LEGISLATIVE COUNSEL'S DIGEST

AB 1422, as amended, Perea. ~~Department of Veterans Affairs: administration.~~ *Safe, Clean, and Reliable Drinking Water Supply Act of 2012: submission to voters.*

Existing law creates the Safe, Clean, and Reliable Drinking Water Supply Act of 2012, which, if approved by the voters, would authorize the issuance of bonds in the amount of \$11,140,000,000 pursuant to

the State General Obligation Bond Law to finance a safe drinking water and water supply reliability program. Existing law provides for the submission of the bond act to the voters at the November 6, 2012, statewide general election.

This bill would instead provide for the submission of the bond act to the voters at the November 4, 2014, statewide general election.

This bill would declare that it is to take immediate effect as an urgency statute and an act calling an election.

~~Existing law establishes the Department of Veterans Affairs within state government and sets forth its powers and duties, including, but not limited to, administration of veterans benefits programs:~~

~~This bill would state the intent of the Legislature that the Department of Veterans Affairs identify any savings in the operations of the veterans home system and prioritize the allocation of those identified savings to offset any program reductions, as specified. This bill would require the department to make a report to the Legislature that would include information on the savings and the programs that were augmented with those identified savings.~~

Vote: ~~majority~~^{2/3}. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
