to have been committed and who has jurisdiction of the offenses and is nearest or most accessible with reference to the place where the vehicle is impounded. Evidence of current registration shall be produced after a vehicle has been impounded, or, at the discretion of the impounding law enforcement agency, a notice to appear for violation of subdivision (a) of Section 4000 shall be issued to that person.

(C) Completes an affidavit in a form acceptable to the impounding law enforcement agency stating that the vehicle was not in possession of the legal owner at the time of occurrence of the offenses relating to standing or parking. A vehicle released to a legal owner under this subdivision is a repossessed vehicle for purposes of disposition or sale. The impounding agency shall have a lien on any surplus that remains upon sale of the vehicle to which the registered owner is or may be entitled, as security for the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5. The legal owner shall promptly remit to, and deposit with, the agency responsible for processing notices of parking violations from that surplus, on receipt of that surplus, the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5.

(5) The impounding agency that has a lien on the surplus that remains upon the sale of a vehicle to which a registered owner is entitled pursuant to paragraph (4) has a deficiency claim against the registered owner for the full amount of the parking penalties for all notices of parking violations issued for the vehicle and for all local administrative charges imposed pursuant to Section 22850.5, less the amount received from the sale of the vehicle.

(j) When a vehicle is found illegally parked and there are no license plates or other evidence of registration displayed, the vehicle may be impounded until the owner or person in control of the vehicle furnishes the impounding law enforcement agency evidence of his or her identity and an address within this state at which he or she can be located.

(k) When a vehicle is parked or left standing upon a highway for 72 or more consecutive hours in violation of a local ordinance authorizing removal.

(l) When a vehicle is illegally parked on a highway in violation of a local ordinance forbidding standing or parking and the use of a highway, or a portion thereof, is necessary for the cleaning, repair, or construction of the highway, or for the installation of underground utilities, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by a local authority pursuant to the ordinance.

(m) When the use of the highway, or a portion of the highway, is authorized by a local authority for a purpose other than the normal flow of traffic or for the movement of equipment, articles, or structures of unusual size, and the parking of a vehicle would prohibit or interfere with that use or movement, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by a local authority pursuant to the ordinance.

(n) Whenever a vehicle is parked or left standing where local authorities, by resolution or ordinance, have prohibited parking and have authorized

the removal of vehicles. Except as provided in subdivisions (v) and (w), a vehicle shall not be removed unless signs are posted giving notice of the removal.

(o) (1) When a vehicle is found or operated upon a highway, public land, or an offstreet parking facility under the following circumstances:

(A) With a registration expiration date in excess of six months before the date it is found or operated on the highway, public lands, or the offstreet parking facility.

(B) Displaying in, or upon, the vehicle, a registration card, identification card, temporary receipt, license plate, special plate, registration sticker, device issued pursuant to Section 4853, or permit that was not issued for that vehicle, or is not otherwise lawfully used on that vehicle under this code.

(C) Displaying in, or upon, the vehicle, an altered, forged, counterfeit, or falsified registration card, identification card, temporary receipt, license plate, special plate, registration sticker, device issued pursuant to Section 4853, or permit.

(2) When a vehicle described in paragraph (1) is occupied, only a peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, may remove the vehicle.

(3) For the purposes of this subdivision, the vehicle shall be released to the owner or person in control of the vehicle only after the owner or person furnishes the storing law enforcement agency with proof of current registration and a currently valid driver's license to operate the vehicle.

(4) As used in this subdivision, "offstreet parking facility" means an offstreet facility held open for use by the public for parking vehicles and includes a publicly owned facility for offstreet parking, and a privately owned facility for offstreet parking if a fee is not charged for the privilege to park and it is held open for the common public use of retail customers.

A vehicle so removed from the highway or public land, or from private property after having been on a highway or public land, shall not be released to the registered owner or his or her agent, except upon presentation of the registered owner's or his or her agent's currently valid driver's license to operate the vehicle and proof of current vehicle registration, or upon order of a court.

(q) When a vehicle is parked for more than 24 hours on a portion of highway that is located within the boundaries of a common interest development, as defined in subdivision (c) of Section 1351 of the Civil Code, and signs, as required by paragraph (1) of subdivision (a) of Section 22658 of this code, have been posted on that portion of highway providing notice to drivers that vehicles parked thereon for more than 24 hours will be removed at the owner's expense, pursuant to a resolution or ordinance adopted by the local authority.

(r) When a vehicle is illegally parked and blocks the movement of a legally parked vehicle.

(s) (1) When a vehicle, except highway maintenance or construction equipment, an authorized emergency vehicle, or a vehicle that is properly permitted or otherwise authorized by the Department of Transportation, is stopped, parked, or left standing for more than eight hours within a roadside rest area or viewpoint.

(2) Notwithstanding paragraph (1), when a commercial motor vehicle, as defined in paragraph (1) of subdivision (b) of Section 15210, is stopped, parked, or left standing for more than 10 hours within a roadside rest area or viewpoint.

(3) For purposes of this subdivision, a roadside rest area or viewpoint is a publicly maintained vehicle parking area, adjacent to a highway, utilized for the convenient, safe stopping of a vehicle to enable motorists to rest or to view the scenery. If two or more roadside rest areas are located on opposite sides of the highway, or upon the center divider, within seven miles of each other, then that combination of rest areas is considered to be the same rest area.

(t) When a peace officer issues a notice to appear for a violation of Section 25279.

(u) When a peace officer issues a citation for a violation of Section 11700 and the vehicle is being offered for sale.

(v) (1) When a vehicle is a mobile billboard advertising display, as defined in Section 395.5, and is parked or left standing in violation of a local resolution or ordinance adopted pursuant to subdivision (m) of Section 21100, if the registered owner of the vehicle was previously issued a warning citation for the same offense, pursuant to paragraph (2).

(2) Notwithstanding subdivision (a) of Section 22507, a city or county, in lieu of posting signs noticing a local ordinance prohibiting mobile billboard advertising displays adopted pursuant to subdivision (m) of Section 21100, may provide notice by issuing a warning citation advising the registered owner of the vehicle that he or she may be subject to penalties upon a subsequent violation of the ordinance, that may include the removal of the vehicle as provided in paragraph (1). A city or county is not required to provide further notice for a subsequent violation prior to the enforcement of penalties for a violation of the ordinance.

(w) (1) When a vehicle is parked or left standing in violation of a local ordinance or resolution adopted pursuant to subdivision (p) of Section 21100, if the registered owner of the vehicle was previously issued a warning citation for the same offense, pursuant to paragraph (2).

(2) Notwithstanding subdivision (a) of Section 22507, a city or county, in lieu of posting signs noticing a local ordinance regulating advertising signs adopted pursuant to subdivision (p) of Section 21100, may provide notice by issuing a warning citation advising the registered owner of the vehicle that he or she may be subject to penalties upon a subsequent violation of the ordinance that may include the removal of the vehicle as provided in paragraph (1).
