

## Assembly Bill No. 1418

### CHAPTER 412

An act to repeal and add Section 12012.551 of the Government Code, relating to tribal gaming, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 2, 2011. Filed with  
Secretary of State October 2, 2011.]

#### LEGISLATIVE COUNSEL'S DIGEST

AB 1418, Hall. Tribal gaming: compact ratification.

Existing federal law, the Indian Gaming Regulatory Act, provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain types of gaming on Indian lands within a state. The California Constitution authorizes the Governor to negotiate and conclude compacts, subject to ratification by the Legislature. Existing law expressly ratifies a number of tribal-state gaming compacts, and amendments of tribal-state gaming compacts, between the State of California and specified Indian tribes. Existing law ratifies the tribal-state gaming compact entered into between the State of California and the Pinoleville Pomo Nation executed on March 9, 2009.

This bill would repeal those provisions ratifying the tribal-state gaming compact entered into between the State of California and Pinoleville Pomo Nation, executed on March 9, 2009. The bill would instead ratify the tribal-state gaming compact entered into between the State of California and the Pinoleville Pomo Nation, executed on August 8, 2011.

Existing law, the California Environmental Quality Act (CEQA), requires a lead agency to prepare, or cause to be prepared, and certify completion of, an environmental impact report on a project, as defined, that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect.

This bill would provide that, in deference to tribal sovereignty, certain actions shall not be deemed projects for purposes of CEQA. By imposing additional duties on a lead agency with regard to the implementation of CEQA requirements, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would declare that it is to take effect immediately as an urgency statute.

*The people of the State of California do enact as follows:*

SEC. 4. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:
