LEGISLATIVE COUNSEL'S DIGEST

AB 1431, as amended, Committee on Accountability and Administrative Review. Government reports.

Existing law requires that various state agencies submit certain reports to the Legislature and other state agencies.

This bill would eliminate the requirement that certain state agencies submit certain reports to the Legislature and other state agencies.

Existing law requires the Legislative Counsel to annually prepare, publish, and maintain an electronic list of all reports that state and local

agencies are required or requested by law to prepare and file with the Governor or the Legislature, or both, in the future or within the preceding year. Existing law further requires the Legislative Counsel to update that list by removing obsolete or duplicate reports and other reports specified by law.

This bill would require the Legislative Counsel to delete specified reports from the list.

This bill would make various conforming changes.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 4934.1 of the Business and Professions
- 2 Code is repealed.
- 3 SEC. 2. Section 22218.5 of the Education Code is repealed.
- 4 SEC. 3. Section 24400 of the Education Code is repealed.
- 5 ~~SEC. 4. Section 7576.2 of the Government Code is amended~~
- 6 ~~to read:~~
- 7 ~~7576.2. (a) The Director of the State Department of Mental~~
- 8 ~~Health is responsible for monitoring county mental health agencies~~
- 9 ~~to ensure compliance with the requirement to provide mental health~~
- 10 ~~services to disabled pupils pursuant to this chapter and to ensure~~
- 11 ~~that funds provided for this purpose are appropriately utilized.~~
- 12 ~~(b) The Director of the State Department of Mental Health shall~~
- 13 ~~convene at least one meeting of appropriate stakeholders and~~
- 14 ~~organizations, including a representative from the State Department~~
- 15 ~~of Education, to obtain input on existing data collection and~~
- 16 ~~monitoring processes, and on ways to strengthen and improve the~~
- 17 ~~data collected and monitoring performed.~~
- 18 ~~SEC. 5. Section 8670.55 of the Government Code is amended~~
- 19 ~~to read:~~
- 20 ~~8670.55. (a) The committee shall provide recommendations~~
- 21 ~~to the administrator, the State Lands Commission, the California~~

- 24 ~~Committee, on any provision of this chapter including the~~
- 25 ~~promulgation of all rules, regulations, guidelines, and policies.~~
- 26 ~~(b) The committee may, at its own discretion, study, comment~~
- 27 ~~on, or evaluate, any aspect of oil spill prevention and response in~~

1 ~~the state. To the greatest extent possible, these studies shall be~~
2 ~~coordinated with studies being done by the federal government,~~
3 ~~the administrator, the State Lands Commission, the State Water~~
4 ~~Resources Control Board, and other appropriate state and~~
5 ~~international entities. Duplication with the efforts of other entities~~
6 ~~shall be minimized.~~

7 ~~(c) The committee may attend any drills called pursuant to~~
8 ~~Section 8601.10 or any oil spills, if practicable.~~

9 ~~(d) The committee shall report biennially to the Governor and~~
10 ~~the Legislature on its evaluation of oil spill response and~~
11 ~~preparedness programs within the state and may prepare and send~~
12 ~~any additional reports it determines to be appropriate to the~~
13 ~~Governor and the Legislature.~~

14 *SEC. 4. Section 8670.55 of the Government Code, as added*
15 *by Section 67 of Chapter 133 of the Statutes of 2011, is amended*
16 *to read:*

17 8670.55. (a) The committee shall provide recommendations
18 to the administrator, the State Lands Commission, the California
19 Coastal Commission, and the San Francisco Bay Conservation
20 and Development Commission on any provision of this chapter
21 including the promulgation of all rules, regulations, guidelines,
22 and policies.

23 (b) The committee may, at its own discretion, study, comment
24 on, or evaluate, any aspect of oil spill prevention and response in
25 the state. To the greatest extent possible, these studies shall be
26 coordinated with studies being done by the federal government,
27 the administrator, the State Lands Commission, the State Water
28 Resources Control Board, and other appropriate state and
29 international entities. Duplication with the efforts of other entities
30 shall be minimized.

31 (c) The committee may attend any drills called pursuant to
32 Section 8601.10 or any oil spills, if practicable.

33 (d) The committee shall report biennially to the Governor and
34 the Legislature on its evaluation of oil spill response and
35 preparedness programs within the state and may prepare and send
36 any additional reports it determines to be appropriate to the
37 Governor and the Legislature.

38 ~~(e) On or before August 1, 2005, the committee shall review~~
39 ~~the Department of Finance report required under Section 8670.42~~
40 ~~and prepare and submit to the Governor and the Legislature~~

~~1 comments on the report, including, but not limited to,~~
~~2 recommendations for improving the state's oil spill prevention,~~
~~3 response, and preparedness program.~~

~~4 (f)~~

~~5 (e) This section shall become operative on January 1, 2012.~~

~~6 SEC. 6.~~

~~7 SEC. 5. Section 10242.5 of the Government Code is amended~~
~~8 to read:~~

~~9 10242.5. (a) The Legislative Counsel shall annually prepare,~~
~~10 publish, and maintain an electronic list of all reports that state and~~
~~11 local agencies are required or requested by law to prepare and file~~
~~12 with the Governor or the Legislature, or both, in the future or within~~
~~13 the preceding year. The list shall include all of the following~~
~~14 information:~~

~~15 (1) The name of the agency that is required or requested to~~
~~16 prepare and file the report.~~

~~17 (2) A brief description of the subject of the report.~~

~~18 (3) The date on which the report is to be completed and filed.~~

~~19 (4) The date on which the report was completed and filed.~~

~~20 (b) Each list by the Legislative Counsel prepared pursuant to~~
~~21 subdivision (a) shall be sent to each Member of the Legislature~~
~~22 and shall be available to the public. The Legislative Counsel may~~
~~23 charge a member of the public a fee that does not exceed the direct~~
~~24 cost of printing the list.~~

~~25 (c) Each state and local agency that is required or requested by~~
~~26 law to prepare a report described in subdivision (a) shall file a~~
~~27 printed copy of the report with the Legislative Counsel.~~

~~28 (d) As used in this section:~~

~~29 (1) "Agency" includes any city, county, special district,~~
~~30 department, board, bureau, or commission, including any task~~
~~31 force or other similar body that is created by statute or resolution.~~
~~32 "Agency" does not include the University of California.~~

~~33 (2) "Report" includes any study or audit.~~

~~34 (e) (1) The Legislative Counsel shall update the list required~~
~~35 by subdivision (a) by removing obsolete or duplicate reports from~~
~~36 the list. The Legislative Counsel shall also remove reports from~~
~~37 the list as directed by Section 4 of Chapter 7 of the Statutes of~~
~~38 2010, or a subsequent statute that further requires the Legislative~~
~~39 Counsel to remove reports included in the list.~~

1 (2) For purposes of this subdivision, “obsolete report” means a
2 report that has not been completed and filed and for which the date
3 that the report was required to be completed and filed was four or
4 more years after the initial report is submitted.

5 ~~SEC. 7.~~

6 SEC. 6. Section 13103.5 of the Government Code is amended
7 to read:

8 13103.5. The department may perform audits, as it deems
9 necessary, of the allocations or expenditures made in accordance
10 with Article XIX B of the California Constitution.

11 ~~SEC. 8.~~

12 SEC. 7. Section 14714 of the Government Code is repealed.

13 ~~SEC. 9.~~

14 SEC. 8. Section 14838.1 of the Government Code is amended
15 to read:

16 14838.1. (a) In order to encourage the participation of small
17 businesses in the construction, alteration, demolition, repair, or
18 improvement, of the state’s infrastructure, as provided in the
19 infrastructure-related bond acts of 2006, each state agency awarding
20 contracts financed with the proceeds of these bonds shall do all of
21 the following:

22 (1) Establish a 25 percent small business participation goal in
23 all contracts it financed with the proceeds of the
24 infrastructure-related bond acts of 2006.

25 (2) Advertise all upcoming opportunities to bid on contracts for
26 projects funded by the infrastructure-related bond acts of 2006,
27 described in subdivision (c), in the California State Contracts
28 Register and include in the advertisement an Internet link to
29 information for prospective bidders, including, but not limited to,
30 general bidding procedures and how to properly prepare a bid for
31 those contracts.

32 (3) Provide information to California small businesses regarding
33 training and technical assistance that is available to assist these
34 small businesses in understanding and bidding on contracts for
35 projects funded by the infrastructure-related bond acts of 2006,
36 described in subdivision (c).

37 (b) For purposes of this section, “small business” has the same
38 meaning as set forth in subdivision (d) in Section 14837.

39 (c) For purposes of this section, all of the following measures
40 are deemed to be the infrastructure-related bond acts of 2006:

1 (1) The Highway Safety, Traffic Reduction, Air Quality, and
2 Port Security Bond Act of 2006 (Chapter 12.49 (commencing with
3 Section 8879.20) of Division 1 of the Government Code).

4 (2) The Housing and Emergency Shelter Trust Fund Act of 2006
5 (Part 12 (commencing with Section 53540) of Division 31 of the
6 Health and Safety Code).

7 (3) The Kindergarten-University Public Education Facilities
8 Bond Act of 2006 (Part 69 (commencing with Section 101000) of
9 the Education Code).

10 (4) The Disaster Preparedness and Flood Prevention Bond Act
11 of 2006 (Chapter 1.699 (commencing with Section 5096.800) of
12 Division 5 of the Public Resources Code).

13 (5) The Safe Drinking Water, Water Quality and Supply, Flood
14 Control, River and Coastal Protection Bond Act of 2006 (Division
15 43 (commencing with Section 75001) of the Public Resources
16 Code).

17 (d) For the purposes of this section, “state agency” includes
18 each agency provided for in Section 12800 and each state entity
19 included in Section 10335.7 of the Public Contract Code in which
20 the head of the agency is appointed by the Governor.

21 (e) This section does not require the expenditure of the proceeds
22 of the sale of the bonds described in this section, except as
23 permitted by the measure authorizing the issuance of the bond.

24 ~~SEC. 10.~~

25 *SEC. 9.* Section 65089.11 of the Government Code is amended
26 to read:

27 65089.11. (a) The City/County Association of Governments
28 of San Mateo County, which has been formed by the resolutions
29 of the board of supervisors within San Mateo County and a
30 majority of the city councils within the county that represent a
31 majority of the population in the incorporated area of San Mateo
32 County, may impose a fee of up to four dollars (\$4) on motor
33 vehicles registered within San Mateo County. The City/County
34 Association of Governments of San Mateo County may impose
35 the fee only if the board of the association adopts a resolution
36 providing for both the fee and a corresponding program for the
37 management of traffic congestion and stormwater pollution within
38 San Mateo County as set forth in Sections 65089.12 to 65089.20,
39 inclusive. Adoption by the board requires a vote of approval by

1 board members representing two-thirds of the population of San
2 Mateo County.

3 (b) A fee imposed pursuant to this section shall not become
4 operative until July 1, 2005, pursuant to the resolution adopted by
5 the board in subdivision (a).

6 (c) The City/County Association of Governments of San Mateo
7 County may reauthorize the fee established under subdivision (a)
8 pursuant to the same conditions required in that subdivision for a
9 period of four years and the fee shall terminate on January 1, 2013,
10 unless reauthorized by the Legislature.

11 ~~SEC. 11. Section 65089.15 of the Government Code is~~
12 ~~repealed.~~

13 ~~SEC. 12. Section 66536.1 of the Government Code is amended~~
14 ~~to read:~~

15 ~~66536.1. (a) The combined membership of the joint policy~~
16 ~~committee shall include at least one representative from each of~~
17 ~~the nine regional counties: Alameda, Contra Costa, Marin, Napa,~~
18 ~~Sonoma, San Mateo, San Francisco, Santa Clara, and Solano.~~
19 ~~Effective January 1, 2011, a majority of the representatives~~
20 ~~appointed to the joint policy committee by the San Francisco Bay~~
21 ~~Conservation and Development Commission shall be locally~~
22 ~~elected officials.~~

23 ~~(b) The joint policy committee shall coordinate the development~~
24 ~~and drafting of major planning documents prepared by ABAG,~~
25 ~~MTC, the Bay Area Air Quality Management District, and the San~~
26 ~~Francisco Bay Conservation and Development Commission,~~
27 ~~including reviewing and commenting on major interim work~~
28 ~~products and the final draft comments prior to action by ABAG,~~
29 ~~MTC, the Bay Area Air Quality Management District, and the San~~
30 ~~Francisco Bay Conservation and Development Commission. These~~
31 ~~documents include, but are not limited to, the following:~~

32 ~~(1) Beginning with the next plan update scheduled to be adopted~~
33 ~~in 2008, the regional transportation plan prepared by MTC and~~
34 ~~described in Section 66508 of the Government Code.~~

35 ~~(2) The ABAG Housing Element planning process for regional~~
36 ~~housing needs pursuant to Article 10.6 (commencing with Section~~
37 ~~65580) of Chapter 3 of Division 1 of Title 7.~~

38 ~~(3) The Bay Area Air Quality Management District's Ozone~~
39 ~~Attainment Plan and Clean Air Plan.~~

40 ~~(4) The San Francisco Bay Plan and related documents.~~

1 ~~SEC. 13.~~

2 *SEC. 10.* Section 67150.3 of the Government Code is amended
3 to read:

4 67150.3. (a) The commission's plan and draft legislation shall
5 accomplish the Legislature's intent as set forth in Section 67150.1.

6 (b) To the extent it determines it to be necessary, the commission
7 may prepare appropriate ballot propositions for individual
8 jurisdictions.

9 (c) The commission may evaluate specific land use authority
10 alternatives in order to meet transportation goals as defined by the
11 commission.

12 (d) The commission may evaluate the consolidation of other
13 regional agencies and functions.

14 (e) Legislation implementing the commission's plan shall not
15 become operative unless a ballot proposition containing that
16 proposal is approved by a majority of the votes cast by the voters
17 voting on that proposition at an election that shall be conducted
18 by the County of San Diego in the San Diego region in either
19 March 2002, or November 2002. The County of San Diego shall
20 conduct that election in substantial compliance with the state laws
21 pertaining to county referendum elections. If that proposition is
22 approved by a majority of the votes cast at an election conducted
23 in March 2002, the operative date of the legislation shall be July
24 1, 2002. If that proposition is approved by a majority of the votes
25 cast at an election conducted in November 2002, the operative
26 date of the legislation shall be January 1, 2003.

27 ~~SEC. 14.~~

28 *SEC. 11.* Section 95503 of the Government Code is amended
29 to read:

30 95503. (a) The department shall issue by July 1, 2003, a
31 request for proposals to entities that may apply to become the
32 nonprofit facilitator of the project. Applications shall include, but
33 need not be limited to, all of the following components:

34 (1) A description of the organization submitting the proposal.

35 (2) A description of the planning process used to design the
36 project.

37 (3) A business plan, including a market assessment, to be
38 developed and used during the planning process, describing a target
39 group or target area and the needs to be served, and cultural
40 considerations.

1 (4) A marketing plan, including a description of the outreach
2 and recruitment of participants for the project that uses information
3 developed in the planning and market assessments.

4 (5) A description of project operations, including a description
5 of the fiscal management plan, staffing pattern, arrangements with
6 financial institutions, data management plan, and partnerships with
7 other organizations.

8 (6) A description of the accounting methods to be used and
9 evidence that the entity has the capacity to monitor pooled
10 matching funds and project funding.

11 (7) A financial projection, including a proposed budget and fund
12 development strategies.

13 (8) An annual audit.

14 (9) A description of primary project policies and procedures.

15 (10) A description and plan for delivery of personal financial
16 management training and asset-specific training.

17 (b) (1) The department shall assemble a review committee to
18 read and score proposals by interested nonprofit facilitators in
19 response to the request for proposals. The review committee shall
20 include a staff member from the department and other experienced
21 individual development account practitioners from diverse
22 communities.

23 (2) The review committee shall score the proposals according
24 to the components required in Section 95504, as well as best
25 practice standards agreed upon by the asset-building field and a
26 demonstrated capacity to conduct statewide activities and
27 subcontract with service providers around the state.

28 (c) The department shall select a nonprofit facilitator to
29 participate in the project based on the proposals submitted and
30 scored pursuant to this section.

31 (d) The department shall allocate funding to the nonprofit
32 facilitator for the project, subject to the requirements and
33 limitations of the funding source.

34 (e) The department shall annually pay the nonprofit facilitator
35 up to 10 percent of the project's total annual allocation for the
36 purpose described in Section 95504, and may reserve up to 5
37 percent of the project's total annual allocation for its own
38 administrative purposes.

1 ~~SEC. 15.~~

2 *SEC. 12.* Section 44003.5 of the Health and Safety Code is
3 amended to read:

4 44003.5. (a) Notwithstanding any other provision of law, an
5 enhanced motor vehicle inspection and maintenance program,
6 including the provisions of the test-only program described in
7 Section 44010.5, is established in the San Francisco Bay Area
8 Basin, consistent with the requirements described in subdivision
9 (b).

10 (b) The department shall commence operation of the enhanced
11 motor vehicle inspection and maintenance program in the urbanized
12 areas of the San Francisco Bay Area Basin, including directing
13 motor vehicles to test-only facilities, after the department
14 determines that an adequate number of test-only stations, test and
15 repair stations, referee services, and other facilities and equipment
16 necessary to provide reliable and convenient service to vehicle
17 owners subject to the program exist in that basin.

18 (c) Upon commencing operation of the enhanced program in
19 those areas of the San Francisco Bay Area Basin subject to the
20 requirements of the program, the bureau shall utilize emission
21 standards for oxides of nitrogen, and percentages of vehicles
22 directed to test-only stations similar to those utilized to begin the
23 initial implementation of the program in other enhanced areas of
24 the state. The department shall phase-in more stringent emission
25 standards for oxides of nitrogen and direct higher percentages of
26 vehicles to test-only stations, so that the fully implemented
27 enhanced program in the San Francisco Bay area is consistent with
28 the fully implemented enhanced program in other areas of the state.

29 (d) (1) On or before January 1, 2004, and concurrent with
30 implementing subdivision (b), the board shall submit for peer
31 review the study produced by the University of California at
32 Riverside and commissioned by the Bay Area Air Quality
33 Management District, and any other available scientifically credible
34 evidence, to determine the impact of the enhanced motor vehicle
35 inspection and maintenance program on Contra Costa County and
36 surrounding areas.

37 (2) It is the intent of the Legislature in enacting this section to
38 seek implementation of those mitigation measures suggested under
39 paragraph (1) that are found to be scientifically credible means to

mitigate adverse ozone and other air quality impacts, are consistent with this section, and do not adversely impact downwind regions.

(e) Consistent with subdivision (b), it is the intent of the Legislature that the department commence operation of the enhanced motor vehicle inspection and maintenance program in the urbanized areas of the San Francisco Bay Air Basin as expeditiously as possible in order to assist the San Francisco Bay Area and downwind air districts in meeting their federal air quality attainment requirements.

~~SEC. 16.~~

SEC. 13. Section 104200 of the Health and Safety Code is amended to read:

104200. (a) Subject to subdivision (f), the department shall conduct the Cervical Cancer Community Awareness Campaign to do all of the following:

(1) To provide awareness, assistance, and information regarding cervical cancer and the human papillomavirus (HPV). These efforts shall include provider education aimed at promoting the awareness of HPV and its link to cervical cancer. Information regarding prevention, early detection, options for testing, and treatment costs shall be included.

(2) To promote the availability of preventive treatment for cervical cancer for women in California.

(3) To perform other activities related to cervical cancer.

(b) (1) For purposes of the Cervical Cancer Community Awareness Campaign, the department shall establish a study of and research regarding cervical cancer.

(2) The study and research shall contain, but not be limited to, statistical information in order to target appropriate regions of the state with the Cervical Cancer Community Awareness Campaign. The statistical information shall include, but not be limited to, age, ethnicity, region, and socioeconomic status of the women in the state in relation to cervical cancer. The research shall provide studies of current treatment evolutions, possible cures, and the availability of preventive care for women in the state in relation to cervical cancer.

(c) To the extent feasible and appropriate, the Cervical Cancer Community Awareness Campaign shall be incorporated into existing cancer awareness programs operated by the department.

(d) There is hereby established in the State Treasury the Cervical Cancer Fund to be expended by the State Department of Health Care Services, upon appropriation of nonstate funds by the Legislature, solely for the Cervical Cancer Community Awareness Campaign.

(e) (1) The department shall conduct the Cervical Cancer Community Awareness Campaign only if voluntary contributions are received to support its activities pursuant to this section. The continued implementation of this section shall be contingent upon the receipt of voluntary contributions for that purpose.

(2) Voluntary contributions received for purposes of this subdivision shall be deposited into the Cervical Cancer Fund.

(f) This section shall be implemented only after the Department of Finance determines that nonstate funds in an amount sufficient to fully support the activities of this section have been deposited with the state. Thereafter, this section shall continue to be implemented only to the extent that the Department of Finance determines that sufficient nonstate funds to fully support the activities of this section have been deposited with the state for purposes of this section. If the Department of Finance determines that insufficient voluntary contributions for purposes of implementing this section have been deposited with the state by January 1, 2007, the Department of Finance shall notify either the Chief Clerk of the Assembly or the Secretary of the Senate of this fact, and this section shall be repealed on January 1, 2007, unless a later enacted statute, that is enacted before January 1, 2007, deletes or extends that date.

~~SEC. 17.~~

SEC. 14. Section 1872.87 of the Insurance Code is amended to read:

1872.87. (a) Each insurer required to pay special purpose assessments pursuant to Sections 1872.8, 1872.81, 1874.8, or subdivision (a) of Section 1872.86 may, over a reasonable length of time, but in no event later than the calendar year in which the assessment is paid, recoup the special purpose assessments by way of a surcharge on premiums charged for the insurance policies to which those sections apply or by including the assessments within the insurer's rates. Amounts recouped shall not be considered premiums for any purpose, including the computation of gross premium tax or agents' commission.

(b) The amount of the surcharge shall be separately stated on either a billing or policy declaration sent to an insured.

~~SEC. 18. Section 127.6 of the Labor Code is amended to read:~~

~~127.6. (a) The administrative director shall, in consultation with the Commission on Health and Safety and Workers' Compensation, other state agencies, and researchers and research institutions with expertise in health care delivery and occupational health care service, conduct a study of medical treatment provided to workers who have sustained industrial injuries and illnesses. The study shall focus on, but not be limited to, all of the following:~~

~~(1) Factors contributing to the rising costs and utilization of medical treatment and case management in the workers' compensation system.~~

~~(2) An evaluation of case management procedures that contribute to or achieve early and sustained return to work within the employee's temporary and permanent work restrictions.~~

~~(3) Performance measures for medical services that reflect patient outcomes.~~

~~(4) Physician utilization, quality of care, and outcome measurement data.~~

~~(5) Patient satisfaction.~~

~~(b) The administrative director shall begin the study on or before July 1, 2003.~~

~~(c) In implementing this section, the administrative director shall ensure the confidentiality and protection of patient-specific data.~~

~~SEC. 19.~~

~~SEC. 15. Section 28004 of the Public Resources Code is amended to read:~~

~~28004. (a) (1) The agency shall convene the Morro Bay Management Plan Task Force to develop the plan. The Central Coast Regional Water Quality Control Board shall be utilized to carry out necessary administrative functions, including selecting a temporary chairperson of the task force, until such time as the task force establishes its own organization, leadership, and procedures. The task force shall meet at least four times each calendar year. The task force shall submit the plan to the San Luis Obispo County Board of Supervisors and to the Morro Bay City Council for approval.~~

(2) On and after July 1, 1997, the task force shall, on an ongoing basis, make recommendations to the agency regarding the need for any revisions in the plan.

(3) The task force shall terminate as of June 30, 2007.

(b) The agency shall encourage all local, state, and federal agencies with jurisdiction over parts of, or activities within, the bay and its watershed to participate in the task force. The agency shall also encourage the participation of all interested business and agricultural groups, commercial organizations, environmental groups, and any other interested groups or individuals.

(1) Participating agencies may include, but are not limited to, the agency, the National Guard, the Department of Parks and Recreation, the Department of Fish and Game, the Department of Corrections, the State Department of Health Services, the California Coastal Commission, the State Water Resources Control Board, the Central Coast Regional Water Quality Control Board, the Coastal San Luis Resource Conservation District, the State Coastal Conservancy, the California Conservation Corps, California Polytechnic State University San Luis Obispo, the University of California Agricultural Extension, the County of San Luis Obispo, and the City of Morro Bay.

(2) Other participants may include, but are not limited to, the Pacific Gas and Electric Company, agricultural groups, commercial fishing, mariculture, and fish processing groups, local chambers of commerce, and members of the tourist industry.

(3) The costs incurred by each voluntary participant in the task force shall be limited to the costs of its own participation at the meetings called by the chairperson of the task force.

~~SEC. 20.~~

SEC. 16. Section 28007 of the Public Resources Code is amended to read:

28007. At two-year intervals, the agency shall call a task force meeting to evaluate the effectiveness of the plan and to make any necessary revisions in the plan. The revisions shall be subject to the same approval process as the original plan.

~~SEC. 21. Section 32556 of the Public Resources Code is amended to read:~~

~~32556. (a) The board shall consist of 13 voting members and seven nonvoting members.~~

~~(b) The 13 voting members of the board shall consist of the following:~~

~~(1) The Secretary of the Resources Agency, or his or her designee.~~

~~(2) The Director of Parks and Recreation, or his or her designee.~~

~~(3) The Director of Finance, or his or her designee.~~

~~(4) The Director of the Los Angeles County Department of Parks, or his or her designee.~~

~~(5) The member of the Los Angeles County Board of Supervisors within whose district the majority of the Baldwin Hills area is located.~~

~~(6) Six members of the public appointed by the Governor who are residents of Los Angeles County and who represent the diversity of the community surrounding the Baldwin Hills area. Of those six members, four members shall be selected as follows:~~

~~(A) One member shall be a resident of Culver City selected from a list of three persons nominated by the city council.~~

~~(B) Three members shall be residents of the adjacent communities of Blair Hills, Ladera Heights, Baldwin Hills, Windsor Hills, Inglewood, View Park, or Baldwin Vista.~~

~~(7) A resident of Los Angeles County appointed by the Speaker of the Assembly, and a resident of Los Angeles County appointed by the Senate Committee on Rules.~~

~~(c) The seven nonvoting members shall consist of the following:~~

~~(1) The Secretary of the California Environmental Protection Agency, or his or her designee.~~

~~(2) The Executive Officer of the State Coastal Conservancy, or his or her designee.~~

~~(3) The Executive Officer of the State Lands Commission, or his or her designee.~~

~~(4) An appointee of the Governor with experience in developing contaminated sites, commonly referred to as "brownfields."~~

~~(5) The Executive Director of the Santa Monica Mountains Conservancy, or his or her designee.~~

~~(6) The Director of the Culver City Human Services Department, or his or her designee.~~

~~(7) The Director of the Department of Conservation, or his or her designee.~~

~~(d) A quorum shall consist of seven voting members of the board, and any action of the board affecting any matter before the~~

1 board shall be decided by a majority vote of the voting members
2 present, a quorum being present. However, the affirmative vote
3 of at least four of the voting members of the board shall be required
4 for the transaction of any business of the board.

5 (e) The board shall do all of the following:

6 (1) Study the potential environmental and recreational uses of
7 Ballona Creek and the adjacent property described in subdivision
8 (a) of Section 32553.

9 (2) Develop a proposed map for that area.

10 SEC. 22. Section 32556.2 of the Public Resources Code is
11 repealed.

12 SEC. 23.

13 SEC. 17. Section 41821.5 of the Public Resources Code is
14 amended to read:

15 41821.5. (a) Disposal facility operators shall submit to counties
16 information from periodic tracking surveys on the disposal
17 tonnages by jurisdiction or region of origin that are disposed of at
18 each disposal facility. To enable disposal facility operators to
19 provide that information, solid waste handlers and transfer station
20 operators shall provide information to disposal facility operators
21 on the origin of the solid waste that they deliver to the disposal
22 facility.

23 (b) Recycling and composting facilities shall submit periodic
24 information to counties on the types and quantities of materials
25 that are disposed of, sold to end users, or that are sold to exporters
26 or transporters for sale outside of the state, by county of origin.
27 When materials are sold or transferred by one recycling or
28 composting facility to another, for other than an end use of the
29 material or for export, the seller or transferor of the material shall
30 inform the buyer or transferee of the county of origin of the
31 materials. The reporting requirements of this subdivision do not
32 apply to entities that sell the byproducts of a manufacturing
33 process.

34 (c) Each county shall submit periodic reports to the cities within
35 the county, to any regional agency of which it is a member agency,
36 and to the board, on the amounts of solid waste disposed by
37 jurisdiction or region of origin, as specified in subdivision (a), and
38 on the categories and amounts of solid waste diverted to recycling
39 and composting facilities within the county or region, as specified
40 in subdivision (b).

(d) The board may adopt regulations pursuant to this section requiring practices and procedures that are reasonable and necessary to perform the periodic tracking surveys required by this section, and that provide a representative accounting of solid wastes that are handled, processed, or disposed. Those regulations or periodic tracking surveys approved by the board shall not impose an unreasonable burden on waste handling, processing, or disposal operations or otherwise interfere with the safe handling, processing, and disposal of solid waste.

~~SEC. 24.~~

SEC. 18. Section 353.15 of the Public Utilities Code is amended to read:

353.15. (a) In order to evaluate the efficiency, emissions, and reliability of distributed energy resources with a capacity greater than 10 kilowatts, customers that install those resources pursuant to this article shall report to the commission, on an annual basis, all of the following information, as recorded on a monthly basis:

(1) Heat rate for the resource.

(2) Total kilowatthours produced in the peak and off-peak periods, as determined by the ISO.

(3) Emissions data for the resource, as required by the State Air Resources Board or the appropriate air quality management district or air pollution control district.

(b) The commission shall release the information submitted pursuant to subdivision (a) in a manner that does not identify the individual user of the distributed energy resource.

(c) The commission, in consultation with the State Air Resources Board, air quality management districts, air pollution control districts, and the State Energy Resources Conservation and Development Commission, shall evaluate the information submitted pursuant to subdivision (a).

~~SEC. 25.~~

SEC. 19. Section 13396.9 of the Water Code is amended to read:

13396.9. (a) The California Coastal Commission and the Los Angeles Regional Water Quality Control Board shall establish and participate in the multiagency Los Angeles Basin Contaminated Sediments Task Force, in cooperation with all interested parties, including, but not limited to, the United States Environmental

1 Protection Agency, the United States Army Corps of Engineers,
2 the Port of Long Beach, and the Port of Los Angeles.

3 (b) (1) On or before January 1, 2005, the California Coastal
4 Commission shall, based upon the recommendations of the task
5 force, develop a long-term management plan for the dredging and
6 disposal of contaminated sediments in the coastal waters adjacent
7 to the County of Los Angeles. The plan shall include identifiable
8 goals for the purpose of minimizing impacts to water quality, fish,
9 and wildlife through the management of sediments. The plan shall
10 include measures to identify environmentally preferable, practicable
11 disposal alternatives, promote multiuse disposal facilities and
12 beneficial reuse, and support efforts for watershed management
13 to control contaminants at their source.

14 (2) The California Coastal Commission and the Los Angeles
15 Regional Water Quality Control Board shall seek to enter into an
16 agreement with the United States Environmental Protection Agency
17 and the United States Army Corps of Engineers for those federal
18 agencies to participate in the preparation of the long-term
19 management plan.

20 (c) The California Coastal Commission and the Los Angeles
21 Regional Water Quality Control Board, in cooperation with the
22 task force, shall conduct not less than one annual public workshop
23 to review the status of the plan and to promote public participation.
