CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 1674

Introduced by Assembly Member Ma

February 14, 2012

An act to add Section 3200.5 to the Family Code, relating to visitation.

LEGISLATIVE COUNSEL'S DIGEST

AB 1674, as amended, Ma. Child custody: visitation.

Existing child custody law requires the Judicial Council to develop standards for supervised visitation providers in accordance with specified guidelines.

This bill would require any standards for supervised visitation providers adopted by the Judicial Council to conform to the provisions of the bill. The bill would require supervised visitation providers to be professional providers or nonprofessional providers, as specified. The bill would require the court, in any case in which it has determined there is domestic violence, child abuse, or neglect, as specified, and *it determines that* supervision is necessary, to consider whether to use a

professional or nonprofessional provider based upon the child’s best interest.

The bill would also require professional providers to receive 24 hours of training in certain subjects. The bill would require providers of supervised visitation to advise the parties of certain legal rights, report suspected child abuse to the appropriate agency, and to suspend or terminate visitation in certain cases in accordance with specified procedures.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
