#### LEGISLATIVE COUNSEL'S DIGEST

AB 1652, Olsen. California American Portuguese Veterans Memorial.

Existing law prescribes various duties for the Department of General Services in connection with development and maintenance of the park around the State Capitol Building.

This bill would authorize the American Portuguese Club Incorporated, in consultation with the department and a specifically created committee, to construct and maintain a memorial in the existing All Veterans Memorial to honor California American Portuguese veterans. It would require that the planning, construction, and maintenance of the memorial be funded with private donations through the American Portuguese Club Incorporated. It would prohibit construction of the memorial until the master plan of the State Capitol Park is approved and adopted by the Joint Committee on Rules and the Joint Committee on Rules, and the Department of Finance have determined that sufficient private funding is available to construct and maintain the memorial.

This bill would declare that it is to take effect immediately as an urgency statute.
