LEGISLATIVE COUNSEL'S DIGEST

AB 1500, as amended, John A. Pérez. Corporation taxes: *apportionment*: single sales factor: Middle Class Scholarship Fund.

The Corporation Tax Law imposes taxes measured by income and, in the case of a business with income derived from or attributable to sources both within and without this state, apportions the income

between this state and other states and foreign countries in accordance with a specified 4-factor formula based on the property, payroll, and sales within and without this state, except that in the case of an apportioning trade or business that derives more than 50% of its gross business receipts from conducting one or more qualified business activities, as defined, business income is apportioned in accordance with a specified 3-factor formula. That law, for taxable years beginning on or after January 1, 2011, allows a taxpayer to apportion its income in accordance with a single sales factor formula, except as provided, pursuant to an irrevocable annual election, as specified. That law also provides that sales of tangible personal property and sales of other than tangible personal property are in this state in accordance with specified criteria.

~~This bill would, for taxable years beginning on or after January 1, 2012, require a taxpayer, except as provided, to apportion its income in accordance with a single sale factor and would revise the rules that determine whether a taxpayer is doing business in this state, revise the provisions that determine whether sales other than tangible personal property occur in this state, including specific provisions for cable systems or networks, and require a taxpayer, except as provided, to apportion its income in accordance with a single sales factor.~~

This bill would require any aggregate increase in revenues derived from its provisions, as provided, to be deposited into the Middle Class Scholarship Fund, which the bill would establish, and, upon appropriation by the Legislature, allocate those revenues for the purpose of increasing the affordability of higher education.

This bill would become operative only if a specified measure is chaptered and establishes a middle-class scholarship program.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: 2/3. Appropriation: no. Fiscal committee: yes.
 State-mandated local program: no.

The people of the State of California do enact as follows:
